UPTOWN ARTS AND SCIENCE CHARTER SCHOOL

PROPOSED CHARTER SCHOOL APPLICATION FOR SUBMISSION TO THE STATE UNIVERSITY OF NEW YORK BOARD OF TRUSTEES

REQUEST 24:

R-24 - FULL MERGED APPLICATION

www.uptowncharter.org

FEBRUARY, 2024

SUNY Charter Schools Institute
The State University of New York

2024 TRANSMITTAL AND SUMMARY FORM

Please refer to the 2024 SUNY Request for Proposals document available at https://www.newyorkcharters.org/resource-center/applicants/ when completing this form. Contact charter.newapp@suny.edu with any questions.

Proposed School Information (note: if proposing multiple schools, a separate Transmittal is required for each one)			
Proposed Charter School Name: (Must include words "Charter" and "School"	Uptown Arts and Science Charter School		
Education Corporation Name (if different than proposed charter school name):			
		Ed. Corp Status:	New Ed Corp
Proposed Opening Date (Month/Year):	9/25	School District of Location (or NYC CSD):	CSD 8

Proposed Grades to be Served and Enrollment		
Charter Year	**Grades**	**Enrollment**
Year 1	9	100
Year 2	9-10	200
Year 3	9-11	300
Year 4	9-12	400
Year 5	9-12	400

Proposed Affiliations (if applicable)	
Charter Management Organization ("CMO"):	iLearn Schools
CMO Contact Info (Name, Phone):	[redacted]
Partner Organization:	
Partner Contact Info (Name, Phone):	
NOTE: A CMO provides a majority of educational management services at a school, a partner organization is a non-profit entity that provides space or support to the school but is does not provide a majority of educational management services.	

Lead Applicant(s) Contact Information					
Lead Applicant Name:	Turan Balik				
Applicant is a (check all that apply):	☐ Parent	☐ Teacher	☑ School Administrator	☐ District Resident	☐ SUNY Ed Corp/Charter School
Organization Name (if applicable):	Bronx Arts and Science Charter School				
Applicant Mailing Address:	[redacted]				
Phone Number (direct line):	[redacted]	Secondary Phone Number:	[redacted]	Email Address:	[redacted]

Secondary Applicant Name (if applicable):	Dr. Nihat Guvercin				
Applicant is a (check all that apply):	☐ Parent	☐ Teacher	☑ School Administrator	☐ District Resident	☐ SUNY Ed Corp/Charter School
Organization Name (if applicable):	iLearn Schools				
Applicant Mailing Address:	[redacted]				
Phone Number (direct line):	[redacted]	Secondary Phone Number:	[redacted]	Email Address:	[redacted]

Media/ Public Contact Information (Note: this information will be publicly posted on the Institute's website)					
Name:	Turan Balik	Phone #:	814-777-2460	Email:	tbalik@bronxcharter.org

Program Design

Provide the proposed school's mission statement in the space below. **(Maximum 200 words.)**

The mission of Uptown Arts and Science Charter School is to provide a high-quality STEAM-based education in an innovative learning environment to empower students to meet and surpass grade level expectations and succeed in college and career.

Provide the proposed school's key design elements. Provide a brief **(up to 50 words)** description of each key design element.

Technology Integration: Uptown ASCS recognizes the importance of technology in education and prioritizes the integration of instructional technology tools and resources inside and outside the classroom. Specialized programs and platforms, such as dashboards and learning management systems, are embraced to make data informed decisions and increase engagement and alignment with NYSLS.

STEAM-Based Education: Uptown ASCS takes a full STEAM-ahead approach to education, offering a STEAM program that provides challenging cross-curricular lessons and hands-on student-centered learning experiences. The school offers STEAM events that allow students to explore innovations through real-world problem-solving.

College and Career Readiness: Uptown ASCS's robust curriculum is designed for optimal college and career preparation. We offer diverse academic pathways, including STEM and Humanities, enriched with AP courses, career exploration, and extracurriculars, equipping students with the skills and knowledge for post-secondary success.

Provide a brief overview of the proposed school's academic program in the space below. The description should address any specific philosophical, instructional, curricular, or other approaches the school intends to implement and the rationale for this selection. **(Maximum 500 words.)**

Uptown ASCS, as a part of the iLearn Schools CMO, is dedicated to expanding STEAM education opportunities for students through interactive, hands-on, student-centered lessons and real-world learning experiences. At the high school level, students are given the choice to pursue a STEM or Humanities pathway in preparation for college and future careers as a part of our Pathways to College program. Our high school to college transition process is well-established, as students receive close guidance from school college and career counselors around college applications and admissions. Students also see the opportunity to complete PSAT and SAT testing on site. As a product of such efforts in preparing students for SATs, colleges, and careers, all three of Uptown ASCS's fully expanded network sister high schools–Bergen ASCS, Passaic ASCS, and Paterson ASCS ranked in the top 10 charter schools in the state of N.J. in terms of SAT performance for the 2020-21 school year. Furthermore, in Paterson ASCS's first graduating class of 56 students in 2022, 53 (95%) were admitted into 2- and 4-year colleges. The college admissions rates of Bergen ASCS and Passaic ASCS have also consistently remained above 90% since each one's first graduating classes of 2015 and 2019, respectively.

To provide a robust academic program for students, iLearn Schools has a strong and layered teacher support system in place. Teachers receive specific support around instructional technology integration into lessons from School Instructional Technology Coordinators (SITCs), as iLearn prioritizes technology's role in student learning. Teachers also receive coaching support from content-area coaches of Math, ELA, Science, and Social Studies. Instructional coaches informally observe lessons on a weekly basis, debrief with teachers around instructional decision-making, offer guidance and feedback in lesson and unit planning, and work collaboratively in reflecting upon lesson implementation and student assessment results before brainstorming ideas together for best addressing students and further improving teachers' quality of instruction. Instructional coaches may also model for teachers specific instructional strategies that can be implemented or even co-teach lessons. PLCs also provide teachers from different sites the opportunity to collaborate across the same grade level. Through the mentorship program for new teachers, mentors meet with mentees on a monthly basis, too, to address the 11 components of PD. Campus PDs are held monthly on each campus and District PDs are held bi-annually (in the Fall and Spring). PD agendas are specific to each department's breakout session and cover a broad spectrum of topics informed by teacher feedback from surveys, student assessment results, and PLC discussions. Before the start of the school year, instructional staff also participates in the iLearn Schools Summer Institute Training. In this, instructional coaches and program directors lead subject-specific sessions with teachers across specific grade spans. Prior to iLearn Summer Institute, iLearn's school administrators also participate in a one-week iLearn Leadership Summer Summit, which features collaborative sessions off-site and keynotes designed to help staff grow together as school leaders.

Proposed Board Members

Provide a list of all proposed board members below. The Institute understands that applicants may add trustees to the education corporation's board in the future but expects applicants to have at least five board members at the time of application submission and identify a Chair, Vice-Chair, Secretary, and Treasurer. All proposed board members must undergo background checks and be present at an interview to constitute a functioning board in order for the Institute to recommend the charter for approval.

For each proposed trustee please provide a brief biographical statement **(maximum of 200 words each)** that includes each proposed trustee's:

- Name;
- Proposed charter school board title, if applicable (e.g., Chair, Vice-Chair);
- Current job title/position and company/organization;
- Past job title(s)/position(s) and company/organization (if applicable);
- Educational background including degree(s) earned and institution(s); and,
- Any relevant experience including boards, volunteering, community organizations, etc.

Name: Adaline S. Walker Santiago, MA
Proposed Board Title: Board Chair

[redacted]

Name: Dr. Keith Taylor
Proposed Board Title: Vice Chair

[redacted]

Name: Fitore Balidemaj
Proposed Board Title: Treasurer

[redacted]

Name: Myrna Calderon
Proposed Board Title: Trustee

Lead Applicant Signature	
Signature:	[redacted]

By signing this Proposal Transmittal Form, the Lead Applicant certifies that the information contained in this proposal to establish a charter school pursuant to the New York Charter Schools Act with the State University of New York Board of Trustees is true and accurate to the best of his or her knowledge.

NOTE: The Institute only accepts valid digital signatures or physically signed scanned copies. Please do NOT submit typed signatures. Please contact the Institute directly if you have questions

GENERAL INSTRUCTIONS FOR COMPLETING THE STATISTICAL OVERVIEW FORM

Only applicants with currently operating public or private schools should complete this form.

1- General Information

All information on the Enrollment and Retention tabs should align to data available in the state's Level 2 Reporting Portal. All data should reflect BEDS day information. Please refer to footnotes for additional clarifying information. Send any questions about how to complete this form to charter.accountability@suny.edu. Complete the form for the academic years 2020-21, 2021-22, and 2022-23. Complete the form with data for each school in the education corporation (or network) for replicated schools.

2- Enrollment

All enrollment data should reflect BEDS day information.

All students who received mandated services at some point of enrollment in the school should be included in the Students with Disabilities ("SWD") count even if they no longer receive services.

Any student identified as an English language learner ("ELL") at any point of enrollment in the school should be included in the ELL count regardless of their current English language proficiency status.

3- Retention

All retention data should reflect students enrolled in school on previous BEDS day who remained in the school the following BEDS day.

4- Discipline

Distinguish the total number of suspensions (occurrences) from the total number of students that were suspended at least once (unique students).

Bedscode	Network/Ed Corp	School Name	School Year	Total Enrollment[1]	Number of Students with Disabilities[2]	Number of English language learners[3]	Number of Economically Disadvantaged Students
NJ School	iLearn Schools	Bergen Arts and Science Charter School	2020-21	1191	68	57	670

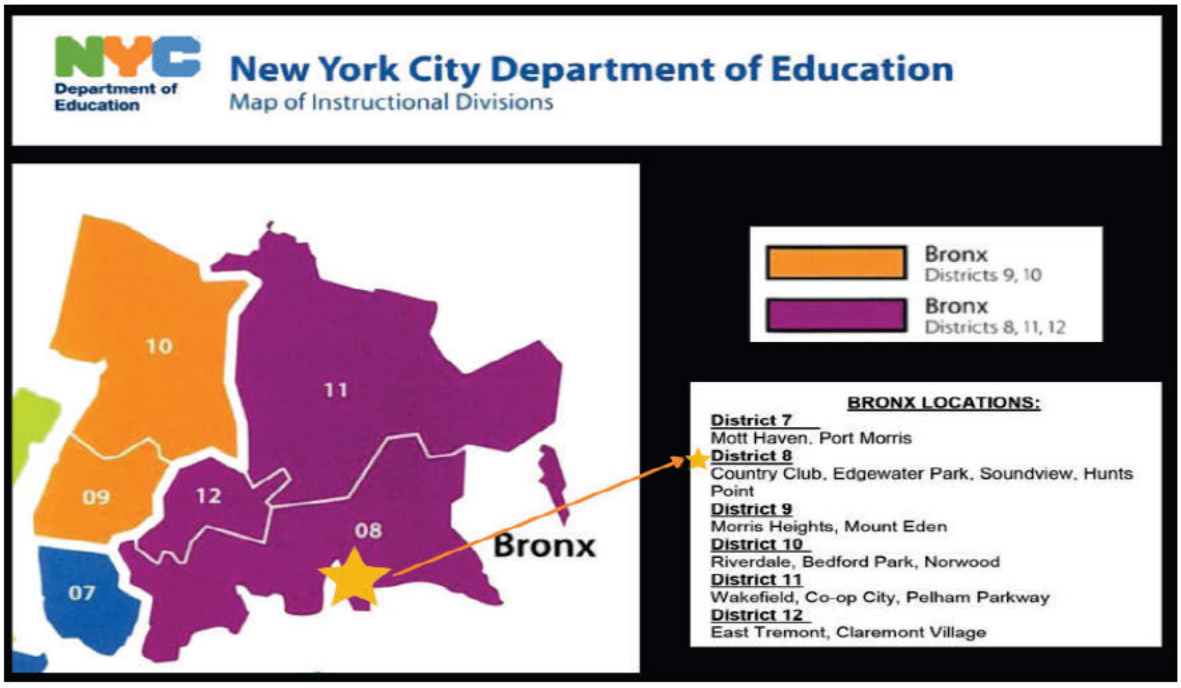
R-01AC. Community Need and Proposed School Impact

A. Community Description and Need

a. Introduction

Community School District (CSD) 8 encompasses a diverse and vibrant area in the Bronx, including neighborhoods such as Country Club, Edgewater Park, Soundview, and Hunts Point (see Business Plan Section IV, Part 5 for a detailed breakdown of how Uptown ASCS can address unmet community needs). This district is characterized by a mix of urban and suburban settings, providing a unique blend of community environments. The area is well-connected with public transportation, including bus routes like the Bx22, Bx27, Bx36, Bx39, and Bx5, making it highly accessible for students and families (see Business Plan Section IV for detailed market analysis and data).



The selection of Bronx CSD 8 as the location for Uptown Arts & Science Charter High School is underpinned by a comprehensive understanding of the unique challenges and opportunities inherent in the community. The Bronx CSD 8 has historically faced educational inequities, economic disparities, and limited access to quality education options. As a part of the iLearn Schools network of charter schools, the founding team at Uptown ASCS has deeply rooted knowledge of and connections with Bronx CSD 8 from its prior experience of working with Bronx Arts & Science Charter School, which is a PreK-5 charter school that opened its doors to students in 2019. From our experience with Bronx ASCS and connections with families and community members, we have become acutely aware of the high level of demand for high

quality public high school seats in the Bronx CSD 8, and are prepared to meet this need with the addition of Uptown ASCS (see “Programmatic Impact” beginning on page 11 for more detailed information surrounding current education options and Uptown ASCS’s proposed impact on the community). Also, see Section IV. Market Analysis: Part 5 “Community Needs Assessment”, Part 6 “Charter School Landscape in Bronx CSD 8”, and Part 7 “Uptown ASCS Positioning and Strategic Fit” of the business plan for additional specific insights.

According to a study by the National Center for Education Statistics (NCES), urban areas, including the Bronx, often experience resource disparities, impacting educational outcomes (NCES, 2018). Moreover, these resource disparities are even greater in high schools. In addition, learning gaps grow even wider as students progress through high school. Research suggests that learning gaps tend to widen as students move through elementary, middle, and high school (Alexander et al., 2007; Duncan & Murnane, 2014).

This phenomenon can be attributed to a multitude of factors. Cumulative disadvantage plays a significant role, where initial disparities, such as limited resources or lower socio-economic status, accumulate over time, leading to larger gaps (Entwisle & Astone, 1994). Unequal access to educational resources, including quality teachers, advanced courses, and extracurricular activities, also contributes to the widening of learning gaps (Reardon, 2011). As the curriculum becomes more advanced, students with fewer opportunities may struggle to catch up (Sirin, 2005). Institutional and systemic factors, such as tracking or streaming students into different levels based on perceived abilities, can inadvertently perpetuate disparities (Gamoran, 2001). Additionally, variations in parental involvement and support impact a student's academic progress, with those having involved and supportive parents seeing an advantage (Jeynes, 2003).

Specifically in the Bronx CSD 8, a pressing concern has emerged regarding a lack of high-quality high school options and a lack of educational resources especially at the high school level, which is resulting in an alarmingly low percentage of students successfully progressing into college and careers. Statistics reveal that a concerning number of high school students in the Bronx CSD 8 do not pursue post-secondary education and find themselves unprepared for the workforce. For instance, data from 2022 shows that schools such as Bronx Arena High School report a graduation rate as low as 23% and a student attendance rate of just 45%, indicating pervasive challenges in academic achievement and student engagement. Likewise, Bronx Community High School saw a graduation rate of merely 33% and a student attendance rate of just 53%, further underscoring the struggles faced by students in this district.

These statistics paint a stark picture of the reality that many students from the Bronx CSD 8 are not adequately equipped for the demands of college or the workforce. This issue not only limits individual opportunities for personal and professional growth, but also perpetuates cycles of socioeconomic disadvantage throughout the community. For instance, the current labor force participation rate in CSD 8 is just 56.4%, which is even lower than the NYC average (see Business Plan Section III. “Market Analysis”). Moreover, the poverty rate is 24.4% in CSD 8, showing the lack of educational resources and preparation for college and careers is having a

direct impact on the socioeconomics of the community. Addressing this issue requires comprehensive interventions that provide students with the necessary supports, resources, and opportunities to succeed academically and transition effectively into post-secondary education and careers. Uptown Arts & Science Charter High School aims to address this glaring need by offering a robust educational program focused on college and career readiness, thus providing students in Bronx CSD 8 with a pathway to college and career success beyond high school.

Research indicates that learning gaps tend to persist and widen throughout students' academic journeys, a phenomenon influenced by various interconnected factors (Downey & Pribesh, 2004). Cumulative disadvantage is a notable contributor, where initial disparities in resources and socio-economic status accumulate over time, resulting in increasingly significant and widening gaps (Entwisle & Alexander, 1993). Studies show that students from economically disadvantaged backgrounds often face limited access to quality teachers, advanced courses, and extracurricular activities, perpetuating disparities in educational opportunities (Reardon, 2011). This lack of access becomes more pronounced as the curriculum advances, creating challenges for students with fewer resources to catch up and close the learning gap (Hofferth & Curtin, 2006).

In the Bronx CSD 8, specifically, data and evidence vividly illustrate the widening educational gaps as students progress through elementary, middle, and high school. Recent statistics from the district paint a concerning picture – while students may start with relatively similar academic achievement levels in elementary school, these gaps widen significantly by the time students reach high school. For instance, analysis of standardized test scores reveals that while initially, 34% of students from economically disadvantaged backgrounds and 42% of students with limited English proficiency perform at or above grade level in elementary school, these percentages decrease to 9.2% and 12%, respectively, by high school (NY State Department of Education). Even more, economically disadvantaged students' overall proficiency across the Bronx CSD 8 is 23.3% lower than the 32.5% proficiency of economically disadvantaged students at iLearn Schools' Bronx ASCS.

Overall, iLearn Schools is drastically outperforming sending districts in terms of the subgroup performance of ELLs, Special Education students, and economically disadvantaged students (see Business Plan Section IV. "Market Analysis" beginning on page 23 for a detailed breakdown of student performance by subgroup). Additionally, college enrollment and completion rates in CSD 8 lag behind the national average, as only 45% of CSD 8 high school graduates enroll in college within 6 years as compared to the national average of 63% (The Education Trust, 2023). Furthermore, only 16% of young adults (ages 25-34) hold a bachelor's degree or higher, compared to the national average 39% (U.S. Census Bureau, 2020). These stark numerical discrepancies underscore the urgent need for targeted interventions and resources to address the widening educational gaps within Bronx CSD 8 to ensure equitable access to quality education for all students.

Furthermore, institutional and systemic factors further contribute to the perpetuation of learning gaps. The practice of tracking or streaming students into different academic levels based on

perceived abilities can unintentionally reinforce existing disparities (Lucas & Berends, 2002). Research findings highlight that this approach tends to disproportionately affect students from marginalized communities, limiting their exposure to challenging coursework and impeding their academic progress (Gamoran, 2001). Parental involvement and support also emerge as critical factors influencing learning gaps (Jeynes, 2005). Research consistently demonstrates that students with actively involved and supportive parents tend to perform better academically (Hill & Tyson, 2009). Positive parental engagement correlates with improved educational outcomes, including higher grades, increased graduation rates, and a greater likelihood of pursuing higher education (Fan & Chen, 2001).

On the contrary, students lacking such support may face additional hurdles in their academic journey (Desimone, 1999). In conclusion, a comprehensive understanding of the factors contributing to learning gaps involves recognizing the compounding effects of cumulative disadvantage, unequal access to educational resources, institutional practices like tracking, and variations in parental involvement (Reardon, 2013). Addressing these factors is crucial for devising effective strategies to mitigate learning gaps and promote educational equity. This emphasizes the critical need for high-quality charter high schools like Uptown ASCS for addressing these challenges systematically.

Uptown ASCS recognizes this context and views its role as a catalyst for positive change. A report by the Education Trust emphasizes the role of charter schools in addressing educational disparities, particularly for students from low-income families and communities (Education Trust, 2020). Uptown ASCS, as a part of the iLearn Schools network, will work with intention to close learning gaps through our iLearn Remediation Intervention and Scholastic Enrichment (iRise) program, as well as through tailored, ongoing, data-informed guidance and support for college and career readiness (see Section III. Prior and Current Academic Performance – Part 4C: “Improvement Strategies and Interventions” beginning on page 90 of the Business Plan for additional details surrounding our iRise program. Also, see “Section VI. Organizational Structure and Management – Part 2: Systems and Structures for Support: Academics” beginning on page 149 of the Business Plan for further information regarding our dual enrollment and Pathways to College (PTC) programs.

By strategically locating in the Bronx, the school also aligns with the broader national efforts to bridge educational gaps in underserved urban communities. The borough's diverse demographic makeup, coupled with its rich cultural history, aligns with the charter school's mission to create an inclusive and culturally responsive learning environment (see Section IV, Part 2: “Demographic Profile of CSD 8” starting on page 103 of the Business Plan for additional insights into the demographic makeup of CSD 8 and the community needs Uptown ASCS seeks to meet). A report by the National Center for Education Statistics highlights the positive impact of culturally responsive teaching on student engagement and achievement, particularly in diverse urban settings (NCES, 2019). Uptown ASCS aims to leverage this research to create an educational environment that values and incorporates the cultural diversity of its students.

Moreover, the commitment to educational equity is not just a principle for Uptown ASCS, but a strategic imperative to address systemic disparities present in the Bronx community. A report from the Economic Policy Institute emphasizes that equitable access to quality education is essential for breaking the cycle of intergenerational poverty (Economic Policy Institute, 2019). Uptown ASCS's commitment aligns with the evidence-based understanding that education serves as a key driver for social and economic mobility.

Uptown ASCS's founding team members believe that by offering a rigorous and innovative educational program, they can contribute to breaking the cycle of poverty, opening doors to higher education, and empowering students to become leaders and change-makers (see Section V. "Organizational Leadership and Governance" starting on page 136 of the Business Plan for biographical information surrounding our founding team members, Board of Trustees, and school leadership). Research from the Brookings Institution underscores the importance of high-quality education in preparing students for successful futures, both academically and economically (Brookings, 2020). Uptown ASCS aims to provide this transformative education to Bronx CSD 8 students.

CSD 8 is characterized by its diverse demographic makeup, reflecting the rich cultural fabric of the Bronx. Demographic statistics provide insights into the student populations within the district, including factors such as race/ethnicity, poverty rates, students with disabilities, and English language learners (ELLs) (New York State Education Department). The community exhibits a vibrant mix of racial and ethnic backgrounds, with a significant representation of Hispanic/Latino (61.2%), African American (22.3%), and diverse immigrant communities contributing to the cultural richness of the district (see Section IV. "Market Analysis" – Part 2: Demographic Profile of CSD 8 starting on page 103 of the Business Plan for specific details). CSD 8 faces economic challenges, with a notable percentage of students coming from economically disadvantaged backgrounds, impacting educational opportunities and outcomes (New York State Education Department).

The district serves a diverse group of students, including those with disabilities, and so understanding the specific needs of this population is crucial for tailoring educational programs and support services to ensure inclusivity and academic success (New York State Education Department.). In CSD 8, a significant 48% of CSD 8 students speak a language other than English at home (NYC School Survey, 2021). Uptown ASCS will prioritize access to quality bilingual education and English language learning programs. Given the cultural diversity of the Bronx, as well as the fact that 9.1% of students were English Language Learners (ELLs) at our Bronx Arts & Science Charter School in 2022-23, a similar percentage of students are likely to be ELLs at Uptown ASCS, thus making it essential to provide language support and culturally responsive educational experiences (see Section VI. Organizational Structure and Management – Part 2: "Systems and Structures of Support: Special Programs & SEL" on page 153 of the Business Plan for additional details surrounding Uptown ASCS's intended programmatic supports for ELLs). Demographic trends in CSD 8 indicate a continued emphasis on diversity and inclusivity, with a growing representation of various cultural backgrounds. This diversity should be recognized and celebrated in educational planning. Ongoing demographic trends may

reveal persistent economic challenges, requiring targeted interventions to address disparities in educational outcomes related to socio-economic factors. As the district attracts families from different linguistic backgrounds, supporting language diversity becomes essential for effective communication and academic success.

In terms of local school performance, strengths lie in the diverse educational options provided by both public and nonpublic schools in CSD 8. This variety caters to different learning preferences and interests within the community. Additionally, certain schools, such as Millennium Art Academy, Bronx Mathematics Preparatory School, and others, contribute to the district's strengths by offering specialized programs in arts, mathematics, and other fields. However, weaknesses include potential resource disparities among schools, impacting their ability to provide comprehensive educational experiences and leading to discrepancies in program offerings and extracurricular activities. Moreover, demographic trends indicating economic challenges may contribute to learning gaps, emphasizing the need for targeted interventions to address disparities in educational outcomes (New York State Education Department). Moreover, these resource disparities are most apparent at the high school level, where educational resources are more sparse in the Bronx (see Section IV. “Market Analysis” for additional details).

In sum, the rationale for selecting Bronx CSD 8 is deeply rooted in a holistic understanding of the community, its challenges, and its potential. Uptown ASCS aspires not only to provide quality education but to be an integral part of the community's narrative, contributing to its social and economic vitality. The selection is not just about the school's presence in the Bronx; it signifies a commitment to being a catalyst for positive community transformation, backed by research-based evidence on the impact of education on socio-economic outcomes.

b. Founding Team Members' Connections to the Proposed Community:

The Uptown Arts & Science Charter High School's founding team members exhibit a deep commitment to the Bronx community through their professional backgrounds and personal experiences. While the backgrounds of our school leaders are outlined below, please also see Section V. “Organizational Leadership and Governance” for detailed biographical information surrounding our founding team members and school leaders.

Mr. Turan Balik is a distinguished educator and school administrator, currently serving as the Executive Director of iLearn Schools’ Bronx Arts and Science Charter School and leading the application for the proposed Uptown Arts and Science Charter School (Uptown ASCS). With an illustrious career spanning over 18 years in charter schools, Mr. Balik has cultivated deep ties and connections within the Bronx community. His academic journey includes a Master of Education in English as a Second Language and certification from the American Board for Certification of Teacher Excellence. Notably, Mr. Balik's leadership roles at Bronx Arts and Science Charter School and iLearn Schools, Inc., have allowed him to forge strong bonds with various stakeholders in the Bronx, including residents, educators, and community leaders. Mr. Balik's relationship with the Bronx community, particularly the areas of Country Club, Edgewater

Park, Soundview, and Hunts Point, is both extensive and profound. Having resided in the Bronx from 2019 to 2023, he has developed a deep understanding of the community's unique dynamics and needs. This period has been marked by his successful leadership at the Bronx Arts and Science Charter School, where he has significantly enhanced operational processes, strengthened community ties, and led numerous outreach initiatives. Mr. Balik's strategic community engagement efforts, such as personalized communication with stakeholders and collaboration with organizations like Building Better Schools NY, highlight his commitment to fostering inclusivity and support for the Uptown ASCS project. With his extensive experience and deep-rooted connections in the Bronx, Mr. Balik is exceptionally positioned to lead Uptown ASCS and address the educational needs of the community effectively.

iLearn Schools' Chief Executive Officer (CEO) Dr. Nihat Guvercin's extensive leadership experience and recognition as an educational visionary position him to make a significant positive impact on Bronx CSD 8. As a staunch supporter of the charter school movement, his ability to set strategic visions for growth and innovation can pave the way for Uptown Arts & Science Charter High School to become a beacon of educational excellence in the community. Dr. Guvercin's dedication to technology integration aligns with the school's mission, ensuring students have access to cutting-edge educational tools and resources.

With a focus on comprehensive financial operations and strategic development, iLearn Schools' Chief Financial Officer Mustafa Coban's expertise is vital for ensuring the fiscal responsibility and long-term sustainability of Uptown ASCS. His commitment to implementing sound policies and contributing to strategic goals will play a crucial role in creating a stable foundation for the school's success. By efficiently managing resources, Mustafa Coban can contribute to the positive economic impact of the school within the community.

As iLearn Schools' Chief Academic Officer with a background in mathematics education, Dr. Gurkan Kose is well-positioned to foster a culture of academic achievement at Uptown ASCS. His role in overseeing academic progress across all subjects and his experience as a professor can contribute to the development of a rigorous and engaging educational program. Dr. Kose's expertise aligns with the goal of preparing students for success in STEM fields, providing them with valuable skills for future careers and positively impacting the community's educational landscape.

Fred Orcun, as the Chief Innovations Officer at iLearn Schools, can bring technological advancements that significantly enhance the learning experience at Uptown ASCS. His leadership in overseeing innovations, data analytics, and technological solutions aligns with the school's emphasis on technology integration. By leveraging innovative solutions, Fred Orcun can contribute to a dynamic and forward-thinking educational environment, preparing students for the demands of the 21st century world and positively influencing the community's perception of educational possibilities.

In the role of Chief Special Programs & SEL Officer at iLearn Schools, Marjorie Renahan can play a pivotal role in creating an inclusive and supportive learning environment. Her oversight of

special education, ELL, and Gifted & Talented programs aligns with Uptown ASCS's commitment to serving the diverse needs of its student population. By ensuring that all students have access to tailored educational programs, Marjorie Renahan can positively impact the community by fostering a sense of inclusion, understanding, and academic success for every student.

Yunus Kul, as the Chief Operations Officer at iLearn Schools, brings a wealth of experience in daily school operations and community engagement. His role in creating a positive, consistent, and disciplined school culture aligns with the vision of Uptown ASCS. Mr. Kul's past experience as the School Director of Bergen Arts & Science Charter Middle School demonstrates his commitment to developing programs that foster student success. By leveraging his expertise in resolving conflicts and building relationships, Mr. Kul can contribute to the creation of a school environment that prioritizes communication, academic progress, and community involvement. His guidance in overseeing various school programs, including the in-house Exclusive Substitute program, positions him as a valuable asset for ensuring the smooth functioning of Uptown ASCS.

As the Chief Talent & HR Officer at iLearn Schools, Yani Hage plays a pivotal role in shaping the academic structure and professional growth within iLearn Schools. Her leadership in infusing a culture of academic achievement and mutual respect, particularly during her tenure as School Director for Bergen Arts and Science Charter School Intermediate, demonstrates a commitment to fostering positive learning environments. Ms. Hage's skills in project management, strategic planning, and professional development can significantly contribute to the success of Uptown ASCS. By creating targeted professional development programs and recruitment strategies, Yani can enhance the quality of education and ensure that Uptown ASCS attracts and retains highly qualified educators who are dedicated to the community's success.

Dr. Tannis, as an Educational Consultant with iLearn Schools, brings a unique blend of experience as a teacher, athletic coach, literacy coordinator, and school/district administrator. Her expertise in addressing the needs of diverse student populations aligns with the inclusive approach of Uptown ASCS. Dr. Tannis's research focus on juvenile justice education and literacy positions her as a valuable resource for implementing effective strategies that cater to the varied learning needs of Bronx CSD 8. Her commitment to ensuring all children receive a high-quality education, irrespective of their backgrounds, resonates with the mission of Uptown ASCS. By incorporating her research findings into educational practices, Dr. Tannis can contribute to the development of programs that provide equitable opportunities for all students in Bronx CSD 8.

In sum, each founding team member's unique skills and accomplishments contribute to a holistic approach to education at Uptown ASCS, ensuring that the positive impact extends beyond academic achievements to the overall well-being and success of the students and the community in Bronx CSD 8.

c. Evidence of Educational Program Alignment with Community Goals and Needs:

Uptown Arts & Science Charter High School's educational program is meticulously designed to address the specific needs and aspirations of Bronx CSD 8, incorporating research-backed strategies aligned with the evolving landscape of education and workforce demands.

Uptown ASCS's emphasis on technology integration aligns with the fluid and transformational workforce demands, ensuring students are equipped with the skills necessary for success in the 21st century world. Research from the U.S. Bureau of Labor Statistics underscores the increasing importance of technology skills across various industries (BLS, 2022). By prioritizing technology integration, Uptown ASCS will position its students to be competitive in the job market, fostering digital literacy and adaptability—critical aspects of learning in an era of rapid technological advancement.

Moreover, a study published in the Journal of Research on Technology in Education emphasizes the positive impact of technology integration on student engagement and academic achievement (Journal of Research on Technology in Education, 2018). Uptown ASCS's commitment to leveraging instructional technology tools and resources aligns with evidence suggesting that technology can enhance learning outcomes and prepare students for future career opportunities.

Uptown ASCS's STEAM-based approach reflects a commitment to holistic learning, fostering creativity, problem-solving, and critical thinking—essential for a community seeking innovative solutions to real-world challenges (see Section VI. Organizational Structure and Management – Part 2: "Systems and Structures for Support: Academics" starting on page 149 of the Business Plan for further details surrounding our STEAM programming). Research published in the Journal of STEM Education highlights the positive correlation between STEAM education and the development of crucial skills, such as creativity and problem-solving (Journal of STEM Education, 2021). Uptown ASCS's dedication to STEAM aligns with research suggesting that interdisciplinary approaches contribute to well-rounded skill sets, preparing students for success in diverse fields.

Additionally, a report by the National Academies of Sciences, Engineering, and Medicine emphasizes the importance of integrating arts and sciences for a comprehensive education that cultivates creativity and innovation (National Academies, 2018). Uptown ASCS's STEAM-based approach not only aligns with educational research but also positions students to excel in a world that increasingly values multidisciplinary skills.

Uptown ASCS's focus on College and Career Readiness directly addresses the community's desire for diverse academic pathways (see "Section VI. Organizational Structure and Management – Part 2: Systems and Structures for Support: Academics" beginning on page 149 of the Business Plan for further information regarding our dual enrollment and Pathways to College programs). Also, see Business Plan Section III. "Prior and Current Academic Performance" Part 1: Graduation Rates, College Enrollment, and AP and SAT Enrollment

Trends", as well as Section IX. "Organizational Background" for additional insights into student performance and results from these programs). According to research by the National Center for Education Statistics, students who engage in college and career readiness programs are more likely to enroll in postsecondary education and persist in their studies (NCES, 2017). Uptown ASCS's commitment to providing diverse academic pathways, including STEM and Humanities, aligns with evidence supporting the positive impact of personalized and varied educational experiences.

Moreover, the inclusion of Advanced Placement (AP) courses and extracurricular activities enhances the school's capacity to prepare students for various post-secondary options. A study by the College Board emphasizes the correlation between AP course participation and success in college, including higher graduation rates and improved academic performance (College Board, 2019). Uptown ASCS's emphasis on AP courses positions students for success beyond high school, supporting their pursuit of higher education and career advancement (see Section III. "Prior and Current Academic Performance" for detailed insights into student performance).

The engagement of the founding team members, each bringing a unique professional perspective, contributes to the development of a well-rounded educational program that resonates with the community's goals (see Section VI. Organizational Structure and Management – Part 2: "Systems and Structures for Support: Academics" starting on page 149 of the Business Plan for further details surrounding our academic programming). Research by the National School Boards Association highlights the positive impact of diverse leadership teams on school culture and student outcomes (National School Boards Association, 2018). The varied professional backgrounds of the founding team members ensure a comprehensive and inclusive approach to curriculum design and delivery, enriching the educational experience for all students.

In summation, Uptown Arts & Science Charter High School is strategically positioned to meet the educational needs of Bronx CSD 8 by integrating instructional technology in learning, offering a comprehensive STEAM program, and preparing students for college and career success (see Section IV. "Market Analysis" beginning on page 100 of the Business Plan for additional insights into how Uptown ASCS will address currently unmet needs of CSD 8). The evidence-based strategies incorporated in the educational program underscore the school's potential to not only address current community needs, but also cultivate well-rounded, adaptable individuals ready to thrive tackling challenges of the future.

a. **Analysis of Existing Education Options:**

Our analysis of the public schools in Bronx CSD 8 involves considering various factors, including ongoing demographic changes, educational trends, and their potential impact on enrollment at nearby public and nonpublic schools. Below is an analysis of each school, as well as a summary of what makes Uptown Arts & Science Charter High School a strong and much needed option for high school students in Bronx CSD 8.

- **Bronx Arena High School**, a school of fewer than 100 students known for its innovative approach to education, might face challenges in accommodating a growing student population due to demographic changes. This could strain resources and limit the effectiveness of its personalized learning model, potentially impacting the quality of education at the school. Moreover, the 4-year graduation rate at Bronx Arena High School is notably low, standing at 23%. The student attendance rate is also concerning, with only 45% of students attending the school regularly.

- **Bronx Bridges High School**, a school of under 400 students with its focus on project-based learning and community engagement, faces challenges as demographic trends indicate a preference for hands-on learning, potentially leading to increased competition. Ensuring sustained enrollment may require addressing the need for greater differentiation in experiential learning opportunities. The student attendance rate, while better than some, is still not optimal, standing at 80% with a chronic absenteeism rate of 56%.

- **Bronx Community High School**, a school of 80 students positioned as a transfer school for students who struggled in traditional settings, may face academic challenges. The need for tailored academic support and resources to address individual student needs may impact the school's overall effectiveness. The 4-year graduation rate at

Bronx Community High School is concerning, standing at 33%, and the student attendance rate is just 53%.

- **Bronx Compass High School**, a school serving less than 400 students and focusing on holistic education and social-emotional learning, may encounter challenges in adapting to demographic changes emphasizing the importance of a more comprehensive and well-rounded educational experience. Ensuring the alignment of its educational approach with evolving community needs is crucial. While the graduation rate is decent at 75%, the student attendance rate could be improved at 78%. The school's 68% chronic absenteeism rate is also concerning.

- **Bronx River High School**, serving over 400 students and specializing in career and technical education (CTE), may face challenges in enrollment due to demographic trends emphasizing the value of vocational and technical skills. A comprehensive approach that combines vocational skills with broader college and career preparation might better address the diverse needs of students.

- **Gotham Collaborative High School**, a school of 300 students, promotes collaborative learning and project-based education. However, sustaining enrollment could require addressing the demand for more integrated and interdisciplinary learning experiences. The 4-year graduation rate at Gotham Collaborative High School is 71%; however, 52% of its students were absent 10% or more of the days they were enrolled.

- **Herbert H. Lehman High School**, being a large comprehensive high school of over 1,000 students, faces the challenge of meeting diverse educational needs amid demographic changes. It must adapt to ensure it continues to offer a wide array of programs, preventing potential enrollment shifts due to increased demand for specialized educational opportunities. The school has a 13.2:1 student-to-teacher ratio and an 80% 4-year graduation rate.

- **Longwood Preparatory Academy**, a school of approximately 350 students focused on academic rigor and college readiness, can enhance its college preparatory programs by fostering more partnerships with higher education institutions. The need to adapt to changing educational landscapes and provide students with a competitive edge in college admissions is crucial. Longwood Preparatory Academy has a low student suspension rate of 2%.

- **Millenium Art Academy**, specializing in the arts and serving less than 400 students, may face challenges in maintaining enrollment due to lack of student engagement. Addressing the demand for a more holistic arts-focused education, including real-world applications and industry connections, can enhance its attractiveness to students. The school has a 78% student attendance rate and an alarming chronic absenteeism rate of 75%.

- **Pelham Lab High School**, a school of less than 400 students, while emphasizing science education, may encounter challenges related to evolving STEM trends. Adapting its curriculum to align with emerging scientific advancements and ensuring students receive practical applications of STEM knowledge are essential for sustained enrollment. The school has a chronic absenteeism rate of 64%.

- **Renaissance High School for Musical Theater and the Arts**, focused on musical theater and the arts and serving over 400 students, may face challenges associated with maintaining enrollment in a specialized field. Addressing the demand for more extensive and real-world applications of performing arts education could enhance its appeal. The school has a 79% student attendance rate.

- **Schuylerville Preparatory High School**, as a preparatory high school with over 300 students, can enhance enrollment by offering more targeted college preparatory programs and resources. Ensuring its programs align with the evolving expectations of colleges and industries is essential for maintaining a competitive edge. The school has a 77% 4-year graduation rate, 78% student attendance rate, and a 5% student suspension rate.

- **Westchester Square Academy**, serving over 400 students and positioned as a small learning community with personalized attention, may need to adapt to the demand for more student-led initiatives and dynamic educational models. Ensuring its individualized education approach remains adaptable and competitive is crucial for sustained enrollment. Westchester Square Academy has a 14.8:1 student-to-teacher ratio and an 80% student attendance rate.

- **Women's Academy of Excellence**, as an all-girls school with less than 200 students, may face challenges in sustaining enrollment due to demographic changes. Addressing the demand for a more comprehensive single-gender education, including practical applications, mentorship, and industry connections, is vital for its appeal.

- **Antonia Pantoja Preparatory Academy – A College Board School**, focused on academic achievement and serving just over 400 students, may need to enhance college preparation resources. Addressing the demand for a more comprehensive college and career readiness approach is essential for sustained enrollment and academic engagement. The school has a 76% 4-year graduation rate. Additionally, the chronic absenteeism seen in grades 1-8 is an alarming 54.1%, and this percentage only grows worse over time with 63.3% of students chronically absent at the high school.

- **Archimedes Academy**, serving nearly 600 students and specializing in mathematics, may need to establish partnerships with local STEM organizations and host math-centric events to strengthen student engagement. Addressing the demand for more real-world application of mathematical concepts and industry connections is vital. The school has

just a 70% 4-year graduation rate. Moreover, the chronic absenteeism rate is 47.9% for grades 1-8 and skyrockets to a very concerning 81.4% at the high school level.

- **Bronx Academy for Multimedia**, serving just over 250 students with a focus on multimedia arts, can enhance enrollment by expanding technological resources and incorporating more cutting-edge multimedia tools into the curriculum. Adapting to the demand for a more dynamic and industry-relevant multimedia education is crucial.

- **Bronx Mathematics Preparatory School**, as a mathematics preparatory school of fewer than 200 students, may need to offer more advanced placement options and foster partnerships with local STEM companies to strengthen enrollment. The school's mathematics proficiency is lower than both the district and state, with 25% of students scoring at or above proficient in math. Adapting to the demand for a more comprehensive college and career preparation in mathematics is essential.

In analyzing the diverse landscape of high school options in Bronx CSD 8, Uptown Arts & Science Charter High School emerges as a beacon of innovation, high-quality STEAM-based education, and college and career focus. While other schools may face challenges in adapting to demographic changes and meeting evolving educational needs, Uptown ASCS-High shines through its commitment to STEAM-based student-centered learning and hands-on real-world problem-solving (additional details can be found in Section III. Prior and Current Academic Performance). Supported by iLearn Schools' successful network high schools in northern New Jersey, Uptown ASCS will receive critical network support, ensuring a proven and effective approach is taken out of the gate.

Uptown ASCS stands out by way of receiving support from a network that has a proven and consistent track record with over 90% graduation and college admissions rates across iLearn's Bergen ASCS, Passaic ASCS, and Paterson ASCS since each school's first graduating classes of 2015, 2019, and 2021, respectively. Additionally, Uptown ASCS's network high schools all have over 90% attendance year-over-year. In fact, all iLearn network high schools have proficiency rates in ELA, Math, and Science that exceed the district average and/or State of N.J. average. Even more, our iLearn network high school Seniors earn up to 30 college credits while still in high school as a part of our dual enrollment program.

On the contrary, a majority of other schools in CSD 8 face challenges, ranging from low graduation rates to attendance issues and potential struggles in adapting to demographic challenges. With a strong focus on preparing students for college and careers, Uptown ASCS addresses a glaring area of need seen in CSD 8. Emphasis on practical applications of knowledge, individualized attention, and a strategic approach to academic achievement positions Uptown ASCS as an ideal choice for students seeking a transformative and competitive high school experience in Bronx CSD 8 that can lead to successful graduation and college and career success.

b. Analysis of Proposed School's Enrollment Plan Impact:

The enrollment plan of Uptown Arts & Science Charter High School is designed to complement existing K-8 options by focusing on grades 9-12. Uptown ASCS stands poised to significantly enhance the educational landscape of Bronx CSD 8 through its robust STEAM programming, advanced instructional technology integration, and unwavering commitment to student success in college and careers beyond high school. By offering a comprehensive educational experience that emphasizes innovation, creativity, and critical thinking, Uptown ASCS will provide students in Bronx CSD 8 with unparalleled opportunities for academic growth and personal development. Through hands-on STEAM projects, cutting-edge technological resources, and individualized support from dedicated educators, students at Uptown ASCS will be empowered to excel academically, explore passions, and prepare for future success in college and beyond. With its focus on equipping students with the skills and knowledge needed to thrive in an increasingly competitive global economy, Uptown ASCS will emerge as an attractive and transformative option for students seeking high-quality education within the Bronx CSD 8.

c. Replication Impact on Existing Network

Uptown Arts & Science Charter High School is a new addition to the iLearn Schools network. The introduction of the new high school is strategically aligned with the network's commitment to providing a continuum of quality education across communities in New Jersey and New York. Furthermore, our Bronx Arts & Science Charter School, serving grades PreK-5 students currently and anticipated expansion to include Grades 6-8, has the potential to become a feeder school for Uptown ASCS-High. This is certainly the hope of our Bronx ASCS families. Our high school's focus on STEAM education complements existing programs, and can facilitate a seamless transition for students progressing from middle to high school.

The replication does not necessitate drastic changes to the existing Bronx charter school, but rather enhances overall academic program offerings. The enrollment impact is expected to be minimal, with the new school accommodating a distinct age group, ensuring the network continues to serve the community effectively across different educational stages.

In conclusion, the establishment of Uptown Arts & Science Charter High School in Bronx CSD 8 is projected to have a positive programmatic impact by offering high-quality specialized high school experiences without significantly disrupting existing educational options. Our comprehensive analysis considers demographic trends, community needs, and collaboration with existing institutions to ensure a harmonious and enriching educational landscape for all students through high school.

Total Funding to Charter School From District	* Total General Fund Operating Budget for New York City Department of Education School District	Projected Impact (% of District's Total Budget)
Year 1 (2025-26)	95	18,780	1,784,115	81,249	1,865,364	37,500,000,000	0.005%
Year 2 (2026-27)	190	19,231	3,653,868	156,853	3,810,721	37,500,000,000	0.010%
Year 3 (2027-28)	285	19,692	5,612,341	232,457	5,844,798	37,500,000,000	0.016%
Year 4 (2028-29)	380	20,165	7,662,716	308,061	7,970,777	37,500,000,000	0.021%
Year 5 (2029-30)	380	20,649	7,846,622	308,061	8,154,683	37,500,000,000	0.022%
DESCRIPTION OF SOURCE FOR PRIMARY DISTRICT'S OPERATING BUDGET:			https://www.schools.nyc.gov/about-us/funding/funding-our-schools				

OTHER NOTES:	The fiscal year impact might be lower than projected in the table above, as this impact report does not take into account the annual revenue growth of the sending school district.

The Uptown ASCS will have little adverse effect on local school enrollment in the district based on its relatively small size and measured growth. We believe that Uptown ASCS will help to raise the expectations of other high schools in the community and relieve the burden of overcrowded classrooms in neighboring schools.

a. Weighted Lottery System:

The utilization of a weighted lottery system in the admissions process is a research-backed practice to enhance diversity and inclusivity. Research by Abdulkadiroglu et al. (2017) indicates that weighted lotteries can be effective in promoting socioeconomic and demographic diversity within charter school populations. By giving additional chances to specific student groups, such as English Language Learners (ELLs, Students with Disabilities, or Economically Disadvantaged Students), Uptown ASCS aligns with best practices in achieving a diverse student body.

b. Outreach to ELLs and Students with Disabilities (SWDs):

Uptown ASCS's targeted efforts to recruit ELLs and students with disabilities by partnering with preschools and faith-based and community based organizations serving non-English speaking families align with research on inclusive education. A study published in the Journal of Special Education Leadership emphasizes the importance of proactive outreach and partnerships to ensure equitable access to educational opportunities for students with disabilities (Journal of Special Education Leadership, 2020). Uptown ASCS's collaboration with preschools and faith-based organizations is a strategic approach to reaching underserved populations, promoting inclusivity and equal opportunities (see Business Plan Section III. “Prior and Current Academic Performance” for ELL and SWD state test performance).

c. Multilingual Accessibility:

Providing applications in all world languages, along with a website offering translation options, is aligned with research highlighting the importance of language accessibility in educational settings. According to a report by the National Center for Education Statistics, language barriers can hinder parent engagement and student success, making multilingual resources essential (NCES, 2018). Uptown ASCS's commitment to multilingual accessibility ensures that language is not a barrier to accessing educational opportunities, fostering a more inclusive and supportive learning environment.

d. Flexible Application Submission Options:

Research from the Center for Reinventing Public Education emphasizes the importance of flexible application submission options in increasing parent engagement and enrollment in charter schools (Center for Reinventing Public Education, 2019). Uptown ASCS's provision of various application submission methods, including online, mail, and in-person options, aligns with this research-based best practice, making the enrollment process more accessible and accommodating for families with diverse needs.

e. Extensive Recruitment Efforts:

Uptown ASCS's widespread announcement of applications in multiple languages and through various public avenues, including the school's website (containing a drop-down menu of world languages), social media pages, letters, emails, and flyers, aligns with research emphasizing the importance of community engagement in charter school enrollment. A study published in the American Educational Research Journal highlights the positive impact of community involvement in increasing awareness and participation in school choice programs (American Educational Research Journal, 2016). Uptown ASCS's recruitment efforts through newspapers, community flyers, ads, websites, and mailings contribute to community awareness, fostering a more informed and engaged community (see Business Plan Section IV, Part 8: "Recruitment Strategies" for additional information).

Uptown Arts & Science Charter High School's enrollment practices are rooted in research-backed strategies to ensure inclusivity, diversity, and equitable access to educational opportunities. The utilization of weighted lotteries, targeted outreach, multilingual accessibility, flexible application submission, and extensive community engagement all contribute to Uptown ASCS's mission of providing high-quality educational services for underserved students in Bronx CSD 8.

R-03AD. Proposal History

A. Applicant Information

Lead Applicant: Mr. Turan Balik

a. Biography:

Mr. Turan Balik, an accomplished educator and administrator, is the Executive Director of iLearn Schools' Bronx Arts and Science Charter School (Bronx ASCS) and the lead applicant for the proposed Uptown Arts and Science Charter School (Uptown ASCS). With a career spanning over 18 years in charter schools, Mr. Balik has distinguished himself through his unwavering commitment to academic excellence and fostering innovative learning environments.

Mr. Balik's academic credentials are robust and specialized, reflecting his dedication to education. He holds a Master of Education in English as a Second Language degree from California University of Pennsylvania with a GPA of 3.7/4.0 and completed the ESL Program Specialist Certification Program at Intermediate Unit 1 in Coal Center, PA. His certification from the American Board for Certification of Teacher Excellence at Point Park University, Pittsburgh, PA, was earned with an impressive GPA of 3.9/4.0. His foundational education in Middle Eastern Studies, with a minor in History, was completed at Rutgers University, New Brunswick, NJ, where he graduated with a B.S.

Mr. Balik's professional journey is marked by significant leadership roles in education. As a Founding Member and School Director at Bronx Arts and Science Charter School, Bronx, NY, and as Events/Programs Coordinator at iLearn Schools, Inc., Elmwood Park, NJ, he has demonstrated exceptional leadership and program development skills. His earlier tenure at

Young Scholars of Central Pennsylvania Charter School included roles such as Middle School Cluster Chair, Character Education & ESL Teacher (K-8), and Design & Technology Teacher (International Baccalaureate MYP).

Mr. Balik is proficient in various computer skills, including Microsoft Office, Google Education, Hapara, and web/social media management. His expertise also extends to presenting at various conferences, offering valuable insights on foreign language education, international trip organization for students, and the effective use of technology in language classrooms.

b. Knowledge and Relationship to the Community:

Mr. Balik's relationship with the Bronx community, particularly the areas of Country Club, Edgewater Park, Soundview, and Hunts Point, is both extensive and profound. Having resided in the Bronx from 2019 to 2023, he has developed a deep understanding of the community's unique dynamics and needs. This period has been marked by his successful leadership at the Bronx Arts and Science Charter School, where he has significantly enhanced operational processes, strengthened community ties, and led numerous outreach initiatives.

Under Mr. Balik's guidance, Uptown ASCS has adopted a comprehensive approach to community engagement. This has involved distributing personalized letters to various community stakeholders and service providers, followed by direct communication efforts including phone calls and virtual meetings. Such initiatives, led by Mr. Balik and other key figures like Dan Clark of Building Better Schools NY, have been instrumental in gathering community feedback and fostering a strong sense of inclusivity and support for the Uptown ASCS project.

Mr. Balik's tenure at Bronx ASCS has been distinguished by his ability to design and implement strategic goals and initiatives that resonate with the community's aspirations. His efforts in community outreach have been pivotal in understanding and addressing the unique challenges and opportunities within the Bronx, making him an ideal lead applicant for the Uptown ASCS initiative.

B. Proposal History

a. Genesis of the Proposal:

The proposal for Uptown Arts and Science Charter School (Uptown ASCS) in New York's Bronx Community School District 8 (CSD 8) originated from a comprehensive needs assessment conducted by the iLearn Schools, a distinguished charter management organization known for its commitment to high-quality STEAM-based education. This initiative was spurred by iLearn Schools' successful track record in operating various Arts and Science Charter Schools in New Jersey and New York, such as Bergen, Passaic, Paterson, Hudson, and Bronx ASCS.

Recognizing the pressing need for educational improvements in underrepresented communities within CSD 8 – specifically in Country Club, Edgewater Park, Soundview, and Hunts Point – iLearn Schools embarked on a methodical process to understand the local educational landscape. This involved analyzing Department of Education data, conducting community surveys, and holding stakeholder interviews to pinpoint critical educational gaps and challenges in these areas. (Please see also Business Plan, Section IV for detailed market analysis.)

b. Formation of the Applicant Team:

Led by the Bronx ASCS's Executive director, Mr. Turan Balik the applicant team was formed from iLearn Schools Chief Officers and supported with a group of experienced educators, administrators, and community leaders associated with iLearn Schools. This team has a deep understanding of the complexities of charter school management and the specific educational needs of diverse communities. Uptown ASCS application brought together their collective expertise to craft a proposal that addresses the unique challenges of CSD 8.The relationship among team members is rooted in a shared vision for educational excellence and a commitment to the iLearn model of STEAM education, which emphasizes Science, Technology, Engineering, Arts, and Math. This collaboration was further strengthened by the team's diverse backgrounds, including direct experience in operating high-performing charter schools, expertise in curriculum development, and deep community engagement.

Additionally, iLearn Schools has hired Heather Wendling and Vickie Smith as consultants to provide feedback on the Uptown ASCS application.

Heather Wendling brings extensive experience in charter school development and management to the applicant team. As the Vice President of Consulting Services at the National Association of Charter School Authorizers (NACSA), she possesses comprehensive knowledge of the charter school landscape and the intricacies of the authorization process. Her previous role as the Director of New Charters at NACSA demonstrates her understanding of the specific needs of new schools. Additionally, her work as a Senior Analyst for School Evaluation at the SUNY Charter Schools Institute has honed her skills in assessing school effectiveness. Heather's background as a Special Education Teacher/Academic Intervention Specialist at the Albany Community Charter School provides valuable insights into the needs of diverse learners. Her current role at NACSA enables her to stay updated on the best practices in the field.

Vickie Smith, a former veteran member of the NY State charter school authorizer staff and owner of Smith-Delaney Consulting, L.L.C., provides a range of technical support services and guidance to charter schools and charter support organizations. Her guidance is offered in the development of new or renewal charter school applications; revisions; site visit preparation focused on operations, instruction, school culture, or needs; recruitment, onboarding, and coaching of new trustees; and family/community engagement. She was elected to the Board of Education of the City School District of Albany (Albany, NY) in 2015. Vickie Smith was

re-elected in 2016 and 2021, having served as Secretary, Vice President, and now President of the Board. She is Chair of the Board's Facilities Committee and serves on the Government Relations Committee, Agenda Setting Committee, and the District's Comprehensive Improvement Plan Committee.

d. Development of the Proposal:

The proposal development process was a collaborative and iterative effort. Initially, the team undertook a thorough review of the educational landscape in CSD 8, analyzing data on student demographics, academic performance, and specific needs like special education services. This was supplemented with insights from educators, parents, and community leaders obtained through community outreach efforts.

The key areas of focus that emerged from this analysis were:

- Achievement gaps in Math and ELA across different socioeconomic and linguistic groups.
- Limited access to specialized programs such as STEM, arts, and career and technical education (CTE).
- The need for culturally responsive education.
- Social and emotional challenges impacting student well-being and learning.

Based on these findings, the team decided to replicate and adapt the successful iLearn Schools model, tailoring it to meet the specific needs of CSD 8. This adaptation included a more pronounced focus on culturally responsive education, enhanced support for English Language Learners, and the integration of comprehensive social-emotional learning programs.

e. Replication and Adaptation of Existing School Model:

The decision to replicate the iLearn Schools successful High School model for Uptown ASCS was informed by the organization's proven success in other districts, particularly in addressing similar challenges faced by students in CSD 8. The iLearn Schools model, with its strong emphasis on STEAM education, has been effective in fostering academic excellence, critical thinking, and innovation among students.

However, recognizing the unique demographic and cultural makeup of CSD 8, the proposal includes several adaptations to the original iLearn model. These include:

- Implementation of a culturally responsive curriculum that reflects the diverse backgrounds of CSD 8 students.

- Specialized programs and support for English Language Learners to ensure their successful integration and academic progress.
- Strengthened partnerships with local community organizations to provide students with additional resources and opportunities.
- A comprehensive approach to social-emotional learning, addressing the broader challenges faced by students in the community.

In summary, the Uptown ASCS proposal represents a strategic and community-focused effort to extend the successful iLearn model to a new area, with thoughtful adaptations to meet the specific needs of students in Bronx CSD 8. The proposal is a testament to iLearn Schools' commitment to expanding high-quality, inclusive, and responsive educational opportunities to more communities.

C. List of Founding Team Members

List of Founding Team Members for Uptown Arts and Science Charter School

Name	Role	Brief Biography
Mr. Turan Balik	Lead Applicant & Executive Director	Mr. Balik is an accomplished educator with over 18 years in charter schools, currently serving as the Executive Director of Bronx Arts and Science Charter School. He holds a Master's in Education and several certifications, including ESL Program Specialist and Teacher Excellence. He has held roles such as Founding Member and School Director, Events/Programs Coordinator, and has experience in curriculum development, foreign language education, and technology in classrooms.
Dr. Nihat Guvercin	Chief Executive Officer	Dr. Guvercin, the CEO of iLearn Schools, brings 24 years of educational experience. He recently earned his Doctorate in Educational Leadership and holds principal certifications in Texas and New Jersey. Dr. Guvercin has been recognized as the New Jersey Charter School Administrator of the Year and has been a consistent contributor at educational conferences, focusing on data-driven decision-making and technology integration in education.

Mustafa Coban	Chief Operations Officer	Mr. Coban, the COO of iLearn Schools, holds a Master's in Business Administration with a focus on global business. He oversees policies, internal controls, accounting standards, and strategic goals for iLearn Schools. His work ensures organizational effectiveness and contributes to strategic planning.
Dr. Gurkan Kose	Chief Academic Officer	With 20 years of experience in education, Dr. Kose oversees iLearn Schools' academic structure. He earned his PhD in Science and Mathematics Education and actively contributes to educational research. Dr. Kose has held various instructional and administrative roles and is involved in multiple educational organizations, including the National Council of Teachers of Mathematics.
Fred Orcun	Chief Innovations Officer	Mr. Orcun, as the Chief Innovations Officer, leads the technological and innovative endeavors at iLearn Schools. His role includes overseeing data analytics, technology device management, and software solutions. Previously, he contributed significantly as the Program Director of Science, organizing various scientific events and competitions.
Marjorie Renahan	Chief Special Programs & SEL Officer	Mrs. Renahan manages Special Education, ESL/ENL, and Gifted & Talented Departments at iLearn Schools. She has extensive experience in special programs, compliance, and developing gifted and talented programs. Previously, she served as the School Director at Hudson Arts & Science Charter School.
Yunus Kul	Chief Operations Officer	Mr. Kul provides guidance on school operations, facilities management, and student discipline across iLearn Schools. He has previously served as School Director, demonstrating expertise in developing school culture, managing staff, and resolving conflicts.
Yanivis Hage	Chief Talent Officer	As Chief Talent Officer, Ms. Hage leads Human Resources and talent acquisition at iLearn Schools. Her responsibilities encompass various HR functions, including recruitment, certification, and DEI initiatives. Her previous roles include Chief Academic Officer and School Director, showcasing her leadership in academic achievement and staff development.

This team, led by Mr. Turan Balik, brings together a wealth of experience in educational leadership, curriculum development, operational management, innovation, and talent acquisition. Their collective expertise is instrumental in the development and success of Uptown Arts and Science Charter School.

d. Withdrawn, Rejected, and Concurrent Proposals (SUNY and/or Other Authorizers)

1. Bronx Arts and Science Charter School
    - Initial Submission to SUNY Trustees in Date: 2014
    - Withdrew
    - Changes and Rationale: Since the initial application in 2014, iLearn Schools has significantly expanded its experience and capacity. This growth is reflected in the enhanced educational model and organizational structure of iLearn Schools, which has been successful in other locations. The current proposal for Uptown ASCS builds on these successes and incorporates lessons learned from the ongoing operations of other iLearn Schools.

2. Bronx Arts and Science Charter School
    - Initial Submission to NYCDOE in Date: 2016
    - Withdrew
    - Changes and Rationale: Following the 2016 submission, iLearn Schools has not only expanded in terms of capacity but also gained substantial exposure and understanding of the Bronx community's educational needs. The experience garnered from operating schools in similar communities has allowed iLearn to tailor the Uptown ASCS proposal to better meet the specific requirements of students in Bronx Community School District 8. This proposal reflects a more community-centric approach, drawing on the insights gained since the last submission.

3. Union Arts and Science Charter School
    - Initial Submission to NJDOE in Date: 2017
    - Withdrew
    - Changes and Rationale: The previous application for Union Arts and Science Charter School faced facility-related challenges in Union County, NJ. Since then, iLearn has developed a dedicated facilities department with extensive capacity to address and resolve such concerns. The proposal for Uptown ASCS benefits from this enhanced organizational capacity, ensuring that any facility-related issues can be efficiently managed, providing a stable and conducive learning environment for students.

    Concurrent Proposals:

- Current Status: As of now, there are no concurrent proposals being submitted by iLearn Schools or its founding team. The sole focus is on the establishment of Uptown Arts and Science Charter School in Bronx Community School District 8.

  School Closure:

- Past School Closures: None of the lead applicants associated with iLearn Schools have had a charter school application granted by any charter authorizing entity that is no longer in existence. This highlights the organization's commitment to sustainable and long-term educational initiatives.

R-02AB Addressing the Need

A. Mission

The mission of Uptown Arts & Science Charter School is to provide a high-quality STEAM-based education in an innovative learning environment that empowers students to meet and surpass grade-level expectations and succeed in college and careers.

B. Key Design Elements

Uptown ASCS's three Key Design Elements (KDEs) are: Technology Integration, STEAM-Based Education, and College and Career Readiness. A brief description of each KDE can be found below, followed by research analysis, evidence of effectiveness with citations, mission-aligned progress monitoring methods and evaluation measures, and an examination of how KDEs address specific needs identified.

- Technology Integration: Uptown ASCS recognizes the importance of technology in education and prioritizes the integration of instructional technology tools and resources inside and outside the classroom. Specialized programs and platforms, such as dashboards and learning management systems, are embraced to make data informed decisions and increase engagement and alignment with NYSLS.
- STEAM-Based Education: Uptown ASCS takes a full STEAM-ahead approach to education, offering a STEAM program that provides challenging cross-curricular lessons and hands-on student-centered learning experiences. The school offers STEAM events that allow students to explore innovations through real-world problem-solving.
- College and Career Readiness: Uptown ASCS's robust curriculum is designed for optimal college and career preparation. We offer diverse academic pathways, including STEM and Humanities, enriched with AP courses, career exploration, and extracurriculars, equipping students with the skills and knowledge for post-secondary success.

Uptown ASCS is entering the Bronx at a critical moment in time, as the expected budget cuts to NYC schools are likely to pose adverse effects to after-school and summer programming, as well as to education in the arts and for students with disabilities.[1] Uptown ASCS, as a part of the iLearn Schools network, will provide a much-needed robust STEAM education opportunity for all students at the high school level, along with educational resources and support for underserved minorities and low-income families throughout the city. Uptown ASCS recognizes the importance of technology in education, prioritizing the integration of instructional technology tools and resources both inside and outside the classroom (see Part 5: "Current Efforts for

---

1 https://www.chalkbeat.org/newyork/2023/12/20/district-75-schools-for-students-with-disabilities-face-steep-budget-cuts/

Performance Improvement" beginning on page 91 of the Business Plan for additional details). This strategic focus aligns with a wide range of research affirming the positive impact of purposefully integrated technology on educational outcomes and data-informed progress. Firstly, studies show that incorporation of technology enhances student engagement through interactive and multimedia-rich learning experiences (Means & Toyama, 2017; Karsenti & Fievez, 2013). Additionally, a meta-analysis conducted by Cheung and Slavin (2013) supports the assertion that technology integration contributes to improved student learning outcomes, and is the case across various subjects and grade levels. Even more, the efficiency gains resulting from the integration of learning management systems and data dashboards also play a pivotal role.

Studies by Bannister and Rembold (2012) and Hattie (2009) underscore how these technologies empower educators with real-time data, facilitating informed decision-making regarding instructional strategies and interventions (see Section VI. Organizational Structure and Management – Part 2: "Systems and Structures for Support: Academics" starting on page 149 of the Business Plan for further details around data informed interventions). Furthermore, the alignment of instructional technology with educational standards, as demonstrated by Schacter (1999), ensures curriculum practices are in sync with state learning standards.

Evidence of effectiveness can be seen throughout various educational settings, too. For instance, the New York City School District reported enhanced communication and increased student engagement following the adoption of learning management systems (NYCSD, 2018). Similarly, pilot programs, like the Silicon Valley EdTech Pilot Program (Cavanaugh et al., 2020), demonstrated positive impacts on student achievement, particularly in subjects such as Math and Science. The integration of instructional technology at Uptown ASCS aligns seamlessly with both educational and operational needs. By enriching learning experiences through our Schoology LMS, facilitating data-informed decision-making through data dashboards and surveys, aligning with state standards, and increasing operational efficiency, this strategic approach ensures a dynamic and effective learning environment. In sum, the key design element of technology integration is grounded in a robust body of research and promises to elevate the overall educational experience of students at Uptown ASCS.

Beyond technology, Uptown ASCS is committed to incorporating a full STEAM-ahead approach to education. This approach involves providing cross-curricular lessons and hands-on, student-centered learning experiences, complemented by STEAM events, such as our annual maker's fairs, that encourage real-world innovations and problem-solving (see Section VI. Organizational Structure and Management – Part 2: "Systems and Structures for Support: Academics" starting on page 149 of the Business Plan for further details surrounding our STEAM programming). Research studies reveal the advantages of a STEAM-based education, showing its positive impact on developing problem-solving skills, increased cognitive engagement in students, and alignment with Next Generation Learning Standards and 21st-century career requirements. Studies by Sanders (2009) and Quinn (2013) emphasize the enhancement of critical thinking and problem-solving abilities through real-world applications.

Additionally, Fortus et al. (2015) highlight the heightened interest and motivation exhibited by students engaged in STEAM programs. Bellanca and Brandt's (2010) research emphasizes the alignment of STEAM education with the skills essential for contemporary careers, including creativity, critical thinking, and technological proficiency. Furthermore, Kelley and Knowles (2016) suggest that hands-on learning experiences integral to STEAM education contribute to better understanding and retention of STEM concepts. Evidence of effectiveness is reflected in improved academic performance and positive impacts on career choices. Bybee et al.'s (2006) case study demonstrated that students in STEAM programs outperformed their peers in traditional education settings in science and mathematics assessments. Longitudinal studies, such as Maltese and Tai's (2011) research, indicate that exposure to STEAM education increases the likelihood of students pursuing careers in STEM fields. Addressing educational and operational needs, the STEAM-based education approach at Uptown ASCS fosters critical skills, promotes student engagement, aligns with 21st-century workforce demands, and encourages holistic learning. This strategic emphasis ensures a well-rounded and future-oriented educational experience, positioning Uptown ASCS at the forefront of effective and innovative education.

Uptown ASCS prioritizes College and Career Readiness through a robust curriculum, Pathways to College program, comprehensive Humanities and STEM tracks, AP course offerings, career workshops, dual enrollment opportunities, academic tutoring, SAT preparation, athletics, and diverse extracurricular activities, including maker's fairs, theatrical productions, concerts, and cultural events (see Section IX. “Organizational Background” beginning on page 168 of the Business Plan for additional insights into these programs). This holistic approach is rooted in research indicating the positive correlation between academic preparation, access to advanced coursework, and increased college enrollment (Adelman, 2006; Chen & Carroll, 2005).

Additionally, studies by Hughes et al. (2015) highlight the importance of career workshops, dual enrollment, and extracurricular activities in enhancing students' career awareness and workforce readiness. Conley's (2007) research further supports the notion that a well-rounded education, incorporating both academic and extracurricular aspects, contributes to the development of individuals better equipped for success in college and future careers. Evidence of effectiveness is seen in increased college enrollment rates among schools implementing comprehensive college readiness programs (Adelman, 2006; Chen & Carroll, 2005). Moreover, participation in career-focused initiatives, including workshops and dual enrollment, positively influences students' career choices and preparedness for the workforce (Hughes et al., 2015).

As there are few high-quality high school opportunities for students living in the Bronx, Uptown ASCS will provide a critical pathway for students into college and careers, especially for those students who are minorities and/or economically disadvantaged (see Business Plan Section IV. “Market Analysis” beginning on page 23 for a detailed examination of multiple comparative student performance data points, including SAT performance, AP test results, state assessment proficiency, reduction of non-proficiency, graduation rates, and college admissions, which show our schools’ exceptional performance in relation to the sending district and state). Overall, addressing both educational and operational needs, the college and career readiness focus at

Uptown ASCS will ensure academic excellence, career preparation, holistic student advancement, and increased access to higher education opportunities. By fostering a culture of academic rigor, diverse skills development, and inclusivity, this key design element will create a learning environment that equips students for success in both higher education and the professional world.

In evaluating our school's three KDEs, Uptown ASCS conducts Culture & Climate surveys with all stakeholders, measuring a wide range of specific school components on a 1-4 Likert scale. These survey components include: student life, equity in learning, academic environment, emphasis on proficiency, data use, health & SEL, discipline, behavior management, safety, and substance abuse prevention (see Section VI. Organizational Structure and Management – Part 2: "Systems and Structures for Support: Innovations" starting on page 151 of the Business Plan for additional details surrounding our survey process). For evaluation data gathering purposes, Uptown ASCS also utilizes an in-house iLemis Dashboard – an integrated, web-based student information management system designed for K-12 schools. This system houses key data, such as: students' attendance, enrollment, grades, teacher and school administrator evaluation scores, and interim assessment data all in real time. iLearn's Teacher Evaluation Portal is also utilized as an observation and evaluation management system. This portal records and archives all of the data collected during each evaluation, as well as teacher artifacts and student learning goals to ensure school administrators maintain accurate and holistic measures of teacher performance.

The Teacher Evaluation Portal provides iLearn's school administrators easy access to actionable data used to continually develop teachers. Beyond using teacher evaluation as a support system, beginning, middle, and end-of-year academic walkthroughs of each campus are also conducted by Central Office administrators (CAO and Program Directors) to provide support and resources to schools in need of assistance across any academic department. At the conclusion of each walkthrough, Central Office administration debriefs with school administrators on each campus, discussing walkthrough findings and possible support that can be provided to drive further improvement. Lastly in the evaluation process, school administrators are also evaluated based on the results of site visits, student assessment scores, and goal attainment. iLearn's CEO evaluates School Directors using the STRONGE instrument and ESSA goal attainment, the Chief Operations Officer (COO) evaluates ADOs, and the CAO evaluates ADAs' performance (see Section V. Organizational Leadership and Governance: Part 2 – School Evaluation starting on page 139 of the Business Plan).

Student academic achievement and progress also factors into the teacher evaluation system. All teachers of all subjects set learning goals for their students based on the need to outperform state averages by at least 10 points while demonstrating growth and are evaluated, in part, on student goal attainment. For ELA and Math teachers specifically, our school uses state-provided growth scores (ESSA targets) as one of many measures to evaluate both teacher and school leader performance.

In addition to measuring the performance of our teachers and ultimately our students and academic programs, iLearn also conducts 2 site visit evaluations per school year of its school administrators utilizing the Stronge evaluation instrument. These evaluations are conducted by iLearn's CEO Dr. Nihat Guvercin, along with Chief Academic Officer Dr. Gurkan Kose, Chief Special Programs & HR Officer Marjorie Renahan, Chief Talent & HR Officer Yani Hage, and Chief Operations Officer Yunus Kul. Evaluation scores are calculated according to artifacts that school administrators provide and describe around professional development of staff, evaluation and feedback to teachers for ongoing data-informed growth, school culture and climate activities, and ultimately contribution toward student growth and academic success. School administrator evaluation scores are also 50% tied to ESSA targets, as student learning is the primary driver in determining the success of our schools and school leaders.

The Stronge Teacher and School Leader Effectiveness Performance Evaluation System is a comprehensive, uniform evaluation system consisting of teacher, educational specialist, and school leader components. Each of the aforementioned educators is evaluated against seven research-based professional standards. The seventh standard—Student Progress—is a results-based standard for measurable student or programmatic growth. The Stronge Evaluation System incorporates multiple data sources with inter-rater reliability, including observations, artifacts, surveys, and goal setting/student learning objectives, which provide a comprehensive performance portrait of each educator. Throughout the evaluation cycle, evidence toward each of the performance standards is gathered through these multiple sources. At the end of the evaluation cycle, the evaluator determines where the collection of artifacts and evidence places the educator on a four-level rubric associated with each particular performance standard.

Within a layered, multi-tier evaluation and support system, as Uptown ASCS is a part of the iLearn Schools (CMO) network, the CMO assumes responsibility for the following services: educational support and academics, human resources, training and professional development, finance and accounting, admissions and enrollment, marketing, grants development and management, information technology, facilities maintenance and managing, reporting and compliance, food, public relations, and other services mutually agreed upon by each schools' Board of Trustees and our organization.

Lastly, the Uptown ASCS Board will assess the value of participating in the network by evaluating the performance of the CMO annually. The evaluation tool measures the performance of the CMO by identifying the strengths and opportunities for improvement relative to the school's service agreement. The performance evaluation will consist of reviewing the school's progress toward goal attainment in the accountability plan, academic performance, compliance with relevant laws, financial management and reporting, student recruitment, facility management, human resources, and information technology. The Board has developed a self-evaluation tool to assess its performance on an annual basis. Performance areas will include adherence to the mission, strategic decision making, financial oversight, policies and procedures, board structure, board commitment, board meetings, and CMO oversight.

R-04abc - Community Outreach, Support, and Demand

A. Description and Analysis of Community Outreach and Engagement

Uptown Arts & Science Charter School (Uptown ASCS), an initiative of iLearn Schools, embarked on a comprehensive community outreach and engagement campaign in Bronx Community School District 8 (CSD 8), including the Country Club, Edgewater Park, Soundview, and Hunts Point areas. This campaign was meticulously planned and executed to meet the stringent criteria set by the SUNY Trustees for charter school applications. The three critical criteria addressed were informing the community of the intent to develop a school proposal, providing meaningful opportunities for community input, and incorporating this feedback into the final proposal.

a. Strategies for Soliciting Community Input:

- ***Direct Community Engagement:*** iLearn Schools, through its partnership with Underdog Strategies, launched a direct community engagement initiative. This initiative was designed to actively involve community members in the conversation about Uptown ASCS. It included door-to-door outreach in NYCHA and low-income housing developments, especially targeting areas within two miles of the proposed school site.

This direct approach allowed for personal interactions, ensuring that community voices were heard and valued.

- ***Distribution of Informative Materials:*** Over 2,500 flyers and petitions were distributed in both English and Spanish. These materials were carefully crafted to provide comprehensive information about Uptown ASCS, including its educational philosophy, programmatic focus, and the specific demographics it aims to serve. The distribution was carried out not only in residential areas but also in key public spaces such as local businesses, houses of worship, social service providers, and immigration centers.
- ***Stakeholder Engagement:*** Executive Director Mr. Turan Balik and Dan Clark of Building Better Schools NY led efforts to engage with elected officials, community boards, businesses, and community-based organizations. These engagements were not limited to informational dissemination but actively sought feedback and support for Uptown ASCS.
- ***Utilization of Digital Platforms:*** Recognizing the importance of digital communication, especially in the context of COVID-19, iLearn Schools leveraged online platforms and social media to disseminate information and gather feedback. This approach ensured that community members who prefer digital communication channels were equally engaged.
- ***Public Meetings and Information Sessions:*** Virtual and, where possible, in-person meetings were organized to discuss the Uptown ASCS project. These sessions provided forums for community members to learn about the school, ask questions, and express their views and concerns.
- ***Feedback Collection and Analysis:*** An essential component of the outreach strategy was the collection and analysis of feedback from the community. iLearn Schools gathered written feedback from 468 families in CSD 8, particularly focusing on the programmatic needs of students. This feedback was then meticulously reviewed and used to refine the Uptown ASCS proposal.

b. Community Feedback Incorporation

The feedback gathered through these varied channels was not merely collected but actively used to shape the Uptown ASCS proposal. The school's educational program was refined to better align with the community's needs, especially focusing on students from economically disadvantaged backgrounds and English language learners. This was evident in the school's commitment to a STEAM-based curriculum, recognizing the community's desire for strong Science, Technology, Engineering, Arts, and Mathematics education.

Additionally, the feedback influenced the development of targeted support strategies for ELLs and students requiring additional academic support, ensuring that Uptown ASCS is equipped to meet the diverse needs of its student body.

The community outreach and engagement for Uptown ASCS were characterized by a multifaceted approach, ensuring thorough and inclusive community participation. This process not only fulfilled the criteria set forth by the SUNY Trustees but also demonstrated iLearn Schools' commitment to building a school that truly reflects the needs and aspirations of the Bronx CSD 8 community.

c. Feedback Received from Community Stakeholders

- ***Nature of Feedback:*** The feedback from community stakeholders was diverse and multi-dimensional, reflecting the varied needs and aspirations of the Bronx CSD 8 community. Key areas of feedback included the desire for a strong STEAM-based curriculum, emphasis on support for English Language Learners (ELLs), the need for more inclusive educational opportunities for economically disadvantaged students, and the integration of community values and local cultural elements into the school's curriculum and ethos.
- ***Form of Feedback:*** Feedback was collected through multiple channels:
    - Written Submissions: Feedback forms distributed during canvassing and information sessions allowed for written submissions from community members.
    - Direct Conversations: During door-to-door outreach and community meetings, stakeholders provided verbal feedback, offering insights into the community's needs and expectations.
    - In-person Meetings and Emails: Stakeholder meetings with community leaders, local businesses, and elected officials, often conducted via Zoom, provided a platform for detailed discussions. Email correspondence further supported this exchange.
    - Surveys and Petitions: Surveys and petitions were used to gauge community interest and gather specific suggestions regarding the school’s educational programs and policies.

d. Incorporation of Community Input into the Uptown ASCS Proposal

- Educational Needs and Program Design:
    - STEAM Curriculum Enhanced by Community Feedback: Reflecting the community's emphasis on a strong STEAM curriculum, the proposal includes an enriched program featuring Science, Technology, Engineering, Arts, and Mathematics. This curriculum is designed to be dynamic and responsive, incorporating local community issues and projects, thereby making education relevant and engaging for students.
    - Focus on English Language Learners (ELLs): Recognizing the significant population of ELLs in the Bronx CSD 8 community, the proposal outlines a

comprehensive ELL program. This includes specialized instructional strategies, additional language support, and culturally responsive teaching practices to ensure these students thrive academically.

- Special Education and Inclusivity:
    - Addressing Diverse Learning Needs: The proposal details a robust special education program with individualized learning plans, ensuring that students with diverse educational needs are supported effectively.
    - Economic Accessibility: In response to community concerns about economic barriers to education, the proposal emphasizes no-cost enrollment and the provision of resources like technology and textbooks, ensuring equitable access for all students.
- Community Engagement and Partnership:
    - Local Cultural Integration: The curriculum and extracurricular activities are designed to reflect the rich cultural heritage of the Bronx, incorporating local history, arts, and community service projects.
    - Partnerships with Local Organizations**: The proposal includes plans for collaborations with local businesses, cultural institutions, and community organizations. These partnerships aim to provide students with real-world learning experiences and to strengthen the school's ties with the community.
- Parent and Guardian Involvement:
    - Active Parent Engagement**: Acknowledging the community's desire for active parental involvement in education, the proposal includes a comprehensive plan for parental engagement. This includes regular communication, parent-teacher meetings, and opportunities for parents to participate in school governance and decision-making processes.
- Feedback-Informed Instructional Approaches:
    - Responsive Teaching Practices: Based on community feedback emphasizing diverse learning styles and backgrounds, the proposal outlines a pedagogical approach that is adaptive and student-centered, catering to the individual learning styles and needs of students.
- After-School and Enrichment Programs:
    - Broad Range of Extracurricular Activities: In response to community interest in after-school programs, the proposal includes a variety of extracurricular and enrichment activities, ranging from arts and technology clubs to sports and community service initiatives.
- Safety and Well-being:
    - Focus on Student Safety and Emotional Well-being: Consistent with community concerns about student safety and mental health, the proposal outlines comprehensive safety protocols and a strong support system for student well-being, including counseling and mental health services.

The Uptown ASCS proposal is a reflection of iLearn Schools' commitment to serving the specific needs of the Bronx CSD 8 community. It demonstrates a conscientious effort to incorporate community feedback into every aspect of the school's design and operation. The proposal

shows a deep understanding of the community's educational aspirations and challenges, offering a tailored approach that seeks to provide high-quality, inclusive, and community-centered education. This approach is not static but designed to evolve continuously with ongoing community input and changing educational landscapes.

B. Description and Analysis of Community Support

a. Community Support for Uptown ASCS

- ***Depth of Community Support:*** The proposal for Uptown ASCS has garnered significant support from a diverse cross-section of the Bronx CSD 8 community. This support is rooted in the community's recognition of the school's potential to address longstanding educational inequities and offer quality education alternatives.
- ***Support from Civic Organizations and Local Groups:*** Several civic organizations and local groups have expressed strong support for Uptown ASCS. These entities, which work closely with the community, recognize the school's commitment to providing inclusive and culturally responsive education, aligning with their own objectives of community upliftment and empowerment.
- ***Backing from Elected Officials:*** The proposal has received endorsements from local and state elected officials who view Uptown ASCS as a positive addition to the educational landscape. Their support is indicative of the school's potential to contribute significantly to the district's educational offerings.
- ***Community Members' Enthusiasm:*** Among community members, particularly parents and families, there is a palpable sense of enthusiasm for Uptown ASCS. Many have expressed eagerness for the diverse educational opportunities the school promises, especially its focus on STEAM education and the iLearn Remediation Intervention and Scholastic Enrichment (iRise) program.
- ***Concrete Evidence of Support:*** In response R-04e, Evidence of Community Support, concrete artifacts such as letters of support, petitions, survey results, and records of community meetings have been submitted. These documents provide tangible proof of the community's backing for Uptown ASCS.

b. Analysis of Opposition

- ***Known Opposition:*** While the proposal has garnered widespread support, it is also important to acknowledge and understand any opposition that exists. Some community stakeholders have expressed concerns about the potential impact of a new charter school on existing public schools, including resource allocation and student enrollment shifts.
- ***Concerns from Educators and Unions:*** Certain educators and union members have voiced apprehensions regarding charter schools in general, focusing on issues like teacher recruitment, funding, and the broader implications for public education.

c. Impact of Support and Opposition on the School's Opening

- ***Positive Influence of Community Support:*** The depth of community support for Uptown ASCS is a strong indicator of the school's potential for a successful opening. This support suggests robust initial enrollment numbers, active parental involvement, and collaborative relationships with local organizations, all of which are crucial for the school's success.
- ***Navigating Opposition:*** Addressing opposition will be an integral part of Uptown ASCS's journey towards opening. The school plans to engage openly with its critics, seeking to understand their concerns and find common ground. Efforts will be made to demonstrate how Uptown ASCS can coexist beneficially with other public schools and contribute positively to the broader educational ecosystem.
- ***Building Bridges with Skeptics***: To mitigate opposition, Uptown ASCS will focus on transparent communication and collaboration. This includes sharing its educational objectives and successes, participating in community events, and establishing partnerships that showcase the school as a community asset.

In conclusion, while Uptown ASCS enjoys considerable support within the Bronx CSD 8 community, mindful of the opposition, it recognizes the importance of ongoing dialogue and collaboration. The school is committed to becoming a unifying force in the community, addressing concerns where they exist, and building on the substantial support to open successfully. The concrete evidence of community support submitted in response R-04e serves as a testament to the strong foundation of community backing that Uptown ASCS has established.

C. Description and Analysis of Student Demand

a. Analysis of Student Demand

- ***Interest from Current/Alumni Families of Bronx ASCS:*** A significant indicator of student demand for Uptown ASCS comes from the alumni students and families of Bronx Arts and Science Charter School (Bronx ASCS). Many parents, satisfied with the quality of education and the school's mission at Bronx ASCS, have shown keen interest in having their children continue their education under the same guiding principles. This interest is a testament to the trust and value placed in the educational approach and community engagement strategies of the iLearn Schools network.

- ***Community Feedback and Petitions:*** The community feedback survey and petitions conducted through online platforms and ground canvassing in CSD 8 have demonstrated substantial interest in Uptown ASCS. With over 126 petitions from families considering enrolling their children in this new high school, there is clear evidence of strong demand within the community. This number is indicative of the school's resonance with the community's educational aspirations.

- ***Supporting Evidence of Student Demand:*** In response R-04f, Evidence of Student Demand, concrete artifacts such as the results of community surveys, petition forms, and expressions of interest from Bronx ASCS alumni families will be submitted. These documents provide robust evidence of the community's interest and the demand for student enrollment at Uptown ASCS.

b. Implications for Proposed Enrollment Targets

- ***Meeting Enrollment Goals:*** The evidence of interest from alumni families and the community at large supports Uptown ASCS's ability to meet its proposed enrollment targets. The demand indicated by the petitions and surveys suggests that the school will be able to achieve robust initial enrollment numbers, crucial for its successful launch and sustainability.

- ***Sustained Interest for Future Enrollment:*** The alumni interest also indicates sustained demand beyond the initial years, as families within the Bronx ASCS community continue to seek educational continuity for their children. This ongoing demand will help ensure steady enrollment numbers in the future, contributing to the school's long-term viability.

- ***Community Trust and Word-of-Mouth:*** The interest from Bronx ASCS alumni families is likely to generate positive word-of-mouth, further boosting enrollment. The trust and satisfaction these families have in the iLearn Schools network are powerful

endorsements that can influence other community members to consider Uptown ASCS for their children's education.

- ***Alignment with Community Needs:*** The response to the community feedback survey and petitions indicates that Uptown ASCS's mission and educational approach align well with the needs and expectations of the CSD 8 community. This alignment is essential for attracting and retaining students, as it reflects a deep understanding of the community's educational priorities.

In conclusion, the demonstrated demand from Bronx ASCS alumni families, combined with the significant interest shown through community surveys and petitions, strongly supports Uptown ASCS's ability to meet its proposed enrollment targets. These indicators of demand, to be detailed in response R-04f, Evidence of Student Demand, highlight the community's recognition of the value that Uptown ASCS will bring to the educational landscape of Bronx CSD 8. The school's commitment to continuing the successful educational model of Bronx ASCS and responding to the specific needs of the community positions it well to open successfully and sustain robust enrollment.

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL

PROPOSED CHARTER SCHOOL APPLICATION FOR SUBMISSION TO THE STATE UNIVERSITY OF NEW YORK BOARD OF TRUSTEES

REQUEST 4:

R-04D - EVIDENCE OF OUTREACH

www.uptowncharter.org

FEBRUARY, 2024

R-04D - Evidence of Outreach

The Uptown ASCS charter school proposal embodies a comprehensive approach to community engagement and outreach, as evidenced by the diverse array of documents compiled in this section. Our commitment to fostering a collaborative relationship with the community is reflected through various mediums such as flyers, websites, social media, and direct communication with local stakeholders. These documents collectively showcase our multifaceted strategy to gather community input and support, ranging from educational initiatives for a STEAM-focused charter high school to inclusive programs for English learners and special education students. The subsequent table offers a detailed overview of each piece of evidence, providing insight into our dedication to creating a safe, inclusive, and academically robust educational environment. This extensive outreach campaign illustrates our proactive efforts to engage with and understand the needs of our community, ensuring that Uptown ASCS is well-aligned with the aspirations and requirements of the families and students it aims to serve.

Category	Description	Starting Page
Flyers/Newsletters	The flyer discusses a proposed STEAM-focused charter high school, emphasizing a safe environment, college readiness, and inclusivity for English learners and special education students. The newsletter, iLearn Ledger January 2023, recaps past events, recognizes achievements, and highlights upcoming activities including Uptown ASCS proposal and a scholarship program.	1
Websites/Online Petition	These documents highlight the Uptown ASCS website and its initiative to gather community feedback for a proposed high school charter in the Bronx, targeting grades 9-12. The website details the mission, educational approach, and academic programs, emphasizing the need for the school. The feedback survey and petition form seek to understand community needs, challenges in current education systems, and interest in specialized programs, aiming to bolster the charter application with demonstrated community support and interest.	19
Social Media Pages	This document encompasses a variety of social media content, including promotional banners, feedback on petitions, contact information for Uptown ASCS social media platforms, and examples of posts about the proposed school on all iLearn Schools like Twitter, Instagram and Facebook.	28
Elected Officials & Community Boards	This document encompasses the ongoing communication with elected officials and community boards. It highlights the teams eagerness to gain support from the stakeholders. It includes correspondences confirming Uptown ASCS' commitment to attending CB2, CB 5, CB 4.	36

Email Outreach & School Messenger	This section details the strategies used for email outreach and the School Messenger system. It also includes information on how email campaigns are conducted to engage with parents, students, and community members, the frequency and content of these communications, and the role of School Messenger in facilitating effective communication within the school community. It also covers the analytics of email campaign effectiveness, such as open rates and engagement metrics.	60
District Schools	This section contains information on the interaction and relationship between Uptown ASCS and local district schools. It details potential collaborative efforts and shared initiatives. This include strategies for student engagement, curriculum development, and community involvement. It also focuses on how Uptown ASCS complements the educational offerings of the district schools.	93
Community Based Organizations & Businesses	This section covers partnerships and collaborations with local organizations and businesses. The correspondences include specific examples of collaborations, their outcomes, and future plans for community engagement. This also encompass support for educational programs, internships, or career readiness activities facilitated by local organizations and businesses.	117
Underdog Strategies	This document outlines the extensive community outreach efforts conducted to engage with communities in CSD 8, focusing on economically disadvantaged families and English language learners. It details the strategies employed, including door-to-door canvassing in low-income housing developments, distribution of informational flyers in English and Spanish, and collection of written feedback from families. The document summarizes the outcomes of these efforts, highlighting the successful engagement with the community and specific support from areas like NYCHA Castle Hill Houses, and lists the targeted locations for canvassing.	125
iLearn Marketing Department	This is an outline of the iLearn Marketing teams' effort for Uptown ASCS, detailing the use of social media, creation of the website, and digital and physical petition drives. It includes the establishment of social media accounts on platforms like Facebook, Instagram, and Twitter, social media postings, a dedicated website, digital and physical petitions with the number of signatures collected, production and distribution of canvassing flyers in English and Spanish, text message campaigns, email campaigns with statistics on reach and engagement, a Canva newsletter, and a comprehensive canvassing effort targeting specific neighborhoods with details and results.	127

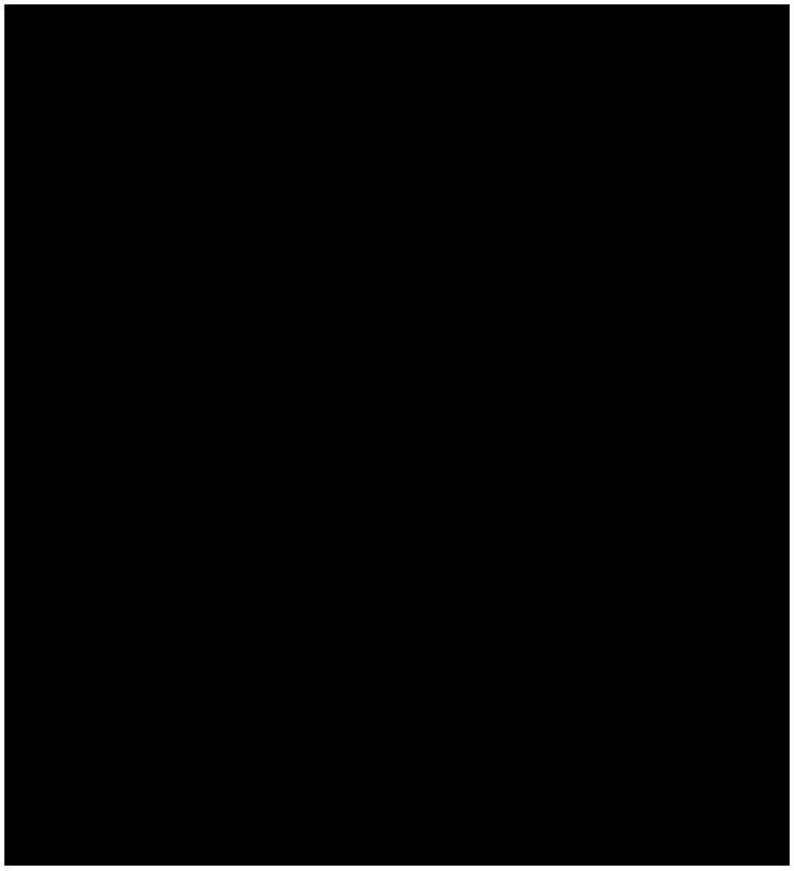
Dear iLearn Schools Community and supporters,



THE ILEARN LEDGER

PAST DISTRICT-WIDE EVENTS RECAP: January

JANUARY 2024

- ***New Year's Day* (1):** This day marked a fresh start beginning the year.
- ***Breakfast with a Superhero* (8-10):** Students had breakfast with a superhero to celebrate a successful school year so far.
- ***iAppreciate Kindergarten* (10):** Our NJ & NY campuses celebrated the vital contributions of all Kindergarten teachers.
- ***iAppreciate First Grade* (11):** Our NJ & NY campuses celebrated the vital contributions of all first-grade teachers.
- ***iAppreciate Second Grade and BSI* (12):** Our NJ & NY campuses celebrated the vital contributions of all second-grade and BSI teachers.
- ***Martin Luther King Jr. Day* (15):** Martin Luther King Jr. Day was a time to honor and celebrate the legacy of a leader whose tireless efforts championed equality, justice, and the importance of unity in our diverse society.
- ***Winter STAR Assessments* (16-19):** The Star Assessments were computerized assessments that helped educators personalize instruction based on the individual learning needs of students, as well as helped students and teachers track student progress towards learning goals.
- ***Passaic Title I Meeting* (24):** This Zoom meeting informed parents about Title I which allocates funding to improve the academic achievement of low-performing students in ELA and/or Math.
- ***School Choice Week* (22-26):** National School Choice Week served as a reminder of the importance of empowering families with educational options, and promoting access to diverse learning environments that cater to individual needs and aspirations.
- ***Second Marking Period ends* (26):** The end of the second marking period marked a pivotal moment for students to reflect on their progress, adjust their learning strategies, and set new academic goals for the remainder of the year.
- ***Early Dismissal and Staff Development* (26):** An early dismissal and staff development day provided valuable opportunities for educators to collaborate, enhance teaching practices, and ensure a more enriching learning experience for our students.

CLIFTON BASKETBALL WINS

[redacted]

record at 3-0! Congratulations to both teams on their impressive wins. Keep up the good work Panthers!

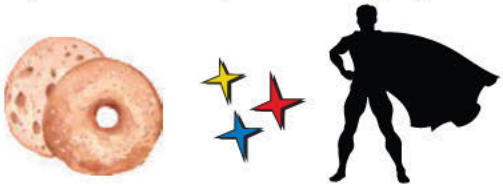
SPECIAL RECOGNITION, EVENTS & NEWS

Paterson ASCS

[redacted]

BREAKFAST WITH A SUPERHERO

[redacted] their second Breakfast with a Superhero event! Students had the special opportunity to invite a superhero from their lives to join them for breakfast. It was a heartwarming occasion filled with connections between students and the superheroes who inspire them every day.



[redacted]

NJ SCIENCE OLYMPIAD CONTEST

[redacted] participated in the NJ Regional Science Olympiad Contest at New Jersey Institute of Technology along with other iLearn students from Passaic ASCS, Passaic ASCS Clifton, and Hudson ASCS Middle! We are so proud of our bright scholars who had the opportunity to be a part of such a prestigious event after five years.

[redacted]

FASFA WORKSHOP

[redacted] FAFSA workshop dedicated to preparing seniors for their college journey. The workshop aimed to guide and assist students in completing the Free Application for Federal Student Aid (FAFSA), ensuring they have the necessary financial resources for their higher education aspirations. It was a valuable opportunity for seniors and their parents to receive crucial support in navigating the financial aid application process as they take their next steps toward college.

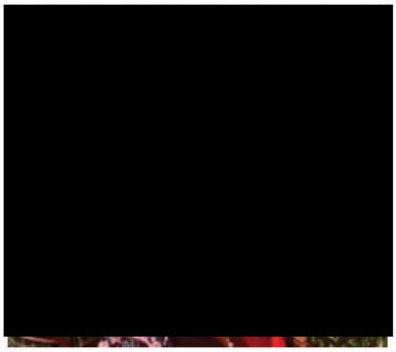
[redacted]

NATIONAL SCHOOL CHOICE WEEK

[redacted] campuses came together to celebrate the importance of School Choice Week, emphasizing the unique opportunities and educational options available within our school community! During this special week, Wildcat students and staff showcased their love for their campus through various activities and events, fostering a sense of pride and unity. It was a vibrant celebration of the power of school choice in shaping unique educational experiences for our students across all Paterson ASCS locations.

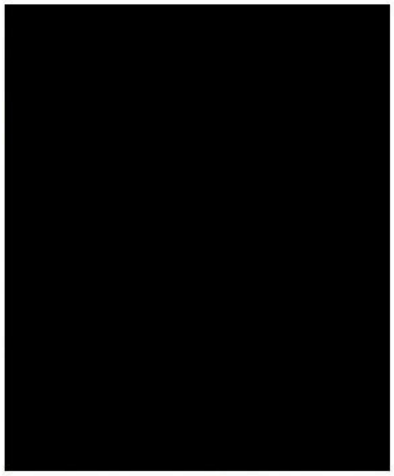
SPECIAL RECOGNITION, EVENTS & NEWS

Hudson ASCS



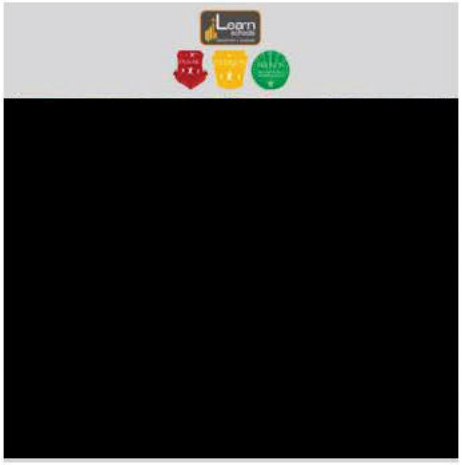
BREAKFAST WITH SUPERHEROES

On January 9th, Hudson ASCS Elementary hosted *"Breakfast with Superheroes."* Students gathered with the significant figures in their lives, including parents, grandparents, and guardians, to celebrate the heroes who shape their worlds. The morning was filled with laughter, shared stories, and the warmth of familial bonds, creating a magical atmosphere that resonated throughout the school.



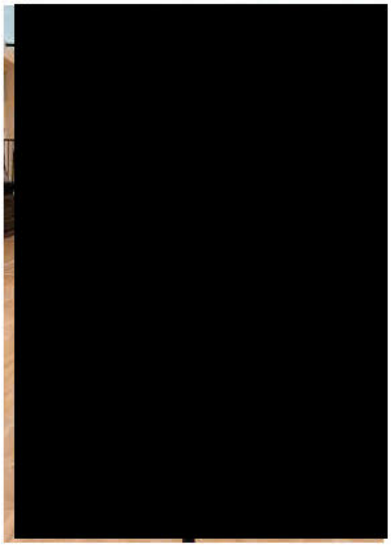
READING CELEBRATION WITH COOKIES

On January 12th, Hudson ASCS Elementary celebrated a remarkable achievement: 49% of students successfully reached their *End of Year Reading Goal*. To commemorate the occasion, students enjoyed a delightful session with cookies and a read-along of their favorite books, fostering a love for reading and a sense of accomplishment. Congratulations to all the students who contributed to this achievement!



NJ REGIONAL SCIENCE OLYMPIAD CONTEST

On January 17th, Hudson ASCS Middle students participated in the NJ Regional Science Olympiad Contest at New Jersey Institute of Technology, marking their return to this prestigious event after a five-year hiatus. We are immensely proud of their achievements and grateful for the opportunity to be part of such a renowned competition. Congratulations to our scholars for their outstanding representation and commitment to scientific inquiry!



HUDSON MIDDLE JUDO TRAINING

On January 24th, Hudson ASCS Middle students engaged in a dynamic Judo club training session at High Tech High School, [redacted] The dedicated participants displayed physical prowess and a commitment to the principles of respect, self-control, and perseverance inherent in the art of Judo. This collaborative training opportunity provided an enriching experience for the students. Congratulations to all participants for their dedication to the art of Judo!

WILLY WONKA CAST ANNOUNCED

On January 19, an air of excitement and anticipation filled the halls of Bronx Arts & Science Charter School as our Beavers eagerly discovered their roles in the upcoming production of *Willy Wonka*. The announcement brought cheers, tears, and applause. Congratulations were extended to each participant for their outstanding performances during auditions, setting the stage for a magical and whimsical journey ahead. With this spirited kickoff, Bronx ASCS looks forward to a memorable and sweetly spectacular performance. Break a leg, cast – the spotlight awaits! Watch the heartwarming video here.

ANNUAL TITLE I MEETING

On January 30th, Bronx Arts & Science Charter School hosted its Annual Title I Meeting. During the Zoom gathering, parents actively engaged in an informative session where they were presented with valuable insights into the math curriculum, accompanied by specific data tailored to their child's grade level. The meeting served as a crucial platform for open communication, empowering parents with a deeper understanding of their child's academic journey and reinforcing the school's commitment to transparency and partnership with families.

RECOGNITION CORNER:

[redacted] *Teacher of the Year*

[redacted] award stands as the highest honor for teachers within iLearn Schools, acknowledging outstanding leadership. This prestigious award is named after [redacted], an esteemed iLearn Educational Consultant, mentor, and friend, who dedicated over fifty years to the field of education. [redacted] initiated the *Teacher of the Year* initiative to celebrate teaching excellence, fostering an organization-wide process and celebration.

In his memory, this award highlights the exceptional contributions of iLearn educators who participated and won in the School-Based Teacher of the Year process and live up to his dedicated and passionate legacy.

For additional information on the *School- Based Teacher of the Year* process and to view past participants of the *Phil Patire Teacher of the Year* program, please visit this link.

[redacted]

On December 14th, [redacted] Charter Elementary [redacted] 2023 Academic Year. His contributions to the iLearn Schools community are commendable, and we are confident that his influence will continue to inspire and shape the lives of those he teaches.

We also want applaud the remarkable achievements of our second and third place finalists, [redacted] Special Education Teacher from Paterson Arts and Science Charter Elementary School, and [redacted] Math teacher from Paterson Arts and Science Charter Middle School, for their inspiring dedication to education. Congratulations on this outstanding achievement and we look forward to seeing the continued positive impact they will undoubtedly make.

ISCHOLAR APPLICATIONS ARE OPEN!

iScholar is a scholarship program that aims to promote the further education and career advancement of iLearn Schools' students by providing financial assistance. All graduating seniors who meet the eligibility criteria will have the opportunity to apply to be considered for a one-time scholarship of $2,000. **Deadline to apply is February 29, 2024!**

ABOUT iSCHOLAR

We are pleased to invite iLearn Schools' graduating Seniors who meet the established criteria to apply for a $2,000 scholarship.

iScholar aims to promote the further education and career advancement of iLearn Schools' students by providing financial assistance.

Five students from each school district (Bergen ASCS High, Passaic ASCS High, and Paterson ASCS High) will be selected for the current school year.

All parts of the application must be completed and submitted with all the necessary supporting documents by *the deadline*. Incomplete applications will not be considered.

iLearn schools
INNOVATION in LEARNING

"I used the scholarship to buy a new efficient computer for college. It has benefited my success in my classes so far, as I have been able to rely on it to complete my coursework."

Mercan K.
BERGEN ASCS '22

iSCHOLAR TIMELINE

OCTOBER - FEBRUARY

- The prospective scholar should consult with their guidance counselor to determine eligibility.
- Guidance counselors will determine whether the student is eligible to apply.
- The school guidance counselor will provide the application link to the student and the other necessary documents.
- Applicants will fill out the application form and submit all the required documentation.

MARCH

- School's committee members will meet to review applications and select the finalists.

APRIL

- Finalists will be informed and asked to prepare for the panel interview.

MAY

- Community panel will interview finalists and make the final determination.

JUNE

- Fifteen scholars selected will be announced at a celebration.

GENERAL ELIGIBILITY CRITERIA:

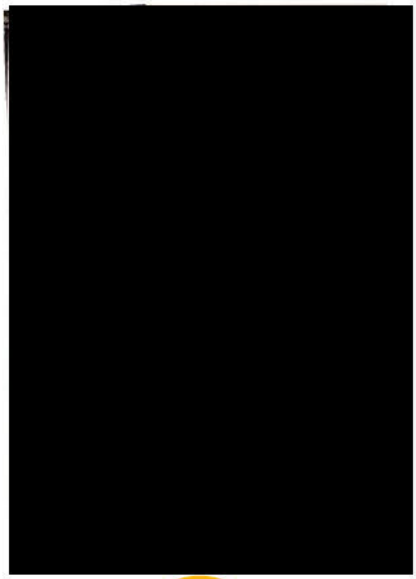
- Graduating Senior Student of iLearn Schools
- Has a minimum of a 3.0 cumulative GPA (freshman year to current year)
- Will enroll in a 4-year college or university

SPECIFIC CRITERIA INCLUDE:

- Completed application
- Cumulative GPA
- SAT Score
- Awards / Honors
- Community and School Engagement
- Reference Letter
- Video or Written Essay
- Panel Interview

SELECTION CRITERIA

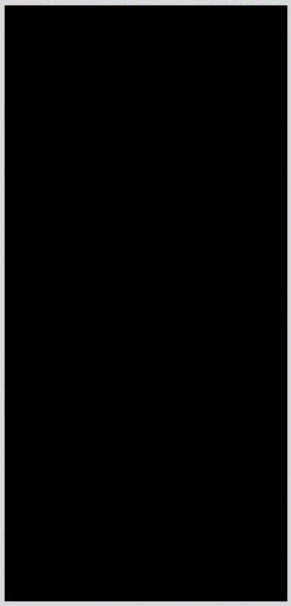
The iLearn Schools Scholarship Committee will review each completed application and will grant awards based upon specific criteria provided in the application.

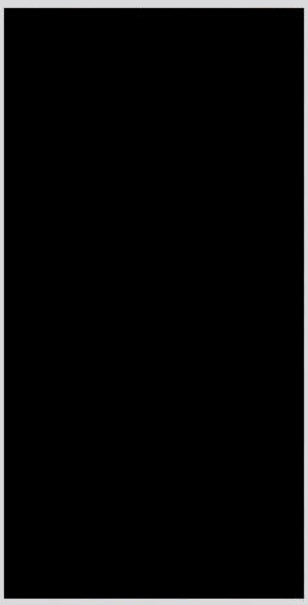


APPLY NOW

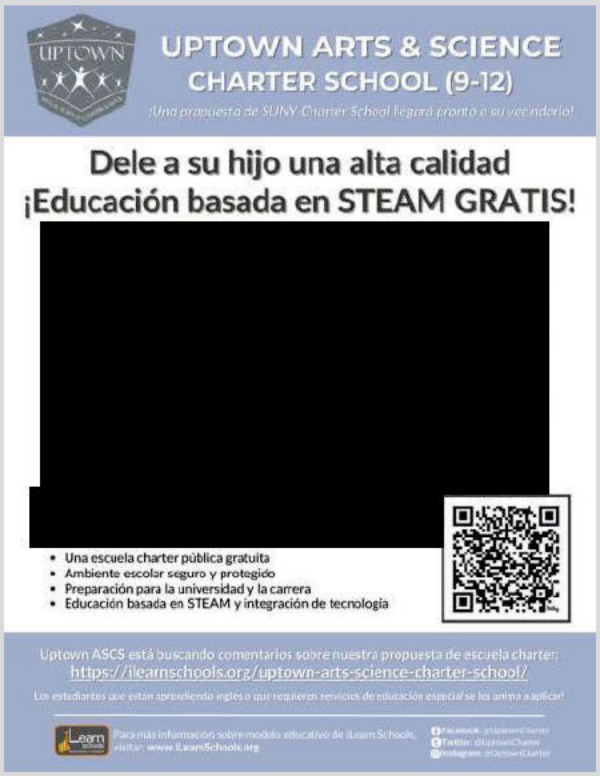
PLANNED ACTIVITIES IN FEBRUARY 2024

- ***Black History Month* (1-29):** Through the month, we will celebrate the rich cultural heritage and significant contributions of African Americans who helped shaped our world.
- ***Groundhog Day* (2):** This day rooted in Dutch folklore that celebrates the transition between the seasons through Punxsutawney Phil's weather prediction of early spring or six more weeks of winter.
- ***Marking Period Two Awards* (5-7):** During these days, our campuses will celebrate the academic achievements of our hard working students during the second marking period.
- ***100th Day of School* (7):** Our Learn campuses will celebrate the hundredth day of school by reflecting on the academic growth made during this school year through activities.
- ***iAppreciate Kindergarten* (10):** Our NJ & NY campuses will celebrate the vital contributions of all Kindergarten teachers.
- ***Valentine's Day* (14):** This day signifies the importance of love and friendship between friends, family, and loved ones.
- ***Ash Wednesday* (14):** This day serves as a holy day of reflection for Christians and spiritual introspection, marking the beginning of the Lenten Season leading up to Easter.
- ***District Staff Development* (16):** Staff development day provides valuable opportunities for educators to collaborate, enhance teaching practices, and ensure a more enriching learning experience for our students.
- ***Presidents' Day* (19):** This Patriotic day serves to reflect on the leadership and contributions of our past presidents.
- ***WIDA Access Test* (21-27):** *The WIDA Access Test* is an English language proficiency assessment designed to measure the language development of multilingual students, focusing on their abilities in listening, speaking, reading, and writing.
- ***iAppreciate Security* (22):** Our NJ & NY campuses will celebrate the vital contributions of all our Security staff members.
- ***iAppreciate Campus IT* (23):** Our NJ & NY campuses will celebrate the vital contributions of all Campus IT staff members.





SUPPORT UPTOWN ARTS & SCIENCE CHARTER SCHOOL: A PROPOSED TUITION-FREE PUBLIC HIGH SCHOOL



Uptown Arts and Science Charter High School (9-12) is a proposed tuition-free, high-quality public charter high school in NY and is apart of the iLearn Schools network.

- The mission of Uptown ASCS High is to provide a high quality STEAM-based education in a digital learning environment to empower students to meet and surpass grade level standards and succeed in college and careers.

Support a brighter future for our students by signing the Uptown petition, making a real difference in the lives of our scholars. Together, we can create a beacon of hope and a center of academic excellence for our community.

ILEARN SCHOOLS LEADERSHIP TEAM HIGHLIGHT

Beanne DeGuzman, Senior Directory of Philanthropy & Marketing

Mrs. Beanne DeGuzman serves as the Senior Director of Philanthropy and Marketing at iLearn Schools in Fair Lawn, New Jersey. In her current role, she oversees fundraising, community engagement, marketing, communications, advocacy, alumni relations, and strategic partnerships. With a background in fostering dynamic relationships with corporate funders, she managed a portfolio of over 25 corporate partners and collaborated with more than 100 nonprofit organizations. Mrs. DeGuzman played a pivotal role in aligning private sector companies with community projects that met their corporate responsibility goals. Additionally, she led civic engagement initiatives, organized events like "Fifth Friday" luncheons, and created intatives such as Mini LEADS, Expert Exchange, and Bergen Amazing Race. Before her current position, Mrs. DeGuzman spent six years as a flight attendant in Jeddah, Saudi Arabia, traveling extensively across continents. She holds a bachelor's degree in secondary education from the University of Santo Tomas and a master's degree in administrative science from Fairleigh Dickinson University, with additional coursework at Wroxton University in England. Currently, she is pursuing a graduate certificate in nonprofit management at Harvard University in Boston.

Gregory Del Russo, Executive Secretary/Director of Grants Development

Mr. Gregory Del Russo, with over 11 years of experience in charter schools, currently serves as iLearn Schools' Director of Grants Development and Executive Secretary. In his previous role as a District HS ELA Coach, he collaborated with ELA teachers on lesson planning and unit design across three fully-expanded iLearn high schools. As Chief Editor, he played a crucial role in crafting and revising written works, facilitating communication between iLearn's CEO and schools. As Director of Grants Development, Mr. Del Russo successfully secured federal and state grant opportunities, guiding schools through strategic planning. Beginning his career as an ELA teacher, Mr. Del Russo served as the Assistant Director of Academics at Bergen ASCS High School, where he closely worked with teachers on best classroom practices. His teaching experience spans various ELA grades, including AP English Language & Composition, with strengths in character building, real-world connections, and meaningful feedback. Mr. Del Russo holds a Bachelor of Arts in English & Writing from Drew University, where he received the 41st annual Johnson Prize for Shakespeare Studies. Apart from his educational endeavors, Mr. Del Ruso is an accomplished and a semi-professional tournament bass angler sponsored by Riot Baits and Denali Rods.

IMPORTANT REMINDERS

Apply now to our two new campuses:
We are thrilled to announce the opening of *Paterson Arts and Science Charter Silk City Primary School (K-2)* and *Passaic Arts and Science Charter Clifton High Schools (9th Grade)*, a network of iLearn Schools.

Applications are now open for the 2024-2025 academic school year! **Deadline: February 27, 2024**.

Paterson campus: https://bit.ly/3SLmRI3
Passaic Clifton campus: https://bit.ly/3RhqYEp

A note from our nurses:
Please keep your children home if sick and ensure they are up to date on their vaccinations. Once completed, make sure the documentation is submitted. Shortly, our campus nurses will reach out to families with more information.

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL
COMMUNITY FEEDBACK SURVEY AND PETITION FORM

We value community members' feedback in shaping a newly proposed high school charter (serving students in grades 9-12) in the Bronx.

Which borough of New York City do you reside in?

If you have a child attending NYC Public Schools, select the grades that are applicable:

- [ ] Pre-K
- [ ] K
- [ ] 1
- [ ] 2
- [ ] 3
- [ ] 4
- [ ] 5
- [ ] 6
- [ ] 7
- [ ] 8
- [ ] 9
- [ ] 10
- [ ] 11
- [ ] 12

Are you satisfied with your school?

- ( ) Not Satisfied
- ( ) Somewhat Satisfied
- ( ) Dissatisfied
- ( ) Highly Satisfied

What are the greatest challenges present in your child's current public school?

Do you think there is a need for a choice school in your neighborhood?

- ○ Yes
- ○ No
- ○ Unsure

Which of the following programs/opportunities do you consider to be a priority in your child's education? (check all that apply)

- ☐ Technology Integration
- ☐ STEAM-based Approach
- ☐ Athletics
- ☐ Pathways to College
- ☐ AP Course Offerings
- ☐ Academic Tutoring/SAT Prep
- ☐ Theatrical Productions (concerts, musical, dance, recitals, drama)
- ☐ College and Career Counseling
- ☐ Dual Enrollment Program
- ☐ Other

If selected other above, please specify

Would you consider enrolling your child in this new high school?

- ○ Yes
- ○ No
- ○ Unsure

By signing the petition below, you are supporting the application and the opening of this new arts and science charter high school. Thank you for your interest and feedback!

About Us

Uptown Arts & Science Charter High School is under the umbrella of the iLearn School charter management organization (CMO). iLearn Schools began as Bergen Arts & Science Charter School (ASCS) in September of 2007, serving just under 300 students in a small K-5 school building located at 200 MacArthur Avenue in Garfield, N.J. The school was created to give all students, regardless of where they live or what their backgrounds, equal opportunities for success in life moving forward. Recognizing the need for the same opportunities elsewhere, Passaic ASCS was then established in 2010 with 350 K-5 students served. iLearn Schools continues to grow, as Paterson ASCS was founded in 2013 and Hudson ASCS followed soon after in 2015. 2019 was a milestone year for iLearn, as the organization expanded for the first time ever beyond New Jersey by opening The Bronx ASCS.

Today, iLearn Schools has grown to serve more than 5,700 students across 18 campuses, 5 Districts, and 2 States. iLearn Schools currently also has over 950 faculty and staff members, as the organization continues to discover and develop unique talents while broadening its reach to students from both near and far.

iLearn's high schools are especially well-renowned for preparing students for college and career success, while making a lasting difference in future societies and for generations to come.

MISSION & VISION

MISSION

The mission of Uptown Arts & Science Charter School is to provide a high-quality STEAM-based education in an innovative learning environment that empowers students to meet and surpass grade level expectations and succeed in college and careers.

VISION

Uptown Arts & Science Charter School aspires to prepare students academically, socially, emotionally, and behaviorally for college, meaningful careers, and inspired living.

CORE VALUES

CURRICULUM

Uptown Arts & Science Charter High School (ASCS) stands as a beacon of educational innovation in the 21st century, prioritizing instructional technology and forward-thinking learning methodologies. Smart Boards, digital pens, and Chromebooks with Schoology access define each classroom, creating a tech-infused environment. Weekly meetings between Instructional Coaches and teachers ensure seamless curriculum implementation, while School Instructional Technology Coordinators (SITCs) guide teachers in integrating technology tools for enhanced instruction.

The curriculum's STEAM focus challenges students to apply 21st-century skills to real-world problems, fostering innovation through Design Challenge Classrooms and Standards-Based Grading (SBG). The English Language Arts (ELA) curriculum adopts a balanced literacy approach, emphasizing close reading skills and real-world application.

COLLEGE & CAREER READINESS

The Pathways to College (PTC) program provides a comprehensive college preparation experience, offering STEM and Humanities tracks, AP courses, college visits, and mentor-mentee relationships. The groundbreaking "30 College Credit Program" allows seniors to earn college credits simultaneously, addressing financial barriers for low-income students.

Uptown ASCS's success is further underscored by its alumni tracking initiatives, ensuring ongoing support and career advancement opportunities. With personalized college guidance, PSAT and SAT testing on site, and a robust PTC program, students are well-equipped for a smooth high school-to-college transition, excelling in both academics and future career pursuits.

CORE VALUES

Community

We demonstrate pride in our school. We offer assistance to our fellow classmates and colleagues and teachers. We are a family.

Compassion

We are compassionate through both word and deed. We care deeply about others and respect differences of opinions. We are kind and show empathy toward our classmates and colleagues and teachers.

Executive Summary: Engagement with Elected Officials and Community Boards

The Uptown ASCS team has successfully engaged and held in person meetings with a wide range of elected officials at various levels of government, as well as with members of local community boards, to foster collaboration and support for our initiatives. These engagements span across members of the United States Congress, New York State Senate, New York State Assembly, New York City Council, and several Bronx Community Boards.

Congressional Engagement:

- Congressman [redacted] Interaction with Constituent Services Liaison [redacted] and Chief of Staff [redacted]
- Congressman [redacted] Connection made through Bronx District Manager [redacted]

New York State Senate Engagement:

- Senator [redacted] Coordinated with Administrative Coordinator [redacted] and Community Affairs Director [redacted]
- Senator [redacted] Collaboration with Chief of Staff [redacted] and Schedule [redacted]
- Senato [redacted] Interaction with Office Staff [redacted] and Special Assistant [redacted]

New York State Assembly Engagement:

- Assembly Member [redacted] Worked with Director of Community Affairs [redacted]
- Assembly Member [redacted] Engaged with Constituent [redacted] and Office Manager [redacted]
- Assembly Member [redacted] Coordinated efforts with Legislative Director [redacted]

New York City Council Engagement:

- Council Member [redacted] Collaboration with Chief of Staff/Scheduler [redacted] Budget Director [redacted] and Director of Community Affairs [redacted]
- Council Member [redacted] Engaged with Community Liaison [redacted]

Bronx Community Board Engagement:

- Community Board 2 [redacted] District Manager.
- Community Board 3: [redacted] District Manager.
- Community Board 4: [redacted], Administrative Assistant.
- Community Board 5: [redacted]
- Community Board 10 [redacted] Youth & Education Committee.

These interactions have been instrumental in advancing the goals of Uptown ASCS, leveraging the support and expertise of these key stakeholders to enhance the impact of our work within the community.

Scheduling a Meeting with Senator Sepulveda Regarding Uptown Arts and Science Charter High School Proposal

4 messages

Turan Balik <tbalik@bronxcharter.org> Wed, Jan 31, 2024 at 1:17 PM

[redacted]

Dear [redacted]

I am eager to present our proposal for the Uptown Arts and Science Charter High School to Senator Sepulveda. This project means a lot to our scholars and families. We are confident that it will significantly contribute to our community. We kindly request your help in arranging a meeting with Senator Sepulveda. Please let me know of his availability, and I will make the necessary arrangements to accommodate his schedule.

If there is any further information or documentation required before the meeting, please do not hesitate to let me know. I am available for any queries or clarifications and can be reached on my cell at [redacted]

Thank you once again for your continued support. I am looking forward to the opportunity to discuss our proposal with [redacted] and am hopeful for a positive outcome that will benefit our community. Be well!

Thank you for welcoming our team members to your office recently[redacted]. Your support for our proposed Uptown Arts and Science Charter High School, through SUNY, for the Fall of 2025 is incredibly appreciated. Your willingness to assist and collaborate on this project underscores the value you place on education and community development, which is truly inspiring.

To provide you with a more comprehensive understanding of our vision and the program's specifics, please visit our website which details the school's planned curriculum, objectives, and the positive impact we aim to achieve within the community. We believe that this initiative will significantly contribute to nurturing young minds in both the arts and sciences, fostering a well-rounded and innovative learning environment.

Should you require any further information or have any questions, please do not hesitate to reach out to me directly. I am available at your convenience and can be reached at my cell phone number,[redacted] Your insights and feedback would be invaluable as we continue to refine and develop this project.

Once again, thank you for your support and enthusiasm towards this endeavor. We look forward to the possibility of working closely with you and making a meaningful difference in the lives of our future students.

Good morning [redacted]

Once again, our heartfelt gratitude for your openness and willingness to support our proposed Uptown Arts and Science Charter School. Your enthusiasm and dedication towards educational excellence are genuinely inspiring, and we are thrilled about the potential to collaborate with you on this venture.

As we navigate through the planning stages, I want to reiterate that the selection of the facility's location remains dependent on the availability of suitable space. Our commitment is to ensure that the school is both accessible and conducive to the vibrant learning environment we envision. In light of this, we kindly request your assistance in identifying a suitable facilitator within your district who could help guide us in finding the perfect spot for our school. Your insight and connections within the district are invaluable to us, and we believe that with your help, we can overcome this hurdle together.

I'd also like to remind you of the strong ties that already exist between our organization and your district, particularly through the many students from your area who currently attend our Bronx Arts and Science Charter School. Their success stories are a testament to the potential impact the Uptown Arts and Science Charter School could have, further enriching our shared communities.

Your support will be instrumental in bringing this project to fruition. We greatly look forward to receiving a letter of support from you, which will undoubtedly bolster our proposal and help make the Uptown Arts and Science Charter School a reality.

Thank you once again for your cooperation and commitment to fostering educational opportunities. We are excited about the possibilities this collaboration holds and eagerly anticipate working closely with you to make a lasting difference in the lives of our students.

Subject: Appreciation and Further Details on Uptown Arts and Science Charter High School Proposal
[redacted]

Good afternoon [redacted]

I want to extend my sincerest gratitude for warmly welcoming our team members to your office recently. Your support for our proposed Uptown Arts and Science Charter High School, through SUNY, for the Fall of 2025 is incredibly appreciated. Your willingness to assist and collaborate on this project underscores the value you place on education and community development, which is truly inspiring.

To provide you with a more comprehensive understanding of our vision and the program's specifics, please visit our website which details the school's planned curriculum, objectives, and the positive impact we aim to achieve within the community. We believe that this initiative will significantly contribute to nurturing young minds in both the arts and sciences, fostering a well-rounded and innovative learning environment.

Additionally, if you prefer, we can arrange a Zoom call to discuss the proposed school and any specifics you may wish to cover in more detail.

I am providing additional documents (attached) to facilitate the process of receiving your letter of support. We understand the importance of such endorsements in realizing our project and are grateful for your consideration in this matter.

Should you require any further information or have any questions, please do not hesitate to reach out to me directly. I am

available at your convenience and can be reached at my cell phone number, [redacted]. Your insights and feedback would be invaluable as we continue to refine and develop this project.

Once again, thank you for your support and enthusiasm towards this endeavor. We look forward to the possibility of working closely with you and making a meaningful difference in the lives of our future students.

As we navigate through the planning stages, I want to reiterate that the selection of the facility's location remains dependent on the availability of suitable space. Our commitment is to ensure that the school is both accessible and conducive to the vibrant learning environment we envision. In light of this, we kindly request your assistance in identifying a suitable facilitator within your district who could help guide us in finding the perfect spot for our school. Your insight and connections within the district are invaluable to us, and we believe that with your help, we can overcome this hurdle together.

I'd also like to remind you of the strong ties that already exist between our organization and your district, particularly through the many students from your area who currently attend our Bronx Arts and Science Charter School. Their success stories are a testament to the potential impact the Uptown Arts and Science Charter School could have, further enriching our shared communities.

Your support will be instrumental in bringing this project to fruition. We greatly look forward to receiving a letter of support from you, which will undoubtedly bolster our proposal and help make the Uptown Arts and Science Charter School a reality.

Thank you once again for your cooperation and commitment to fostering educational opportunities. We are excited about the possibilities this collaboration holds and eagerly anticipate working closely with you to make a lasting difference in the lives of our students.

Dear [redacted]

Thank you for your prompt follow-up and for coordinating with [redacted] on our behalf. We fully understand the Senator's current commitments in Albany and appreciate the clarity regarding his availability.

We remain very interested in arranging a meeting with Senator Sepúlveda, either in person or virtually, at his earliest convenience later in March. The opportunity to present the Uptown ASCS proposal and discuss our vision for opening this transformative educational institution in the Bronx is something we are eagerly looking forward to.

Please let us know how we can assist [redacted] setting up this meeting and any specific dates or times that work best for the Senator. Our team is flexible and willing to accommodate the Senator's schedule to ensure this important dialogue takes place.

We are keen to receive [redacted] input and feedback on our proposal and to discuss how we can garner his support for our initiative. We believe that with his backing, we can make a significant positive impact on the Bronx community through our proposed school.

Looking forward to the possibility of meeting with [redacted] and moving forward with our plans for the Uptown ASCS. Thank you again for your assistance and please extend our regards to the Senator for considering our request amidst his busy schedule.

Good Afternoon [redacted]
Thank you for your prompt follow-up regarding the Uptown Arts and Sciences Charter School (Uptown ASCS) presentation. It is with great pleasure that I confirm our attendance at the Youth Services and Education Committee meeting scheduled for Thursday, February 15th, at 6:30 pm, to be held at [redacted] in the Murray Cohen Auditorium.

We are delighted at the opportunity to present the vision and mission of Uptown ASCS to the committee. My team and I look forward to engaging with the committee members, gaining valuable insights from their input and feedback, and discussing how Uptown ASCS can contribute positively to our community.

Your support is crucial to us, and we are eager to illustrate how the proposed school will make a meaningful impact on the lives of students and families. We are confident that with the committee's backing, we can move forward in making this amazing school a reality.

We appreciate the Bronx Community Board 4's consideration and are excited about the opportunity to contribute to the community's educational landscape. Looking forward to meeting you and the committee members on February 15th.

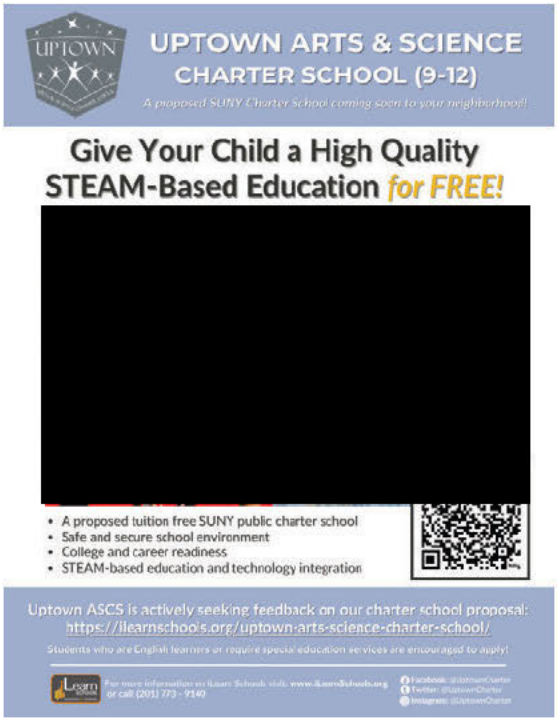
Support a brighter future for our students by writing a letter and signing our Uptown petition!



Attention Bronx Beaver Educators and Families!

We have an exciting opportunity to make a significant difference in our community. We are on a mission to support the creation of the Uptown Arts and Science Charter School, a new high school that promises to offer unparalleled educational experiences to our scholars.

Here is why we need YOUR help! We are calling on all of you to write and send letters of support for this amazing initiative. Your words can truly make an impact by showcasing our community's strong desire for a high-quality high school that blends the arts and sciences.

To learn more about the proposed high school and to aid in writing your letter of support, please use this link: https://bit.ly/48W7rPK.

The deadline for this letter is January 31st, 2024.

Here are some ideas of what to include in your letter showcasing your support:

- The critical need for a quality high school in our area.
- The positive changes the UASCS will bring to our scholars' futures.
- The benefits of an education that combines arts and science.

Your support can make a real difference in the lives of our scholars. It is not just about building a school; it's about building futures, fostering dreams, and empowering the next generation to achieve their full potential. Together, we can create a beacon of hope and a center of academic excellence for our community.

Please use the instructions and tools below to support Uptown ASCS High:

- Please fill out this community feedback/petition form: https://bit.ly/4aVuA6D
- Email both your letter of support and feedback/petition form to tbalik@bronxcharter.org
- Show your support by signing the online petition and share this with others: https://bit.ly/uptownascspetition

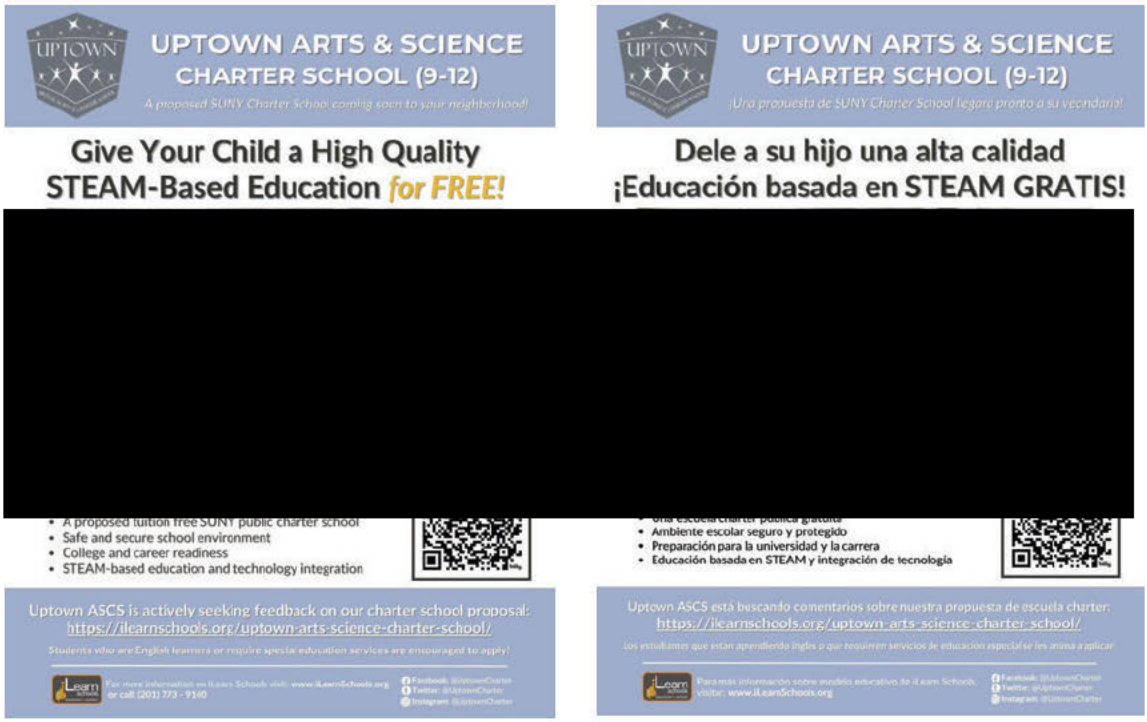
Support a brighter future by signing our Uptown petition!



To our friends in the Bronx, your support means building a brighter future for our students and our community. Let's come together to make this dream a reality! It takes less than 30 seconds to sign and comment on the petition. ***Can you share it with your family and friends, please?***

Uptown ASCS High Petition

Uptown ASCS Website

Spanish Translation:

A nuestros amigos en el Bronx, su apoyo significa construir un futuro más brillante para nuestros estudiantes y nuestra comunidad. ¡Unámonos para hacer este sueño realidad! Toma menos de 30 segundos firmar y comentar en la petición. ***¿Pueden compartirla con su familia y amigos, por favor?***

French Translation:

À nos amis du Bronx, votre soutien signifie construire un avenir plus radieux pour nos élèves et notre communauté. Unissons-nous pour rendre ce rêve réalité ! Cela prend moins de 30 secondes pour signer et commenter la pétition. ***Pouvez-vous la partager avec votre famille et vos amis, s'il vous plaît?***

Arabic Translation:

إلى أصدقائنا في البرونكس، دعمكم يعني بناء مستقبل أكثر إشراقًا لطلابنا ومجتمعنا. دعونا نتحد لتحقيق هذا الحلم واقعاً! يستغرق الأمر أقل من 30 ثانية للتوقيع والتعليق على العريضة. هل يمكنكم مشاركتها مع عائلاتكم وأصدقائكم، من فضلكم؟

Albanian Translation:

Për miqtë tanë në Bronx, mbështetja juaj do të thotë të ndërtojmë një të ardhme më të ndritur për nxënësit tanë dhe komunitetin tonë. Le të bashkohemi për ta bërë këtë ëndërr realitet! Merrni pak më pak se 30 sekonda për të nënshkruar dhe komentuar peticionin. ***A mund ta ndani atë me familjen dhe miqtë tuaj, ju lutem?***

Bengali Translation:

ব্রঙ্কসের আমাদের বন্ধুদের কাছে, আপনাদের সমর্থন মানে আমাদের ছাত্রদের এবং আমাদের সম্প্রদায়ের জন্য একটি উজ্জ্বল ভবিষ্যৎ গড়ে তোলা। আসুন এই স্বপ্নটি বাস্তবে পরিণত করতে একসাথে এগিয়ে যাই! পিটিশনে সাইন করতে এবং মন্তব্য করতে ৩০ সেকেন্ডেরও কম সময় লাগে। দয়া করে আপনি কি এটি আপনার পরিবার এবং বন্ধুদের সাথে ভাগ করতে পারেন?

The iLearn Ledger:
Fifth Edition!

A monthly district-wide school newsletter

Dear iLearn Schools Community,

We hope this message finds you well. We are thrilled to announce the release of the fifth edition of ***The iLearn Ledger***, brimming with exciting updates.

In this edition, we share some joyous moments that have brightened our campuses. From heartwarming celebrations to noteworthy achievements, our school community has truly shone.

One of the highlights of this edition is the details of our*Philip Patire Teacher of the*

Year program, which celebrates our exceptional educators and recognizes them for their remarkable dedication to our students and the iLearn mission.

Additionally, we recap some of the memorable events from January, including National School Choice Week activities, Spelling Bees, and more. These moments exemplify the continued growth and success of our educational community.

Thank you for being an integral part of our journey. Your support and engagement make our accomplishments even more meaningful. To catch up on all the latest news, simply click the button below.

Read the 5th issue here

Estimada Comunidad de iLearn Schools,

Esperamos que este mensaje les encuentre bien. Nos complace anunciar el lanzamiento de la quinta edición de ***The iLearn Ledger***, llena de emocionantes novedades.

En esta edición, compartimos algunos momentos alegres que han iluminado nuestros campus. Desde celebraciones conmovedoras hasta logros destacados, nuestra comunidad escolar realmente ha brillado.

Uno de los puntos destacados de esta edición son los detalles de nuestro programa Philip Patire Teacher of the Year, que celebra a nuestros educadores excepcionales y los reconoce por su dedicación extraordinaria a nuestros estudiantes y la misión de iLearn.

Además, recapitulamos algunos de los eventos memorables de enero, incluyendo actividades de la Semana de Elección Escolar Nacional, Concursos de Deletreo y más. Estos momentos ejemplifican el crecimiento continuo y el éxito de nuestra comunidad educativa.

Gracias por ser una parte integral de nuestro viaje. Su apoyo y participación hacen que nuestros logros sean aún más significativos. Para sumergirse y ponerse al día con todas las últimas noticias, simplemente haga clic en el botón a continuación.

Lea la quinta edición aquí.

A NOTE FROM OUR CEO, DR. GUVERCIN

Dear iLearn Schools Community and supporters,

I am delighted to welcome you to the fifth edition of our newsletter. This edition highlights the details of our *Philip Patire Teacher of the Year* program, which celebrates our exceptional educators and recognizes them for their remarkable dedication to our students and the iLearn mission.

Amidst the winter season, we reflect on the warmth within our community, showcasing the festivities of National School Choice Week, Breakfast with a Superhero event, and the promotion of our iScholar program that aims to promote the further education and career advancement of iLearn Schools' students by providing financial assistance. Additionally, we are excited to announce the proposal of *Uptown Arts and Science Charter High School*, a public SUNY charter school intended to serve 9th through 12th grade students.

We express our gratitude for your steadfast support and dedication to iLearn Schools. Your vital role within our community contributes significantly to shaping the future leaders and innovators of tomorrow. Thank you for placing your trust in us to deliver an enriching educational experience for our students and their families.

We encourage you to explore the contents of this newsletter and join us in celebrating our continuous educational journey.

Warm regards,
Dr. Nihat Guvercin

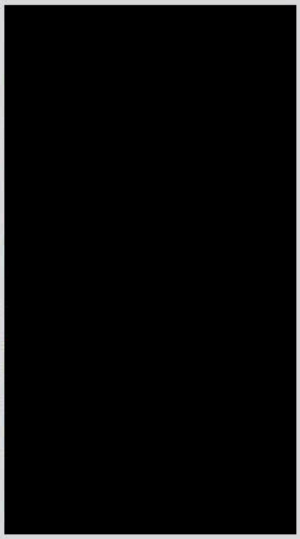
PAST DISTRICT-WIDE EVENTS RECAP: January

JANUARY 2024

- ***New Year's Day* (1):** This day marked a fresh start beginning the year.
- ***Breakfast with a Superhero* (8-10):** Students had breakfast with a superhero to celebrate a successful school year so far.
- ***iAppreciate Kindergarten* (10):** Our NJ & NY campuses celebrated the vital contributions of all Kindergarten teachers.
- ***iAppreciate First Grade* (11):** Our NJ & NY campuses celebrated the vital contributions of all first-grade teachers.
- ***iAppreciate Second Grade and BSI* (12):** Our NJ & NY campuses celebrated the vital contributions of all second-grade and BSI teachers.
- ***Martin Luther King Jr. Day* (15):** Martin Luther King Jr. Day was a time to honor and celebrate the legacy of a leader whose tireless efforts championed equality, justice, and the importance of unity in our diverse society.
- ***Winter STAR Assessments* (16-19):** The Star Assessments were computerized assessments that helped educators personalize instruction based on the individual learning needs of students, as well as helped students and teachers track student progress towards learning goals.
- ***Passaic Title I Meeting* (24):** This Zoom meeting informed parents about Title I which allocates funding to improve the academic achievement of low-performing students in ELA and/or Math.
- ***School Choice Week* (22-26):** National School Choice Week served as a reminder of the importance of empowering families with educational options, and promoting access to diverse learning environments that cater to individual needs and aspirations.
- ***Second Marking Period ends* (26):** The end of the second marking period marked a pivotal moment for students to reflect on their progress, adjust their learning strategies, and set new academic goals for the remainder of the year.
- ***Early Dismissal and Staff Development* (26):** An early dismissal and staff development day provided valuable opportunities for educators to collaborate, enhance teaching practices, and ensure a more enriching learning experience for our students.



SPECIAL RECOGNITION, EVENTS & NEWS

Bergen ASCS

[redacted]

[redacted]

PTO SNACK SALE

On January 8th, Bergen ASCS Primary hosted a PTO snack sale where they served hot chocolate and an array of goodies. A huge shoutout to [redacted]n 1C's mom for her help and to [redacted] for always stepping in to help with the PTO!

BREAKFAST WITH WONDER WOMEN

On January 9th, Bergen ASCS Elementary radiated warmth and joy as it hosted "Breakfast with Wonder Women." This heartwarming event invited students to share a delightful morning with their favorite women, fostering a sense of community and appreciation for the vital role these ladies play in their lives.

BERGEN MIDDLE SPELLING BEE

On January 19th, Bergen ASCS Middle hosted the Annual Spelling Bee. The event was a resounding success, showcasing the students' remarkable spelling prowess. Congratulations are in order for our talented winners who demonstrated exceptional linguistic skills. A heartfelt thank you goes out to everyone who played a part in making this event possible, ensuring its success.

THINKING DEEPLY ON THE COIN WEBINAR

On Monday, January 8th, [redacted] BASCS '20 and a current student at Rochester University, presented to the PTC students at Bergen High. He drew parallels between statistical principles and life, emphasizing the value of resilience in learning from mistakes. [redacted]also highlighted diverse career paths for statistics majors, spanning finance, data science, engineering, and data analysis. His insights offered Bergen students a roadmap to navigate professional opportunities with confidence.

SPECIAL RECOGNITION, EVENTS & NEWS

Passaic ASCS

US ARMY VISIT

A big thank you to [redacted] or visiting PASC High School and providing valuable insights on behalf of the Army on January 10th! Our High School Panthers had the opportunity to learn more about exciting opportunities by visiting goarmy.com.

[redacted]

SPELLING BEE

On January 18th, both Passaic ASCS Middle and Clifton ASCS Elementary had their Spelling Bee! Congratulations to [redacted] (1st), [redacted] (2nd), and [redacted] 3rd) from Passaic Middle and [redacted] (1st), [redacted] (2nd), and [redacted] (3rd) for this amazing accomplishment. We are so proud of our Panthers!

[redacted]

SCHOOL CHOICE WEEK

From January 22nd to January 26th, Passaic ASCS and Clifton ASCS campuses united to celebrate School Choice Week, highlighting the diverse educational opportunities available within our school community. Throughout the week, Panthers students and staff expressed their campus pride through engaging activities, fostering unity and a sense of belonging. The celebration emphasized not only the impactful role of school choice, but the love staff and students share for their schools!

[redacted]

CLIFTON BASKETBALL WINS

On January 25th, Clifton Middle's girls and boys basketball teams secured victories against Passaic ASCS Middle, with the girls improving to 2-1 and the boys maintaining an undefeated record at 3-0! Congratulations to both teams on their impressive wins. Keep up the good work Panthers!

SPECIAL RECOGNITION, EVENTS & NEWS

Paterson ASCS

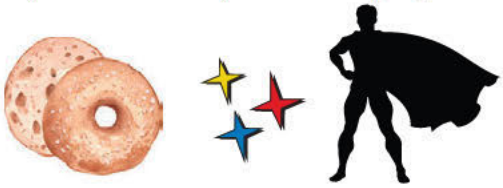
[redacted]

[redacted]

[redacted]

BREAKFAST WITH A SUPERHERO

On January 8th, Primary Wildcat students had their second Breakfast with a Superhero event! Students had the special opportunity to invite a superhero from their lives to join them for breakfast. It was a heartwarming occasion filled with connections between students and the superheroes who inspire them every day.



NJ SCIENCE OLYMPIAD CONTEST

On January 10th, our Middle Wildcat scholars participated in the NJ Regional Science Olympiad Contest at New Jersey Institute of Technology along with other iLearn students from Passaic ASCS, Passaic ASCS Clifton, and Hudson ASCS Middle! We are so proud of our bright scholars who had the opportunity to be a part of such a prestigious event after five years.

FASFA WORKSHOP

On January 16th, Paterson ASCS High hosted a FAFSA workshop dedicated to preparing seniors for their college journey. The workshop aimed to guide and assist students in completing the Free Application for Federal Student Aid (FAFSA), ensuring they have the necessary financial resources for their higher education aspirations. It was a valuable opportunity for seniors and their parents to receive crucial support in navigating the financial aid application process as they take their next steps toward college.

NATIONAL SCHOOL CHOICE WEEK

From January 22nd to January 26th, all Paterson ASCS campuses came together to celebrate the importance of School Choice Week, emphasizing the unique opportunities and educational options available within our school community! During this special week, Wildcat students and staff showcased their love for their campus through various activities and events, fostering a sense of pride and unity. It was a vibrant celebration of the power of school choice in shaping unique educational experiences for our students across all Paterson ASCS locations.

SPECIAL RECOGNITION, EVENTS & NEWS

Hudson ASCS

[redacted]

BREAKFAST WITH SUPERHEROES

On January 9th, Hudson ASCS Elementary hosted *"Breakfast with Superheroes."* Students gathered with the significant figures in their lives, including parents, grandparents, and guardians, to celebrate the heroes who shape their worlds. The morning was filled with laughter, shared stories, and the warmth of familial bonds, creating a magical atmosphere that resonated throughout the school.

READING CELEBRATION WITH COOKIES

On January 12th, Hudson ASCS Elementary celebrated a remarkable achievement: 49% of students successfully reached their *End of Year Reading Goal*. To commemorate the occasion, students enjoyed a delightful session with cookies and a read-along of their favorite books, fostering a love for reading and a sense of accomplishment. Congratulations to all the students who contributed to this achievement!

[redacted]

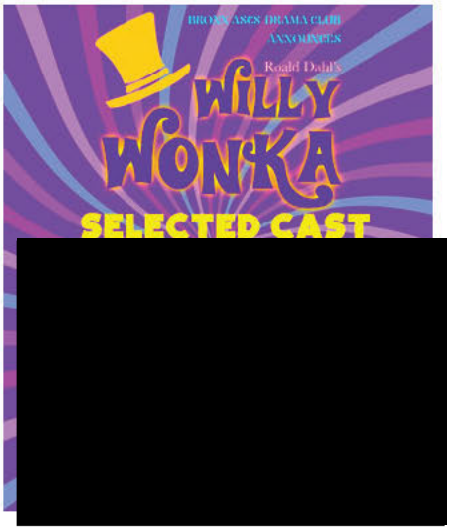
NJ REGIONAL SCIENCE OLYMPIAD CONTEST

On January 17th, Hudson ASCS Middle students participated in the NJ Regional Science Olympiad Contest at New Jersey Institute of Technology, marking their return to this prestigious event after a five-year hiatus. We are immensely proud of their achievements and grateful for the opportunity to be part of such a renowned competition. Congratulations to our scholars for their outstanding representation and commitment to scientific inquiry!

[redacted]

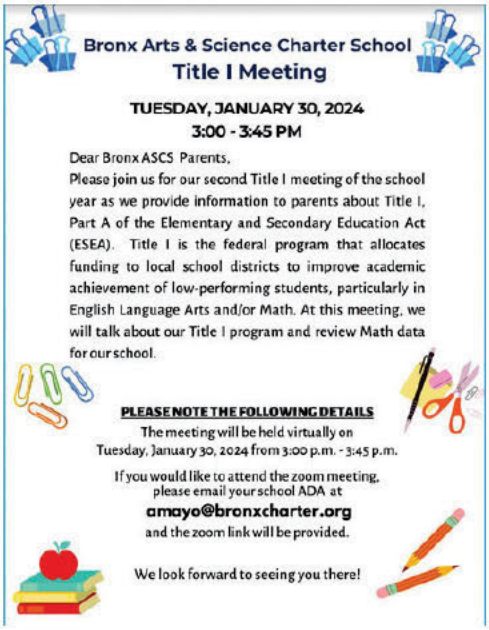
HUDSON MIDDLE JUDO TRAINING

On January 24th, Hudson ASCS Middle students engaged in a dynamic Judo club training session at High Tech High School, under the guidance o[redacted]The dedicated participants displayed physical prowess and a commitment to the principles of respect, self-control, and perseverance inherent in the art of Judo. This collaborative training opportunity provided an enriching experience for the students. Congratulations to all participants for their dedication to the art of Judo!



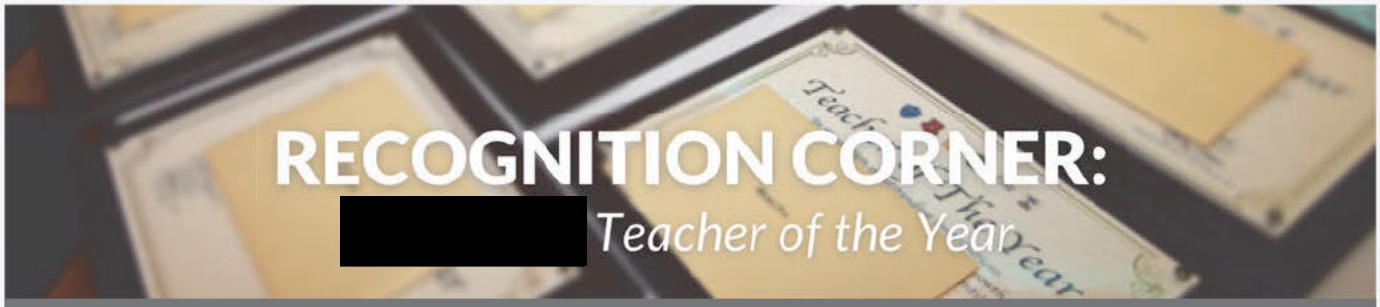
WILLY WONKA CAST ANNOUNCED

On January 19, an air of excitement and anticipation filled the halls of Bronx Arts & Science Charter School as our Beavers eagerly discovered their roles in the upcoming production of *Willy Wonka*. The announcement brought cheers, tears, and applause. Congratulations were extended to each participant for their outstanding performances during auditions, setting the stage for a magical and whimsical journey ahead. With this spirited kickoff, Bronx ASCS looks forward to a memorable and sweetly spectacular performance. Break a leg, cast – the spotlight awaits! Watch the heartwarming video here.



ANNUAL TITLE I MEETING

On January 30th, Bronx Arts & Science Charter School hosted its Annual Title I Meeting. During the Zoom gathering, parents actively engaged in an informative session where they were presented with valuable insights into the math curriculum, accompanied by specific data tailored to their child's grade level. The meeting served as a crucial platform for open communication, empowering parents with a deeper understanding of their child's academic journey and reinforcing the school's commitment to transparency and partnership with families.



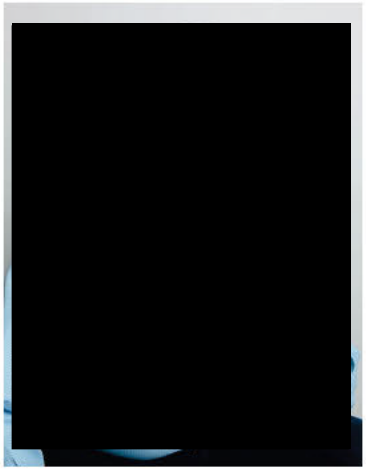
RECOGNITION CORNER:

[redacted] *Teacher of the Year*

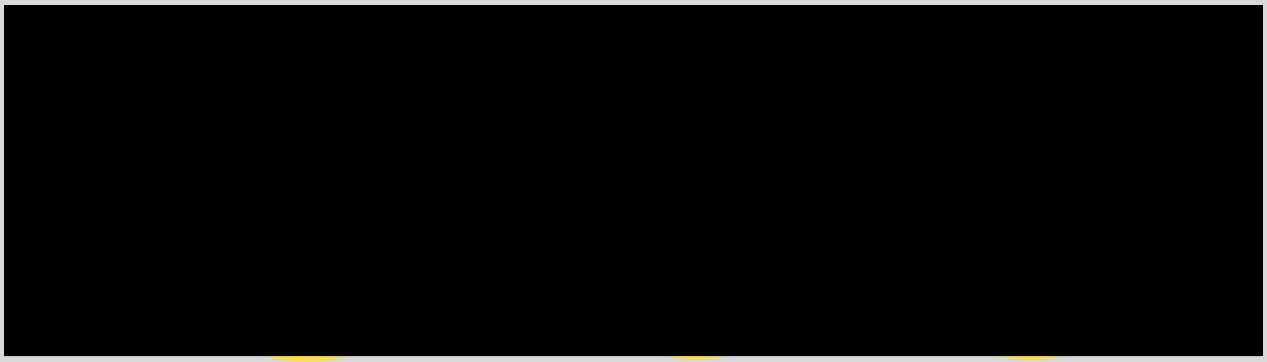
This prestigious award is named after Mr.[redacted]an esteemed iLearn Educational Consultant, mentor, and friend, who dedicated over fifty years to the field of education[redacted]nitiated the *Teacher of the Year* initiative to celebrate teaching excellence, fostering an organization-wide process and celebration.

In his memory, this award highlights the exceptional contributions of iLearn educators who participated and won in the School-Based Teacher of the Year process and live up to his dedicated and passionate legacy.

For additional information on the *School- Based Teacher of the Year* process and to view past participants of the *Phil Patire Teacher of the Year* program, please visit this link.



[redacted] *Teacher* OF THE YEAR **2023**



Bergen ASCS Elementary | Paterson ASCS Elementary | Paterson ASCS Middle

On December 14th, Mr.[redacted] Physical Education and Health teacher from Bergen Arts and Science Charter Elementary School was declared the rightful winner of the[redacted]*eacher of the Year* award for the 2022-2023 Academic Year. His contributions to the iLearn Schools community are commendable, and we are confident that his influence will continue to inspire and shape the lives of those he teaches.

We also want applaud the remarkable achievements of our second and third place finalists,[redacted]a Special Education Teacher from Paterson Arts and Science Charter Elementary School, and[redacted]e Math teacher from Paterson Arts and Science Charter Middle School, for their inspiring dedication to education. Congratulations on this outstanding achievement and we look forward to seeing the continued positive impact they will undoubtedly make.

ISCHOLAR APPLICATIONS ARE OPEN!

iScholar is a scholarship program that aims to promote the further education and career advancement of iLearn Schools' students by providing financial assistance. All graduating seniors who meet the eligibility criteria will have the opportunity to apply to be considered for a one-time scholarship of $2,000. **Deadline to apply is February 29, 2024!**

ABOUT iSCHOLAR

We are pleased to invite iLearn Schools' graduating Seniors who meet the established criteria to apply for a $2,000 scholarship.

iScholar aims to promote the further education and career advancement of iLearn Schools' students by providing financial assistance.

Five students from each school district (Bergen ASCS High, Passaic ASCS High, and Paterson ASCS High) will be selected for the current school year.

All parts of the application must be completed and submitted with all the necessary supporting documents by *the deadline*. Incomplete applications will not be considered.

iLearn schools
INNOVATION in LEARNING

"I used the scholarship to buy a new efficient computer for college. It has benefited my success in my classes so far, as I have been able to rely on it to complete my coursework."

Mercan K.
BERGEN ASCS '22

iSCHOLAR TIMELINE

OCTOBER - FEBRUARY

- The prospective scholar should consult with their guidance counselor to determine eligibility.
- Guidance counselors will determine whether the student is eligible to apply.
- The school guidance counselor will provide the application link to the student and the other necessary documents.
- Applicants will fill out the application form and submit all the required documentation.

MARCH

- School's committee members will meet to review applications and select the finalists.

APRIL

- Finalists will be informed and asked to prepare for the panel interview.

MAY

- Community panel will interview finalists and make the final determination.

JUNE

- Fifteen scholars selected will be announced at a celebration.

GENERAL ELIGIBILITY CRITERIA:

- Graduating Senior Student of iLearn Schools
- Has a minimum of a 3.0 cumulative GPA (freshman year to current year)
- Will enroll in a 4-year college or university

SPECIFIC CRITERIA INCLUDE:

- Completed application
- Cumulative GPA
- SAT Score
- Awards / Honors
- Community and School Engagement
- Reference Letter
- Video or Written Essay
- Panel Interview

SELECTION CRITERIA

The iLearn Schools Scholarship Committee will review each completed application and will grant awards based upon specific criteria provided in the application.

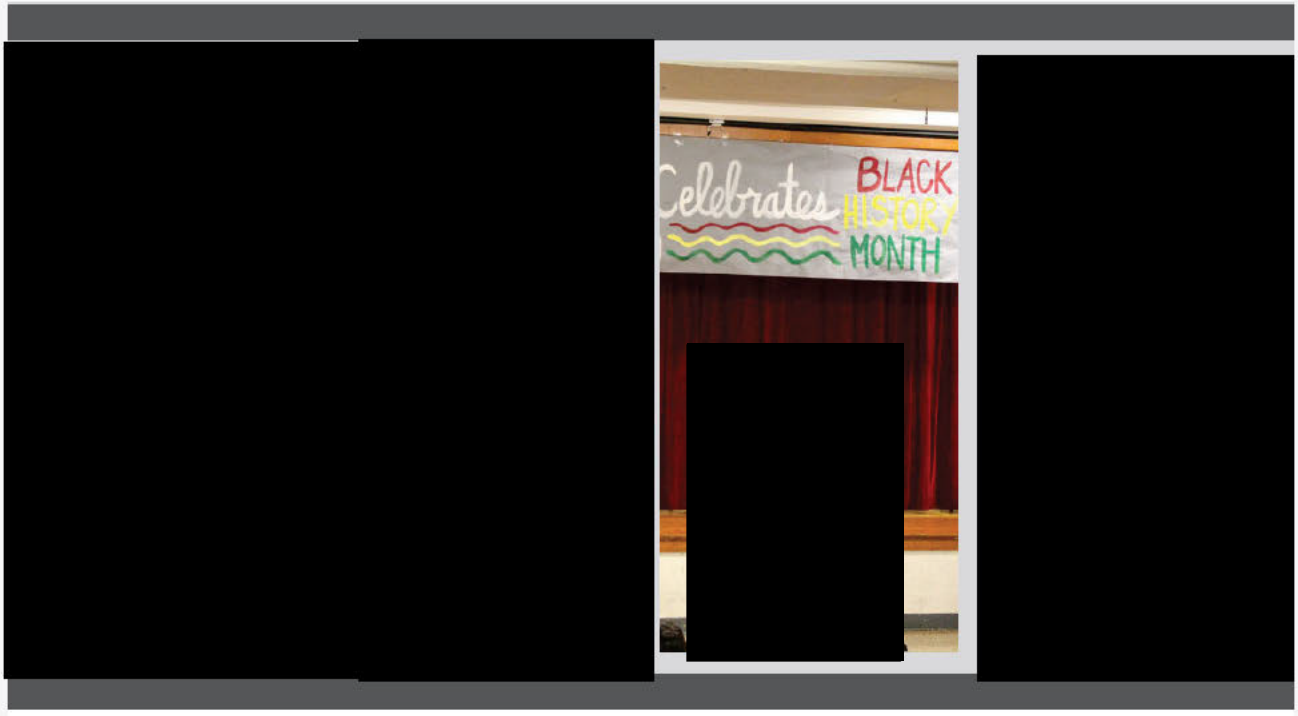
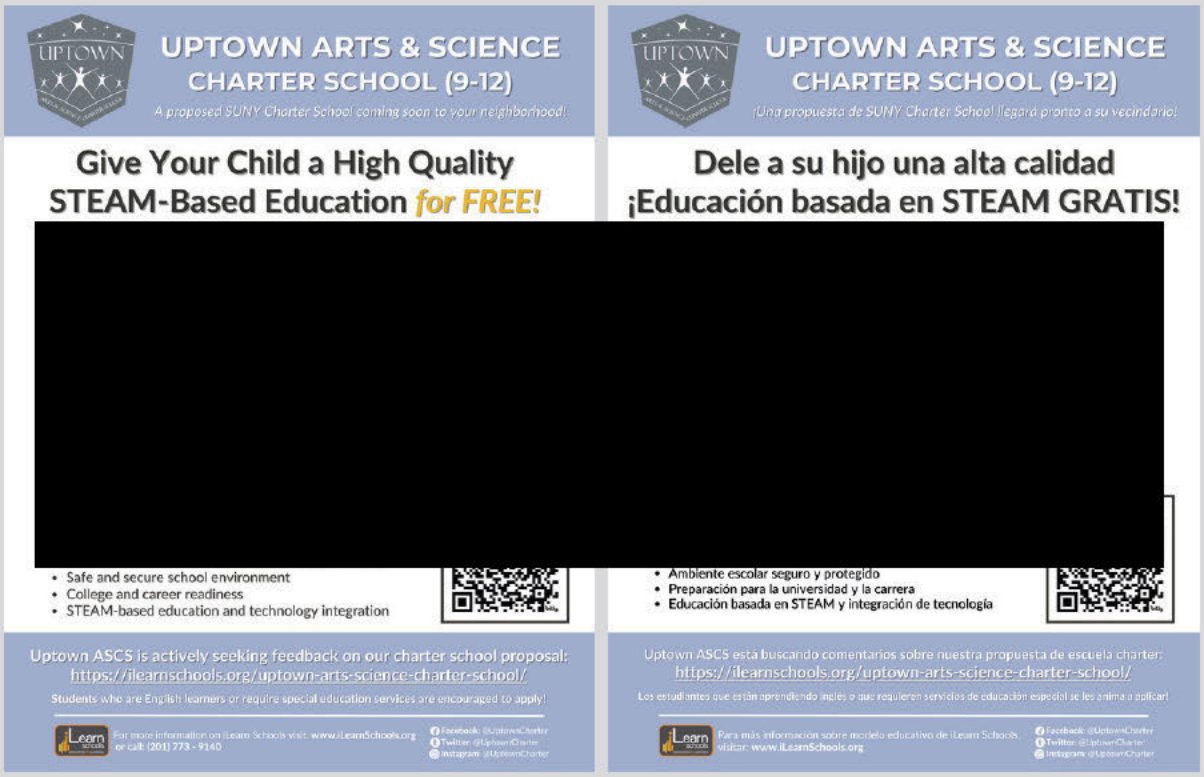
APPLY NOW

PLANNED ACTIVITIES IN FEBRUARY 2024

- ***Black History Month* (1-29):** Through the month, we will celebrate the rich cultural heritage and significant contributions of African Americans who helped shaped our world.
- ***Groundhog Day* (2):** This day rooted in Dutch folklore that celebrates the transition between the seasons through Punxsutawney Phil's weather prediction of early spring or six more weeks of winter.
- ***Marking Period Two Awards* (5-7):** During these days, our campuses will celebrate the academic achievements of our hard working students during the second marking period.
- ***100th Day of School* (7):** Our Learn campuses will celebrate the hundredth day of school by reflecting on the academic growth made during this school year through activities.
- **i*Appreciate Kindergarten* (10):** Our NJ & NY campuses will celebrate the vital contributions of all Kindergarten teachers.
- ***Valentine's Day* (14):** This day signifies the importance of love and friendship between friends, family, and loved ones.
- ***Ash Wednesday* (14):** This day serves as a holy day of reflection for Christians and spiritual introspection, marking the beginning of the Lenten Season leading up to Easter.
- ***District Staff Development* (16):** Staff development day provides valuable opportunities for educators to collaborate, enhance teaching practices, and ensure a more enriching learning experience for our students.
- ***Presidents' Day* (19):** This Patriotic day serves to reflect on the leadership and contributions of our past presidents.
- ***WIDA Access Test* (21-27):** *The WIDA Access Test* is an English language proficiency assessment designed to measure the language development of multilingual students, focusing on their abilities in listening, speaking, reading, and writing.
- ***iAppreciate Security* (22):** Our NJ & NY campuses will celebrate the vital contributions of all our Security staff members.
- ***iAppreciate Campus IT* (23):** Our NJ & NY campuses will celebrate the vital contributions of all Campus IT staff members.



SUPPORT UPTOWN ARTS & SCIENCE CHARTER SCHOOL: A PROPOSED TUITION-FREE PUBLIC HIGH SCHOOL



Uptown Arts and Science Charter High School (9-12) is a proposed tuition-free, high-quality public charter high school in NY and is apart of the iLearn Schools network.

- The mission of Uptown ASCS High is to provide a high quality STEAM-based education in a digital learning environment to empower students to meet and surpass grade level standards and succeed in college and careers.

Support a brighter future for our students by signing the Uptown petition, making a real difference in the lives of our scholars. Together, we can create a beacon of hope and a center of academic excellence for our community.

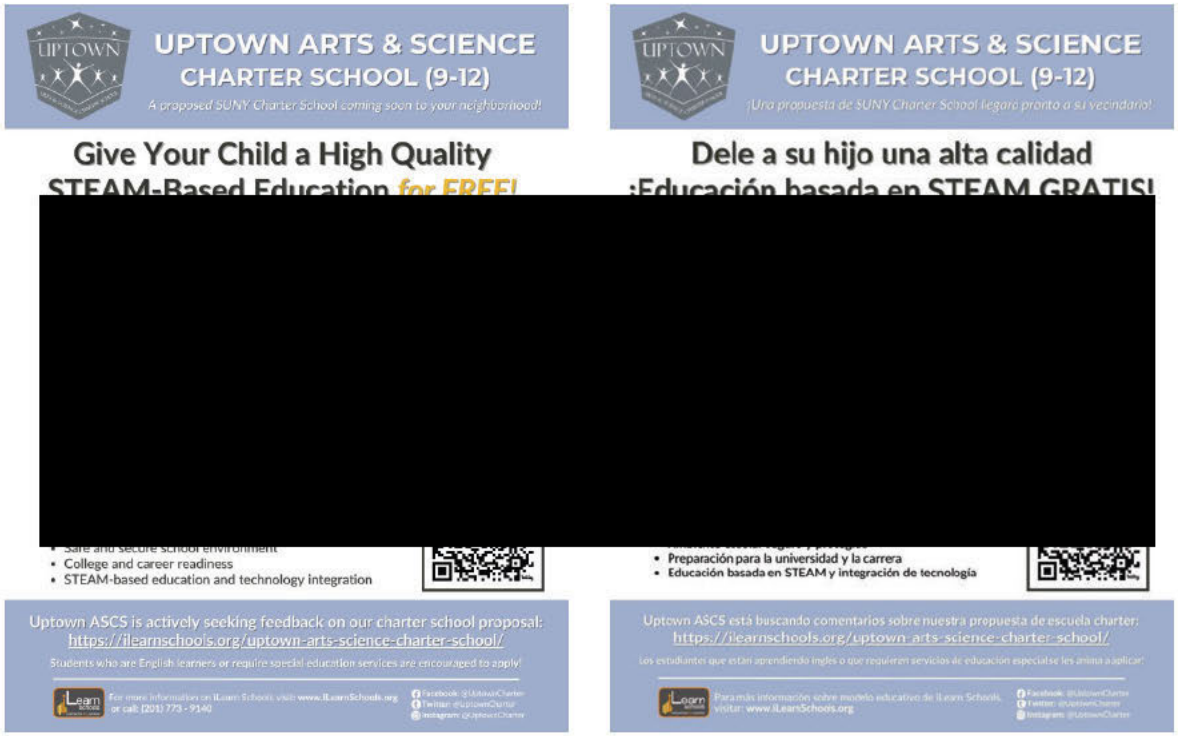
Support a brighter future for our students by writing a letter and signing our Uptown petition!



Attention Bronx Beaver Educators and Families!

We have an exciting opportunity to make a significant difference in our community. We are on a mission to support the creation of the Uptown Arts and Science Charter School, a new high school that promises to offer unparalleled educational experiences to our scholars.

Here is why we need YOUR help! We are calling on all of you to write and send letters of support for this amazing initiative. Your words can truly make an impact by showcasing our community's strong desire for a high-quality high school that blends the arts and sciences.

To learn more about the proposed high school and to aid in writing your letter of support, please use this link: https://bit.ly/48W7rPK.

The deadline for this letter is January 31st, 2024.

Here are some ideas of what to include in your letter showcasing your support:

- The critical need for a quality high school in our area.
- The positive changes the UASCS will bring to our scholars' futures.
- The benefits of an education that combines arts and science.

Your support can make a real difference in the lives of our scholars. It is not just about building a school; it's about building futures, fostering dreams, and empowering the next generation to achieve their full potential. Together, we can create a beacon of hope and a center of academic excellence for our community.

Please use the instructions and tools below to support Uptown ASCS High:

- Please fill out this community feedback/petition form: https://bit.ly/4aVuA6D
- Email both your letter of support and feedback/petition form to tbalik@bronxcharter.org
- Show your support by signing the online petition and share this with others: https://bit.ly/uptownascspetition

Seeking Your Insight & Partnership: A Collaborative Vision for Uptown ASCS

1 message

Turan Balik <tbalik@bronxcharter.org> Sun, Feb 4, 2024 at 7:09 PM
To: [redacted]

Dear [redacted]

I hope this email finds you well and thriving in your vital role within our educational community. I am reaching out to share an exciting development and to extend an invitation to build a meaningful partnership with your beloved school.

We are in the process of proposing a new educational institution in our area, Uptown Arts and Science Charter School (Uptown ASCS), whose mission is to provide high-quality STEAM-based education in an innovative learning environment to empower students to meet and surpass grade-level expectations and succeed in college and career. Uptown ASCS is founded on three key design elements that I believe not only set it apart but also provide a solid foundation for our shared goals in education: high standards, an arts-integrated approach to teaching, and a STEAM curriculum that prepares students for success in college, career, and as contributing, connected citizens.

- *Technology Integration:* Uptown ASCS recognizes the importance of technology in education and prioritizes the integration of instructional technology tools and resources inside and outside the classroom. Specialized programs and platforms, such as dashboards and learning management systems, are embraced to make data-informed decisions and increase engagement and alignment with NYSLS.

- *STEAM-Based Education:* Uptown ASCS takes a full STEAM-ahead approach to education, offering a STEAM program that provides challenging cross-curricular lessons and hands-on student-centered learning experiences. The school offers STEAM events that allow students to explore innovations through real-world problem-solving.

- *College and Career Readiness:* Uptown ASCS's robust curriculum is designed for optimal college and career preparation. We offer diverse academic pathways, including STEM and Humanities, enriched with AP courses, career exploration, and extracurriculars, equipping students with the skills and knowledge for post-secondary success.

I believe that collaboration among our schools can significantly enhance the educational landscape for our students and community. I am eager to explore opportunities for professional development, joint events or activities, and any other ideas, suggestions, or inputs you might have. Our goal is to establish and maintain an ongoing relationship with your school, grounded in our shared commitment to educational excellence.

I would be delighted to meet with you at your earliest convenience to discuss how we can work together toward this exciting venture. Your insights and expertise are invaluable to us as we strive to create an environment that nurtures the potential of every student in our community.

To provide you with a more comprehensive understanding of our vision and the program's specifics, please visit our website which details the school's planned curriculum, objectives, and the positive impact we aim to achieve.

Thank you for considering this partnership. I look forward to the possibility of working closely with you and your school to bring Uptown ASCS to life and to foster a vibrant educational community.

--
Best regards,

Uptown ASCS is founded on three key design elements that I believe not only set it apart but also provide a solid foundation for our shared goals in education: high standards, an arts-integrated approach to teaching, and a STEAM curriculum that prepares students for success in college, career, and as contributing, connected citizens.

- *Technology Integration:* Uptown ASCS recognizes the importance of technology in education and prioritizes the integration of instructional technology tools and resources inside and outside the classroom. Specialized programs and platforms, such as dashboards and learning management systems, are embraced to make data-informed decisions and increase engagement and alignment with NYSLS.

- *STEAM-Based Education:* Uptown ASCS takes a full STEAM-ahead approach to education, offering a STEAM program that provides challenging cross-curricular lessons and hands-on student-centered learning experiences. The school offers STEAM events that allow students to explore innovations through real-world problem-solving.

- *College and Career Readiness:* Uptown ASCS's robust curriculum is designed for optimal college and career preparation. We offer diverse academic pathways, including STEM and Humanities, enriched with AP courses, career exploration, and extracurriculars, equipping students with the skills and knowledge for post-secondary success.

I believe that collaboration among our schools can significantly enhance the educational landscape for our students and community. I am eager to explore opportunities for professional development, joint events or activities, and any other ideas, suggestions, or inputs you might have. Our goal is to establish and maintain an ongoing relationship with your school, grounded in our shared commitment to educational excellence.

I would be delighted to meet with you at your earliest convenience to discuss how we can work together toward this exciting venture. Your insights and expertise are invaluable to us as we strive to create an environment that nurtures the potential of every student in our community.

To provide you with a more comprehensive understanding of our vision and the program's specifics, please visit our website which details the school's planned curriculum, objectives, and the positive impact we aim to achieve.

Thank you for considering this partnership. I look forward to the possibility of working closely with you and your school to bring Uptown ASCS to life and to foster a vibrant educational community.

Dear [redacted],

I hope this email finds you well and thriving in your vital role within our educational community. I am reaching out to share an exciting development and to extend an invitation to build a meaningful partnership with your beloved school.

We are in the process of proposing a new educational institution in our area, Uptown Arts and Science Charter School (Uptown ASCS), whose mission is to provide high-quality STEAM-based education in an innovative learning environment to empower students to meet and surpass grade-level expectations and succeed in college and career. Uptown ASCS is founded on three key design elements that I believe not only set it apart but also provide a solid foundation for our shared goals in education: high standards, an arts-integrated approach to teaching, and a STEAM curriculum that prepares students for success in college, career, and as contributing, connected citizens.

- *Technology Integration:* Uptown ASCS recognizes the importance of technology in education and prioritizes the integration of instructional technology tools and resources inside and outside the classroom. Specialized programs and platforms, such as dashboards and learning management systems, are embraced to make data-informed decisions and increase engagement and alignment with NYSLS.

- *STEAM-Based Education:* Uptown ASCS takes a full STEAM-ahead approach to education, offering a STEAM program that provides challenging cross-curricular lessons and hands-on student-centered learning experiences. The school offers STEAM events that allow students to explore innovations through real-world problem-solving.

- *College and Career Readiness:* Uptown ASCS's robust curriculum is designed for optimal college and career preparation. We offer diverse academic pathways, including STEM and Humanities, enriched with AP courses, career exploration, and extracurriculars, equipping students with the skills and knowledge for post-secondary success.

I believe that collaboration among our schools can significantly enhance the educational landscape for our students and community. I am eager to explore opportunities for professional development, joint events or activities, and any other ideas, suggestions, or inputs you might have. Our goal is to establish and maintain an ongoing relationship with your school, grounded in our shared commitment to educational excellence.

The school offers STEAM events that allow students to explore innovations through real-world problem-solving.

- *College and Career Readiness:* Uptown ASCS's robust curriculum is designed for optimal college and career preparation. We offer diverse academic pathways, including STEM and Humanities, enriched with AP courses, career exploration, and extracurriculars, equipping students with the skills and knowledge for post-secondary success.

I believe that collaboration among our schools can significantly enhance the educational landscape for our students and community. I am eager to explore opportunities for professional development, joint events or activities, and any other ideas, suggestions, or inputs you might have. Our goal is to establish and maintain an ongoing relationship with your school, grounded in our shared commitment to educational excellence.

I would be delighted to meet with you at your earliest convenience to discuss how we can work together toward this exciting venture. Your insights and expertise are invaluable to us as we strive to create an environment that nurtures the potential of every student in our community.

To provide you with a more comprehensive understanding of our vision and the program's specifics, please visit our website which details the school's planned curriculum, objectives, and the positive impact we aim to achieve.

Thank you for considering this partnership. I look forward to the possibility of working closely with you and your school to bring Uptown ASCS to life and to foster a vibrant educational community.

Seeking Your Insight: A Collaborative Vision for Uptown ASCS

1 message

Turan Balik <tbalik@bronxcharter.org> Sun, Feb 4, 2024 at 6:51 PM

[redacted]

Dear [redacted]

I hope this letter finds you well and thriving in your vital role within our educational community. I am reaching out to share an exciting development and to extend an invitation to build a meaningful partnership with your beloved school.

We are in the process of proposing a new educational institution in our area, Uptown Arts and Science Charter School (Uptown ASCS), whose mission is to provide high-quality STEAM-based education in an innovative learning environment to empower students to meet and surpass grade-level expectations and succeed in college and career. Uptown ASCS is founded on three key design elements that I believe not only set it apart but also provide a solid foundation for our shared goals in education: high standards, an arts-integrated approach to teaching, and a STEAM curriculum that prepares students for success in college, career, and as contributing, connected citizens.

- *Technology Integration:* Uptown ASCS recognizes the importance of technology in education and prioritizes the integration of instructional technology tools and resources inside and outside the classroom. Specialized programs and platforms, such as dashboards and learning management systems, are embraced to make data-informed decisions and increase engagement and alignment with NYSLS.

- *STEAM-Based Education:* Uptown ASCS takes a full STEAM-ahead approach to education, offering a STEAM program that provides challenging cross-curricular lessons and hands-on student-centered learning experiences. The school offers STEAM events that allow students to explore innovations through real-world problem-solving.

- *College and Career Readiness:* Uptown ASCS's robust curriculum is designed for optimal college and career preparation. We offer diverse academic pathways, including STEM and Humanities, enriched with AP courses, career exploration, and extracurriculars, equipping students with the skills and knowledge for post-secondary success.

I believe that collaboration among our schools can significantly enhance the educational landscape for our students and community. I am eager to explore opportunities for professional development, joint events or activities, and any other ideas, suggestions, or inputs you might have. Our goal is to establish and maintain an ongoing relationship with your school, grounded in our shared commitment to educational excellence.

I would be delighted to meet with you at your earliest convenience to discuss how we can work together toward this exciting venture. Your insights and expertise are invaluable to us as we strive to create an environment that nurtures the potential of every student in our community.

To provide you with a more comprehensive understanding of our vision and the program's specifics, please visit our website which details the school's planned curriculum, objectives, and the positive impact we aim to achieve.

Thank you for considering this partnership. I look forward to the possibility of working closely with you and your school to bring Uptown ASCS to life and to foster a vibrant educational community.

Hi [redacted]

I'm reaching out to share something close to our hearts – Uptown Arts and Science Charter School (Uptown ASCS). We need your help to write a letter of support for Uptown ASCS. Your words could make a big difference for our scholars and families and most importantly we can continue to offer fantastic learning opportunities. Think about the impact your support could have on these bright young minds!

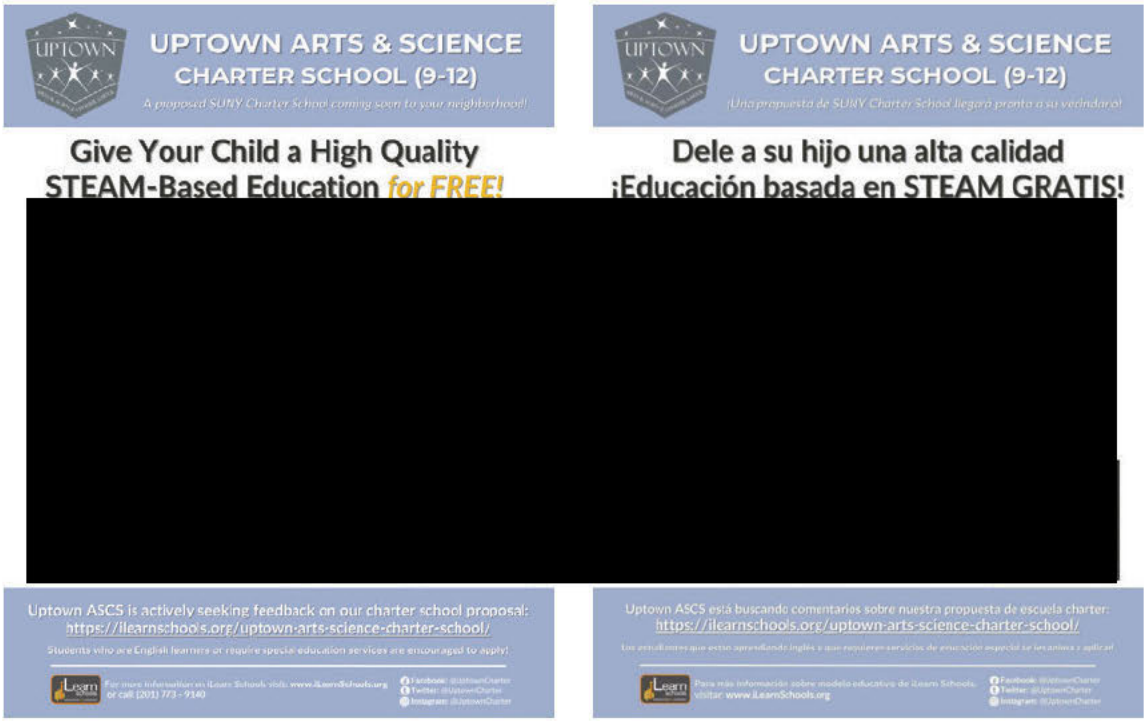
I appreciate you taking the time to read this and consider my request. Your support means a lot, not just to me, but to the entire Uptown ASCS community. Let's help keep this incredible educational journey steaming ahead!

This email has also the information on the proposed charter high school as well as how you can provide your support.

Please use the instructions and tools below to support Uptown ASCS High:

- Please fill out this community feedback/petition form: https://bit.ly/4aVuA6D
- Email both your letter of support and feedback/petition form to tbalik@bronxcharter.org
- Show your support by signing the online petition and share this with others: https://bit.ly/uptownascspetition

Support a brighter future for our students by writing a letter and signing our Uptown petition!



Attention Bronx Beaver Educators and Families!

We have an exciting opportunity to make a significant difference in our community. We are on a mission to support the creation of the Uptown Arts and Science Charter School, a new high school that promises to offer unparalleled educational experiences to our scholars.

Here is why we need YOUR help! We are calling on all of you to write and send letters of support for this amazing initiative. Your words can truly make an impact by showcasing our community's strong desire for a high-quality high school that blends the arts and sciences.

To learn more about the proposed high school and to aid in writing your letter of support, please use this link: https://bit.ly/48W7rPK.

The deadline for this letter is January 31st, 2024.

Here are some ideas of what to include in your letter showcasing your support:

- The critical need for a quality high school in our area.
- The positive changes the UASCS will bring to our scholars' futures.
- The benefits of an education that combines arts and science.

Your support can make a real difference in the lives of our scholars. It is not just about building a school; it's about building futures, fostering dreams, and empowering the next generation to achieve their full potential. Together, we can create a beacon of hope and a center of academic excellence for our community.

Please use the instructions and tools below to support Uptown ASCS High:

- Please fill out this community feedback/petition form: https://bit.ly/4aVuA6D
- Email both your letter of support and feedback/petition form to tbalik@bronxcharter.org

- Show your support by signing the online petition and share this with others: https://bit.ly/uptownascspetition

To: Turan Balik <tbalik@bronxcharter.org>

Hi Turan,

I hope this message finds you well! Thank you so much for reaching out and sharing the important work happening at Uptown Arts and Science Charter School (Uptown ASCS). I'm truly honored to have the opportunity to contribute to such a meaningful cause.

I wholeheartedly support the idea of creating a letter of support for Uptown ASCS. It's inspiring to see the dedication to providing outstanding learning opportunities for scholars and families. I believe in the power of education to shape bright young minds and foster a strong community.

I've filled out the community feedback/petition form using the provided link (https://bit.ly/4aVuA6D), and I'm thrilled to be a part of this initiative. If there are any additional steps or ways I can further assist, please feel free to let me know.

Thank you for the incredible work you and the entire Uptown ASCS community are doing. Let's indeed keep this remarkable educational journey steaming ahead!

[redacted]

Warm regards,

Dear [redacted]

As always, thank you for your continued support for an exciting educational initiative that we are planning to launch in our community. We are in the process of establishing the Uptown Arts and Science Charter High School, with a proposed opening in Fall 2025.

To make this vision a reality, we need the support of influential community leaders like yourself. **Here's how you can help:**

Online Petition: We have initiated an online petition to garner community support for the new school. It would be immensely helpful if you could encourage your contacts to sign this petition and comment on the urgent need for additional high-quality educational facilities in our area. The petition is an essential tool for demonstrating community backing to local authorities. Here's the link: https://www.ipetitions.com/petition/uptown-arts-and-science-charter-school

Flyer Distribution: I'm also attaching flyers about the school, which we hope you can share with your network. Spreading the word is crucial for our project, and your assistance in this regard would be greatly appreciated.

Facility Search Assistance: The most critical aspect where we require your assistance is finding a suitable facility to house our school. We are specifically looking at neighborhoods such as City Island, Co-op City, Country Club, Edgewater Park, Pelham Bay, Schuylerville, Throgs Neck, Westchester Square, Parkchester, Soundview, Unionport, Castle Hill, and Bronx River. Our preferred location is within Community School District 8, to align with the location of the current Bronx Arts and Science Charter. However, we are open to any viable options within the Bronx that would meet our needs.

Your guidance and support in this matter would be invaluable. Your deep understanding of our community and its needs makes you an ideal partner in this endeavor. We are confident that with your help, we can find a facility that will be a perfect fit for our school.

Thank you for considering our request. We look forward to your positive response and any advice or assistance you can provide. Together, we can make a significant difference in the lives of our community's youth.

To: tbalik@bronxcharter

Good afternoon, Mr. Balik.

I hope that you are enjoying your week so far. Please forgive my brevity, but please see the LOS for Uptown ASCS attached to this email. I have been meaning to send it over to you. Let me know if you need anything else. I am preparing for my seminar this evening.

I wish you and the whole BASCS family all the best.

Take care, live well, and I hope to see you soon.

Most respectfully,

Underdog Strategies

Student Recruitment & Community Outreach Summary

Bronx Arts & Science has conducted extensive community outreach to ensure the proposed school and educational programming are highlighted for the communities in CSD 8. Special attention and effort was spent to ensure their community engagement strategies solicited feedback from families who would benefit the most from these services including students from economically disadvantaged backgrounds and English language learners. This memo outlines some of the approaches:

Bronx Arts and Science set forth an aggressive community engagement strategy to solicit community feedback regarding the proposed opening of Uptown Arts & Science. We disseminated information and materials in a variety of forms to reach the broadest scope of families including non-English speakers and those with limited internet access. Over the past two months, Underdog Strategies has accomplished the following:

- Organized ongoing outreach and canvassed door-to-door at nearly a dozen NYCHA and low-income housing developments located within 2 miles of the school and within CSD 8.
- Organized 200 hours of community canvassing and distributed over 2,500 informational fliers and petitions in English and Spanish to local residents, outside of businesses, houses of worship, social service providers, and immigration centers.
- Solicited written feedback from 468 families in Community School District 8 regarding the proposed school and the programmatic needs of students in the community.

Canvassing Outcomes

In the month of January, we ran 40 five hour canvassing shifts with a team of 6 bi-lingual canvassers (English, Spanish) working two days per week. We knocked over **2,000 doors**, **distributed 2,500 pieces of literature** and **collected feedback from 468 community residents.**

We saw a particularly large amount of support in NYCHA Castle Hill Houses from community members and families who expressed the need for a high quality STEAM-Based High School including President of the Tenant Association at Castle Hill houses [redacted]

For our canvassing efforts, we targeted locations below:

- NYCHA Castle Hill Houses
- NYCHA Throggs Neck Houses and Throggs Neck Addition
- NYCHA Sotomayor Houses
- NYCHA Monroe Houses
- NYCHA Clason Point Houses
- Westchester Ave businesses : Between olmstead & Glehe Ave
- Castle Hill Ave businesses: Between Starling Ave & Powell Ave
- Key Food Supermarkets, 676 Castle Hill Deli-Grocery + surrounding stores
- East Tremont Ave businesses: between Schurz and Sampson Ave
- Bengali and Arabic businesses in Parkchester
- Helping Immigrants Thrive Inc.
- Hall Place Family Shelter
- Episcopal Social Services At Ps75
- Fellowship Baptist Church
- Bronx Spanish Evangelical Church

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL

PROPOSED CHARTER SCHOOL APPLICATION FOR SUBMISSION TO THE STATE UNIVERSITY OF NEW YORK BOARD OF TRUSTEES

REQUEST 4:

R-04E - EVIDENCE OF SUPPORT

www.uptowncharter.org

FEBRUARY, 2024

R-04E - Evidence of Community Support

The documentation presented in this section vividly demonstrates the robust community support for the establishment of Uptown Arts & Science Charter High School. This support is not just general advocacy for educational choice but is specifically tailored to the unique vision and mission of our proposed school. The evidence, meticulously compiled, spans a wide spectrum from detailed community feedback surveys and enthusiastic responses on online petitions to heartfelt letters of support from local teachers, families, and community boards. These documents, starting from page 1, include hundreds of pages of concrete endorsements and constructive feedback, reflecting a community deeply invested in and supportive of the school's potential to enrich educational opportunities in the area. The forthcoming table offers a clear, organized summary of each form of support, underscoring the community's collective eagerness for the realization of Uptown Arts & Science Charter High School and its promise of a transformative educational experience.

Category	Description	Starting Page
Community Feedback Survey	We have received 308 pages of feedback surveys and petition forms. This was in support of the opening of Uptown Arts & Science Charter High School. Participants identified specific programs they would like our school to provide, and gave comments and feedback.	1
Online Petitions	The online platform iPetition.com showed that the community is in full support of the school, as participants signed the petition and expressed believing in the school's mission and eagerly awaiting the opening of Uptown Arts & Science Charter High School in the Fall of 2025. Participants provided feedback and expressed great interest in the school overall.	309
Letters of Support	Teachers and families of Bronx Arts & Science Charter School provided letters of support for the opening of Uptown Arts & Science Charter School, expressing interest in transitioning to this high school after attending Bronx ASCS. We have also received letters of support from Community Board 10.	318

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL
COMMUNITY FEEDBACK SURVEY AND PETITION FORM

We value community members' feedback in shaping a newly proposed high school charter (serving students in grades 9-12) in the Bronx.

1) Which borough of New York City do you reside in? Bx

2) If you have a child attending NYC Public Schools, select the grades that are applicable:

Uptown Arts and Science Charter School: A proposed tuition-free public charter high school

170 people have signed this petition. **Add your name now!**

170 people have signed.

17%

Charlotte Ulloa signed recently

Uptown ASCS is a proposed tuition-free, high-quality public charter high school in NY.
Uptown Arts & Science Charter High School is under the umbrella of the iLearn Schools charter management organization (CMO). iLearn Schools began as Bergen Arts & Science Charter School (ASCS) in September of 2007, serving just under 300 students in a small K-5 school building located at 200 MacArthur Avenue in Garfield, N.J. The school was created to give all students, regardless of where they live or what their backgrounds, equal opportunities for success in life moving forward.
Recognizing the need for the same opportunities elsewhere, Passaic ASCS was then established in 2010 with 350 K-5 students served. iLearn Schools continues to grow, as Paterson ASCS was founded in 2013 and Hudson ASCS followed soon after in 2015. 2019 was a milestone year for iLearn, as the organization expanded for the first time ever beyond New Jersey by opening The Bronx ASCS.
Mission: Uptown Arts & Science Charter School (UASCS)
The mission of Uptown ASCS is to provide a high quality STEAM-based education in a digital learning environment to empower students to meet and surpass grade level standards and succeed in college and careers.
What the Founders of UASCS Believe:
We believe that excellent teaching combined with proper technology integration empowers ALL students to learn and achieve at the highest possible level.
How We Do It:

- Intense focus on the alignment of standards, curriculum, instruction, and assessment
- Sustained, ongoing and intensive coaching and professional development

SIGN PETITION

- Proper integration of technology to enhance teaching and learning
- Multiple sources of data to create action plans and drive instruction.

Key Design Elements (KDE's):

- Technology Integration: Uptown ASCS recognizes the importance of technology in education and prioritizes the integration of instructional technology tools and resources inside and outside the classroom. Specialized programs and platforms, such as dashboards and learning management systems, are embraced to make data informed decisions and increase engagement and alignment with NYSLS.

- STEAM-Based Education: Uptown ASCS takes a full STEAM-ahead approach to education, offering a STEAM program that provides challenging cross-curricular lessons and hands-on student-centered learning experiences. The school offers STEAM events that allow students to explore innovations through real-world problem-solving.
- College and Career Readiness: Uptown ASCS's robust curriculum is designed for optimal college and career preparation. We offer diverse academic pathways, including STEM and Humanities, enriched with AP courses, career exploration, and extracurriculars, equipping students with the skills and knowledge for post-secondary success.

Other Significant Features of Our Programs:
School Model

- High Expectations Coupled with Strong Support Systems: Coupled with high expectations, Uptown ASCS will provide students with robust supports and interventions to ensure student success. Through sustained, ongoing and intensive professional development opportunities, teachers will receive the training and support needed to positively impact student learning and outcomes.

- Positive School Culture: Uptown ASCS will implement a strong character education program and the core values of Honesty, Integrity, Respect, Community and Excellence will be measured.

- Opportunities for Growth and Enrichment: Multiculturalism and diversity are highly valued and students will be exposed to different cultures through Celebration Days and Summer Programs. Students can choose from a variety of

SIGN PETITION

courses. Students who excel will have the opportunity to participate in national competitions.

- School-Home-Community Connections: We recognize that schools are anchors in the community. Uptown ASCS will foster school, family and community collaboration/ involvement with a focus on parent programs and community outreach.

Please support Uptown ASCS's application!
I am signing this petition to affirm that I read Uptown ASCS's mission. I believe in this mission and would like to see Uptown ASCS open as a free, public charter school in the fall of 2025.

I support the Uptown Arts and Science Charter School because I believe the people/students of the Bronx would benefit dearly from a free high quality Steam-based education. The borough of the Bronx is the poorest of the 5 boroughs, so giving their students a high quality education with integrated technology with hopefully help those students bridge the pay and equity gap.

The Bronx Arts and Science Charter is the first of its kind with a STEAM based curriculum in the Bronx. My daughter loves attending the elementary school. My family is happy we found the school and I'm sure the high school will be just as great. Please approve the school; the Bronx needs this.

Our community would greatly benefit from having more iLearn schools. They truly have an incredible approach to nurturing our children's success, and they excel in creating a perfect balance between academic achievement and social-emotional development. Personally, witnessing my nephew flourish in this school environment has been such a joy.

Addressing social inequality in education is of utmost importance. One effective way to do so is by approving the proposal for a high-quality public charter STEAM-based education. This charter school will offer equal opportunities for students from all backgrounds and locations to succeed and be college-ready. Unfortunately, some public school districts hinder children from receiving a good education. By approving this proposal, we can help bring about a positive change and provide underprivileged scholars with the education they deserve.

To Whom It May Concern,

I am writing to express my support for **Uptown Arts & Science Charter School (UASCS).** I am an Organization within Bronx School District and I believe that **Uptown Arts & Science Charter School (UASCS)** will be an asset to my community.

High standards combined with an arts integrated approach to teaching a STEAM curriculum will prepare students for success in college and career, and create contributing, connected citizens.

The Uptown ASCS will provide an educational choice to families, one with rigorous academics and core values of honesty, integrity, respect, community, and excellence. High standards combined with an arts integrated approach to teaching a STEAM-based education will prepare students for success in college and career, and create contributing, connected global citizens.

As proposed, Uptown ASCS is innovative in its plan to provide strong support systems and resources for students. I believe that Uptown ASCS will be an incredible asset and be of great benefit to the students, families and our community for the following reasons: **(Please see the information provided above or visit ilearnschools.org for more information)**

I welcome and fully support the approval of Uptown Arts and Science Charter School to serve students in our community. I value the school's mission and would be happy to see this worthwhile school of choice in our community.

Sincerely,

[redacted]

January 10, 2024

To Whom it May Concern,

I am writing in full support of the Uptown Arts and Science Charter School. I am in my second year as a full-time English as a New Language Teacher at the Bronx Arts and Science Charter School that serves elementary students. From my experience as a teacher here, I can confidently say that the education provided is outstanding.

Students at our school are welcomed into an environment focused on academic success, character development, and orientation to their future goals. We focus on the whole child by making sure the student feels welcomed and supported at whatever level whether they are learning English as a new language or just new to elementary school. The colleagues I work with do an outstanding job of making everyone feel safe and welcome, an environment I know will help scholars thrive also in a high school setting. I'm happy to work with all my colleagues knowing we work together well, solve challenges, learn from each other, and work forward through obstacles so that our students can achieve their goals. This team spirit will also help adolescents navigating difficult years by having a strong foundation of support from school faculty and staff.

Our school's focus on technology and the arts makes the scholar interested and helps them thrive at school. The scholars I teach love interacting with technology whether it's writing sight words and learning phonemic awareness on our interactive whiteboard or learning from visual content on our Smartboards. I especially know how adolescents enjoy using technology and know this will keep them engaged.

Overall, the teamwork spirit and focus on the whole student will propel more scholars in need of this support at Uptown Arts and Science Charter School to reach their full potential. These scholars will be given ample opportunities to learn new skills in the cutting edge world of technology and artistic creativity we live in. This will keep them engaged in learning and working towards their goals. I believe in this new school creation to give more success to students who need these opportunities.

Sincerely,

[redacted]

English as a New Language (ENL) Teacher
M. A. TESOL K-12

January 8, 2024

To Whom It May Concern:

I am a newly hired faculty member this 2023-2024 school year at **Bronx Arts and Science Charter School** (**BASCS**). As an employee of one of our many iLearn Schools, I admire our organization's approach to STEAM and how our core values of honesty, integrity, respect, community and excellence promotes Social Emotional Learning (SEL). The proposal to open up a high school in the Bronx community will allow for our future youths to expand on their skills learned in our elementary and middle school programs. Please accept my stories below as I speak from both an artist's and an educator's perspective.

In high school, I was in the Fine Arts program; leading me to major in Communication Design during my undergraduate studies. I also hold a Master's degree in Childhood Education (Grades 1-6). I learned that everyone is an artist and that art can be very beneficial to not only English Language Learners (ELLs) and students with disabilities, but to visual learners like myself; leading me to write my thesis on how to integrate the arts into the classroom.

During my studies at Queens College (City University of New York), I took a course called "Teaching Science in the Elementary School". If I learned one thing in the class, I recall keeping a daily journal of everyday life observations and asking higher-order questions that led to further research. I look at science in a whole new light now and it was through this simple activity that proved that science is truly all around us.

With this said, I am writing to express my support for **Uptown Arts & Science Charter School** (**UASCS**)'s approval to serve students in our New York City school systems. I believe that **Uptown Arts & Science Charter School** (**UASCS**) will be a wonderful asset to our school community. Although all subjects are crucial, I am proud to say that both the arts and sciences are an essential part of my educational journey and this would be a great opportunity for our current scholars to further our schools' traditions and beliefs.

Sincerely,

[redacted]

RE: Letter of Support for Uptown Arts & Science Charter School (UASCS)

To Whom It May Concern,

I am writing to express my wholehearted support for Uptown Arts & Science Charter School (UASCS). As a resident of the Bronx, Uptown Arts & Science Charter School will be a valuable asset to our community. Uptown ASCS's commitment to providing a high-quality STEAM-based education in a digital learning environment aligns perfectly with the needs of our students. The mission of the school empowers all students to achieve their highest potential.

The critical design elements, such as technology integration and college and career readiness, showcase the innovative approach that Uptown ASCS brings to education. Providing various programs, including pathways to college, career exploration, and AP courses, ensures students have diverse personal and academic growth opportunities. The emphasis on data-informed decision-making and alignment with NYSLS demonstrate a dedication to academic excellence. The school's high expectations, robust support systems, and positive school culture further ensure that students will meet and surpass grade-level standards. The focus on character education and core values, including Honesty, Integrity, Respect, Community, and Excellence, reflects the commitment to nurturing well-rounded individuals. Additionally, Uptown ASCS's dedication to multiculturalism and diversity, opportunities for growth and enrichment, and school-home-community connections underscore its holistic approach to education.

I strongly advocate for the approval of Uptown Arts & Science Charter School. I welcome and fully support this school to serve students in our community. I value the school's mission and approach and would be delighted to see this worthwhile school of choice in the Bronx.

Sincerely,

[redacted]

01/08/2024

To whom it may concern,

I am writing to express my wholehearted support for the establishment of Uptown Arts & Science Charter School (Uptown ASCS) and to endorse its charter school application. I am [redacted] an Assistant Director of Operations at the Bronx Arts and Science Charter School. residing in Allerton, Bronx, New York, and I am acutely aware of the need for stronger educational choices in our community.

As a member of this community, I understand the importance of providing children with diverse, high-quality educational options that cater to their individual needs and aspirations. Uptown ASCS's mission to deliver high-quality STEAM-based education in a digital learning environment aligns with the evolving demands of the 21st-century workforce. The commitment to empowering students to meet and surpass grade-level standards while preparing them for success in college and careers is commendable.

I believe in Uptown ASCS's key design elements, including the emphasis on technology integration, a STEAM-based education, and a curriculum that focuses on college and career readiness. The dedication to providing a positive school culture, character education, and opportunities for growth and enrichment further demonstrate the comprehensive approach that Uptown ASCS intends to take in shaping the future of its students.

The school's commitment to fostering School-Home-Community connections is particularly noteworthy. Recognizing schools as anchors in the community and emphasizing collaboration and involvement with parents and the broader community is essential for creating a supportive and enriching learning environment.

In conclusion, I wholeheartedly support Uptown Arts & Science Charter School's vision and mission. I believe that the school's dedication to academic excellence, technology integration, and holistic student development will contribute significantly to the educational landscape of our community.

Thank you for considering my endorsement of Uptown ASCS's charter school application. I look forward to witnessing the positive impact this school will undoubtedly have on the lives of the students it serves.

Sincerely,

[redacted]

To Whom It May Concern,

I am writing to express my support for **Uptown Arts & Science Charter School (UASCS).** I am a resident of the Bronx and I believe that **Uptown ASCS** will be an asset to my community.

High standards combined with an arts integrated approach to teaching a STEAM curriculum will prepare students for success in college and career, and create contributing, connected citizens.

The Uptown ASCS will provide an educational choice to families, one with rigorous academics and core values of honesty, integrity, respect, community and excellence. High standards combined with an arts integrated approach to teaching a STEAM-based education will prepare students for success in college and career, and create contributing, connected global citizens.

As proposed, Uptown ASCS is innovative in its plan to provide strong support systems and resources for students. I believe that Uptown ASCS will be an incredible asset and be of great benefit to the students, families and our community for the following reasons:

- *Technology Integration:* Uptown ASCS recognizes the importance of technology in education and prioritizes the integration of instructional technology tools and resources inside and outside the classroom. Specialized programs and platforms, such as dashboards and learning management systems, are embraced to make data informed decisions and increase engagement and alignment with NYSLS.

- *STEAM-Based Education:* Uptown ASCS takes a full STEAM-ahead approach to education, offering a STEAM program that provides challenging cross-curricular lessons and hands-on student-centered learning experiences. The school offers STEAM events that allow students to explore innovations through real-world problem-solving.

- *College and Career Readiness:* Uptown ASCS's robust curriculum is designed for optimal college and career preparation. We offer diverse academic pathways, including STEM and Humanities, enriched with AP courses, career exploration, and extracurriculars, equipping students with the skills and knowledge for post-secondary success.

I ask that you take Uptown Arts and Science Charter School application into serious consideration as we recognizes the continued need in our district for more schools that provide a high quality education.

Sincerely,

To Whom It May Concern,

I am writing to express my support for **Uptown Arts & Science Charter School (UASCS).** I am a resident of the Bronx and I believe that **Uptown ASCS** will be an asset to my community.

High standards combined with an arts integrated approach to teaching a STEAM curriculum will prepare students for success in college and career, and create contributing, connected citizens.

The Uptown ASCS will provide an educational choice to families, one with rigorous academics and core values of honesty, integrity, respect, community and excellence. High standards combined with an arts integrated approach to teaching a STEAM-based education will prepare students for success in college and career, and create contributing, connected global citizens.

As proposed, Uptown ASCS is innovative in its plan to provide strong support systems and resources for students. I believe that Uptown ASCS will be an incredible asset and be of great benefit to the students, families and our community for the following reasons:

- *Technology Integration:* Uptown ASCS recognizes the importance of technology in education and prioritizes the integration of instructional technology tools and resources inside and outside the classroom. Specialized programs and platforms, such as dashboards and learning management systems, are embraced to make data informed decisions and increase engagement and alignment with NYSLS.

- *STEAM-Based Education:* Uptown ASCS takes a full STEAM-ahead approach to education, offering a STEAM program that provides challenging cross-curricular lessons and hands-on student-centered learning experiences. The school offers STEAM events that allow students to explore innovations through real-world problem-solving.

- *College and Career Readiness:* Uptown ASCS's robust curriculum is designed for optimal college and career preparation. We offer diverse academic pathways, including STEM and Humanities, enriched with AP courses, career exploration, and extracurriculars, equipping students with the skills and knowledge for post-secondary success.

I ask that you take Uptown Arts and Science Charter School application into serious consideration as we recognizes the continued need in our district for more schools that provide a high quality education.

Sincerely,

[redacted]

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL

PROPOSED CHARTER SCHOOL APPLICATION FOR SUBMISSION TO THE STATE UNIVERSITY OF NEW YORK BOARD OF TRUSTEES

REQUEST 4:

R-04F - EVIDENCE OF DEMAND

www.uptowncharter.org

FEBRUARY, 2024

R-04F - Evidence of Student Demand

The compelling evidence of student demand for Uptown ASCS is a testament to the community's recognition and appreciation of the educational quality and values imparted by the iLearn Schools network. This section presents documents that clearly demonstrate a significant interest from families, particularly those already associated with Bronx Arts and Science Charter School (Bronx ASCS), in enrolling their children in Uptown ASCS. These documents, beginning on page 1, capture the enthusiasm of alumni families and the wider community, underscoring their trust in the school's philosophy and approach to education. Additionally, the community feedback surveys and petitions, detailed from page 53, reflect the extensive groundwork laid through online platforms and direct community engagement in CSD 8. The substantial number of petitions indicates not just a casual interest, but a strong, concrete demand for the establishment of Uptown ASCS, aligning perfectly with the community's educational needs and aspirations. This section, therefore, serves to highlight the genuine and widespread anticipation for the new charter school, reinforcing its potential impact and success in the community.

Category	Description	Starting Page
Interest from Current/Alumni Families of Bronx ASCS	A significant indicator of student demand for Uptown ASCS comes from the alumni students and families of Bronx Arts and Science Charter School (Bronx ASCS). Many parents, satisfied with the quality of education and the school's mission at Bronx ASCS, have shown keen interest in having their children continue their education under the same guiding principles. This interest is a testament to the trust and value placed in the educational approach and community engagement strategies of the iLearn Schools network.	1
Community Feedback Surveys	The community feedback survey and petitions conducted through online platforms and ground canvassing in CSD 8 have demonstrated substantial interest in Uptown ASCS. With over 126 petitions from families considering enrolling their children in this new high school, there is clear evidence of strong demand within the community. This number is indicative of the school's resonance with the community's educational aspirations.	53

Interest from Current/Alumni Families of Bronx ASCS

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL
COMMUNITY FEEDBACK SURVEY AND PETITION FORM

We value community members' feedback in shaping a newly proposed high school charter (serving students in grades 9-12) in the Bronx.

1) Which borough of New York City do you reside in? Bronx

2) If you have a child attending NYC Public Schools, select the grades that are applicable:

Pre-K☐ K☐ 1☐ 2☐ 3☐ 4☐ 5☐ 6☐ 7☐ 8☐ 9☐ 10☐ 11☐ 12☐

3) Are you satisfied with your school?

☐ Not Satisfied ☐ Somewhat Satisfied ☐ Dissatisfied ☐ Highly satisfied

4) What are the greatest challenges present in your child's current public school?

5) Do you think there is a need for a choice school in your neighborhood?

◉ Yes ☐ No ☐ Unsure

6) Which of the following programs/opportunities do you consider to be a priority in your child's education? (check all that apply)

☑ Technology Integration ☑ STEAM-based approach ☑ Athletics ☑ Pathways to College

☐ AP Course Offerings ☑ Academic Tutoring/SAT Prep ☑ Theatrical Productions (concerts, musical, dance recitals, drama) ☐ College and Career Counseling ☐ Dual Enrollment Program

☐ Other/Additional Comments: _____

7) Would you consider enrolling your child in this new high school? ◉ Yes ☐ No ☐ Unsure

By signing the petition below, you are supporting the application and the opening of this new arts and science charter high school. Thank you for your interest and feedback!

R-05AC - Enrollment

A. Enrollment Plan

This plan outlines the strategic approach to enrollment, addressing grade configuration, age eligibility, growth patterns, and future expansion plans. Here is the enrollment plan for the proposed Uptown Arts and Science Charter School (Uptown ASCS), a 9-12 institution positioned to enhance the educational landscape of Community School District 8 (CSD 8) in New York:

a. Grade Configuration and Alignment with CSD 8

Uptown ASCS's grade configuration, focusing on high school levels (9-12), aligns with the broader educational landscape of CSD 8. While the district predominantly consists of elementary and middle schools, Uptown ASCS addresses the need for high school education within the community, providing a continuum of education and fostering a familiar learning environment for students. This alignment offers a comprehensive educational pathway, facilitating smoother transitions and strengthening community connections.

By offering high school education (grades 9-12), Uptown ASCS directly responds to the unmet demand within the community. Students can continue their education locally, fostering a sense of belonging and reducing the disruption caused by transitioning to a new school district. Uptown ASCS bridges the gap between lower and higher education, creating a clear and well-defined path for students' academic progress. This continuity fosters a more holistic

educational experience and reduces the challenges associated with transitions between schools. Keeping students within the CSD 8 network fosters deeper community connections. Families have the opportunity to stay involved in their children's education throughout their academic journey, building stronger relationships with educators and the community as a whole.

Uptown ASCS, with its focus on high school education, fills a critical gap in CSD 8's educational landscape. By providing a seamless continuation of education, fostering community connections, and offering a comprehensive pathway to success, Uptown ASCS positions itself as a valuable asset to the district and its students. Proactive community engagement and targeted outreach strategies can effectively address any initial enrollment challenges, ensuring Uptown ASCS thrives as an integral part of CSD 8's educational ecosystem.

b. Eligibility and Age Alignment

Uptown ASCS adheres to the standard age eligibility requirements for high school grades as per the New York State Education Department. Any differences in eligible or minimum age in the same grades between Uptown ASCS and district schools are not anticipated.

c. Growth Pattern and Attrition

Uptown ASCS projects a consistent increase in enrollment over the five-year charter term, starting with 100 students in 9th grade in the first year and adding 100 students per grade level each subsequent year. The school anticipates minimal student attrition, reflecting the historical trends of low attrition rates in iLearn network schools. The school will backfill available seats at all grade levels until January 31st of each school year, maintaining both social and academic integrity.

d. Statement on Future Growth

Uptown ASCS is dedicated to providing a high-quality educational experience with a focus on maintaining manageable class sizes and a strong teacher-student relationship. Therefore, the school has no immediate plans for expansion beyond the agreed-upon enrollment of 100 students per grade level in the initial charter period. This decision aligns with our philosophy of prioritizing educational quality over expansion, ensuring personalized attention and a rich learning environment for each student.

Uptown ASCS's enrollment plan is thoughtfully designed to align with the needs of CSD 8, while addressing the unique challenges of introducing a high school in a predominantly elementary and middle school district. The plan emphasizes minimal student attrition, consistent growth, and a commitment to not seeking expansion in the immediate future. Through this approach, Uptown ASCS aims to establish itself as a vital part of the educational landscape in CSD 8, offering a seamless and comprehensive educational journey for high school students in the district.

B. Target Population Enrollment

a. Enrollment and Retention Targets

Uptown ASCS aims to enroll and retain:

- 340 (85%) economically disadvantaged students, retaining 323 (95%);
- 100 (25%) students with disabilities, retaining 95 (95%);
- 100 (25%) ELLs, retaining 95 (95%).

b. Recruitment Strategies

Students with Disabilities (SWD):

- Partnership with local preschools serving SWD to ensure a smooth transition into Uptown ASCS.
- Utilizing inclusive education methods, ensuring that our curriculum and teaching practices cater to diverse learning needs.
- Participation in the New York Special Education Collaborative for enhanced resources and support.

English Language Learners (ELLs):

- Development and implementation of effective ELL programs and culturally responsive teaching.
- Recruitment of multilingual staff to aid in communication and support for ELL students and families.
- Outreach in community languages to ensure broad awareness and understanding of our educational offerings.

Economically Disadvantaged Students (FRPL):

- Outreach activities in neighborhoods with high concentrations of low-income families.
- Collaboration with community organizations to identify and reach eligible families.
- Provision of additional support services to address barriers faced by economically disadvantaged students.

c. At-risk Admissions Factors and Preferences:

To enhance enrollment of targeted student populations, Uptown ASCS will offer:

- Prioritized admission for students coming from economically disadvantaged backgrounds.

- Set-asides for ELLs and SWD to ensure proportional representation in the student body.
- Targeted recruitment and retention efforts to maintain diversity aligned with the community's demographics.

d. Retention Efforts and Monitoring:

Uptown ASCS will employ various strategies to retain these high-needs students:

- Individualized educational plans (IEPs) for SWD, regularly reviewed and updated.
- Ongoing language support for ELLs, including after-school programs and tutoring.
- Nutritional programs and additional support services for economically disadvantaged students.

e. The efficacy of these efforts will be monitored through:

- Regular assessment of academic progress for each subgroup.
- Parental feedback and engagement measured via tools like ClassDojo.
- Analysis of retention data to identify and address any emerging issues.

f. Addressing Current Shortcomings

If any iLearn Schools are not currently meeting targets:

- An audit will be conducted to understand the reasons behind these shortcomings.
- Implementation of revised strategies based on successful models from other schools in the network.
- Enhanced training for staff on the needs and support mechanisms for high-needs students.

Uptown ASCS, leveraging the experience and resources of iLearn Schools, is committed to meeting and exceeding the enrollment and retention targets set forth by the SUNY Trustees. Through targeted recruitment, tailored educational programs, and continuous monitoring, Uptown ASCS is poised to create an inclusive and nurturing environment for all students, particularly those with high needs.

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL

PROPOSED CHARTER SCHOOL APPLICATION FOR SUBMISSION TO THE STATE UNIVERSITY OF NEW YORK BOARD OF TRUSTEES

REQUEST 5:

R-05D - ADMISSIONS POLICY

www.uptowncharter.org

FEBRUARY, 2024

R-05D - Admissions Policy

a. Executive Summary

iLearn Schools, with its rich history and expansive network across multiple states and districts, has consistently demonstrated a steadfast commitment to providing high-quality, STEAM-based education to a diverse student body. At the core of our mission is the ethos of equal opportunity, inclusivity, and transparency, especially in our admissions processes. The proposed Uptown ASCS in Bronx Community School District 8 is a continuation of this enduring commitment.

Our approach is firmly rooted in the belief that every child, regardless of their background, deserves access to an enriching and challenging educational environment. This belief is reflected in our non-discriminatory admissions policy, which ensures no student is barred from applying on the basis of ethnicity, national origin, gender, disability, or any other basis. This policy aligns with our broader educational philosophy, which emphasizes STEAM (Science, Technology, Engineering, Arts, and Mathematics) education, integrated with real-world applications and a focus on developing 21st-century skills.

iLearn Schools' success across its charter network - including Bergen, Passaic, Paterson, Hudson, and Bronx ASCS - is a testament to the effectiveness of our educational model and admissions policy. Our schools have been recognized for their high graduation rates, college admissions, and state testing performances, which can be attributed, in part, to our inclusive and comprehensive admission practices.

At Uptown ASCS, we intend to replicate and build upon this successful model. The admissions policy for Uptown ASCS is designed to be straightforward and accessible, ensuring a transparent process for all applicants. Key features of our admissions policy include:

- ***No Discrimination:*** Our steadfast commitment to a fair admissions process, free from any form of discrimination, is the cornerstone of our policy.

- ***Eligibility and Accessibility:*** By setting clear eligibility criteria and ensuring ease of application submission, we make the process accessible to all families within the approved grade span.

- ***Lottery System:*** The use of a lottery system for admissions ensures fairness and randomness in selection, particularly when the number of applicants exceeds available spaces.

- ***Weighted Consideration for ELLs:*** In line with our commitment to diversity and serving underrepresented populations, Uptown ASCS will provide weighted consideration in the lottery for English Language Learners (ELLs).

- ***Transparent Waitlist Process:*** Our waitlist process is structured to maintain transparency and fairness, adhering to the same non-discriminatory principles.

- ***Backfilling Policy:*** Consistent with our goal to provide educational opportunities to as many students as possible, Uptown ASCS will backfill vacancies, ensuring ongoing access to education throughout the academic year.

In summary, the admissions policy of Uptown ASCS is a reflection of iLearn Schools' overarching commitment to serve a diverse student body, providing equitable access to high-quality education. This policy is not just a procedural necessity but a manifestation of our core values and educational philosophy, which places students at the center of all that we do. As we expand our network with Uptown ASCS, we remain dedicated to these principles, ensuring that our schools are a beacon of opportunity and excellence in the communities we serve.

b. Admissions Policy for Uptown Arts and Science Charter School

Here is the outline of the admissions policy for Uptown ASCS. This policy is informed by the overarching principles and practices of iLearn Schools and the specific requirements of the Uptown ASCS application.

- ***Statement of Non-Discrimination:*** Uptown ASCS adheres to a strict non-discrimination policy. The school does not limit the admission of any student based on ethnicity, national origin, gender, disability, intellectual ability, athletic ability, race, creed, religion, or ancestry. The school ensures an unbiased admissions process, which does not require any form of testing, interviews, essays, or attendance at information sessions for application submission.

- ***Eligibility Criteria:***
    - Uptown ASCS will accept applications for Grades 9-12.
    - Applicants must be residents of New York State at the time of application.
    - Proof of residency is required, with exceptions for families in temporary housing and homeless students.
    - No additional actions are required from applicants apart from submitting the application.

- ***Enrollment Process:***
    - Applications can be submitted online, by mail, or in person.
    - The application deadline is midnight, April 1st annually.
    - Late applications will be placed on a waiting list.
    - A separate application is required for each child.

    - Required documents include proof of age, residency, immunization, and, if applicable, IEP/504 plans.

- Lottery Process and Preferences:
    - A public lottery will be conducted if applications exceed available spaces.
    - Preferences in the lottery are given in the following order:
        - Returning students.
        - Siblings of current students or applicants.
        - Children of UASCS staff (up to 15% of total enrollment).
        - Students residing within CSD 8.
        - Students residing outside of CSD 8.
    - English Language Learners (ELLs) receive weighted consideration in the lottery process, enhancing their chances of selection.
    - The school will communicate lottery details at least one week prior to the event.

- Waitlist Process:
    - Applicants not selected in the lottery are placed on a waitlist, adhering to the school's preference structure.
    - The waitlist does not roll over year to year; a new lottery is conducted for each academic year.
    - The school will offer admission from the waitlist via phone or email.
    - Vacancies will be backfilled until January 31st of each school year.

- Withdrawal Process:
    - Withdrawal is processed by the custodial parent or legally appointed guardian.
    - A withdrawal form must be completed for the release of student records.

- Transportation:
    - Applicants requiring bus transportation should inform the school two weeks prior to the application deadline.

- Document Requirements:
    - Proof of residency, age, immunization, and guardianship documents are required for registration.

This admissions policy is designed to ensure a fair, transparent, and inclusive process, aligning with the educational goals and values of iLearn Schools and Uptown ASCS. The policy promotes diversity and equal opportunities for all students, particularly focusing on serving at-risk populations and reflecting the community's diversity. Additionally, by backfilling seats, Uptown ASCS demonstrates its commitment to maintaining full enrollment and providing educational opportunities to as many students as possible throughout the academic year.

R-06AF-Curriculum and Instruction

A. Curriculum Selection Process

Uptown ASCS, in collaboration with the academic team of iLearn Schools, will adopt the robust curricula that has been supporting high school students across iLearn's New Jersey based high school campuses. The curriculum is modified to meet the specific expectations outlined by the New York State Education Department, ensuring full alignment to the New York State (NYS) Next Generation Learning Standards (NGLS)[1]. These curriculum documents, including unit plans and pacing guides, are not strictly tied to any commercial program on the market. Instead, select commercial curriculum programs are made available to students and staff. Also, specific resources are linked in the pacing guides. For instance, Lesson 2-1 from enVision Math Program for Algebra 1 is linked to the NGLS AI-A.CED (Create equations that describe numbers or relationships). In other words, alignment to the official learning standards is prioritized over

[1] https://www.nysed.gov/next-generation-learning-standards

rote memorization dictated by commercial textbook programs.

Uptown ASCS firmly believes that it is crucial for students to have the opportunity to experience a rigorous curriculum and receive quality instruction that not only challenges them, but also provides appropriate levels of cognitive engagement tailored to their individual ability levels. Regardless of their proficiency, all students are expected to strive for mastery of the same skills and standards. However, it is imperative to recognize that each student is on their own unique educational journey, and therefore, curriculum and instruction must be carefully differentiated to effectively support and guide them in reaching their highest potential.

Uptown ASCS ensures that the curriculum for each subject is in alignment with the NGLS. The curriculum is designed to cater to the diverse needs of students, providing them with opportunities to achieve proficiency in grade-level skills and concepts.

The curriculum at Uptown ASCS is meticulously aligned both horizontally and vertically to ensure a cohesive educational experience:

- Horizontal Alignment – Curriculum is aligned horizontally across classrooms in the same grade level. This ensures students within the same grade level see a consistent learning experience.

- Vertical Alignment – Curriculum is also aligned vertically between grades, providing a seamless progression of learning from one grade to the next.

Instructional coaches work directly with teachers to improve the quality of instruction and ensure that the curriculum is implemented with fidelity. Horizontal and vertical alignment is actively monitored by grade-level chairs, instructional coaches, and academic program directors. Periodic reviews of curriculum documents and instructional materials occur throughout the school year and over Summer.

During the Summer Institute for Teachers, weekly Professional Learning Community (PLC) meetings, and coaching sessions, teachers also engage in active discussions about the vertical alignment of the curriculum across grade levels. This structured approach to curriculum alignment reflects Uptown ASCS's commitment to delivering a well-organized and harmonized educational pathway, promoting continuous growth and development for all students.

Through this structured approach, Uptown ASCS will ensure lesson planning is not merely a procedural task, but rather an integral part of the educational process. The emphasis on complex materials, higher-order thinking, and conceptual understanding will reflect the school's commitment to providing a rich and intellectually stimulating learning environment.

At iLearn Schools, curriculum is considered to be a living document, allowing for ongoing critique, reflection, and revision. This dynamic approach ensures that the curriculum remains aligned with the evolving needs of students and educational standards. Key aspects of this process include:

- Annual Updates: The curriculum is updated annually based on two major factors:
    - Updates in the state/national learning standards
    - Unique needs of the student population as evidenced through performance data
- Collaborative Review and Edits: For example, at the end of each school year, the ELA Program Director and instructional coaches meet with teachers to compile notes for

curriculum edits for the following year. ELA Instructional coaches then make necessary edits.
- Ongoing Monitoring: During weekly Professional Learning Community (PLC) meetings, coaches monitor the pacing and implementation of lesson and unit plans for all ELA learning standards to ensure instruction is spirally progressing from one grade level to the next.
- Mathematics Curriculum Revision: Likewise, mathematics teachers continually revise their curricula based on students' needs. Rigorous expectations are aligned with the iLearn Schools Mathematics Program's mission and vision. Individual lessons are designed through deep discussions around each local standard, relevant learning progression, and NYS Learning Standards during weekly, course-based PLC meetings.

Through this structured and collaborative approach, Uptown ASCS will demonstrate a commitment to maintaining a curriculum that is responsive, relevant, and aligned with best practices. The living document philosophy will foster an innovative learning environment that adapts to the changing landscape of education, ensuring students receive an education that is both challenging and supportive. All curriculum documents will be hosted on a web-based platform, Unified Classroom, Curriculum, and Instruction (UCCI)[2]. This is a system that helps centralize and streamline curriculum planning, increase instructional efficacy, and save teachers time. UCCI improves instructional alignment and integrates with the learning management system PowerSchool Schoology. Using this platform, teachers, instructional coaches, and school administrators will be able to create, modify, and monitor unit plans, engage in conversations about horizontal and vertical alignment of curricula, adjust pacing based on student progress, and generate extensive reports that give insights about student learning.

At Uptown ASCS, teachers will utilize unit and lesson plans designed to introduce complex topics, cognitively engage students, evoke higher-order thinking, and deepen analysis and understanding of specific content. The unit plans and pacing guides are prepared by the academic program directors in collaboration with the instructional coaches. These documents are continuously reviewed and updated using the feedback from teachers as well as the student achievement data that shows the need for revision. Teachers however, are responsible for creating lesson plans. The process will include the following elements:

- Preparation of Weekly Lesson Plans: Teachers will be expected to prepare weekly lesson plans in a standard format. These plans will be carefully reviewed by school administration to ensure alignment with educational objectives.
- Feedback and Evaluation: Teachers will receive constructive feedback on their lesson plans from school administrators. This feedback process will be factored into teacher evaluation under Domain 1 (Planning and Preparation) of the Danielson Framework for Teaching (FFT).
- Monitoring Implementation: The implementation of submitted and reviewed plans will be continually monitored by school administrators through constant classroom walkthroughs and observations. This vigilance will ensure consistency in the quality of instruction.
- Collaborative Improvement: On-site instructional coaches and program directors from iLearn Schools Central Office will visit classrooms to oversee the effective implementation of iLearn Schools' rigorous academic programs. Teachers, administrators, academic program directors, and instructional coaches will collaborate closely to enhance instructional practices.

[2] https://www.powerschool.com/product-demo/curriculum-instruction/

a. English Language Arts

A novel study approach will be the core of teaching and learning English Language Arts (ELA) for students and educators across grades 9-12 at Uptown ASCS. This framework provides students with instruction that will help develop students' abilities to master the NGLS of reading, writing, speaking, and listening.

Reading a novel allows students to become deeply engaged in a storyline, and to understand a wide range of topics in detail from a more intimate perspective. Great books spur engaging conversations.

There are five essential elements to a novel based approach:

- Read Alouds
- Introduce, Model + Practice Reading Strategies
- Dig In and Discuss the Text
- Plan Paired Readings
- Enrich and Extend the Novel

The ELA program at Uptown ASCS will require intentional instruction in reading and writing with complex texts used to teach across several disciplines and for a variety of purposes. Instruction will move from teacher modeling to student independent application that entails an authentic, hands-on use of the modeled literacy skills. It is expected that each component of the novel based approach be present each time a child meets with his or her ELA teacher. Presented below is each component of the novel study approach and the component's goal:

- Read Alouds – engage students with a variety of mentor texts, build content area background knowledge as well as help students learn new vocabulary in context, provide opportunities for assessing story development and characterization, fine tune students' observation and listening skills, create an atmosphere for developing good discussion skills, and teacher models effective reading comprehension strategies by thinking aloud.
- Introduce, Model & Practice Reading Strategies – provide students with before, during and after reading strategies to support comprehension and allow students to self-monitor their reading of a complex text, provide opportunities for students to practice utilizing reading strategies independently.
- Dig In and Discuss the Text – opportunity to allow students to make connections and discuss the reading experience, providing students with strategies to facilitate both small and large group discussions that tie in the big idea and essential questions of the unit.
- Plan Paired Readings – captivate students' understanding of novels by pairing texts that are connected in a similar way, including, but not limited to: fiction/nonfiction pairings, themes, big ideas, essential questions, authors, writing styles, etc.
- Enrich and Extend the Novel – engages students in writing, researching, and cross-curricular activities, introduces new books and genres, opens discussion, and allows students to reflect on their reading; helps to present books in an animated and lively fashion; allows students to access their creative abilities; fosters genuine enjoyment in the act of reading.

Uptown ASCS ELA curricula provide a specific outline of skills and mini-lessons to be taught based on the five essential components of a novel based approach that are in alignment with the grade level's NGLS. Seven focus skills have been identified as non-negotiable to be

included in weekly lesson plans. These skills have been identified as vocabulary in context, close reading strategies, text based evidence discussion/activities, analyzing paired passages, digital analysis, note-taking, and addressing the monthly writing task.

The rigorous curriculum and the principles that promote meaningful learning experiences will prepare students for college and careers.

b. Mathematics

An effective and coherent mathematics program should be guided by a clear set of content standards, but it must be grounded in a clear and shared vision of teaching and learning. While curriculum, materials, professional development, assessment, and cultivating broad programmatic support are all necessary components of the educational enterprise, they have little real impact unless they are effectively enacted in every classroom where learning is facilitated, supported and maximized.

Uptown ASCS will use iLearn Schools Mathematics Program, which aims to equip students not only with mathematics content, but also with the Standards for Mathematical Practice (SMP), so they succeed in doing and using mathematics across K-12 curriculum and in their college and career work:

SMP1: Make sense of problems and persevere in solving them.
SMP2: Reason abstractly and quantitatively.
SMP3: Construct viable arguments and critique the reasoning of others.
SMP4: Model with mathematics.
SMP5: Use appropriate tools strategically.
SMP6: Attend to precision.
SMP7: Look for and make use of structure.
SMP8: Look for and express regularity in repeated reasoning.

iLearn Schools Mathematics Curriculum develops important mathematics along coherent learning progressions and develops connections among areas of mathematical study and between mathematics and the real world. Local standards, extracted from NGLS and written in student-friendly language, provide the right and focused mathematics content most essential for student learning at each grade level.

iLearn Schools Mathematics Program requires effective teaching that engages students in meaningful learning through individual and collaborative experiences that promote their ability to make sense of mathematical ideas and reason mathematically. Eight Mathematics Teaching Practices[3] are presented below. These represent a core set of high-leverage practices and essential teaching skills necessary to promote deep learning of mathematics.

1. Establish mathematics goals to focus learning: Effective teaching of mathematics establishes clear goals for the mathematics that students are learning, situates goals within learning progressions, and uses the goals to guide instructional decisions.

2. Implement tasks that promote reasoning and problem solving: Effective teaching of

[3] Adapted from National Council of Teachers of Mathematics (2014). Principles to Actions: Ensuring Mathematical Success for All.

mathematics engages students in solving and discussing tasks that promote mathematical reasoning and problem solving and allow multiple entry points and varied solution strategies.

3. Use and connect mathematical representations: Effective teaching of mathematics engages students in making connections among mathematical representations to deepen understanding of mathematics concepts and procedures and as tools for problem solving.

4. Facilitate meaningful mathematical discourse: Effective teaching of mathematics facilitates discourse among students to build shared understanding of mathematical ideas by analyzing and comparing student approaches and arguments.

5. Pose purposeful questions: Effective teaching of mathematics uses purposeful questions to assess and advance students' reasoning and sense making about important mathematical ideas and relationships.

6. Build procedural fluency from conceptual understanding: Effective teaching of mathematics builds fluency with procedures on a foundation of conceptual understanding so that students, over time, become skillful in using procedures flexibly as they solve contextual and mathematical problems.

7. Support productive struggle in learning mathematics: Effective teaching of mathematics

consistently provides students, individually and collectively, with opportunities and supports to engage in productive struggle as they grapple with mathematical ideas and relationships.

8. Elicit and use evidence of student thinking: Effective teaching of mathematics uses evidence of student thinking to assess progress toward mathematical understanding and to adjust instruction continually in ways that support and extend learning.

In light of the teaching principles listed above, iLearn Schools mathematics curriculum incorporates multiple resources such as EngageNY, Georgia Standards of Excellence Frameworks in Mathematics, and enVision Math Program by Savvas Learning. These programs are selected based on the iLearn Academic Team's review and the available research that shows a statistically significant and positive effect on student outcomes[4]. On the interactive pacing guides, standards are linked to specific resources that are reviewed and proven to be effective in supporting all learners.

c. Science and STEM

Scientific and technological advances have proliferated and now permeate most aspects of life in the 21st century. It is increasingly important that all members of our society develop an understanding of scientific and engineering concepts and processes. Learning how to construct scientific explanations and how to design evidence-based solutions provides students with tools to think critically about personal and societal issues and needs. Students can then contribute meaningfully to decision-making processes, such as discussions about humans' impact on the natural environment, new approaches to health care, and innovative solutions to local and global problems.

[4] Savvas enVision A/G/A ESSA Evidence Study (2021).

Uptown ASCS Science and STEM Programs will be based on iLearn Schools' Science and STEM curricula whose aim is to prepare students to become scientifically literate individuals who can effectively

- apply scientific thinking, skills, and understanding to real-world phenomena and problems.
- engage in systems thinking and modeling to explain phenomena and to give a context for the ideas to be learned using the various educational science platforms.
- conduct investigations, solve problems, and engage in discussions in a virtual lab setting.
- discuss open-ended questions that focus on the strength of the evidence used to generate claims.
- communicate ideas through journal articles, reports, posters, and media presentations that explain and argue.

The High School curriculum is aligned to the NGLS, teachers are using STEMscopes[5] and other supplementary approved resources to facilitate lessons. STEMscopes is an award winning, research-based national leader in K-12 Science Curriculum. Used by over 4.5 million students, STEMscopes provides comprehensive digital resources, supplemental print materials and hands-on-exploration kits that drive engagement and academic growth. The high school science program also utilizes Savvas Biology, Chemistry and Physics to support the blended learning environment. Many of our teachers have home grown and innovated the curriculum by enhancing the rigor and increasing student engagement. Other supplemental resources are utilized for diversity and inclusion.

The program is strictly aligned to NGLS and includes resources that incorporate literacy, math, music and videos, interactive tools, and a variety of assessment methods.

The following are the characteristics that support the mission of the Science and STEM Program:

- All Standards, All Students: The science program ensures that ALL students are provided appropriate learning opportunities for ALL of the standards. This includes but is not limited to, students with disabilities, economically disadvantaged, English Language Learners, and students who have been identified as gifted.
- Explaining Phenomena or Designing Solutions: The units focus on supporting students to make sense of engaging and authentic phenomena or design solutions to real-world problems.
- Three Dimensional: The units help students develop and use multiple grade appropriate elements of the science and engineering practices (SEP), disciplinary core ideas (DCI), and crosscutting concepts (CCC), which are deliberately selected to aid student sense-making of phenomena or designing of solutions.
- Integrating the Three Dimensions for Instruction and Assessment: The units require student performances that integrate elements of the SEPs, CCCs, and DCIs to make sense of phenomena or design solutions to problems, and the learning tasks elicit student artifacts that show direct, observable evidence of three-dimensional learning.
- Relevance and Authenticity: The units motivate student sense-making or problem solving by taking advantage of student questions and prior experiences in the context of

[5] https://acceleratelearning.com/science/ngss/explore/

the students' home, neighborhood, and community as appropriate.
- Student Ideas: The units provide opportunities for students to express, clarify, justify, interpret, and represent their ideas (i.e., making thinking visible) and to respond to peer and teacher feedback.
- Building on Students' Prior Knowledge: The units identify and build on students' prior learning in all three dimensions in a way that is explicit to both the teacher and the students.

These are pillars that are aligned with the STEAM-based education promise as part of Uptown ASCS' key design elements.

d. Social Studies

Social Studies is defined as the integrated study of the social sciences and humanities to promote civic competence, 21st century skills and rational thought through its practice. Within Uptown ASCS' program, Social Studies provides a coordinated, systematic study drawing upon such disciplines as economics, geography, history, philosophy, political science, psychology, theology, and sociology. The primary purpose of Social Studies is to help students develop the ability to make informed and reasoned decisions for the public good as well as becoming citizens of a culturally diverse, democratic society in an ever changing world. Our Social Studies curriculum is closely aligned with iLearn School English Language standards as well as appropriate content from the humanities, mathematics, and natural sciences. Such alignment is meant to further prepare our students for college and career readiness.

The Uptown ASCS Social Studies program will continue to develop and enhance students' Social Studies abilities, which include:
- Gathering, interpreting, and using evidence
- Chronological reasoning and causation
- Comparison and contextualization
- Geographic reasoning
- Economic and economic systems
- Civic participation

Uptown ASCS students will examine unifying Social Studies themes in their courses. The unifying Social Studies themes that will be analyzed are:
- Individual development and cultural identity
- Development, movement, and interaction of cultures
- Time, continuity, and change
- Geography, humans, and the environment
- Development and transformation of social structures
- Power, authority, and governance
- Civic ideals and practices
- Creation, expansion, and interaction of economic systems
- Science, technology, and innovation
- Global connections and exchange

The rigor of Social Studies courses at Uptown ASCS will assist in preparing students for entry into a continually-evolving world.

e. Visual Arts

Engagement with visual arts plays a critical role in fostering student development, especially in high school. Research demonstrates the significance of visual arts education, revealing its positive impact on cognitive abilities, academic performance, and social-emotional skills development. Studies, such as those reviewed by the National Endowment for the Arts (NEA, 2012), emphasize the cognitive benefits of visual arts participation, including improved spatial reasoning and critical thinking. Moreover, visual arts education contributes to academic success. The Arts Education Partnership (2011) reports a positive correlation relationship between involvement in visual arts and enhanced academic achievement. Students with exposure to visual arts demonstrate improved reading and mathematical skills, reflecting the interdisciplinary nature of arts education.

Beyond academics, engagement with visual arts nurtures creativity and self-expression. The NEA (2012) highlights the role of arts education in promoting students' ability to express complex ideas visually, fostering innovative thinking essential in the contemporary world. Visual arts also provide a means for students to communicate emotions and perspectives, contributing to enhanced self-awareness and emotional intelligence.

Overall, visual arts play a crucial role at Uptown ASCS, offering cognitive, emotional, and social benefits to students. Engaging in artistic activities like art fairs and cross-curricular lessons weaving the arts into all subject matters enhances critical thinking and problem-solving skills, ultimately promoting creativity and innovation. Visual Arts provide a platform for self-expression, contributing to emotional and expressive development and improved communication skills. Studies suggest a positive correlation between involvement in the arts and academic success, with students participating in visual arts often performing better academically. Recognizing diverse learning styles, visual arts cater to visual learners, who comprehend information more effectively through visual means and who constitute a significant portion of today’s student population.

Uptown ASCS’s Visual Arts curricula are tailored to meet the needs of visual and spatial learners, as the curricula consist of four standards with focuses in: Creating, Performing, and Participating in The Arts, Knowing and Using Arts Materials and Resources, Responding To and Analyzing Works of Art, and Understanding the Cultural Dimensions and Contribution of The Arts. These four standards are further expanded into five Visual Arts strands that include Art Making, Literacy in Visual Arts, Making Connections, Community and Cultural Resources, and Careers and Lifelong Learning. Our curricula across subjects also allow students to cross-curricularly apply the skills and techniques learned in the arts across subjects. Skills include artistic expression and design, multimedia and film analysis, analysis of imagery and symbolism, and understanding of domain-specific vocabulary and the functions of key terms as they apply to the arts.

Assessments in all grade levels include, but are not limited to: rubric-based projects, teacher observation throughout practice-based activities, and student self- and peer-assessments. Students are graded according to a rubric for class participation, effort, overall understanding of techniques, material, and meaning, and behavior/concentration during work time. Students also observe the basic arts elements in exhibitions, and use them to formulate objective assessment of visual art. Students are assessed by showcasing their artwork in various settings, too, such as in art shows, heritage festivals, and maker’s fairs. The principles of positive critique in giving and receiving responses to artwork are applied. Moreover, students are assessed through visual arts benchmarks. These benchmarks are used to measure grade level appropriate student

achievement.

f. Performing Arts

Performing arts are crucial for comprehensive student development, exercising skills that extend beyond the stage. Research indicates that involvement in performing arts enhances cognitive abilities, including memory, attention, and problem-solving. A study by the Dana Foundation (2018) highlights the positive impact of arts education on students' cognitive functions. Moreover, participation in performing arts cultivates social skills and emotional intelligence. According to a report by the Arts Education Partnership (2011), students engaged in the arts exhibit heightened empathy and collaboration, vital for successful social interactions in high school and beyond. Furthermore, performing arts contribute to overall academic success. The College Board (2014) reported that students involved in performing arts scored, on average, 92 points higher on SATs than their peers with no arts participation.

This correlation highlights the academic benefits of a well-rounded education that includes performing arts. Beyond academics, performing arts offer a platform for self-expression and confidence-building. A study published in the Journal of Applied School Psychology (Ryckman et al., 2017) emphasizes the positive impact of arts involvement on students' self-esteem and self-efficacy, which ultimately are foundational elements for continuous academic progress and character growth.

At Uptown ASCS, our performing arts curricula are developed and aligned with the Common Core Standards. The four standards focus on: Creating, Performing, and Participating in The Arts, Knowing and Using Arts Materials and Resources, Responding to and Analyzing Works of Art, and Understanding the Cultural Dimensions and Contribution of The Arts. These four standards are further expanded into five performing arts strands that include: Music Making, Music Literacy, Making Connections, Community and Cultural Resources, and Careers and Lifelong Learning. Additionally, students are taught in alignment with the Orff-Schulwerk Philosophies of Music Education.

According to the American Orff-Schulwerk Association, "Orff Schulwerk music and movement pedagogy contributes to development of the individual far beyond specific skills and understandings in the art. These skills and procedures have a wider application and value in several areas.[6]" These areas include intellectual, social, emotional, and aesthetic. Our music curricula introduces, develops, and explores the world of music, with the learning objective of connecting theory to practice, performance, culture and heritage. In this framework, students are introduced to holistic performing arts, with movement and dance embedded within the framework of the course.
Assessments in all grade levels include, but are not limited to: rubric-based project performances, teacher observations during practice-based activities, and student self- and peer-assessments. Students are graded according to rubrics for class participation, effort, and overall understanding of techniques and practices. All students observe the basic arts elements in performance and exhibition, and use them to formulate objective assessment of performing arts. Performance-based assessments are also used in the music classroom. Students are assessed upon identifying (and performing with) instruments and exercising best performing arts practices and techniques. Students are also assessed by performing in varied settings, such as in winter and spring concerts, spring musicals, heritage festivals, and maker's fairs. In fact, student learning and understanding culminates in participation and/or attendance at our

[6] http://aosa.org/about/more-on-orff-schulwerk

annual Make Things Happen Festival, where student-created projects, as well as sponsored booths, present different aspects of the creation process. The principles of positive critique in providing and receiving feedback on performance is also applied. Students are then assessed through end-of-the-year music benchmarks, too. These benchmarks are utilized to determine the degree of standards-based student achievement across grade levels.

World Languages

A wealth of research underscores the paramount importance of world language education for high school students, setting the stage for their growth into college and careers. Studies such as the one conducted by Hakuta et al. (2003) emphasize that proficiency in multiple languages enhances cognitive abilities, including problem-solving skills, creativity, critical thinking, and the ability to connect ideas through various worldly perspectives and cultural lenses. Furthermore, the work of Green et al. (2018) suggests that learning world languages contributes to the development of cultural competence, a skill highly prized in the globalized society of the 21st century. Research by Adesope et al. (2010) indicates that bilingual or multilingual individuals tend to exhibit superior executive functioning, such as task-switching and working memory, attributes that significantly contribute to academic success. As highlighted by the findings of the American Council on the Teaching of Foreign Languages (ACTFL), students equipped with proficiency in world languages are better positioned to communicate effectively across diverse cultural contexts, providing them with a distinct advantage in a globalized job market. In essence, a solid foundation in world languages emerges as a research-supported imperative, empowering high school students to excel both academically and professionally in our interconnected world.

At Uptown ASCS, our World Language department offers students the opportunity to study world languages ranging from Spanish and French to Turkish. Qualified teachers deliver world language instruction at the highest level in our school. Improving a second language is a key for the future of our students, community, and society in the 21st century. This program is based on the Common Core Standards for World Language aligned with the American Council on the Teaching of Foreign Language. Courses are designed to meet college entrance requirements and to allow a student to gain knowledge of a language and culture for travel, translation, and other related purposes. Methods and materials enable students to learn directly in a world language, while also granting them valuable exposure to different world cultures that can help broaden outlooks and deepen world perspectives.

B. Assessment System

Uptown ASCS utilizes both qualitative and quantitative data to inform instruction and enhance student outcomes. This data is used to evaluate the effectiveness of the academic program and make necessary adjustments. Teachers administer various assessments to assess student progress, revise the pace of instruction, differentiate lessons, identify areas for remediation, group students, and determine the need for interventions. Additionally, assessment data is used to measure professional growth, communicate with students and parents, and make informed decisions about curriculum and instructional methods. The school administrators utilize assessment data to review and revise the curriculum, evaluate teachers, and determine the need for professional development. Furthermore, assessment data is considered when making decisions regarding student promotion and assessing the school's progress towards achieving student achievement goals.

Uptown ASCS recognizes the importance of a comprehensive and rigorous cycle of

assessment, grounded in the mission and vision of the institution. This cycle emphasizes measuring the effectiveness of the academic program and monitors students' progress toward achieving and even exceeding grade-level standards.

The school's assessment system is built on a balanced combination of formative, diagnostic, and summative assessments. This multifaceted approach ensures that every aspect of student learning is monitored, analyzed, and targeted.

- Formative assessments are ongoing, in-the-moment checks for understanding that provide immediate feedback. Examples at Uptown ASCS include: bi-weekly reading comprehension and mathematics skills checks, which allow for real-time adjustment of teaching strategies to meet individual student learning needs. Progress monitoring during instruction is also embedded in the school's instructional model and followed up by school administrators on a regular basis through official observations and walkthroughs.
- Diagnostic assessments are implemented primarily through STAR Reading and Mathematics assessments. These are conducted three times each school year in the Fall, Winter, and Spring to evaluate students' strengths and areas for improvement. They also help in identifying specific learning challenges and pave the way for targeted intervention.
- For tested subjects, students are given one mock trial of the end-of-year state assessments. These exams are administered in the same format as the official tests.
- Summative assessments, such as benchmark exams and unit assessments, occur at the end of a specific period of instruction. Monthly writing assessments also fall under this category, and provide a broader picture of student achievement and understanding related to the NGLS.
- Major assessments such as Star and practice (mock trial) exams will be administered in coordination with the director of assessment at iLearn Schools central office.

The culture at Uptown ASCS emphasizes the use of assessment data in guiding instructional decisions and practices. This data-driven approach ensures that teaching strategies are aligned with students' learning progress, customized support is provided based on individual student learning needs and challenges, and continuous improvement is made in both teachers' instruction and students' performance.

For any local assessments administered in school, parents are informed via the iLearn Schools Student Information System (iLEMIS) as well as through Schoology, the comprehensive learning management system. These systems send periodic updates to parents about student progress.

Reports and information about the major assessments such as Star, Practice Exams, and state exams will be sent via email. Parents will also receive hard copies of such reports in the mail.

Overall scores of the students on the major assessments will be reported to the school board as they become available.

The systematic use of qualitative and quantitative data in instructional decision-making will be a hallmark of Uptown ASCS's approach to enhancing student performance. This approach provides a multifaceted view of student progress and ensures instruction is continually tailored to meet students' individual needs.

- Gathering and Analyzing Data: Uptown ASCS will rely on both qualitative and quantitative assessments to gather crucial information about students' learning. This

data will be meticulously analyzed to answer key questions, such as: the overall performance of each class, specific strengths and areas for improvement within standards and skills, differences in results based on question types (e.g., multiple-choice vs. open-ended), performance trends based on NYS assessment levels, enabling the creation of flexible skill groups, identification of anomalies, such as uniform incorrect answers or unexpected results in specific standards or domains, and individual student performance trends. This in-depth analysis will help the school understand not only the what but also the why behind student performance, creating a more nuanced and actionable picture of student needs.

- Creating Action Plans: Based on the insights gained from data analysis, teachers will create individualized action plans for improvement, which involves: whole-group re-teaching of common challenge areas, small-group remediation for more targeted needs, one-on-one instruction for personalized support, and collaboration between grade-level teams to implement cross-curricular strategies and align academic vocabulary. These targeted interventions will ensure every student has the support and resources needed to succeed, regardless of their current performance level.
- Real-time Monitoring and Transparency: The student information system (iLEMIS) and Schoology (LMS) allows multiple stakeholders, including teachers, administrators, content-area specialists, and parents, to monitor student performance in real-time. User-friendly reports enable targeted analysis by grade level, class, individual student, standard, or question type. This real-time insight ensures timely intervention and fosters transparency and collaboration across the school community.
- Ongoing Review and Benchmark Examinations: The assessment program is subject to ongoing review, feedback, and evaluation by various educational professionals. Additionally, benchmark exams aligned with learning standards track student progress and areas for improvement across all parallel grade levels and content areas. The Board of Trustees also uses this data to ensure academic goals set at the beginning of the school year are being met.

Uptown ASCS's utilization of qualitative and quantitative data is a powerful strategy for informing instruction and driving improved student outcomes. The approach is comprehensive, covering everything from detailed analysis to action plan creation, real-time monitoring, and ongoing review. The focus on individualized support, coupled with a strong emphasis on collaboration and transparency, will allow the school to foster an environment where every student can thrive. By continuously aligning teaching strategies with data insights, Uptown ASCS will ensure that instruction is dynamic, responsive, and effective in meeting the unique needs of each student. This data-driven approach will empower teachers to be more precise in their teaching strategies, facilitate timely intervention, and create a culture of shared accountability and success. It will underscore the commitment of Uptown ASCS to empower students to achieve academic excellence and positions the school as a leader in using data to drive instructional innovation and student achievement.

C. Instructional Methods

Uptown ASCS defines high-quality instruction as a multifaceted approach that considers the well-being of the learner, the content being taught, the instructional process, the learning environment, and the desired learning outcomes. Observed instructional practices at Uptown ASCS align with this understanding, manifested through the following initiatives:

- Well-being of the Learner: Recognizing NAEP findings[7], the school ensures all learners are well-nourished, offering a breakfast program to its free and reduced lunch population.
- Accessibility and Support: Uptown ASCS ensures all learners can access materials through free tutorials and personalized support programs tailored to individual needs.
- Inclusive Learning Environment: The school considers the needs of all learners, providing adequate resources and facilities for each child it serves.
- Robust and Responsive Curriculum: The school-based administration collaborates with key stakeholders, including the Chief Academic Officer, Academic Program Directors, and Instructional Coaches. Together, they ensure the curriculum is robust and considers digital resources and materials for all subjects with a focus on STEAM.
- Student-Centered Teaching Approaches: Highly trained teachers use student-centered teaching approaches and skills assessments linked to national and state standards. This alignment facilitates learning and reduces disparities.
- Ongoing Collaboration and Monitoring: Collectively, the academic team and school-based administrators work to monitor and measure instructional processes, demonstrating a consistent alignment with the school's understanding of high-quality instruction.

These practices reflect Uptown ASCS's mission to provide a high-quality STEAM-based education in an innovative learning environment. By embracing a comprehensive and student-centered approach, the school will ensure instructional practices align with the shared understanding of what constitutes high-quality instruction. This alignment will foster a learning environment guided by a clear and shared vision of educational excellence where all students have the opportunity to succeed.

In order to meet the needs of all students, Uptown ASCS will use a blended approach that considers various instructional methods. This pedagogical approach is deeply embedded in the Uptown ASCS's educational philosophy and embraces various teaching strategies, including: direct instruction, indirect instruction, experiential learning, independent study, and interactive instruction.

The instructional strategies are understood to be techniques and methods that a teacher uses to meet learning objectives, as well as the needs of his or her learners. Data will be used to determine instructional strategies that will be selected with the intent of having students be independent learners and strategic thinkers. With this approach, Uptown ASCS will equip teachers to make learning intentional and rigorous, and help students awaken their intrinsic desire to learn.

This approach will also allow teachers to focus on instructional methods and the learning environment while considering multiple intelligences and learning styles. In addition to students' development level and experience, data will be used to determine the appropriate learning strategy for each student. Please see below for an explanation of learning strategies and methods that will be employed at Uptown ASCS:

- Direct Instruction: Direct Instruction is the most commonly used teaching method and its main focus is on teacher-directed approaches. In this, teachers use data to drive and prepare the content that will be presented. Knowledge is delivered to students in a step-by-step, structured way, and involves active student participation.

[7] National Assessment of Educational Progress (NAEP) Data

- Indirect Instruction: Indirect Instruction is student-oriented and used to complement direct instruction methods. Through this strategy, students are more involved, as they are given the space to observe, question, problem-solve, make inferences, and inquisitively explore their own intrinsic desires to learn. Through indirect instruction, the teacher acts as a facilitator or supporter rather than as an instructor. At Uptown ASCS, teachers prepare for indirect instruction by clearly defining the problem or situation, and teacher-student roles are specified with clear roles and directions.
- Experiential Learning: Experiential Learning is activity-based and offers opportunities for students to apply their learning experiences in other contexts. Experiential Learning is more about the process of learning rather than focusing on the content, and the approach truly considers learning styles and multiple intelligences. Students participate in activities, reflect and share their experiences, analyze and infer potential solutions, and brainstorm ways to apply their learning in new situations. At Uptown ASCS, teachers are cognizant of providing this environment for learning and encourage students to be active.
- Independent Study: Independent Study encompasses a range of teaching methods that develop students' initiative, self-belief, time management, and self-improvement. At Uptown ASCS, Independent Study requires students to undertake a planned activity under the supervision of a teacher. It involves group study or learning with an assigned partner. These methods are designed carefully by the teacher and address the specific requirements of a group.
- Interactive Instruction: Interactive Instruction is a highly-interactive approach to teaching and learning that involves discussion and idea sharing among students, explores their higher-thinking process, and provides the space and opportunity to develop social skills.

Under the guidance of the school leadership team, all Uptown ASCS teachers will recognize that classroom management refers to all of the steps a teacher must take to organize students, space, time, and materials so that instruction in content and student learning can take place (Wong, 2001). The following are recognized, school-wide, as the characteristics of a well-managed classroom:

- Students are deeply involved in their work, especially with academic, teacher-led instruction.
- Students know what is expected of them and are generally successful. There is relatively little wasted time, confusion, or disruption.
- The climate of the classroom is work-oriented, but also inviting so that students are confident to take risks and be innovative and creative when responding.

Well-managed classrooms must be in place at Uptown ASCS in order for any pedagogical approach to be effective. The following two instructional methods will be employed to ensure the most effective, instructionally well-managed classroom:

- Teacher Coaching: Teachers of core content areas will be assigned content-specific coaches to support them in analyzing student data, planning lessons, and implementing best practices in pedagogy. This coaching model emphasizes professional growth by providing teachers with opportunities to collaborate with content-area specialists in a manner that is not punitive and offers collaborative, co-constructed evaluations that include multiple opportunities to reflect, self-assess, and set personal goals for growth. Through this coaching model, teachers develop trusting relationships with education professionals who have been identified as highly effective in their practices. Content-area coaches at Uptown-ASCS will conduct weekly meetings with teachers for

the purpose of discussion, planning, data-gathering, and reflection and facilitate weekly, course-based PLCs and other professional development sessions (as noted) during work sessions, which include: teaching model lessons, team-teaching (when appropriate), providing guidance on the inclusion of NGLS and tech-enhanced opportunities throughout lessons, assisting in STEAM implementation, collaborating in unit and lesson plan design, brainstorming and selecting activities targeting specific standards and/or skills, analyzing student work and review of data, crafting formative/summative assessments, and developing questioning techniques for the purpose of developing higher-order thinking skills in students.It is the goal of Uptown ASCS for teachers to grow professionally through the coaching model and to implement effective instructional practices in each classroom.

- Checks for Understanding: There are key techniques that will be used in all lessons that allow teachers to track learning and adapt instruction simultaneously as learning is occurring in the classroom. Checking for understanding is an important step in the teaching and learning process, which is why it is an integral part of Uptown ASCS' formative assessment system. In all content areas, each teacher is expected to incorporate the following into his or her instructional practices in order to truly meet the needs of the individual learner: teacher modeling, guided reading, open-ended questions, peer assessment, multiple-intelligence grouping, real world problem based learning, learning stations, portfolios/self-assessment, interactive skills practice, performance-based projects, and tiered activities.

Uptown ASCS's instructional philosophy, grounded in multiple teaching strategies and supported by comprehensive classroom management, will foster a rich and engaging learning environment. Through a balance of direct, indirect, experiential, independent, and interactive instruction, the school will effectively address different learning needs and styles.

Uptown ASCS's attention to classroom management will also ensure these instructional strategies can be implemented in a constructive and orderly environment, maximizing their impact. The introduction of teacher coaching and continuous checks for understanding will help to make sure teaching practices are continually refined and that students' needs are met with flexibility and responsiveness.

In summary, Uptown ASCS's approach to instructional delivery represents a robust and comprehensive framework designed to elicit engagement, promote independent thinking, and equip students with the skills needed to become lifelong learners. By considering multiple intelligences and learning styles, the school will offer a student-centered learning experience that is both intentional and rigorous. The instructional methods and strategies outlined in this section have been developed through multiple rounds of refinements at the iLearn Schools campuses in New Jersey and New York over the past 15 years. Utilizing the strategies and teacher support structures, iLearn Schools have been consistently outperforming local districts in standardized assessments as well as in college and career readiness metrics.

D. Course or Subject Overview

Overview of Uptown ASCS Program of Study:

The ilearn high school program of study is designed to meet the diverse needs of all students, ensuring a personalized and comprehensive educational experience. Building on the successful model of ilearn high schools in New Jersey, we will focus on the following key elements for the Uptown ASCS high school:

Course Offerings: Our curriculum is extensive and designed for everyone, providing a well-rounded education. Course offerings are designed to meet the needs of all learners, including those with disabilities, English Language Learners, general education students, gifted and talented and those excelling in specific subjects.
Beyond core subjects like English, math, science, and social studies, UASCS will offer a variety of electives in Visual and Performing Arts, STEM, World Languages, Physical education areas.Students can choose electives based on their interests or recommendations. These programs not only align with student passions but also fulfill graduation requirements.
Honors Portfolio: Ilearn High Schools are committed to fostering a culture of academic excellence and providing opportunities for all students to excel. As part of this commitment, we offer an Honors Portfolio option in all core classes. Honors Portfolio is an inclusive program, it's not just for the recommended students, but for every motivated learner in our school community. To qualify, students maintain at least an A-average throughout the year and complete additional coursework beyond the standard curriculum.
Differentiated Instruction: In core subjects, we prioritize students who need extra help by offering in class support or small-group lessons. At the same time, high achieving students have access to advanced courses, including Honors, AP and Dual Enrollment, fostering a challenging academic environment.
AP Courses and Dual Enrollment: Students demonstrating proficiency in prerequisite skills have the opportunity to take AP courses and Dual Enrollment courses. Upon completion, students can earn college credits, aligning with UASCS's goal of providing a rewarding and well-rounded education for all.
World Language Diversity: We offer various levels of foreign language courses for beginners and native speakers, ensuring inclusivity and cultural diversity.
Data-Driven Placement: Using diagnostic data and collaboration with middle schools for new students and previous year data for returning ones, our counselors place students in the right courses at every grade level, ensuring appropriate academic challenges.

		Life Skills & Planning for the Future	Life Skills & Planning for the Future

ENGLISH I - 01001 (1 Credit)
Prerequisite: None
Length: Full-Year
Grades: 9
English/Language Arts I/**Introduction to Literature** (9th grade) is an overview of exemplar selections of literature in fiction and nonfiction genres. Students read short stories, poems, full-length novels, and full-length Shakespearean plays, analyzing the use of elements of literature in developing character, plot and theme. This course builds upon students' prior knowledge of grammar, vocabulary, word usage, and the mechanics of writing and usually includes the four aspects of language use: reading, writing, speaking, and listening. Typically, these courses introduce and define various genres of literature, with writing exercises often linked to reading selections.

ENGLISH LAB - (1 Credit)
Prerequisite: None
Length: Full-Year
Grades: 9

ENGLISH II - 01002 (1 Credit)
Prerequisite: English I
Length: Full-Year
Grades: 10

English/Language Arts II/**American Literature** (10th grade) is focused on the body of written works produced in the United States. Students read novels, short stories, dramas, poetry, biographies, autobiographies, works of history, essays and literary criticism. This course usually offers a balanced focus on composition and literature. Typically, students learn about the alternate aims and audiences of written compositions by writing persuasive, critical, and creative multi-paragraph essays and compositions. Through the study of various genres of literature, students can improve their reading rate and comprehension and develop the skills to determine the author's intent and theme and to recognize the techniques used by the author to deliver his or her message.

ENGLISH III - 01003 (1 Credit)
Prerequisite: English II
Length: Full-Year
Grades: 11

English/Language Arts III/**Introduction to World Literature** (11th grade) students begin the year by reading British Literature specifically, students will study the forms of written English and the British tradition in literature. Additionally, students will survey some of the major works of literature from across the world. Students who take this course will increase their awareness of historical cultures; sharpen their critical reading, thinking and writing skills; and deepen their cultural sensitivity. This course will continue to develop students' writing skills, emphasizing clear, logical writing patterns, word choice, and usage, as students write essays and begin to learn the techniques of writing research papers. Students continue to read works of literature, which often

form the backbone of the writing assignments. Literary conventions and stylistic devices may receive greater emphasis than in previous courses.

ENGLISH IV - 01004 (1 Credit)
Prerequisite: English III
Length: Full-Year
Grades: 12

English/Language Arts IV/**World Literature** (12th grade) students read the works of contemporary and historical international authors. Students will discover key texts in World Literature, understand key literary movements, understand literary philosophies, appreciate the historical and cultural events which shaped world literature, and discover exciting authors and texts from around the world. This course blends composition and literature into a cohesive whole as students write critical and comparative analyses of selected literature, continuing to develop their language arts skills. Typically, students primarily write multi-paragraph essays, but they may also write one or more major research papers.

AP ENGLISH LANGUAGE & COMPOSITION - 01005 (1 Credit)
Prerequisite: A- or above in Honors English II with teacher recommendation
Length: Full-Year
Grades: 11

Following the College Board's suggested curriculum designed to parallel college-level English courses, AP English Language and Composition courses expose students to prose written in a variety of periods, disciplines, and rhetorical contexts. These courses emphasize the interaction of authorial purpose, intended audience, and the subject at hand, and through them, students learn to develop stylistic flexibility as they write compositions covering a variety of subjects that are intended for various purposes.

AP ENGLISH LITERATURE & COMPOSITION - 01006 (1 Credit)
Prerequisite: A- or above in ELA III or B+ or above in AP ELA, teacher recommendation
Length: Full Year
Grades: 12

Following the College Board's suggested curriculum designed to parallel college-level English courses, AP English Literature and Composition courses enable students to develop critical standards for evaluating literature using literary theory critical approaches, such as marxist, feminist, . Students study the language, character, action, and theme in works of recognized literary merit; enrich their understanding of connotation, metaphor, irony, syntax, and tone; and write compositions of their own (including literary analysis, exposition, argument, narrative, and creative writing).

CREATIVE WRITING - 01104 (0.5 Credit)
Prerequisite: None
Length: Half Year,
Grades: 9-12

Creative Writing courses offer students the opportunity to develop and improve their technique and individual style in poetry, short story, drama, essays, and other forms of prose. The emphasis of the courses is on writing; however, students may or study exemplary representations and authors to obtain a fuller appreciation of the form and craft. Although most creative writing classes cover several expressive forms, others concentrate exclusively on one particular form (such as poetry or playwriting).

MYTHOLOGY & FOLKLORE - 01061 (0.5 Credits)
Prerequisite: English I
Length: Half year,
Grades: 10-12
This course offers a survey of various world mythologies, with an emphasis on the myths of classical Greece. These stories become crucial for the further study of much Western literature. Beyond this, however, we will also introduce the myths of a wide range of other cultures and will investigate the situation of myth in our mass media culture.

PUBLIC SPEAKING - 01151 (0.5 Credits)
Prerequisite: None
Length: Half year,
Grades: 9-12

Public Speaking courses enable students, through practice, to develop communication skills that can be used in a variety of speaking situations (such as small and large group discussions, delivery of lectures or speeches in front of audiences, and so on). Course topics may include (but are not limited to) research and organization, writing for verbal delivery, stylistic choices, visual and presentation skills, analysis and critique, and development of self-confidence.

SPEECH and DEBATE (01153) (0.5 Credit)
Prerequisites: English I
Length: Half year,
Grades: 10-12
Debate courses offer students the opportunity to learn how to use oral skills in formal and informal situations. In these courses, students are able to develop such skills as logic and reasoning, research and analysis, organization of thought and supporting materials, argumentative style and skill, and effective presentation of one's voice and body. Often linked to an extracurricular program, these courses introduce students to the methods, aims, and styles used in various kinds of debates (formal debate or Lincoln-Douglas). Participation in competition is encouraged, but not always required.

JOURNALISM (11101) 0.5 credits
Prerequisite: Teacher Recommendation
Length: Half Year,
Grades: 9-12
Journalism courses (associated with the production of a school newspaper, yearbook, or literary magazine) emphasize writing style and technique as well as production values and organization. Journalism courses introduce students to the concepts of newsworthiness and press responsibility; develop students' skills in writing and editing stories, headlines, and captions; and teach students the principles of production design, layout, and printing. Photography, photojournalism, and digital technology skills may be included.

Life Skills & Planning for the Future 0.5 credits
Prerequisite: None
Length: Half Year,
Grades: 9 - 12
Throughout this course, students will be required to examine topics involving their self-identified values, goals, and career interests in Socratic seminars, conduct further research on a personal focus, and practice and apply skills necessary to approach adult life with confidence and purpose. For example, students will write a personal mission statement, create a professional resumé, plan for a financial budget, and develop and apply other skills to prepare for adult life after high school.

English as a New Language
iLearn Schools offers English as a New Language services which are aligned with federal and local requirements for standards, assessments, and accountability for Multilingual Learners (MLLs). ENL services are offered in two delivery models; Integrated ENL and Stand Alone ENL. The licensed ENL teacher decides the program delivery model for the individual Multilingual Learners based on the department's guidance and student's score on the NYSESLAT. In the Integrated ENL model, MLLs receive ENL support in ELA classes from the certified ESL teacher. The Stand Alone classes consist of small group instruction taught by a licensed ENL teacher, providing explicit English language instruction to students who qualify for language services, focusing on reading, writing, speaking, and listening in a social and academic setting. The following are the descriptions of the Stand Alone Courses for MLLs.

ENL I (1 Credit)
Prerequisite: NYSESLAT Proficiency Levels: Entering or Emerging
Length: Full Year
Grades: 9-12
This is a beginning level course designed to improve the listening, speaking, reading and writing skills of Multilingual Learners (MLLs). The main goal of this course is to help students acquire both social and academic English skills while also developing reading and writing fluency.

ESL II (1 Credit)
Prerequisite: NYSESLAT Proficiency Levels: Transitioning
Length: Full Year
Grades: 9-12
This intermediate level course reinforces and further develops MLLs' skills in all four domains of English.The course includes the study of vocabulary, grammar, reading strategies and essay writing skills.

ESL III (1 Credit)
Prerequisite: NYSESLAT Proficiency Levels: Expanding or Commandng
Length: Full Year
Grades: 9-12
This is an advanced level course designed to improve MLLs' skills in all four domains of English. There is an emphasis on developing interpretive and critical thinking skills. This course will specifically focus on reading strategies and essay writing skills.

b. Mathematics

MATHEMATICS COURSE TRACKS			
GRADE 9	**GRADE 10**	**GRADE 11**	**GRADE 12**

MATH LAB - (1 Credit)
Prerequisite: None
Length: Full Year
Grades: 9
The Math Lab course is designed to formalize and extend the mathematics that students learned in high school to facilitate their success in a dually enrolled Algebra course. Because this course is built mostly upon the high school standards, this is a cognitive development tool to support a more ambitious version of Algebra than has generally been offered. The critical areas, called units, deepen and extend understanding of linear and exponential relationships by contrasting them with each other and by applying linear models to data that exhibit a linear trend, where students engage in methods for analyzing, solving, and using linear and basic quadratic functions. The Mathematical Practice Standards apply throughout each course and, together with the content standards, prescribe that students experience mathematics as a coherent, useful, and logical subject that makes use of their ability to make sense of problem situations.

ALGEBRA I - 02052 (1 Credit)
Prerequisite: Grade 8 Mathematics
Length: Full Year
Grades: 9
This course is designed for the grade-level math student. The curriculum provides a sound foundation of algebraic skills and concepts necessary for an understanding of all future mathematics to be studied. Abstract and numerical reasoning is emphasized. Graphing calculators are employed to extend concepts. Students learn a variety of problem solving techniques and will apply arithmetic principles to specific algebraic topics. Standardized test preparation is integrated throughout the course.

GEOMETRY - 02072 (1 Credit)
Prerequisite: Algebra I
Length: Full Year
Grades: 9, 10
This rigorous course emphasizes topics inherent to Euclidean and solid geometry. Knowledge of geometry will be developed with an emphasis on its logical structure, using critical thinking skills and problem solving strategies with consideration of both inductive and deductive methods of

reasoning as applied to formal proofs. Problem solving will be emphasized to encourage higher level thinking skills. Standardized test preparation is integrated throughout the course.

ALGEBRA II - 02056 (1 Credit)
Prerequisite: Algebra 1/Geometry
Length: Full Year
Grades: 10, 11
This course is designed for the strong grade-level mathematics student. Course objectives are to solidify concepts of Algebra I through review, extension and application problem solving. It presents a unified treatment of algebra and analytical geometry that exhibits the logical structure of mathematics. Topics include: linear and quadratic equations, functions, systems of equations and inequalities, matrices, polynomial functions, rational functions, radical equations, probability, and introduction to conic sections and to exponential and logarithmic functions, The graphing enhanced curriculum allows for modeling of real world problems. Standardized test preparation is integrated throughout the course.

PRECALCULUS - 02110 (1 Credit)
Prerequisite: Grade of A Algebra II and Teacher Recommendation
Length: Full Year
Grades: 11, 12
This rigorous math course will provide the students with a comprehensive study of mathematics in preparation for a course in Advanced Placement Calculus. The Pre-calculus course consists of the following topics: extensions of algebra, limits, continuity, derivatives, implicit differentiation, exponential and logarithmic functions, derivatives of exponential and logarithmic functions, trigonometric functions and their inverses, analytic trigonometry, derivatives of trigonometric functions and their inverses, additional topics in trigonometry, parametric equations, and polar equations. Students will use graphing calculators extensively in this course.

CONTEMPORARY APPLIED MATH (1 Credit)
Prerequisite: Algebra II
Length: Full Year
Grades: 11, 12
In this course, you and your classmates will work together to study the impact of modern mathematics on today's society in terms of management, decision making, data collection and planning, social choice, including voting and apportionment, population studies, and measurements of size and shape. You will develop an awareness and appreciation of the impact of mathematics in modern society. and demonstrate the far-reaching effects of mathematics on an individual’s everyday life.

COLLEGE ALGEBRA (1 Credit)
Prerequisite: Algebra II
Length: Full Year
Grades: 11, 12
This course covers various levels of concepts of previous algebra courses, and advances them to a higher level. The domain of the course covers basic concepts of algebra, equations, inequalities, coordinate geometry, graphing techniques, polynomial functions, exponential and logarithmic functions, sequences and series. The course involves modeling of different real-world cases with algebraic statements.

AP PreCalculus - (1 Credit)
Prerequisite: "A" in Algebra 1 and Algebra 2, Teacher Recommendation
Length: Full Year
Grades: 10,11, 12
AP Precalculus is designed to be the equivalent of a first semester college precalculus course. AP Precalculus provides students with an understanding of the concepts of college algebra, trigonometry, and additional topics that prepare students for further college level mathematics courses. This course explores a variety of function types and their applications—polynomial, rational, exponential, logarithmic, trigonometric, polar, parametric, vector-valued, implicitly defined, and linear transformation functions using matrices. Throughout the course, the mathematical practices of procedural and symbolic fluency, multiple representations, and communication and reasoning are developed. Students experience the concepts and skills related to each function type through the lenses of modeling and covariation and engage each function type through their graphical, numerical, analytical, and verbal representations.

AP STATISTICS - 02203 (1 Credit)
Prerequisite: "A" in Algebra 2, Teacher Recommendation,
Length: Full Year
Grades: 11, 12
The aim of this AP course is to provide students with a learning experience equivalent to that obtained in most introductory college statistics courses, which have become a requirement for many college majors. The course involves four major topics: exploring data, planning a study, anticipating patterns, and statistical inference. In addition to mastering skills and understanding concepts, each student will develop an awareness of the importance of this subject in the real world, improve communication skills to convey decisions and ideas, and apply this knowledge in the future. AP Statistics is available to students who have successfully completed Algebra 2. It may be taken concurrently with Pre-Calculus or Calculus. Students in the AP Statistics course are expected to make a commitment to taking the AP Statistics Examination administered by the College Board.

AP CALCULUS AB - 02124 (1 Credit)
Prerequisite: "A" in Precalculus, Teacher Recommendation, and a minimum of 600 on SAT Math portion.
Length: Full Year
Grades: 12
This is a college level course in calculus taught at an accelerated pace in preparation for the AP Examination in AB Calculus. At the completion of the course, the student will understand the theory and applications of differential and integral calculus. It is expected that students who successfully complete the course will have developed proficiency in the following areas: evaluate limits, derivatives, and integrals, apply derivatives to related rates, optimization problems, and velocity, apply integrals to area, volume, and differential equations, and become proficient in the use of a graphing calculator. Students in the AP Calculus AB course are expected to make a commitment to taking the AP Calculus AB Examination administered by the College Board.

c. Computer Science

INTRODUCTORY SUBJECTS

FUNDAMENTALS OF COMPUTER SCIENCE AND DESIGN THINKING (1 Credit)

Prerequisites: None
Grade: 9 - 12
Length: Full Year
Computer Science and Design Thinking teaches the foundations of computer science and basic programming and includes "Introduction to Virtual Reality" and "Introduction to SQL", with an emphasis on helping students develop logical thinking and problem-solving skills. Once students complete this course, they will have learned material equivalent to a semester college introductory course in computer science and be able to program.

a. **INTRODUCTION TO VIRTUAL REALITY**

Introduction to Virtual Reality is offered as part of Fundamentals of Computer Science and Design Thinking, and introduces students to the basics of building virtual reality worlds using HTML and the A-Frame JavaScript Library. Through this course, students will build their own virtual reality worlds that are compatible with VR devices, including smartphone VR headsets!

b. **INTRODUCTION TO SQL**

Learn the basics of SQL. How to structure information, write queries, and analyze data. This course is offered as part of Fundamentals of Computer Science and Design Thinking, and requires no knowledge of SQL and is a great way to get introduced to databases.

WEB DESIGN
Prerequisites: None, 0,5 Credits
Grade 9-12
Length: Half Year
Web Page Design courses teach students how to design web sites by introducing them to and refining their knowledge of site planning, page layout, graphic design, and the use of markup languages—such as Extensible Hypertext Markup, JavaScript, Dynamic HTML, and Document Object Model—to develop and maintain a web page. These courses may also cover security and privacy issues, copyright infringement, trademarks, and other legal issues relating to the use of the Internet. Advanced topics may include the use of forms and scripts for database access, transfer methods, and networking fundamentals.

INTRODUCTION TO PYTHON 0.5 Credits
Prerequisites: None,
Grade 9-12
Length: Half Year
The CodeHS introduction to Computer Science in Python 3 curriculum teaches the foundations of computer science and basic programming, with an emphasis on helping students develop logical thinking and problem solving skills. Students will develop an appreciation for how computers store and manipulate information by building simple console-based games.

FUNDAMENTALS OF CYBER SECURITY 0.5 Credits
Prerequisite: Programming Course
Grade: 10 - 12
Length: Half Year
Introduction to Cybersecurity (Alberti)
As our world becomes increasingly dependent on technology, cybersecurity is a topic of growing importance. It is crucial that companies and individuals take precautions to protect themselves from the growing threat of cyber attacks. This course prepares students with crucial skills to be responsible citizens in a digital future. This is a semester-long course for high school students..

Successful completion of this course fulfills the New Jersey graduation requirement in 21st Century Life and Careers.

INTRODUCTION to VIRTUAL REALITY (0.5 Credits)
Prerequisite: None
Length: Half Year,
Grades: 9-12
Introduction to Virtual Reality is a mini-course that introduces students to the basics of building virtual reality worlds using HTML and the A-Frame JavaScript Library. Through this course, students will build their own virtual reality worlds that are compatible with VR devices, including smartphone VR headsets!

INTERMEDIATE SUBJECTS

ADVANCED PYTHON (0.5 Credits)
Prerequisites: Intro to Python,
Grade 9-12
Length: Half Year
The CodeHS Advanced Computer Science in Python course teaches some advanced features of the Python language such as Data Structures and Classes and Objects.

AP COMPUTER SCIENCE PRINCIPLES - 1 Credit
Prerequisites: AP Potential & Min. 500 on P/SAT Math Section,
Grade 11-12
Length: Full Year
Following the College Board's suggested curriculum designed to parallel college-level computer science principles courses, AP Computer Science Principles courses introduce students to the fundamental ideas of computer science and how to apply computational thinking across multiple disciplines. These courses teach students to apply creative designs and innovative solutions when developing computational artifacts. These courses cover such topics as abstraction, communication of information using data, algorithms, programming, the Internet, and global impact.

ADVANCED CYBERSECURITY (0.5 Credits)
Corequisite: Geometry, Any Programming Course
Grade: 11 - 12
Length: Half Year
As our world becomes increasingly dependent on technology, cybersecurity is a topic of growing importance. It is crucial that companies and individuals take precautions to protect themselves from the growing threat of cyber attacks. This course prepares students with crucial skills to be responsible citizens in a digital future. This is a semester-long course for high school students.

VIDEO GAME DESIGN (Javascript) 0.5 Credits
Prerequisites: Introduction to Javascript,
Grade: 10 - 12
Length: Half Year
The CodeHS video game design curriculum teaches the foundations of creating video games in JavaScript. While this course is introductory, it is an honors-level course. Its curriculum teaches the foundations of computer science and basic programming, with an emphasis on helping students develop logical thinking and problem solving skills. Once students complete the

course, they will have learned material equivalent to a semester college introductory course in Computer Science and be able to program in JavaScript

ADVANCED SUBJECTS

INTRODUCTION TO ARTIFICIAL INTELLIGENCE 0.5 Credits
Prerequisites: Introduction to Python,
Grade 11-12
Length: Half Year

The Introduction to Artificial Intelligence course teaches students important programming concepts that enable the use of Artificial Intelligence in computer science and society at large. Students will learn how to incorporate basic Artificial Intelligence algorithms in their own work, and consider the social and ethical implications of how Artificial Intelligence is used, and how it plans to be used. Students will develop a series of projects that illustrate the variety of ways Artificial Intelligence can be used to optimize and predict information and processes.

DATA SCIENCE 0.5 Credits
Prerequisites: Introduction to Python or Javascript,
Grade 11-12
Length: Half Year

Industries of all types are hiring data scientists to analyze and highlight the hidden patterns in data. This course equips students with the essential skills of a data scientist which include data collection, cleanup, transformation, analysis, and visualization. Students will write algorithms and build statistical models. They will also use the same tools that data scientists use to draw meaningful insights and solve organizational problems.

MOBILE APPs 0.5 Credits
Prerequisites: Web Design, Basic coding experience (JavaScript)
Grade: 10 -12
Length: Half Year

Mobile applications are becoming increasingly important to our consumption of media, news, social interaction, and learning. In this course, students will learn how to create mobile apps using React Native, a popular platform-agnostic framework. As an online blended high school course, students will design and build applications to run on their own smartphones and will use the latest tools and

d. Science & STEM

SCIENCE COURSE TRACKS			
GRADE 9	**GRADE 10**	**GRADE 11**	**GRADE 12**
Biology Biology H	Environmental Science Environmental Science H	Chemistry Chemistry H	Science Elective
Environmental Science Environmental Science H	Biology Biology H	Chemistry Chemistry H	Science Elective
Biology Biology H	Chemistry Chemistry H	Physics Physics H	Science Elective

Anatomy and Physiology (1 Credit)
Prerequisite: Biology and Chemistry
Grade: 10 -12
Length: Full Year
This course provides a comprehensive study of the anatomy and physiology of the human body. Topics include body organization; homeostasis; cytology; histology; and the integumentary, skeletal, muscular, nervous, sensory, cardiovascular, and respiratory systems . Upon completion, students should be able to demonstrate an in-depth understanding of principles of anatomy and physiology and their interrelationships. Laboratory work includes dissection of preserved specimens, microscopic study, physiologic experiments, computer simulations, and multimedia presentations.

AP Biology (1 Credit)
Prerequisites: Biology, Chemistry and Teacher Recommendation(s)
Grade: 10 -12
Length: Full Year
AP Biology is a challenging course that is designed to be the equivalent of a college introductory biology course. AP Bio includes topics regularly covered in a college biology course for majors. It differs significantly from the usual first high school course in biology with respect to the kind of textbook used, and the range and depth of topics covered, the kind of laboratory work, and the time and effort required of students. AP Bio provides students with the conceptual framework, factual knowledge, and analytical skills necessary to deal critically with the rapidly changing science of biology. Because of the scope of the curriculum, some areas are covered in detail and others are skimmed over. Students must assume the responsibility for filling in the gaps with their own reading. They are expected to spend *at least* an hour a day on this course. The most important difference between the AP course and the first biology course is that students must assume responsibility for their own learning. The big ideas covered in AP biology are 1) evolution as the source for diversity and unity of life 2) biological systems utilize free energy to grow, reproduce and maintain homeostasis 3) living systems retrieve, transmit and respond to stimuli 4) biological systems interact and engender emergent properties.

AP Chemistry (1 Credit)
Prerequisite: At least a A- in Honors Chemistry or Chemistry
Grade: 11 -12
Length: Full Year
AP Chemistry is a college freshman level course following the curricula recommended by the College Board. AP Chemistry course usually follows high school chemistry, involves a significant amount of algebra and calculation, and is appropriate for outstanding students who are strong in math and science. Topics covered may include atomic theory and structure; chemical bonding; nuclear chemistry; states of matter; and reactions (stoichiometry, equilibrium, kinetics, and thermodynamics).

The course is designed to prepare the student for the AP Chemistry exam in May. The AP exam can serve as a basis for credit and/or exemption for freshman college Chemistry. The use of technology (scientific equipment, calculators, computers/CBLs, research, etc.) will be an integral part of this course.

Biology (1 Credit)
Prerequisites: None
Grade: 9 - 10

Length: Full Year
Biology is an introductory laboratory-based course designed to study living organisms. Students will apply scientific methods of inquiry and research in examining the following topics: biochemistry, cell structure and function, cell energy, genetics, evolution, and ecology. Students will also recognize the significance of these concepts in society. This course is a state-mandated graduation requirement.

Bioethics (0.5 Credits)
Prerequisites: Biology and Teacher approval
Grade: 10 -12
Length: Half Year
Bioethics is a semester, undergraduate-level course that explores moral dilemmas pertaining to biology, particularly medicine. After an introduction to ethics and argumentative writing, students will engage in open, insightful discussions on clinical trials, modern eugenics (*i.e.* genetically engineering humans), euthanasia, abortion, doctor-patient confidentiality, and reproductive control. Students will reflect on their beliefs and apply them in a professional fashion. In addition to written assessments (*vis.* mainly papers and quizzes), students will be required to formally debate peers, actively participate in class discussions and annotate college-level essays.

Marine Biology (0.5 Credits)
Prerequisites: Biology and Teacher approval
Grade: 10 -12
Length: Half Year
This course provides an introduction to marine organisms and the physical and biological processes that affect them. The course begins with an investigation into the geologic processes behind the formation of ocean basins, the causes and maintenance of currents and ocean circulation, and the physical factors influencing primary productivity in marine environments. The course then transitions into an exploration of various marine organisms, as well as the physiological adaptations these organisms have to the marine environment.

Chemistry (1 *Credit)*
Prerequisite: Completion of Biology and a B- or above in Algebra I.
Grade: 10 -12
Length: Full Year
This course is the default chemistry course offered. Its purposes are to help students realize the important role that chemistry plays in our lives and civilization, use principles of chemistry to think with more insight about current issues they will encounter that involve science and technology. Chemical principles and quantitative relationships are explored through laboratory work, reading assignments, and class discussion. The course provides a survey of the concepts of inorganic chemistry with emphasis on the molecular nature of matter, the periodicity of matter, and chemical equilibrium. Students are expected to use principles of quantitative reasoning in solving problems. The scope and depth of the course provides students more than adequate preparation for college level chemistry. Students are encouraged to develop higher order thinking and problem solving skills, as well as link chemical concepts with other science and engineering.

Environmental Science (1 Credit)
Prerequisite: None
Grade: 10 -12

Length: Full Year
Environmental Science examines the mutual relationships between organisms and their environment. In studying the interrelationships among plants, animals, and humans, this course covers the following topics: land and aquatic ecosystems, population and growth studies, pollution, and conservation of natural resources.

Forensic Science 0.5 *Credits*
Prerequisite: Completion of Chemistry and Biology.
Grade: 10 -12
Length: Half Year
Forensic Science is the application of science to those criminal and civil laws that are enforced by police agencies in a criminal justice system. It has become a comprehensive subject incorporating Biology, Chemistry, Physics, Entomology, Earth Science, Anatomy and Physiology as well as other aspects of Science. Major topics include processing a crime scene, collecting and preserving evidence, identifying types of physical evidence, organic and inorganic analysis of evidence, hair, fibers, and paint, toxicology, arson and explosion investigations, serology, DNA, fingerprints, firearms, and document analysis. The main focus of this course will be to emphasize the evidential value of crime scene and related evidence and the services of what has become known as the crime laboratory. This course combines basic theory and real laboratory experiments, creating an experiment based situation for the better understanding of the students. The experiments used reinforce previously learned scientific principles rooted in Biology, Chemistry and physics. Each unit has its own experiments, which can be modified depending on class size and exterior circumstances such as climate.

Organic Chemistry (0.5 Credits*)*
Prerequisite: Chemistry and Biology; At least a A- in Chemistry/ B+ Honors Chemistry
Grade: 10 -12
Length: Half Year
Organic chemistry, when most simply defined, is the study of carbon. This branch of chemistry when combined with three other elements, hydrogen, oxygen and nitrogen, can comprise well over ten million compounds. This course will give students the necessary foundation upon which to build higher-level thinking allowing them to make informed decisions on their surroundings. In other words, upon successful completion of this class, students will understand the relationship between structure and function of molecules, the major classes of reactions, reaction energetics and mechanisms, synthesis of organic compounds, and how to determine structure via various spectroscopic techniques. Several themes are prevalent in each unit of study: nomenclature, chemical and physical properties, structures, mechanisms, common molecules, and the diversity of organic molecules in plants, bacteria, and animals. Examples of science-related careers that require a background in organic chemistry include biology, medicine, biochemistry, chemical and biochemical engineering, environmental science, food science, materials science and pharmacology.

APPLIED NUTRITION 1 Credit
Prerequisite: None
Grade: 10 -12
Length: Full Year
Applied Nutrition covers the biochemistry of foods and nutrients with consideration of the physiological effects of specialized diets for specific biological needs. Topics include cultural, religious, and economic factors that influence a person's acceptance of food, as well as nutrient requirements of the various life stages. Upon completion, students should be able to identify the

functions and sources of nutrients, the mechanisms of digestion, the nutritional requirements of all age groups, and public health.

PHYSICS WITH LAB 1 Credit
Grade(s): 11-12
Length: Full Year
Prerequisites: Students must have passed Biology and Chemistry. (Co-Requisite: Algebra II) Physics is a laboratory science course that provides an understanding of many of the scientific principles we meet in our daily lives and helps to develop reasoning power by exposing the student to problem solving in laboratory situations. Areas of study include: mechanics, wave motion, heat, light, electricity, magnetism, electromagnetism, and atomic and nuclear physics.

INTRODUCTION TO ENGINEERING DESIGN 2.5
Corequisite: Geometry
Grade: 10 - 12
Length: Half Year
The Introduction to Engineering course is the introductory course for pre-engineering students. Students will be learning the basics of different Engineering disciplines like Electrical Engineering, Architectural Engineering, Computer Science Engineering,Electronics Engineering as well other types of Engineering with hands-on activities and kits. Students will work individually and in teams to identify problems, brainstorm, sketch, and model solutions . Successful completion of Introduction To Engineering Design fulfills the New Jersey graduation requirement in 21st Century Life and Careers.

ROBOTICS 2.5
Corequisite: Geometry, Any Programming Course
Grade: 10 - 12
Length: Half Year
Students will build a robot and utilize tools for self-growth in technical skill development and engineering design. Students will program to simulate robots and then program the built robots to control the movements and complete challenging tasks. Students will explore and learn the different parts of a robot, their functionalities, the motors used to control robots and how to configure and program them.Students will gain in depth knowledge on the field of robotics and its applications.

GLOBAL HISTORY AND GEOGRAPHY - I 04051 (1 Credit)
Prerequisite(s): None
Length: Full Year
Grade: 9
Global History and Geography I provides students with an overview of world history, from early civilizations to the 1750 AD. Students will examine political, economic, social, religious, military, scientific, and cultural developments and themes, as well as geographical aspects of various time periods. Students will examine the broader themes, which includes, but is not limited to, the development of civilization, belief systems, the impact of classical civilizations, transregional trade networks, and global interactions.
Required Regents Exam: None

GLOBAL HISTORY AND GEOGRAPHY - II 04052(1 Credit)
Prerequisite(s): None
Length: Full Year
Grade: 10
Global History and Geography II provides students with a continuation of an overview of world history, from the 1750 A.D. to the contemporary era. Students will examine political, economic, social, religious, military, scientific, and cultural developments and themes, as well as geographical aspects of various time periods. Time periods include, but are not limited to, the Enlightenment, the Industrial Revolution, World War I, World War II, and the Cold War. Students will examine the broader themes of nationalism, imperialism, decolonization, modernization, globalization, and human rights.
Required Regents Exam: Global History & Geography

U.S. HISTORY AND GOVERNMENT 04101 (1 Credit)
Prerequisite(s): Global H. I and II
Length: Full Year
Grade: 11
Course Description: U.S. History and Government provides students with an overview of the history of the United States. The course examines time periods from colonial foundations through the present day and includes an overview of historical, political, military, scientific, and social developments. Students will look at themes seen throughout American history, such as colonialism, nationalism, sectionalism, industrialization, urbanization, and globalization.
Required Regents Exam: U.S. History & Government

AP UNITED STATES HISTORY - 04104 (1 Credits)
Prerequisite: A- in United States History I Honors

Length: Full Year
Grades: 10-12
Advanced Placement United States History is a full year survey course in American history. The course timeline begins in the Pre Columbian era and concludes in the present day. The course has students investigate the content of U.S. history for significant events, individuals, developments, and processes in nine historical periods, and develop and use the same thinking skills and methods (analyzing primary and secondary sources, making historical comparisons, chronological reasoning, and argumentation) employed by historians when they study the past.

GLOBAL ISSUES – 04064 (0.5 Credits)
Prerequisite: None
Length: Half Year, 1 Semester
Grades: 9-12
This class focuses on the study of international and domestic issues, including but not limited to, current events, important benchmark moments in world history, global trends in the fields of government, economy, human rights, gender issues and diplomacy. The nature of this class allows for flexibility regarding day to day events in the news. Students who take this class will be expected to remain cognizant of how current events are shaping the world around them. A world which they are and will continue to be active citizens in.

SOCIOLOGY - 04305 (0.5 Credits)
Prerequisite: None
Length: Half Year, 1 Semester
Grades: 9-12
Sociology is the study of all aspects of society. This elective class concentrates on the social lives of people, groups, and societies. the study of our behavior as social beings, covering everything from the analysis of short contacts between anonymous individuals on the street to the study of global social processes. Sociologists generate theories about social issues such as the role of gender roles, crime, age, racism, and culture. Over the course of the course you will learn to view various themes in sociology through those theoretical perspectives.

PSYCHOLOGY – 04254 (0.5 Credits)
Prerequisite: None
Length: Half Year,
Grades: 9-12
Psychology introduces students to the systematic and scientific study of human behavior and mental processes. While considering the psychologists and studies that have shaped the field, students explore and apply psychological theories, key concepts, and phenomena associated with such topics as the biological bases of behavior, sensation and perception, learning and cognition, motivation, developmental psychology, testing and individual differences, treatment of abnormal behavior, and social psychology.

AP HUMAN GEOGRAPHY - (1 Credit)
Prerequisite: Teacher Recommendation
Length: Full Year
Grades: 9-12
AP Human Geography is a college-level class where students will study human geography and cultural geography. Students will investigate five different types of geography and learn about different regions of the world to better understand the various societies around the world.

Learners will engage in topics such as ethnicities, cultures, religions, population growth, technological innovation, political power, climate change, and many more.

HOLOCAUST & GENOCIDE STUDIES - (0.5 Credits)
Prerequisite: None
Length: Half Year
Grades: 9-12
The purpose of this course is to provide a better understanding of the psychological and social forces that have created genocidal movements. Special attention is paid to the Holocaust, but many other historic and contemporary genocides are explored.

U.S. GOVERNMENT—COMPREHENSIVE (0.5 credits)
Prerequisite: NONE
Length: Half Year
Grades: 11, 12
U.S. Government—Comprehensive courses provide an overview of the structure and functions of the U.S. government and political institutions and examine constitutional principles, the concepts of rights and responsibilities, the role of political parties and interest groups, and the importance of civic participation in the democratic process. These courses may examine the structure and function of state and local governments and may cover certain economic and legal topics.

ECONOMICS (0.5 credits)
Prerequisite: NONE
Length: Half Year
Grades: 11, 12
This course aims to provide students with theoretical underpinnings and functional knowledge in economics to become informed consumers, producers, and citizens in today's world. Economics is the study of how individuals, businesses, and governments make decisions about the use of scarce resources in a world of unlimited wants and needs. This is done at both the microeconomic and macroeconomic level, both of which will be examined in detail. At the microeconomic level, students will investigate the smaller units of the economy and individual firms and markets. In macroeconomics, students will study the global economy and economics of nations and governments as they try to foster growth and stability. The course is useful in helping students to acquire many life skills, and also in establishing a foundation for a more advanced study of economics.

f. Visual and Performing Arts

VISUAL ARTS

FOUNDATION OF ART I - 05154 (1 Credit)
Prerequisites: None
Length: Full year
Grades: 9-12
Foundation of Art introduces students of all levels to the world of art and design. As an introductory level class, students will be offered opportunities to create works using numerous materials and techniques. The course explores basic media including drawing, painting, printmaking, and sculpture. Student artists will begin to develop a vocabulary in composition and various mediums while exploring personal solutions for problems in the arts. This course provides a backdrop to other classes in the visual arts program and allows students the chance

to create a cumulative portfolio of their best works. Students will understand and demonstrate knowledge of critique by examining a variety of styles, methods, and techniques. Students will understand the significance of a variety of art movements throughout time, and will identify significant individuals and their contributions to art today.

FOUNDATION OF ART II (ADVANCED) - 05155 (1 Credit)
Prerequisites: Foundation of Art with a grade of A- or higher, teacher recommendation
Length: Full Year
Grades: 10-12
Students will produce both teacher assigned and self-generated independent projects using a wide range of artistic media. The focus of this course is on drawing and painting techniques with the overall goal of creating a cohesive portfolio of their best work. Students' work will be critiqued in teacher-to-student and student-to-student discussion to provide necessary feedback required for student growth.Students may generate several pieces that they can take with them to the more advanced follow-up course, AP Studio Art. Students will also be exposed to a greater depth of art history and artistic movements that relate back to the course projects. Students will use art vocabulary in describing, analyzing, evaluating, and judging works of art.

3D ARTS - 05162 (1 Credit)
Prerequisites: None
Length: Full Year
Grades: 9-12
3D introduces students of all levels to the journey into three dimensional artwork; observing in terms of its height, width and depth. Students will be offered the opportunity to create works of "form" using numerous materials and techniques. The course explores basic media drawing and painting at first, then venturing into cutting, pasting, sculpting and building at the end. Student artists will begin to develop a vocabulary in composition and various mediums, while exploring personal problem solving and critical thinking. Students will understand the significance of a variety of art movements throughout time, and will identify significant individuals and their contributions to art today.

PAINTING - 05162 (0.5 Credits)
Prerequisites: None
Length: Half Year
Grades: 9-12
Painting is a beginner level class that will enhance your skills with color theory, and techniques, while diving into themes and artists. This class will challenge your critical thinking skills and problem solving, and develop your artistic ability in an innovative way. Come paint your way through class, and remember there are only happy little mistakes.

DRAWING - 05162 (0.5 Credits)
Prerequisites: None
Length: Half Year
Grades: 9-12
Drawing is a beginner level class that will enhance your skills with color theory, and techniques, while diving into themes and artists. This class will challenge your critical thinking skills and problem solving, and develop your artistic ability in an innovative way. Come paint your way through class, and remember there are only happy little mistakes.

PERFORMING ARTS

INTRODUCTION TO PERFORMANCE - 05051 (1 Credit)
Prerequisites: None
Length: Full Year
Grades: 9-12
Students will enter into a base level acting course which will focus on a selection of different theater practitioner's and their acting techniques. This course will focus on in-class character development and intense scene study. Students will be trained on how to act and have a collection of skills to choose from if deciding a career in entertainment. Students will learn how to work as an ensemble while reading and reacting to behavior generated by partners. Students will learn basic stage make-up, costuming, prop design. Students will have a generalized understanding of the production process. Students will also be introduced to entertainment in a "creative constructive play" format; allowing theater games, improvisational prompts to aid in imagination, creativity, and spontaneity. Students will be introduced to performance through multicultural and American culture. Performance studies covers a broad range of focus from theater to cultural studies. Students will dive into a myriad of performances on/off stage, live/recorded, performance art, storytelling, spoken word/poetry, political/public speaking, concerts, protests, and everyday happenings. We will read texts and apply them to various performance roles and sites venues where we observe and participate in performance. Students will develop a genuine love and deeper appreciation for Performing Arts.

ADVANCED ACTING - 05168 (1 Credit)
Prerequisite: Teacher's approval,
Grades 11-12
Length: Full Year
Develops the actor's skill through scene study and circumstantial improvisations. Emphasizes the actor's personal input into the process of creating a role. Focuses on the use of intentions and advanced script analysis. This course is focused on helping actors achieve more believable performances. The course is centered on scene study and audition techniques. The focus is on learning about and refining a practical acting process that can be tailored for each individual actor. This process can effectively be used for acting in film, television, and on stage. The class includes voice work for the actor, as well as instruction on audition technique, and helping actors understand what audition material might work best for them.

DANCE IMPROVISATION - (0.5 Credits)
Length: Half year,
Grades: 9-12
This course will investigate improvisation in dance at the beginning level. It will incorporate improvisational exercises that will lead to short phrase work. This course is designed to help students discover and develop their creative movement potential. Through guided movement exercises, the class will explore the basic movement elements of space, time, weight, and flow and the spontaneous use of movement through structured improvisations derived from movement concepts, games, imagery, media sources, chance procedures, and various improvisational practices. The course develops skills in the creation of spontaneous movement experiences with the purpose of increasing body awareness, movement invention and movement creativity.

MOVEMENT FOR THE ACTOR 05052 (0.5 credits)
Prerequisites: Teacher Recommendation (any acting course)
Length: Half Year
Grades: 10-12

This course covers the identification and application of physical technique for actors. The major emphasis of this course is to provide an expressive range of gesture, movement dynamics and use of space for the ability to interpret text analysis into physical characterization for the actor. The course also offers actors techniques for increased physical flexibility, alignment and control. Students will be engaged in a process of exploration that centers on the physical relationship of the actor to the physical reality of the stage. You will be introduced to a broad spectrum of contemporary, and classic movement theories, stage combat, approaches to constructing performance, along with breath/vocal work, concentration exercises, and generative exercises that are designed to support the creative process as performance professionals.

ACTING FOR THE CAMERA 05052 (0.5 credits)
Prerequisites: None
Length: Half Year
Grades: 10-12
This course is designed to steer students in making the transition from performing in the theatre to performing for the camera. Through exercises and scene study, the students will explore the terminology of equipment and procedure that is specific to film acting and will learn how to develop their range of physical, vocal, intellectual and emotional expressiveness while facing the camera. This course will help to bring students' unique talent and personality to the screen with full confidence, specificity, intimacy, and freedom. The scenes for this course will be Student selected upon Instructor approval.

VOICE & SPEECH (0.5 credits)
Prerequisites: None
Length: Half Year
Grades: 9-12
This introductory class will examine the fundamentals of vocal production, and the concept of voice and speech as gesture and action as it relates to dramatic communication. Through physical exercises and text work, students will develop an awareness of breath, sound placement, resonance, focus, intention, the function of vowels and consonants in spoken English, and sensory awareness.

MUSIC

PIANO METHODS I - 05107 (1 Credits)
Prerequisites: None
Length: Full Year
Grades: 9-12
Piano Methods combines early music theory with the basic technique covering keyboard skills, notation, and repertoire. This course is intended for the student without previous keyboard experience or with limited piano background who wants to explore a variety of musical repertoire, basic musical terminology and keyboard navigation. In this course students will explore music theory concepts of pitch, rhythm, key signatures, time signatures, expressions, and scalar patterns.
Students will apply concepts to piano performance, including how to read music scores, analyze them, and be able to evaluate different musical selections, incorporating melodic, harmonic, and rhythmic dictation. Students will discuss and play different musical genres from the Renaissance era until the 21st century, including world music.
Students will share knowledge with peers in student-led discussion, providing feedback and strategies to improve performances. Students enrolled will also learn and understand procedures and etiquettes expected in a performance setting.

Piano Methods II (1 Credits)
Prerequisites: Piano I
Length: Full Year
Grades 10-12
Piano Methods II is a continuation of Piano Methods I. More advanced skills will be taught. Students will apply concepts to piano performance, including how to read music scores, analyze them, and be able to evaluate different musical selections, incorporating melodic, harmonic, and rhythmic dictation. Students will discuss and play different musical genres from the Renaissance era until the 21st century, including world music.
Students will share knowledge with peers in student-led discussion, providing feedback and strategies to improve performances. Students enrolled will also learn and understand procedures and etiquettes expected in a performance setting.

GUITAR METHODS - 05108 (1 Credit)
Prerequisites: None
Length: Full Year
Grades 10-12
The fundamentals of the guitar are covered in this course, as well as essential musical concepts. Through the study of chord symbols, music notation, and peer modeling, students will learn the fundamentals of playing the guitar at a beginner level. The goal of this course is to establish/improve students' guitar playing ability, while fostering a greater appreciation for music. Students will learn how to read music notation, chord charts, and tablature, and will perform in both solo, duet, and ensemble formats. The important role that guitar has played within various genres of music will also be explored. These genres include classical, flamenco, jazz, blues, rock, pop music and others.

CHOIR - 05110 (1 Credits)
Prerequisites: None
Length: Full Year
Grades: 9-12
Choir combines early music theory with the basic technique covering choral skills, technique, and repertoire. The core curriculum emphasizes the basics of vocal technique, sight-reading, and music theory, as well as exposes the students to vocal training in both performing and non-performing arts tasks, such as projection, solo-singing, and speaking to an audience. Students enrolled will also learn and understand procedures and etiquettes expected in a performance setting. In this course, students will explore music theory concepts of pitch, rhythm, key signatures, time signatures, expressions, and scalar patterns. Students in Choir are expected to participate in one evening concert each semester (Winter and Spring Concerts) as a major part of their grade. Students will discuss and vocalize different musical genres from the renaissance era until the 21st century, including world music. Students will share knowledge with peers in student-led discussion, providing feedback and strategies to improve performances. Students enrolled will also learn and understand procedures and etiquettes expected in a performance setting.

Advanced CHOIR - (1 Credits)
Prerequisites: Successful completion of Choir or/and Teacher recommendation
Length: Full Year
Grades: 10-12
Advanced Choir is a select chorus upon recommendation of the teacher and audition, which performs difficult music of all styles and performs frequently during the year. Membership is

open to all students by audition in the spring. Skill in music reading and good voice quality is necessary. Participation at scheduled music performances (including Winter and Spring Concerts; evenings and weekends) is a requirement of this course.Students enrolled will also learn and understand procedures and etiquettes expected in a performance setting. In this course, students will explore music theory concepts of pitch, rhythm, key signatures, time signatures, expressions, and scalar patterns. The study, analysis and resulting performance of choral literature (secular, sacred, folk songs, spirituals, popular, Broadway, multicultural and world music) contributes not only to a comprehensive music education but also the appreciation and respect of other world cultures and societies. Students will share knowledge with peers in student-led discussion, providing feedback and strategies to improve performances. Students enrolled will also learn and understand procedures and etiquettes expected in a performance setting.

MUSIC HISTORY - (1 Credits)
Prerequisites: NONE
Length: Full Year
Grades: 9-12
Music History will span from Ancient Greek Music, Medieval, Renaissance, Classical, Romantic, 20th Century Music. Over this course you will learn about composers, analyze their music, listen to their music and understand music's important role in the lives of people and how it influenced history and music forever.

g. Physical Education

Physical Education (0.5 Credits)
Prerequisite: None
Length: Half Year
Grades: 9-12
Physical Education courses provide students with the knowledge, experience, and an opportunity to develop skills in more than one of the following sports or activities: team sports, individual/dual sports, recreational sports, and fitness/conditioning activities.

HEALTH EDUCATION - 08051 (0.25 Credits)
Prerequisite: None
Length: 1 Marking Period, Quarter-Year
Grades: 9
Students will learn about dangerous effects and consequences using Illegal drugs and alcohol, as well as how to make healthy decisions and lifetime goals. In addition the course stresses the importance of thinking about planning before having a family, such as relationships and dating. The main emphasis is on pregnancy and STDs prevention and detailed information about contraceptive methods.

DRIVER'S EDUCATION - 08151 (0.25 Credits)
Prerequisite: None
Length: 1 Marking Period, Quarter-Year
Grades: 10
Driver's Education course is a designated Driver Education Theory, and as such is designed to help students become safe, knowledgeable drivers. The safe and proper operation of a motor vehicle is perhaps one of the most important skills to be mastered in today's society. The need for basic, personal transportation has become a fact of life, but serious responsibilities go along

with the acquisition of the driving privilege. The course is dedicated to the concept of helping young drivers save lives-their lives as well as the lives of others. While taking the course, students will also learn about the basic traffic laws and rules of the road that apply to common everyday driving situations.

FIRST AID & CPR - 08055 (0.25 Credits)
Prerequisite: None
Length: 1 Marking Period, Quarter-Year
Grades: 11
This course covers First Aid basics and CPR AED through a student Workbook and the video designed for this class. Students will learn how to respond to a medical emergency, how to help choking an infant, child and adult, care for wounds and bleeding, as well as care for broken bones and injuries. During this course students will practice first aid and CPR skills and receive a Heartsaver First Aid CPR AID course completion card.

HEALTH & LIFE MANAGEMENT - 08057 (0.25 Credits)
Prerequisite: None
Length: 1 Marking Period, Quarter-Year
Grades: 12
This course will focus on family planning and life goals. Students will learn and experience how to be in a relationship/marriage and figure out how to plan for future life. They will also experience how to be a parent by taking care of a “baby” inside and outside the school and record/share their experience in class. Diversity seems to be the future of the American Family, but the ideal of marrying and having children to love and care for is still a vital part of the family in America.

h. World Languages

SPANISH I - 06101 (1 Credit)
Prerequisite #1: None (For students whose mother tongue is the language studied, an advanced placement test is required to go to the next level)
Length: Full year
Grades: 9, 10, 11
The first year in the study of these languages, students will use all the methods of communication divided in the three modes: Interpretive, Interpersonal and Presentational. All these strands represent the learning of reading, writing, speaking, and listening, aligned with technology. The emphasis is on acquiring the vocabulary and learning the basic structures of the languages, engaging students to read, write and interpret the target language at this level, as well engaging cultural studies.

SPANISH II - 06102 (1 Credit)
Prerequisite: Full successful year completion of Spanish I; For students whose mother tongue is the language studied, an advanced placement test is required to go to the next level.
Length: Full Year
Grades: 9, 10, 11, 12

The second year of study is fundamental and is a continuation of the first level. At this level students will learn more advanced structure and vocabulary in order to develop the communication skills: listening is extended to more dialogue, narrative and description, speaking, reading, critical thinking. Interpretation and comprehension of the varied types of topics, and writing as well, is important at this level.
The context and vocabulary expand knowledge with the geographic historical and cultural aspects of the different countries when the language is used. This course helps to solidify the knowledge of the foreign language and to be able to communicate in the target language to promote for the advanced level.

SPANISH III - 06103 (1 Credit)
Prerequisite: A- or above in Spanish I or Spanish II, Placement Test, teacher recommendation
Length: Full Year
Grades: 10, 11, 12
The world language program offers a more challenging study of the target language and culture. This course will be offered to those students who have satisfactorily completed the first two years of the language. Study of grammar structure will continue, with emphasis on verbs. Reading books will be introduced, as well as short selections.
Students will be able to read to expand their knowledge of vocabulary and culture awareness. The major emphasis of this course is to enhance the skills of reading, speaking, writing, listening and technology. Intensive conversation practice is a part of the course level.

AP - SPANISH IV: Language & Culture - 06106 (1 Credit)
Prerequisite: Placement test and teacher recommendation; A- in Spanish I, II, III
Length: Full Year
Grades: 12
This course is an intensive college level course, designed for the serious students whose ambitions are to develop proficiency in listening, speaking, writing, and reading in high school. Advanced stylistic grammar, cultural reading, and current daily events using written materials in target language are utilized in the course. Comparing and contrasting different topics of the cultural studies are used in preparation for the College Board exam.

German I - (5 Credits)
Prerequisite #1: None
Length: Full year
Grades: 9, 10
The first year in the study of these languages, students will use all the methods of communication divided in the three modes: Interpretive, Interpersonal and Presentational. All these strands represent the learning of reading, writing, speaking, and listening, aligned with technology. The emphasis is on acquiring the vocabulary and learning the basic structures of the languages, engaging students to read, write and interpret the target language at this level, as well engaging cultural studies.

German II - (1 Credit)
Prerequisite : German I
Length: Full Year
Grades: 9, 10

The second year of study is fundamental and is a continuation of the first level. At this level students will learn more advanced structure and vocabulary in order to develop the communication skills: listening is extended to more dialogue, narrative and description, speaking, reading, critical thinking. Interpretation and comprehension of the varied types of topics, and writing as well, is important at this level.
The context and vocabulary expand knowledge with the geographic historical and cultural aspects of the different countries when the language is used. This course helps to solidify the knowledge of the foreign language and to be able to communicate in the target language to promote for the advanced level.

Korean I - (1 Credit)
Prerequisite: None
Length: Full year
Grades: 9, 10
The first year in the study of these languages, students will use all the methods of communication divided in the three modes: Interpretive, Interpersonal and Presentational. All these strands represent the learning of reading, writing, speaking, and listening, aligned with technology. The emphasis is on acquiring the vocabulary and learning the basic structures of the languages, engaging students to read, write and interpret the target language at this level, as well engaging cultural studies.

Korean II - (1 Credit)
Prerequisite: Full successfully year completion of Korean I;
Length: Full Year
Grades: 9, 10
The second year of study is fundamental and is a continuation of the first level. At this level students will learn more advanced structure and vocabulary in order to develop the communication skills: listening is extended to more dialogue, narrative and description, speaking, reading, critical thinking. Interpretation and comprehension of the varied types of topics, and writing as well, is important at this level.
The context and vocabulary expand knowledge with the geographic historical and cultural aspects of the different countries when the language is used. This course helps to solidify the knowledge of the foreign language and to be able to communicate in the target language to promote for the advanced level.

E. Promotion and Graduation Policy

a. Graduation Requirements

Uptown ASCS' graduation requirements exceed the minimum state requirements. To obtain a Local or Regents diploma at Uptown ASCS, high school students must earn a total of 24 credits and successfully complete five mandatory NYS Regents examinations for graduation. There are two types of diplomas available for students: Regents Diploma and Advanced Regents Diploma. Additionally, students have the opportunity to achieve honors, advanced designations, and/or seals alongside their diploma. The tables provided below outline the graduation requirements, credits, and exam prerequisites based on the type of diploma:

b. Diploma Requirements

	Regent Diploma		Advanced Regent Diploma	
Subject Area	**Credit Requirements**	**Regent Requirements 5 Exams *****	**Credit Requirements**	**Regent Requirements 9 Exams *****
English Language Arts	4	1	4	1
Social Studies	4	1	4	1
Mathematics	4	1	4	3
Science	3*	1	3*	2
World Languages	2		3	
Visual & Performing Arts	1		1	
Physical Education	2**		2**	
Health	0.5		0.5	
Electives	3.5		2.5	
PATHWAY: Arts or Humanities or Civics or STEM, or World Languages		1****		1 Regents Pathway 1 World Language
TOTAL	**TOTAL 24**		**TOTAL 24**	

The standard academic load is seven courses per year. Credit is granted for passing work (a 70 or above) at the end of each course. Courses are assigned 1 credit per year-long course and 0.5 credits per semester courses.

* At least one year of Physical Education and one year of Life Science.
** Physical Education: Students need to enroll in PE every semester until they complete 4 years of PE.
***Under the "4+1" pathway assessment option, students must take and pass four required Regents exams and complete a comparably rigorous pathway to meet the fifth assessment requirement for graduation.
****Under the 7+2 pathway assessment option, students must take and pass 7 required Regents exams and complete a comparably rigorous pathway to meet the nine-assessment requirement for graduation. Students may utilize other pathway options by taking alternate examinations.

c. Promotion and Retention

A student will be promoted to the next grade when he/she has completed, in the current school year, the number of credits required for that grade as indicated in the Program of Study.

Sophomore (10th) - must have satisfactorily completed 5 credits, including English I and Global H. I
Junior (11th) - must have satisfactorily completed 11 credits, including English II and Global H. II
Senior (12th) - must have satisfactorily completed 18 credits English III, and US History

High school students must achieve a course grade average of 70 out of 100 to pass and receive credit in a given course. Teachers are required to complete the final grades before Regents week (by the last day of school). Following this the admin team communicates the information about promotion/retention or summer school options to families via mail, phone, in-person/Zoom conferences.

Students can earn course credits taking an equivalent summer school course through an accredited educational institution. Summer school grades are recorded on the student's transcript with the appropriate coding (SS); they do not replace any grade already earned. The course must be pre-approved by the student's counselor/school principal prior to enrolling in the course. Transcripts from completion of the course must be provided by the student/parents to the counselor in order to accept the recovered credits.

d. Grade Reporting:

Report cards are issued four times a year, approximately one week after the close of each marking period. Progress reports are mailed to parents periodically. Grades will always be accessible to parents through the Student Database System and Schoology. Parents are strongly advised to check their child's progress from the portal.

F. Programmatic Audits

Uptown ASCS's robust approach to evaluating and modifying the academic program revolves around the comprehensive utilization of both qualitative and quantitative data. This approach will enable the school to continuously refine and enhance its academic offerings to meet the needs and expectations of students, staff, and the broader community. Below are key components of how this is achieved:

- Holistic Assessment System: The school employs a blend of diagnostic, formative, summative, and performance-based assessments, leveraging both computer-based and paper-based formats. This multifaceted approach will ensure clear, holistic, and accurate data on student performance, providing insights into the effectiveness of the academic program.
- Frequent Monitoring and Individualized Action Plans: Frequent monitoring of student progress will allow teachers to set specific learning goals and prescribe individualized action plans based on research-based best practices. This nuanced approach will help in identifying areas of strength and those areas needing improvement, allowing for tailored interventions at the student level.
- Aggregated Data Analysis for School-Wide Decisions: Beyond the classroom, the school administrators will analyze aggregate data to gauge the overall effectiveness of the academic programs. Additionally, the academic team members from iLearn Schools Central Office will visit the school twice a year (Fall and Spring) for academic walkthroughs. Each academic team member (Ex: Mathematics Program Director, Science Program Director, etc.) will use the following criteria to assess the effectiveness of the academic programs:
    - Instructional staff experience and credentials
    - Alignment of the instructional practices to the academic programs
    - Current student achievement data and plans in place
    - Collaboration between school administration and the academic program

directors/instructional coaches

They will then assign one of the following to each school for each subject area:

- On Track
- Needs Some Support
- Needs Strong Support

Each member of the academic team will present their findings to each school director and assistant director of academics during the admin debrief meetings. School administrators will be expected to act on the information provided and present their actions to the administrator evaluation team of iLearn Schools, once in the Fall and once in the Spring of each school year.

- By looking at performance trends, Uptown ASCS will identify areas where changes may be needed, either in instructional techniques, curricular design, or support services. This will ensure the school's educational offerings remain aligned with its mission of academic success.
- Incorporation of Stakeholder Feedback: In addition to academic assessments, Uptown ASCS will also gather feedback from students, staff, and parents through surveys and direct communication. This qualitative data will inform various non-instructional practices, including: guiding topics for professional development, developing extracurricular offerings, modifying programs for students and staff, enhancing components such as safety and security, and taking action on specific issues as they arise. This engagement with the broader school community will make sure the school's programs and practices are responsive to the needs and preferences of all stakeholders.
- Continuous Improvement Cycle: A combination of quantitative assessments and qualitative feedback will create a dynamic and responsive feedback loop. This feedback loop will allow the school to continually evaluate the quality and effectiveness of its academic programs and make modifications as needed. The process is not static, but part of an ongoing cycle of evaluation, reflection, and improvement.

Uptown ASCS's approach to evaluating and modifying its academic program through the use of qualitative and quantitative data is comprehensive and has been highly effective in the network's existing schools in New Jersey and New York. By blending a wide range of assessments with stakeholder feedback, the schools create a clear and actionable picture of the academic landscape.

The ongoing evaluation and continuous improvement cycle ensure that the schools' academic program remains vibrant, relevant, and aligned with its mission and vision. Our approach fosters a culture of inquiry, collaboration, and responsiveness that resonates with all stakeholders.

In essence, the ability to synthesize diverse data sources into coherent insights and action plans will make Uptown ASCS a model for data-informed educational excellence. It illustrates the school's commitment to a reflective and adaptive approach, ensuring that its academic program is not just effective in the present, but also poised to meet future challenges and opportunities.

iLearn Schools Inc.

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL

PROPOSED CHARTER SCHOOL APPLICATION FOR SUBMISSION TO THE STATE UNIVERSITY OF NEW YORK BOARD OF TRUSTEES

REQUEST 6:

R-06G - ACCOUNTABILITY PLAN

www.uptowncharter.org

FEBRUARY, 2024

R-06G - Accountability Plan.....1
GOAL I: HIGH SCHOOL GRADUATION.....1
GOAL II: COLLEGE PREPARATION.....3
GOAL III: ENGLISH LANGUAGE ARTS.....4
GOAL IV: MATHEMATICS.....5
GOAL V: SCIENCE.....6
GOAL VI: SOCIAL STUDIES.....6
GOAL VII: ESSA.....7

R-06G - Accountability Plan

Uptown Arts and Science Charter School Accountability Plan
for the Accountability Period 2025-2026 TO 2029-2030

ACADEMIC GOALS

GOAL I: HIGH SCHOOL GRADUATION

Goal: UASCS will meet or exceed identified absolute and comparative graduation objectives for all students.

Leading Indicators

- Each year, 75 percent of students in first and second year high school Graduation Cohorts will earn at least ten credits (if 44 needed for graduation) or five credits (if 22 needed for graduation).
- Each year, 75 percent of students in the second year high school Graduation Cohort will score at or above proficiency on at least three different New York State Regents exams required for graduation.

Absolute Measure

- Each year, 75 percent of students in the fourth year high school Graduation Cohort will graduate.
- Each year, 95 percent of students in the fifth year high school Graduation Cohort will graduate.
- Each year, 75 percent of students in the high school Graduation Cohort pursuing an

alternative graduation pathway (commonly referred to as the 4+1 pathway) will achieve a Regents equivalency score and pass an approved pathway assessment required for graduation by the end of their fourth year in the cohort.

Comparative Measure

- Each year, the percentage of students in the fourth year high school Graduation Cohort graduating will exceed that of the cohort from the local school district.

GOAL II: COLLEGE PREPARATION

Goal: Uptown ASCS students will demonstrate academic preparedness for college and career.

- Each year, 75 percent of graduating students will demonstrate their preparation for college by at least one or some combination of the following indicators:
    - passing an Advanced Placement ("AP") exam with a score of 3 or higher
    - passing a College Level Examination Program ("CLEP") exam;
    - passing a college level course offered at a college or university or
    - through a school partnership with a college or university;
    - achieving the college and career readiness benchmark on the SAT[1];
    - earning a Regents diploma with advanced designation; or,
    - a school-created indicator approved by the Institute.
- Each year, the College, Career, and Civic Readiness Index ("CCCRI") for the school's Graduation Cohort will exceed the state's MIP set forth in the state's ESSA accountability system.
- Each year, the school's CCCRI for the Graduation Cohort will exceed that of the district's Graduation Cohort.
- Each year, 75 percent of graduating students will matriculate into a college or university in the year after graduation.
- Write optional measure(s) here.
    - Each year, the average performance of 10th and 11th-grade students will exceed the local school district average in Reading and Math on the PSAT tests.
    - Each year, the average performance of 12th-grade students will exceed the local school district average on the SAT in Reading and Math annually.
    - Each year, %10 - %15 percent of senior students will complete a Career Exploration Internship program.

[1] Currently, the College Board defines the Evidence-Based Reading and Writing Benchmark at 480 and the Math Benchmark at 530. collegereadiness.collegeboard.org/pdf/educator-benchmark-brief.pdf, p3.

GOAL III: ENGLISH LANGUAGE ARTS

Goal: Uptown ASCS students will be proficient readers, writers, listeners, and speakers of the English language.

Absolute Measures

High School

- Each year, 65 percent of students in the high school Accountability Cohort will meet or exceed Common Core expectations (currently scoring at or above Performance Level 4 on the Regents Exam in English Language Arts (Common Core)) by the completion of their fourth year in the cohort.
- Each year, 80 percent of students in the high school Accountability Cohort will at least partially meet Common Core expectations (currently scoring at Performance Level 3 on the Regents Exam in English Language Arts (Common Core)) by the completion of their fourth year in the cohort.
- Each year, the Performance Index ("PI")[2] on the Regents Exam in English Language Arts (Common Core) of students completing their fourth year in the Accountability Cohort will meet the state Measure of Interim Progress ("MIP") set forth in the state's ESSA accountability system.

Comparative Measures

- Each year, the percentage of students in the Total Cohort meeting or exceeding Common Core expectations on the Regents Exam in English Language Arts (Common Core) will exceed the percentage of comparable students from the district meeting or exceeding Common Core expectations.
- Each year, the percentage of students in the Total Cohort partially meeting Common Core expectations on the Regents Exam in English Language Arts (Common Core) will exceed the percentage of comparable students in the district partially meeting Common Core expectations.
- Each year, the school's PI in English Language Arts of students in the fourth year of their high school Accountability Cohort will exceed the PI of comparable students from the district.

[2] The method for calculating a school's Performance Index is detailed in the state's Revised State Template for the Consolidated State Plan, p 47. The state's Measures of Interim Progress are also found in the Consolidated State Plan, pp 206-210. The revised State Template for the Consolidated State Plan is found here: www.p12.nysed.gov/accountability/essa/documents/nys-essa-plan-final-1-16-2018.pdf

Growth Measures

- Each year, 50 percent of students in the high school Accountability Cohort who did not score at or above proficiency on the New York State 8th grade English language arts exam will meet or exceed Common Core expectations (currently scoring at or above Performance Level 4 on the Regents Exam in English Language Arts (Common Core)) by the completion of their fourth year in the cohort.
- Each year, 75 percent of students in the high school Accountability Cohort who did not score at or above proficiency on the New York State 8th grade English language arts exam will at least partially meet Common Core expectations (currently scoring at Performance Level 3 on the Regents Exam in English Language Arts (Common Core)) by the completion of their fourth year in the cohort.

GOAL IV: MATHEMATICS

Goal: Uptown ASCS students will demonstrate knowledge and understanding of mathematics including application, practical and conceptual understanding, procedural fluency, and problem solving.

Absolute Measures

- Each year, 65 percent of students in the high school Accountability Cohort will meet or exceed Common Core expectations (currently scoring at or above Performance Level 4 on a Regents mathematics exam) by the completion of their fourth year in the cohort.
- Each year, 80 percent of students in the high school Accountability Cohort will at least partially meet Common Core expectations (currently scoring at Level 3 on a Regents mathematics exam) by the completion of their fourth year in the cohort.
- Each year, the school's PI on the Regents mathematics exam of students completing their fourth year in the Accountability Cohort will meet the state MIP set forth in the state's ESSA accountability system.

Comparative Measures

- Each year, the percentage of students in the Total Cohort meeting or exceeding Common Core expectations on a mathematics Regents exam will exceed the percentage of comparable students from the district meeting or exceeding Common Core expectations.
- Each year, the percentage of students in the Total Cohort partially meeting Common Core expectations on a Regents mathematics exam will exceed the percentage of comparable students in the district partially meeting Common Core expectations.

- Each year, the school's PI in mathematics of students in the fourth year of their high school Accountability Cohort will exceed the PI of comparable students from the district.

Growth Measures

- Each year, 50 percent of students in the high school Accountability Cohort who did not score at or above proficiency on their New York State 8th grade math exam will meet or exceed Common Core expectations (currently scoring at or above Performance Level 4 on a Regents mathematics exam) by the completion of their fourth year in the cohort.
- Each year, 75 percent of students in the high school Accountability Cohort who did not score at or above proficiency on the New York State 8th grade math exam will at least partially meet Common Core expectations (currently scoring at Performance Level 3 on a Regents Exam in mathematics) by the completion of their fourth year in the cohort.

GOAL V: SCIENCE

Goal: Uptown ASCS students will demonstrate proficiency in the understanding and application of scientific reasoning.

Absolute Measures

- Each year, 75 percent of students in the high school Accountability Cohort will score at least 65 on a New York State Regents science exam by the completion of their fourth year in the cohort.

Comparative Measures

- Each year, the percent of students in the high school Total Cohort passing a Regents science exam with a score of 65 or above after their fourth year will exceed that of the students in the high school Total Cohort from the local school district.

GOAL VI: SOCIAL STUDIES

Goal: Uptown ASCS students will understand and be able to critically analyze World and United States History and Geography.

Absolute Measures

- Each year, 75 percent of students in the high school Accountability Cohort will score at least 65 on the New York State Regents U.S. History exam by the completion of their fourth year in the cohort.

- Each year, 75 percent of students in the high school Accountability Cohort will score at least 65 on the New York State Regents Global History exam by the completion of their fourth year in the cohort.

Comparative Measures

- Each year, the percent of students in the high school Total Cohort passing a Regents U.S. History exam with a score of 65 or above after their fourth year will exceed that of the students in the high school Total Cohort from the local school district.
- Each year, the percent of students in the high school Total Cohort passing a Regents Global History exam with a score of 65 or above after their fourth year will exceed that of the students in the high school Total Cohort from the local school district.

GOAL VII: ESSA

Goal: The school will remain in good standing.

Absolute Measure

- Under the state's ESSA accountability system, the school is in good standing: the state has not identified the school as in need of comprehensive or targeted assistance.

R-07AC - Calendar and Schedules

A. School Calendar

The Uptown Arts & Science Charter School's 2025-2026 academic calendar is attached:

This comprehensive calendar includes:

- Total Number of Instruction Days: 180 days
- Total Number of Instruction Hours: 1095.0 hours
- First and Last Day of Classes: The school year begins after Labor Day and concludes in June.
- Organization of the School Year: The academic year is divided into four quarters, each averaging around 9 weeks.
- Planned Holidays and Other Days Off: The calendar details all planned holidays, days off, and half days.
- Dates for Summer School, Orientation, and Other Activities: The calendar includes summer school scheduled for July-August, orientation, and other activities outside the core academic calendar.

B. Sample Student Schedule

Calendar and typical school day: Uptown Arts & Science Charter School's (UASCS) academic calendar aligns with the NYC Department of Education School Year Calendar, facilitating consistency in services like student transportation and food provision. The school year is segmented into four quarters, each averaging about 9 weeks, conducive to a focused and engaging learning experience. Our schedule includes 10 professional development days for staff development, 4 parent-teacher conference sessions, and extra days for summer school and teacher orientation in August.

Uptown Arts & Science Charter School's typical school day is meticulously organized to foster an enriching and balanced educational experience. The day commences at 8:00 AM, setting the

stage for a day filled with engaging and diverse learning activities. On regular school days, students participate in seven instructional periods, each lasting 50 minutes, with the first period extended to 55 minutes. This structure allows for a comprehensive focus on core academics while accommodating elective courses and remediation or enrichment activities.

The school day concludes at 2:46 PM, providing ample time for a full spectrum of academic and extracurricular activities. Additionally, Uptown Arts & Science Charter School accommodates days for professional development and early dismissal. The schedule is modified on these days to include 38-minute periods, starting with homeroom at 7:50 AM and concluding the seventh period by 12:49 PM. The adjusted schedule ensures continued academic engagement while allowing time for staff development, which is pivotal for enhancing educational delivery.

Furthermore, the school provides various before and after-school programs, including elective courses and other non-core academic components. These programs are tailored to expand student learning opportunities beyond the traditional curriculum, emphasizing the school's commitment to holistic education. This dynamic schedule underscores Uptown Arts & Science Charter School’s dedication to creating a nurturing and versatile learning environment for all students.

Minimum number of weekly minutes:

	ELA	Math	Science	Social Studies	Total Instructional Weekly Minutes
Grade 9	250	275	250	250	1775
Grade 10	250	275	250	250	1775
Grade 11	250	275	250	250	1775
Grade 12	250	275	250	250	1775

A sample student schedule for a typical week is attached:

C. Sample Teacher Schedule

A sample teacher schedule including the length of teacher work day and time devoted to teaching, planning, and other activities is attached.

The teacher's workday extends from 7:30 AM to 3:30 PM. It starts with a preparation period from 7:30 AM to 8:00 AM, where teachers ready their classrooms and materials for the day. The instructional time begins at 8:00 AM, with the first period lasting for 55 minutes and subsequent periods each being 50 minutes long. There are seven periods scheduled throughout the day, interspersed with breaks and a 30-minute lunch period.

In addition to teaching duties, the schedule allocates time for planning, grading, and collaborating with colleagues. Specific times for these activities can vary based on the day's teaching schedule. On early dismissal or professional development days, the class periods are shortened to 38 minutes each, allowing for additional time dedicated to staff development and other school-related activities.

The schedule reflects a balance between direct instructional responsibilities and essential planning and professional development, ensuring the teacher's day is structured to support both student learning and teacher preparation effectively.

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL

PROPOSED CHARTER SCHOOL APPLICATION FOR SUBMISSION TO THE STATE UNIVERSITY OF NEW YORK BOARD OF TRUSTEES

REQUEST 8:

R-08AD - SPECIFIC POPULATIONS

www.uptowncharter.org

FEBRUARY, 2024

R-08AD - Specific Populations..... 1
A. Struggling Students..... 1
B. Students with Disabilities.....2
C. English Language Learners..... 6
D. Gifted and Advanced Students..... 8

R-08AD - Specific Populations

A. Struggling Students

At Uptown ASCS, we maintain rigorous academic standards, guided by the conviction that all our students can achieve excellence with the appropriate support. As part of our commitment to academic success, we have established a benchmark where any grade lower than 70 is deemed failing. A student who is unsuccessful in two or more courses is considered a "struggling student". Additionally, a "struggling student" is also someone who is performing below the grade level benchmark on both baseline and interim assessments. For details on the school's comprehensive assessment system, see section R-06b.

The identification process for a student who needs Response to Intervention, involves ongoing assessment, teacher observations, and analysis of student performance data. Students falling below established proficiency levels trigger targeted interventions through the RTI framework. Working in conjunction with the special education teacher and the Case Manager, the general education teacher will determine which specific interventions are best suited to support the student. These selected interventions will be implemented for a four-six week period, during which more data will be collected. Utilizing this data, the interventions will be deemed as successful or not. If the data shows the need to change an intervention or two, that is what will be done, with continued monitoring. If the data shows that the interventions were not successful, and further support is needed, then a discussion of next steps will be held between the school personnel, and then with the family of the student.

Within the general education classroom, the teacher will use multiple methods of instruction to support all students: whole group instruction, small group instruction, differentiated instruction, among others. When a student is identified as "struggling", the student will receive additional support through tutoring or after school office hours. This one-on-one support will provide focused attention to the needs of the student. Additional support programs are also available after school hours. The following programs, under the name of iRise (iLearn Remediation Intervention and Scholastic Enrichment) are available to "struggling students": iRise Saturday

Program, iRise Summer Program, iRise High-Dosage Tutoring Program. These programs offer small group, targeted instruction that will support the skills students are struggling with.

The RTI Team will meet weekly to review the data collected on “struggling students” and ensure that all plans are appropriately aligned to the needs of the students. During these meetings, general education teachers can meet with the team, composed of one general education teacher, one special education, and the Case Manager, to learn about additional strategies that could be a support to all students. During these meetings the team will also develop professional development programs that will benefit the entire teaching and support staff of the school to be presented on a quarterly basis.

Our emphasis on high standards is accompanied by a dedication to providing the necessary resources, assistance, and support systems to help every student thrive academically. By setting clear expectations and offering targeted support, we aim to create an environment where each student has the opportunity to meet and exceed these standards on their educational journey at Uptown ASCS.

B. Students with Disabilities

Discuss the school’s methods and strategies for identifying and serving students with disabilities in compliance with all federal laws and regulations. Please refer to Appendix B – Assurances Regarding the Provision of Special Education Services when creating this response as, if approved, the final charter will incorporate the assurances found in this document. The Institute strongly recommends that applicants refer to NYSED’s Guidance on Charter Schools and Special Education in developing responses. This response must include:

- A statement agreeing to abide by all of the assurances found in Appendix B of this RFP – Special Education Assurances;
- Discussion of the relationship between the school and the district Committee on Special Education (“CSE”);
- The process for identifying students with disabilities (child find), especially within the context of the school’s RTI process;
- The resources, personnel (including administrative responsibilities), and direct and related services the school is likely to provide both within general education classrooms and in other settings (e.g., collaborative team teaching (“CTT”), Special Education Teacher Support Services (“SETSS”), speech therapy, physical therapy, occupational therapy, counseling, planning time, instructional materials, technology, professional development, staff and consultants, etc.) and a brief discussion about how specifically the school would ensure that students entitled to these services would continue to receive them in a remote setting;
- The services or settings that will be provided by the school district of the student’s residency or through a third-party contract (pursuant to the Act);
- Any research or evidence that supports the appropriateness of the school’s approach to serving students with disabilities;

- The process for coordination between general education teachers and special education teachers and service providers;
- The process that will be used to monitor the achievement and progress of students with disabilities in the general context of the program in addition to the goals and objectives provided in the student's IEP;
- Specific professional development provided to the instructional staff for identifying, supporting, and evaluating the progress of special education students including the implementation of RTI and behavioral intervention plans ("BIPs") in the classroom; and,
- The process that will be used to evaluate the efficacy of the program and ensure that the needs of these students are being met.

The relationship between the school and the Committee on Special Education (CSE) is pivotal in ensuring the effective identification, evaluation, and provision of services for students with special education needs. The dynamics of this relationship are characterized by collaboration, communication, and adherence to regulatory frameworks. The school maintains an open line of communication with the CSE to facilitate the referral and evaluation process for students suspected of having special education needs. Timely sharing of information and documentation ensures a seamless transition from initial concerns to the evaluation phase. At Uptown ASCS we agree to abide by all assurances found in Appendix B.

The process for identifying students with disabilities, commonly referred to as child find, is an integral component of the school's co[1]mmitment to providing inclusive and tailored educational support. This process operates within the framework of the Response to Intervention (RTI) approach, which is designed to systematically address students' academic and behavioral needs. The initial stage involves proactive efforts to identify students who may require additional support through ongoing assessment, observation, and collaboration among teachers, specialists, and parents. As part of the RTI process, students exhibiting challenges are provided with targeted interventions within the general education setting. Continuous progress monitoring helps ascertain the effectiveness of these interventions. If a student's response to interventions indicates the need for further evaluation, the school, in collaboration with parents, initiates a comprehensive assessment to determine the presence of a disability. This collaborative and iterative process ensures early identification, timely intervention, and the provision of appropriate support services for students with disabilities, aligning with the school's dedication to fostering an inclusive and supportive learning environment.

Uptown ASCS is committed to providing a comprehensive range of resources, personnel, and services to support students both within general education classrooms and in other settings. This encompasses Collaborative Team Teaching (CTT), Special Education Teacher Support Services (SETSS), speech therapy, physical therapy, occupational therapy, counseling, planning time, instructional materials, technology, professional development, staff, and consultants. Within general education classrooms, collaborative team teaching ensures that students with

[1] https://www.schools.nyc.gov/learning/special-education

diverse needs receive personalized attention and support. Specialized services such as SETSS, speech therapy, physical and occupational therapy, and counseling are available to address specific learning and developmental requirements.

Ensuring co-planning time for the general education teacher and the special education teacher ensures thoughtful preparation for accommodating diverse needs within lessons. Through this purposeful planning, teachers will ensure to add elements to all lessons that target the needs of diverse learners. Therefore, there will be aspects of all lessons that can reach all levels of learners. The integrated use of technology will also enhance the learning experience, providing support systems to students to meet their needs. Another necessary planning aspect is continuous professional development opportunities provided to staff to stay abreast of best practices and innovative strategies. With current professional development, teachers will continue to develop their skills, ensuring consistent implementation of strategies to support students.

In the context of remote learning, the school has devised a proactive approach to ensure that students entitled to these services continue to receive them. This includes the utilization of virtual platforms for remote therapy sessions, counseling, and individualized support. Instructional materials are digitized, and technology is leveraged to facilitate virtual learning. Professional development is extended to equip educators with the skills needed for effective remote instruction. Collaborative efforts involving teachers, parents, and specialists are prioritized to maintain the continuity of services, ensuring that every student's unique needs are addressed, even in a remote setting.

Special education students are eligible to a range of educational services to meet their needs. These services may include general education, special education, and any additional support required, such as counseling or therapy. In some instances, Uptown ASCS will collaborate with third-party entities through contractual agreements to enhance the provision of specific services like physical therapy, occupational therapy, or speech therapy. The overarching goal is to ensure that students receive the necessary services and are placed in settings conducive to their academic, social, and emotional development[2], in alignment with their needs.

The coordination between general education teachers and special education teachers, as well as service providers, is a vital aspect of ensuring a cohesive and supportive educational environment for students with diverse learning needs. This process involves ongoing communication, collaboration, and joint planning to effectively address the unique requirements of each student. Regular meetings, both formal and informal, provide a platform for sharing insights, discussing student progress, and strategizing on tailored instructional approaches. Special education teachers and service providers bring their expertise to these discussions, offering insights into individualized learning plans, accommodations, and specialized interventions. Additionally, collaborative lesson planning allows for the integration of differentiated instruction within the general education curriculum, ensuring that the diverse needs of students with disabilities are met. This coordination extends to the implementation of

[2] https://www.nysed.gov/special-education

Individualized Education Programs (IEPs), where goals and strategies are aligned between general and special education settings. The overarching aim is to create a seamless educational experience for all students, fostering an inclusive and supportive learning environment through the collaborative efforts of educators and service providers.

Monitoring the achievement and progress of students with disabilities within the program involves ongoing collaboration between general and special education teachers. Regular assessments, both formative and summative, are implemented to evaluate academic, social, and behavioral development. Progress is continuously monitored through check-ins, observations, and data analysis during collaborative team meetings. This collaborative approach ensures the effectiveness of instructional strategies and allows for informed adjustments to support the diverse needs of students with disabilities. During IEP meetings, the collected data are rigorously analyzed. These collaborative sessions provide a platform for educators, special service providers, and parents or guardians to discuss the student's progress, evaluate the effectiveness of current strategies, and make informed decisions about any necessary adjustments to the IEP goals and interventions. Adjustments to instructional methods, accommodations, or services are made based on the outcomes of these discussions, ensuring a dynamic and responsive approach to supporting the student's individual needs. Communication with parents or guardians is ongoing, involving regular updates on the student's progress and soliciting valuable insights into their experiences outside the school environment.

The instructional staff's professional development, aimed at identifying, supporting, and assessing the progress of special education students, will include the following topics, among others: RTI implementation, data-driven decision-making, BIP development and implementation, crisis prevention, trauma-informed teaching practices, and parental involvement and communication. These sessions will either be given by the school's Case Manager, or the school will partner with an outside presenter(s) to have them come to the school and work with the teachers. By inviting other professionals to work with the teachers, we are exposing teachers to additional ways of addressing key topics, and we are empowering them with the skills to effectively identify and support our students.

The evaluation of the program's efficacy and the assurance that the needs of students are met will involve a systematic and comprehensive approach. Regular assessments of student progress, both academic and holistic, will be conducted, with data collected and analyzed to gauge the effectiveness of the implemented strategies and interventions. Collaborative team meetings, involving educators, support staff, and specialists, will provide a forum for reviewing the outcomes of the program and making informed decisions about potential adjustments. Parental input and feedback will be actively sought, fostering a collaborative partnership to ensure that the program aligns with the unique needs of each student. Continuous professional development opportunities will be provided to staff to keep them abreast of best practices and innovations, promoting a culture of ongoing improvement. This multifaceted evaluation process aims to create a dynamic and responsive program that not only meets but exceeds the diverse needs of the students it serves.

C. English Language Learners

Discuss the school's methods and strategies for identifying and serving ELLs in compliance with all federal laws and regulations including:

- The process for identifying students whose first language is not English consistent with New York State required procedures and the methods for determining the scope of assistance that these students may need including how the school will ensure that they are not inappropriately identified as students with special education needs;
- The approach, resources, and personnel (including qualifications and associated administrative responsibilities) the school will use to meet the needs of ELLs (both within general education classrooms and in other settings);
- The research and evidence that supports the appropriateness of this approach;
- The process for coordination between general education teachers and staff serving ELLs and professional development for general education teachers serving ELLs;
- The process that will be used to monitor the achievement and progress of ELLs including exit criteria;
- How the school will make all necessary materials available to parents of ELLs in a language that they can understand;
- How the school will make after-school and other extra-curricular programming accessible to ELLs; and,
- The process that will be used to evaluate the efficacy of the program and [3]instructors and ensure that the needs of ELL students are being met.

The first step in identifying students whose first language is not English is to ensure that all newly enrolled students receive the Home Language Survey (HLS), where families answer questions about language use at home. To ensure that all HLS are completed in a timely and accurate manner, the school will designate a day where all families will come in to fill out the HLS in person. The school will have personnel available who speak multiple languages to help and support families in accurately completing the HLS. Students identified through the HLS undergo language proficiency assessment, the New York State Identification Test for English Language Learners (NYSITELL). This assessment serves as a means to gauge the proficiency of students in English language skills, providing a comprehensive understanding of their linguistic capabilities within the academic context. To ensure that there is no misidentification of students, teachers and staff will undergo cultural sensitivity training to distinguish between language acquisition challenges and potential learning disabilities. This training will enhance the ability to recognize language-related difficulties without confusing them with special education needs.

Uptown ASCS employs a comprehensive and inclusive approach to meet the needs of English Language Learners, recognizing the importance of tailored strategies within both general

[3] https://www.nysed.gov/bilingual-ed

education classrooms and other settings. The approach encompasses differentiated instruction, individualized language support plans, and collaborative efforts between ENL teachers and general education teachers. This multifaceted approach, coupled with qualified personnel and culturally responsive resources, ensures a holistic strategy to meet the diverse needs of English Language Learners across various educational settings within the school.

Uptown ASCS fosters ongoing collaboration between general education teachers and staff dedicated to serving English Language Learners. This coordination involves regular meetings, joint planning sessions, and shared professional development opportunities. ENL teachers and general education teachers work collaboratively to align instructional strategies, tailor lesson plans, and address the unique needs of ELLs within general education classrooms. Targeted professional development will enhance everyone's capacity in serving ELLs effectively. Training can include workshops, seminars, and instructional sessions focusing on differentiated instruction, language support strategies, cultural competency, and the utilization of diverse resources. These professional development opportunities will be for general education teachers, as well as ENL teachers to develop a common understanding of the needs of students, and a collaborative effort toward creating opportunities for success for students.

The school employs a systematic process to monitor the achievement and progress of English Language Learners. This includes continuous formative assessments, standardized tests, and ongoing evaluations conducted by both general education teachers and ENL teachers. Regular data-sharing meetings ensure that all stakeholders are informed about the progress of ELLs, and that multiple supports are put in place to ensure continued success. To reach the point of exiting the program, students need to take the New York State English as a Second Language Achievement Test (NYSESLAT). A student in K-12 that scores at a companding/proficient level can be considered to exit the program. Once a student has exited ELL status, the student is able to receive two years of Former ELL service, and is now identified as a Former ELL.

As a way to support families, in addition to our students, we are committed to fostering effective communication and engagement with all stakeholders. To ensure accessibility, essential school materials, including newsletters, announcements, and important documents, will be translated into languages relevant to the linguistic diversity of the ELL community. We will utilize various communication channels, such as emails, phone calls, and messaging apps, to convey important information in languages understood by ELL parents. This proactive approach ensures that parents are regularly updated on their child's academic progress and school activities.

To create an inclusive environment that enables ELL students to actively engage in and benefit from the after school and extracurricular opportunities there are necessary steps that the school will need to take. Prior to the start of the activities, it is essentially to provide training to program organizers and leaders on cultural sensitivity and effective communication with ELL students. This ensures an inclusive and supportive environment within these programs, and within the general education classroom as well. To create interest in the programs, there will be information sessions, translated into necessary languages, for students and families. During these sessions, the purpose and benefit of the program will be explained, allowing participants

to ask questions to develop a strong understanding of the opportunities offered. Throughout the after school and extracurricular activities, additional language support would be provided to the students, through either bilingual staff or partnered with a bilingual student, so that they can get the whole experience of being part of the program.

The school is committed to ensuring the ongoing effectiveness of programs and teachers working with our ELLs. A major effectiveness measure will be the analysis of data provided through summative assessments, including the NYSESLAT. Through an analysis of how many students grow in proficiency from year to year, we will be able to analyze the effectiveness of the instruction students are receiving and their development of the English language. We will also seek feedback from students and families as to their experience with the program and the support they are receiving. These quarterly surveys will be translated into multiple languages, allowing families the access to the material, and the ability to share their experiences. Another key element will be teacher observations and walkthroughs which allow the administrators to see the instruction occurring, allowing for discussions around teaching strategies, to ensure that the teacher is using best practices. A consistent evaluation of the program will enhance the supports put in place, the student and family experience, and the teacher leadership.

D. Gifted and Advanced Students

Discuss the school's methods and strategies for identifying and serving students who are academically advanced and/or gifted including:

- How the school will identify advanced and/or gifted and talented students; and,
- Strategies and programs the school will use within general education classrooms and in other settings to accelerate learning for advanced and gifted and/or talented students including how the school would implement these strategies in a remote setting.

Uptown ASCS employs a multifaceted approach to identify academically advanced and gifted students. This involves a combination of standardized assessments, teacher recommendations, and a comprehensive review of academic performance. Students exhibiting exceptional aptitude, creativity, and high levels of achievement are considered for advanced and gifted programs.

There are multiple in class strategies for the general education classroom to provide tailored opportunities to gifted and advanced students. Differentiated instruction and accelerated options offer students the opportunity to work with the material of the class in a personalized manner. Through accelerated options, students are able to showcase their interests and display their comprehension of more challenging material. These tailored strategies will ensure that students are able to stay engaged in the material, while advancing their skills as well.

As part of iLearn Schools, we will benefit from the success of the iStellar program and the established courses that allow students to work on additional skills after school and during the

weekend. iStellar has a strong focus on STEM programs introducing students to coding, programming, robotics, and advanced math concepts. Students who are identified as academically advanced and gifted are invited to the iStellar weekend program, allowing them to work on higher level topics that will strengthen their daily lessons. An added benefit to participating in the iStellar program is that students are able to participate in local, state, and national competitions where their skills are matched and challenged, helping them develop academic skills, as well as social and emotional skills.

Technology integration is one of our key design elements, and it is interwoven in all aspects of our school. Through the use of technology, all students are able to stay connected to the school regardless of the time, weather, or anything that may limit in person connection. Students who are identified as academically advanced or gifted are able to use technology to take online advanced courses, design their own programs, connect with others around the world, and even participate in webinars of topics that are of special interest. During a situation of remote instruction, through our use of technology, students would not miss a moment of instruction, and would be able to continue their differentiated instruction, personalized coursework, and advancement of knowledge in topics of interest.

R-09AD - Instructional Leadership

A. Instructional Leadership Roles

Describe instructional leadership (i.e. individuals supervising implementation of the academic program) in the school over the first five years of operation including:

- Specific roles and responsibilities of the personnel who would provide instructional leadership in the proposed school including a delineation of which instructional staff each instructional leader is responsible for supporting;
- The process and criteria for identifying and selecting instructional leaders including how such criteria align with the school's educational philosophy and mission; and,
- How instructional leaders will monitor the effectiveness of the academic program and at-risk students' academic performance.

Uptown Arts & Science Charter High School has a strong and layered educator support system in place. Uptown ASCS's multi-tiered approach to educator support seamlessly integrates distinct roles within a structured organizational flow. This framework extends beyond the traditional boundaries of instructional leadership, encompassing teacher development, evaluation processes, and network-wide instructional, academic, and technical supports, ultimately cultivating an environment conducive to accelerating student progress through intentional and data-informed methods and interventions.

Organizational Educator Support Flow:

a. **Chief Executive Officer (CEO)**
    - Direct Supervisor of School Directors;
    - Provides overarching guidance and strategic direction

b. **Chief Academic Officer (CAO):**
    - Supervises the entire academic program, ensuring alignment with the school's mission and vision;
    - Conducts academic walkthroughs three times each year, providing tailored feedback for ongoing data-informed growth;
    - Provides critical overarching academic and instructional support at the network level, directly collaborating with School Directors, ADAs, and Program Directors;
    - Provides specific and data-informed feedback for continuous improvement of curriculum, assessment, instruction, and overall academic practices;
    - Integral to the executive team, collaborating with school leaders to maintain efficient academic systems;
    - Ensures academic departments, programs, and staff meet performance outcomes and SMART goals, driving students' academic progress;
    - Manages internal professional development programs, supporting teachers in implementing best instructional practices;
    - Collaborates with Academic Program Directors and Instructional Coaches to enhance teacher practice and student learning outcomes through evaluations, walkthroughs, and coaching;
    - Completes School Administrator Evaluations alongside the CEO and COO, specifically evaluating and providing feedback for Assistant Directors of Academics;
    - Ensures compliance with federal statutes, regulations, New Jersey school law, and school policies;
    - Leads the development and support of a unified and living K-12 curriculum;
    - Observes classroom instruction, evaluates curriculum implementation, and provides support for staff in curriculum development, revision, or adoption;
    - Collects and analyzes performance data, prepares reports reflecting curriculum strengths and needs, and ensures alignment with Common Core Standards;
    - Identifies staffing needs, assists in staff recruitment and selection, and provides feedback-based and data-informed professional development for staff;
    - Assists in the development and management of departmental budgets for academics;
    - Oversees instructional enrichment programs, competitions, and family math and literacy nights;
    - Communicates effectively with all stakeholders.

c. Chief Special Programs & SEL Officer (CSPO):

- Oversees all special programs and SEL support services, providing direction for school leaders in maintaining academic systems for students with special learning needs and English Language Learners (ELLs);
- Ensures all special services meet performance outcomes, providing equal opportunities for all students to succeed;
- Works closely with the Title I committee to ensure adherence with state and federal regulations for special services and programs;
- Manages the Title I budget to meet the diverse needs of all students;
- Serves as the lead representative/contact for special needs programs, overseeing IEP, 504, and ELL students' educational needs;
- Coordinates services for students with special needs in collaboration with school directors;
- Reviews federal and state legislation to implement programs aligning with guidelines for special education, title programs, and pupil services;
- Maintains open communication with parents, teachers, and community stakeholders regarding special services;
- Facilitates research on trends and best practices to recommend rigorous and innovative educational programming for student success;
- Monitors compliance with School Board Policies and Regulations, providing data for evaluating outcomes for students with disabilities and ELLs;
- Supervises the Special Education program and ELL program, working closely with the Directors of Special Services and ELLs;
- Prepares reports for the school board on Special Education and ELL programs;
- Identifies staffing needs, assists in staff recruitment and selection, and provides professional development for support staff;
- Conducts ongoing needs assessments, evaluates special education/pupil service program initiatives, and improves operational functions and services;
- Serves as the district liaison for all matters concerning special services, maintaining communication networks with other special services directors;
- Directly supervises the Director of ESL, Special Education Program Directors, and Instructional Support Staff.

d. Program Directors:

- Work under the guidance of the CAO, providing leadership, guidance, and support in ELA, Math, Science, and Social Studies;
- Contribute to subject-specific sessions during the iLearn Schools Summer Institute Training and throughout Campus and Staff PDs;
- Work collaboratively with teachers around curriculum revisions, development, instructional growth, and student learning;

- Collaborate with CAO and CSPO to identify staffing needs, assist in staff recruitment and selection, and provide tailored professional development for staff;
- Conduct observations on campus and offer feedback on instructional practices in respective subjects;
- Analyze subject-specific data to inform curriculum and instructional decision-making.

e. Director of Instructional Technology & Assessment:

- Works closely with School Instructional Technology Coordinators (SITCs), while overseeing the integration of instructional technology in lessons;
- Guides the development of quarterly SITC Newsletters;
- Oversees all assessments, ensuring adherence with state regulations;
- Works collaboratively with the CAO in analyzing assessment data to evaluate the effectiveness of academic programs;
- Collaborates with instructional leaders to continuously reflect upon and improve assessment strategies;
- Generates highly visual and interactive reports on assessment results for stakeholders.

f. Director of College Guidance:

- Oversees all aspects of College Guidance, ensuring comprehensive college and career support for students;
- Supports students in preparing for college entrance exams;
- Provides assistance in the college applications process, including FAFSA and financial aid completion;
- Facilitates college visits, helping students make informed decisions around college;
- Offers guidance grounded in students' beliefs, strengths, interests, and future goals.

g. School Director

- Serves as the direct supervisor of Assistant Directors of Academics (ADAs), Assistant Directors of Operations (ADOs), College Guidance, and Instructional Coaches on campus;
- Serves as the primary instructional leader on campus;
- Oversees overall academic operations, including student achievement, goal setting, and curriculum implementation;

- Collaborates closely with ADAs and Instructional Coaches around instructional practice and student learning outcomes;
- Collaborates with ADAs, ADOs, and executive team members in the staffing process.

h. Assistant Director of Academics (ADAs)

- Direct Supervisor of Instructional Coaches and Teachers;
- Collaborates with School Directors and mentors to oversee the teacher mentoring program;
- Works in conjunction with College Guidance surrounding student assessments, placements, and course scheduling;
- Ensures curricular and instructional alignment with Common Core Standards, state regulations, and adherence with educational philosophies and the mission and vision of the school;
- Conducts teacher evaluations using the Danielson Framework for Teaching;
- Utilizes evaluation outcomes for continuous improvement and tailored teacher support, including professional development in collaboration with the Professional Development Coordinator.

i. Instructional Coaches

- Collaborate with ADAs and School Directors around teachers' instructional growth and students' learning;
- Provide hands-on support to teachers for reflectively and intentionally incorporating best instructional practices;
- Foster collaborative learning environments;
- Conduct informal lesson observations, debrief sessions, and collaborative planning with teachers;
- Model instructional strategies and co-teach lessons with teachers;
- Create skills checks, practice tests, and midterms based on standards coverage and in collaboration with teachers under the direction of Academic Program Directors;
- Analyze student assessment results with teachers and collaborate with teachers around student groups, differentiation, and instructional intervention methods, including action plans;
- Facilitate collaborative grade level based PLC sessions;
- Work collaboratively with teachers to purposefully infuse instructional technology into lesson implementation.

j. School Instructional Technology Coordinators (SITCs):

- Aid teachers in seamlessly integrating instructional technology tools in the classroom;
- Provide ongoing critical support for effective technology implementation throughout the school year;
- Contribute to the development of quarterly Instructional Technology Newsletters with insights, tips, and resources;
- Collaborate with teachers, offering guidance and insights around enhancing instruction through technology.

Together, these roles contribute to building a comprehensive support system for implementing best instructional practices, driving data-informed instructional and academic progress, ensuring purposeful instructional technology integration, and guiding students in college and career readiness at Uptown Arts & Science Charter High School.

B. Teacher Support and Supervision

Through a uniquely-designed system of supports, teachers at Uptown ASCS will receive ongoing coaching and guidance. Teachers of the content areas of ELA, mathematics, science, and social studies will be assigned a content-specific coach to support them in analyzing student data, planning lessons, and implementing best practices in pedagogy. This coaching model emphasizes professional growth, as teachers are given opportunities to collaborate with content-area specialists in a manner that is not punitive and offers collaborative, co-constructed evaluations that include multiple opportunities to reflect, self-assess, and set personal goals for growth. Through this coaching model, teachers are able to develop trusting relationships with education professionals who have been identified as highly-effective in their practices.

Content-area coaches at Uptown ASCS will participate in weekly, two-hour meetings (including weekly course PLCs) with teachers for the purpose of discussion, planning, data-gathering, and reflecting. The coaches will also facilitate weekly course-based PLCs and other professional development sessions as noted during work sessions, which include:

- teaching model lessons
- team-teaching (when appropriate)
- providing guidance on the unpacking and implementation of NGLS
- collaboration in planning, implementing, and reflecting
- task selection that targets specific standards and/or skills
- analyzing student work and review of data
- formative/summative assessment process
- questioning techniques for the purpose of developing higher-order thinking skills

The coaching cycle includes the following components:

- Goal setting: During the summer institute, teachers set goals about the instructional practices they wish to improve upon most in the upcoming school year. Instructional coaches support teachers in this process.
- Weekly Observations: Coaches informally observe lessons on a weekly basis, providing real-time insights and feedback.
- Debriefing Sessions: Post-observation debriefing sessions offer teachers personalized guidance, helping them to reflect and improve upon their instructional practices.
- Collaborative Planning: Coaches collaborate with teachers in lesson and unit planning, ensuring alignment with curriculum standards and student needs.
- Modeling and Co-Teaching: Coaches may model specific instructional strategies or even co-teach, enhancing the implementation of effective teaching methods.

In addition to the work done by the coaches, school administrators, including the School Director and Assistant Director of Academics (ADA) support individual teachers in the following ways:

- Weekly lesson plan checks and feedback
- Brief classroom walkthroughs and feedback
- Needs-based 1-on-1 meetings requested by teachers or scheduled by administrators

Lastly, novice teachers will be assigned to mentor teachers who have more experience in the profession/school. The mentor and the mentee will commit to making themselves available and set a definitive schedule for meetings and articulation dialogues. Together, they will be responsible for designing the content of the meetings based on the individual needs and challenges of the mentee. The mentor will be expected to model good pedagogy and help novice teachers succeed. Mentors believe in actively engaging students in the learning process and they recognize their role in making that process a reality.

Each mentor teacher will complete a comprehensive mentor training program that includes, at a minimum, training on the school's teaching evaluation framework and practices including classroom observation skills, facilitating adult learning, and leading reflective conversations about teaching practice. Mentors will also keep meeting logs for each mentorship session.

C. Professional Development

At Uptown ASCS, effective and high-quality professional learning will be:

- purposeful
- evaluated and tied to educator and student outcomes
- data-informed and research-based

- relevant to participants and the current educational landscape
- provided in a safe environment for learning and risk-taking
- collaborative
- experiential
- differentiated and addressing varying adult learning needs
- ongoing and sustainable with opportunities for reflection
- supported through dedicated time, resources, and structure

At Uptown ASCS, fostering a collaborative and dynamic professional environment is essential to the school's mission of academic excellence. The school has established structured systems that encourage and facilitate frequent collaboration among teachers:

Summer Institute: In an effort to share and strengthen a common understanding around best practices with both new and experienced school administrators and teachers, the iLearn Schools Chief Executives and Academic Program Directors plan the annual iLearn Schools Summer Institute (Summer Institute) for all schools in the network. The Summer Institute will be a two-week (one week for returning staff) training and professional development program that takes place each August, and that offers the opportunity for Academic Program Directors, Coaches, and other select instructional leaders to train teachers (including Special Education and ESL) around the most effective instructional strategies that can be employed in the classroom across all content areas and grade levels. These training sessions will center on the specifics of the curriculum, Bloom's Taxonomy, data-driven instruction, building healthy professional relationships with students, and establishing a culture of achievement. Teacher awareness and skill sets will be built around increasing student achievement across the board. Differentiation will also be focused on in depth during training sessions. Additionally, consultants will provide training and development on topics ranging from Harassment, Intimidation, and Bullying (HIB) to vital security measures.

Professional Learning Communities (PLCs): Teachers engage in regular PLCs, where they work collaboratively on curriculum planning, instructional strategies, and student assessments. These communities foster a culture of shared responsibility and continuous improvement. Content-Area Instructional Coaching: Teachers benefit from content-area coaching in subjects like Math, ELA, Science, and Social Studies. Coaches work closely with teachers, providing opportunities for collaboration through weekly observations, debriefing sessions, and joint lesson planning.

Collaborative Planning Time: Scheduled collaborative planning time allows teachers to work together, exchange ideas, and develop cohesive and aligned instructional practices. This dedicated time enhances cross-curricular connections and fosters a unified approach to teaching and learning.

Use of Technology for Collaboration: Digital platforms and tools facilitate ongoing communication and collaboration among teachers, allowing them to share resources, insights, and feedback, even beyond the school walls.

Professional Development Workshops: Regular workshops and training sessions provide teachers with opportunities to learn from one another, explore new pedagogical approaches, and work together on specific projects or challenges.

Campus-based PD Events: Staff attend half day (2 hours and 15 minutes) workshops and trainings catered to the needs of each campus in the network. These trainings take place in September, November, December, January, March, April, and May. Campus administration works with the professional development coordinator at each campus to plan these events based on identified staff needs.

Full-day PD Events: Twice a year (October and February), staff members from all iLearn Schools come together and attend PD sessions in cohorts (elementary, middle, high school, etc). These events are planned by the iLearn Schools executive team and academic team in collaboration with school based administrators. Being part of the iLearn Schools network, Uptown ASCS will benefit from a broader community of educators, allowing teachers to connect and collaborate with peers across the network, further enriching their professional growth and practice.

Collaboration structures at Uptown ASCS are thoughtfully designed to create a cohesive and supportive professional community. By encouraging frequent interaction, reflection, and joint problem-solving, these structures will empower teachers to learn from one another, innovate, and continually enhance their instructional practices. This collaborative approach will not only strengthen the professional climate, but also will positively impact student learning and success.

The professional development programs listed above are evaluated via surveys given at the end of each event. The results are carefully analyzed and shared with the academic team, school administration, and the executive team. These teams use the data to improve future PD events.

D. Teacher Evaluation and Accountability

At Uptown ASCS, systematic monitoring and maintenance of organizational and instructional quality will be integral to the school's pursuit of academic excellence. The school will employ comprehensive systems to evaluate, support, and enhance both organizational effectiveness and instructional practice.

Teacher evaluation is an important component of those systems. Uptown ASCS will use iLearn Schools' model that is based on Danielson Framework for Teaching[1]. Assistant Director of Academics (ADA) and School Director will utilize the Danielson Framework to evaluate teachers according to the four domains;

1. Planning and Preparation

[1] https://danielsongroup.org/framework/

2. Learning Environments
3. Learning Experiences
4. Principled Teaching

Three evaluations are conducted each year for teachers (two announced and one unannounced). For announced observations, teachers discuss their observed lesson beforehand with the ADA and School Director, ensuring alignment and preparation. Post-observation conferences provide opportunities for teachers and administrators to discuss specific decisions throughout the lesson and reflect collaboratively, fostering ongoing improvement.

Additionally, Uptown ASCS will organize informal peer observations, pairing teachers based on specific instructional strengths and areas for improvement. These observations will enable teachers to model and learn from each other's expertise.

Instructional Quality Monitoring:

The systems in place to monitor and maintain organizational and instructional quality at Uptown ASCS are reflective of a comprehensive and collaborative approach to growth and learning. By fostering a culture of continuous evaluation, reflection, and improvement, the school will ensure that educators are equipped to deliver high-quality instruction, and the organizational structure remains aligned with the mission of providing robust educational opportunities.

iLearn Schools Inc.

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL

PROPOSED CHARTER SCHOOL APPLICATION FOR SUBMISSION TO THE STATE UNIVERSITY OF NEW YORK BOARD OF TRUSTEES

REQUEST 10:

R-10A - CULTURE AND DISCIPLINE

d. Programs and Methods to Support Teachers and Staff:.....5
e. Strategies to Maintain a Safe and Orderly Environment:.....6
f. Strategies for Instilling Culture and Expectations:.....8

R-10a - Culture and Discipline

A. School Culture

a. Executive Summary:

Uptown ASCS, guided by the successful practices of iLearn Schools, is committed to establishing and maintaining a culture that unequivocally supports overall learning and achievement. This executive summary outlines our comprehensive strategy to cultivate an environment where every stakeholder – board members, staff, students, and families – plays a pivotal role in fostering a community of excellence, inclusivity, and continuous growth.

Uptown ASCS's culture is anchored in fostering a positive and nurturing school environment, emphasizing core values such as honesty, integrity, and respect. Our rationale is rooted in the belief that a positive school culture significantly impacts academic, social, emotional, and behavioral growth. We will implement social and emotional learning (SEL) into our curriculum and provide supportive services through our school psychologists and school social workers. These initiatives are critical for developing well-rounded individuals who are emotionally and socially adept and prepared to tackle challenges in teams or individually in college and careers beyond high school. Professional development, collaborative planning, and Positive Behavioral Interventions and Supports (PBIS) training for staff are integral to our strategy. These efforts ensure educators are equipped to nurture an equitable and inclusive learning environment. Comprehensive safety protocols, emergency preparedness training, and bullying prevention programs will be central to maintaining a secure learning space. This approach is pivotal for fostering a sense of safety and respect among all community members. Through orientation programs, consistent communication, and community events, we aim to embed our culture and expectations deeply into the fabric of our school community. Role modeling by staff, student leadership opportunities, and feedback mechanisms will further reinforce these values.

At Uptown ASCS, we believe that establishing a supportive school culture is an ongoing journey requiring consistent effort, reflection, and adaptation. We are committed to regularly evaluating and revising our strategies to ensure they remain effective and aligned with our school's mission. Our goal is to create an environment where students are not only academically successful, but also equipped with the skills and values necessary for lifelong learning and success in career paths moving forward.

Uptown ASCS is dedicated to creating a dynamic and nurturing educational environment. Our comprehensive approach, encompassing components from SEL to safety protocols and stakeholder engagement, is designed to ensure Uptown ASCS is a place where every student can thrive and reach their full potential.

As a professional charter school application writer and experienced educator, I understand the pivotal role school culture plays in fostering learning and achievement. Uptown Arts and Science Charter School (ASCS), as a part of the iLearn Schools network, will adopt a multifaceted approach to establish and maintain a school culture that supports this vision.

b. General Approach to School Culture at Uptown ASCS:

1. Core Values Integration: Uptown ASCS will cultivate a culture grounded in core values, such as honesty, integrity, respect, community, compassion, and excellence. These values will be deeply integrated into every aspect of school life, influencing interactions, learning experiences, and overall student growth and achievement.

2. Community-Centric Approach: Recognizing the crucial role of every community member, Uptown ASCS will engage students, parents, and educators in creating an effective learning environment. This includes building relationships based on mutual respect and shared responsibility for student success.

3. Character Education Program: A robust character education program will form the backbone of our school culture. This program aims to instill essential virtues and social skills, thereby shaping a positive and supportive school environment for all.

By integrating core values and character education, Uptown ASCS ensures students' academic growth is complemented by social and emotional development. The school's culture will be designed to empower each student, recognizing and celebrating diversity. This inclusive approach is essential for students to feel valued and motivated. Involving the community in school culture reinforces the importance of collaborative efforts in educational growth and success. Engaging parents and community members in school activities ultimately enhances the support system available for students.

Specific Strategies and Programs at Uptown ASCS:

- Social and Emotional Learning (SEL): SEL will be embedded into the curriculum to help students develop empathy, self-regulation, and communication skills. This approach addresses the comprehensive needs of students, preparing them for various life challenges.

- Support Services: School psychologists and school social workers will provide counseling and support for students, addressing students' emotional and social needs. This comprehensive support system ensures students have the necessary resources for their well-being.

- Professional Learning Communities (PLCs): PLCs will be instrumental in fostering a collaborative culture among educators, enhancing their ability to support students' social and emotional needs.

- Student Achievement Recognition: Various awards and recognitions will celebrate academic and character achievements, fostering a culture of recognition, celebration, excellence, and appreciation.

- Staff Support and Development: Uptown ASCS will provide continuous professional development, instructional coaching, and leadership training for educators. This ensures our educators are well-equipped to foster an equitable and supportive school culture.

- Parental Involvement: Initiatives such as home visits, family events, and ongoing communications with families will enhance parental involvement, providing insights into curriculum goals and decision-making processes.

- Safe and Orderly Environment: The administrative team, including the ADO, will play a crucial role in ensuring school safety and orderliness. The merit and demerit points system will aid in effective behavioral management.

- Anti-Discrimination Policies and Inclusivity: Well-defined anti-discrimination policies and a dedicated DASA coordinator will promote an inclusive environment where diversity is embraced, respected, and celebrated.

- Continuous Safety Commitment: Comprehensive safety protocols, including regular drills and a School Safety Team, will ensure a secure learning environment for all.

Uptown ASCS's approach to school culture is comprehensive, focusing on fostering a nurturing and positive environment, integrating SEL into the curriculum, supporting teachers and staff, ensuring student safety, and promoting inclusivity. This approach is aligned with iLearn Schools' philosophy and is tailored to meet the unique needs of the Bronx Community School District 8.

c. Programs and Methods for Social and Emotional Development:

To establish and maintain a culture supportive of learning and achievement, Uptown Arts and Science Charter School (ASCS) will implement specific programs and methods focused on the social and emotional development of students. These programs are chosen based on their proven effectiveness in enhancing student well-being and academic success, aligning with iLearn Schools' holistic educational philosophy.

1. ***Integration of Social and Emotional Learning (SEL) into the Curriculum:*** Embedding SEL into the curriculum is vital for developing key life skills such as empathy, self-awareness, and responsible decision-making. These skills are crucial for personal growth and academic success. SEL will be incorporated into daily lessons and activities, ensuring students regularly engage in exercises that build emotional intelligence.

2. ***Services by School Psychologists and Social Workers:*** The presence of mental health professionals is essential for addressing the diverse emotional and social challenges students may face. Psychologists and social workers will provide counseling services, group workshops, and individual support as needed.

3. ***Guidance Counseling for Future Planning and Stress Management:*** Adolescence is a critical period for career exploration and personal development. Effective guidance counseling supports students in navigating these areas while managing academic and social pressures. Counselors will work with students on academic planning, career exploration, and stress management strategies.

4. ***Professional Learning Communities (PLCs):*** PLCs create a collaborative environment for educators to share effective strategies for addressing students' social and emotional needs. Regular PLC meetings will focus on student behavior, academic progress, and collaborative problem-solving.

5. ***Instructional Strategies for Teacher Facilitation and Student Independence:*** Empowering students to take charge of their learning fosters independence and builds confidence. Teachers will employ facilitative teaching methods that encourage student-led inquiry and self-directed learning.

6. ***Weekly Class Meetings Tailored by School Counselors:*** Regular class meetings provide a forum for students to express themselves and discuss various topics, promoting a sense of community and belonging. These meetings, facilitated by school counselors, will focus on themes like positive discipline, school culture, and student voice.

The selected programs are based on their alignment with iLearn Schools' commitment to nurturing well-rounded individuals who are prepared for life's challenges. By focusing on SEL,

Uptown ASCS addresses the comprehensive needs of students, preparing them for academic achievement and personal growth. The involvement of mental health professionals ensures that students have access to the support they need to thrive emotionally and socially. PLCs and teacher facilitation strategies are chosen to create an environment where educators can effectively support students' diverse learning needs. Weekly class meetings and guidance counseling sessions provide additional layers of support, fostering a nurturing and inclusive school environment.

Uptown ASCS's commitment to social and emotional development is reflected in these carefully selected programs and methods. Each component contributes to a supportive school culture that not only enhances academic achievement, but also fosters personal growth, emotional well-being, and social competence.

d. Programs and Methods to Support Teachers and Staff:

Uptown Arts and Science Charter School (ASCS), in alignment with iLearn Schools' commitment to educational excellence, will implement specific programs and methods to support teachers and other staff members in creating and sustaining an equitable school culture. The rationale behind these programs is rooted in the understanding that educators are pivotal in shaping a school's culture, and their empowerment directly influences the overall learning environment.

1. Collaborative Problem-Solving Triad: This involves teachers, parents, and students in collaborative problem-solving, fostering a high-quality, inclusive environment. Encouraging teamwork and shared responsibility among teachers, parents, and students ensures a diverse and comprehensive approach to addressing school culture issues.

2. Team-Based Decision-Making: Teachers and staff engage in decision-making processes, promoting collaborative solutions to challenges. This approach brings diverse perspectives into school governance, ensuring decisions are reflective of the entire school community.

3. Positive Behavioral Interventions and Supports (PBIS): Teachers and staff will be trained in PBIS strategies, focusing on positive reinforcement and proactive behavioral management. PBIS is effective in establishing a positive school climate, reducing disciplinary issues, and promoting equitable treatment of students.

4. Professional Development Initiatives: Regular training sessions, workshops, and seminars on topics ranging from cultural competence and inclusive teaching practices to the latest educational trends. Ongoing professional development ensures that teachers and staff are equipped with the skills and knowledge to create an equitable and effective learning environment.

5. Instructional Coaching and Leadership Training: Providing instructional coaches to support teachers in refining their teaching methods and classroom management techniques. Empowering teachers with effective teaching strategies and leadership skills directly impacts their ability to foster a positive and equitable classroom culture.

6. iLEMIS Integration: Utilizing iLEMIS, a web-based information system, to provide teachers with critical data for informed decision-making. Access to comprehensive data allows teachers to tailor their instruction to meet the diverse needs of their students, promoting equity in the classroom.

7. Engaging Learning Environment: Implementation:** Creating dynamic classrooms equipped with modern resources and technology. Rationale:** Well-equipped classrooms enable teachers to deliver engaging and inclusive lessons, catering to varied learning styles and needs.

8. Open Communication and Collaboration: Implementation: Encouraging open lines of communication among teachers, students, and parents. Transparency and collaboration are key to addressing issues and fostering a sense of community within the school.

9. Best Practices and Collegial Sharing: Implementation:** Establishing a culture of sharing best practices, co-teaching, and utilizing shared resources. This approach promotes continuous improvement in teaching methods and fosters a supportive community among educators.

These programs and methods have been chosen to align with Uptown ASCS's vision of creating an equitable and inclusive educational environment. The collaborative and supportive strategies ensure that teachers and staff are not only well-equipped but also feel valued and part of a larger community. The focus on professional development and PBIS aligns with iLearn Schools' ethos of ongoing growth and positive reinforcement. By investing in the development and well-being of its educators, Uptown ASCS aims to reflect these values in the classroom, thus establishing a culture of equity, respect, and high achievement.

e. Strategies to Maintain a Safe and Orderly Environment:

Uptown Arts and Science Charter School (ASCS), following the ethos of iLearn Schools, will implement comprehensive strategies to maintain a safe and orderly environment conducive to learning and achievement. The approach focuses on both proactive measures and responsive practices to ensure a secure, structured, and respectful learning atmosphere.

1. Administrative Oversight: The School Director, Assistant Director of Academics, and Assistant Director of Operations (ADO) will play pivotal roles in overseeing and enforcing safety and discipline policies. Strong leadership ensures consistent enforcement of rules

and policies, establishing a clear structure for maintaining order and addressing issues promptly.

2. Behavior Management System: Utilizing a merit and demerit points system to monitor and address student behavior. Positive behaviors are rewarded, while negative behaviors are addressed through appropriate consequences. This system provides a clear and fair approach to behavior management, encouraging positive conduct and deterring disruptive behavior.

3. Comprehensive Safety Protocols and Drills: Regular safety drills, including fire drills, lockdown procedures, and evacuation plans, to prepare the school community for emergencies. Preparedness and familiarity with emergency procedures ensure a swift and coordinated response in any situation, enhancing overall safety.

4. School Safety Team and Plan: Establishing a School Safety Team to oversee the implementation of the School Safety Plan, including prevention and intervention measures. A dedicated team ensures ongoing attention to safety issues and enables the school to respond effectively to any threats or incidents.

5. Prevention and Intervention Measures: Violence prevention training, early detection of potentially violent behavior, and development of response plans. Proactive measures reduce the likelihood of violence and ensure the school is prepared to handle any incidents that do arise.

6. Security Measures: Incorporating security measures like internal and external cameras, full-time hall monitors, school security officers, and a strict ID system. Physical security measures deter unauthorized access and ensure swift response to any security concerns.

7. Clear and Supportive Communication: Implementation:** Maintaining open lines of communication between school leaders, staff, students, and parents. Transparent and regular communication fosters trust, ensures everyone is informed, and allows for quick resolution of issues.

8. Anti-Discrimination Policies and Inclusivity Training: Enforcing strict anti-discrimination policies and providing staff and students with training on inclusivity and respect. A school culture that values diversity and inclusivity promotes a safe and welcoming environment for all students.

9. Positive Behavioral Interventions and Supports (PBIS): Implementing PBIS strategies to establish behavioral supports and a social culture conducive to academic and social success. PBIS focuses on positive reinforcement, improving student behavior, and creating a supportive school climate.

These approaches are designed to create an environment where students feel secure and are able to focus on their learning. An emphasis on clear leadership, consistent behavioral management, and proactive safety measures ensures the school operates smoothly and that students understand school expectations and consequences for actions. The integration of PBIS and anti-discrimination policies underscores Uptown ASCS's commitment to a respectful, inclusive environment where every student can thrive. By combining physical security measures with a strong focus on community and communication, Uptown ASCS aims to create a balanced and effective approach to maintaining a safe and orderly school environment.

f. Strategies for Instilling Culture and Expectations:

To establish and maintain a culture supportive of learning and achievement, Uptown Arts and Science Charter School (ASCS), in line with iLearn Schools' approach, will utilize comprehensive strategies to effectively instill the school's culture and expectations among board members, staff, students, and families. This will be achieved through clear communication, engagement, education, and consistent reinforcement.

1. Comprehensive Orientation and Onboarding: Conducting detailed orientation sessions for board members, new staff, students, and families at the beginning of each academic year or upon joining the school. Providing comprehensive information about the school's vision, values, expectations, and policies ensures all members of the school community start the school year on the same page.

2. Distribution of a Detailed Handbook: Issuing student and parent handbooks outlining the school's core values, behavioral expectations, academic standards, and policies. A handbook serves as a reference tool, aligning the entire school community with foundational principles and operational guidelines.

3. Regular Communication Channels: Utilizing newsletters, meetings, digital platforms, and informal interactions for ongoing communication with all stakeholders. Consistent and transparent communication keeps everyone informed, involved, and allows for feedback.

4. Parent Engagement Programs and Community Outreach: Organizing workshops, cultural events, and parent-teacher meetings to engage families in the educational process. Active parent participation strengthens the bond between home and school, reinforcing school culture and expectations.

5. Professional Development and Training: Providing continuous professional development opportunities for staff, focusing on the school's educational approach, culture, and values. Well-trained staff are crucial in modeling and reinforcing the school's culture and expectations.

6. Student Leadership and Voice: Encouraging students to become involved in Students in Action and forums where students can express their views and participate in school decision-making. Involving students in leadership roles like Students in Action and Student Government fosters a sense of ownership and responsibility toward the school's culture.

7. Performance and Behavior Recognition Programs: Implementing recognition programs like Student-of-the-Month, honor roll, and other awards. Recognizing and rewarding adherence to school values and academic achievements reinforces positive behavior and academic excellence.

8. Home Visits and Personalized Communication: Staff members conducting home visits to discuss students' progress, challenges, and aspirations. Personalized communication strengthens relationships and ensures that school values are extended and reinforced at home.

9. Involvement in Decision-Making Processes: Inviting input from all stakeholders, including board members, staff, students, and families, in key decision-making processes. Collaborative decision-making promotes a sense of shared responsibility and commitment to the school's vision and culture.

These strategies are selected to create a cohesive, inclusive, and supportive educational environment. By engaging all members of the school community in the process of upholding and living the school's values and expectations, Uptown ASCS ensures its culture is not just communicated, but also deeply ingrained and consistently practiced. The focus on communication, engagement, recognition, and personal involvement ensures that the culture is not only understood, but also valued and embraced by everyone involved. This approach fosters a strong sense of community, recognition, shared responsibility, and mutual respect, all of which are essential for creating an environment conducive to learning and achievement.

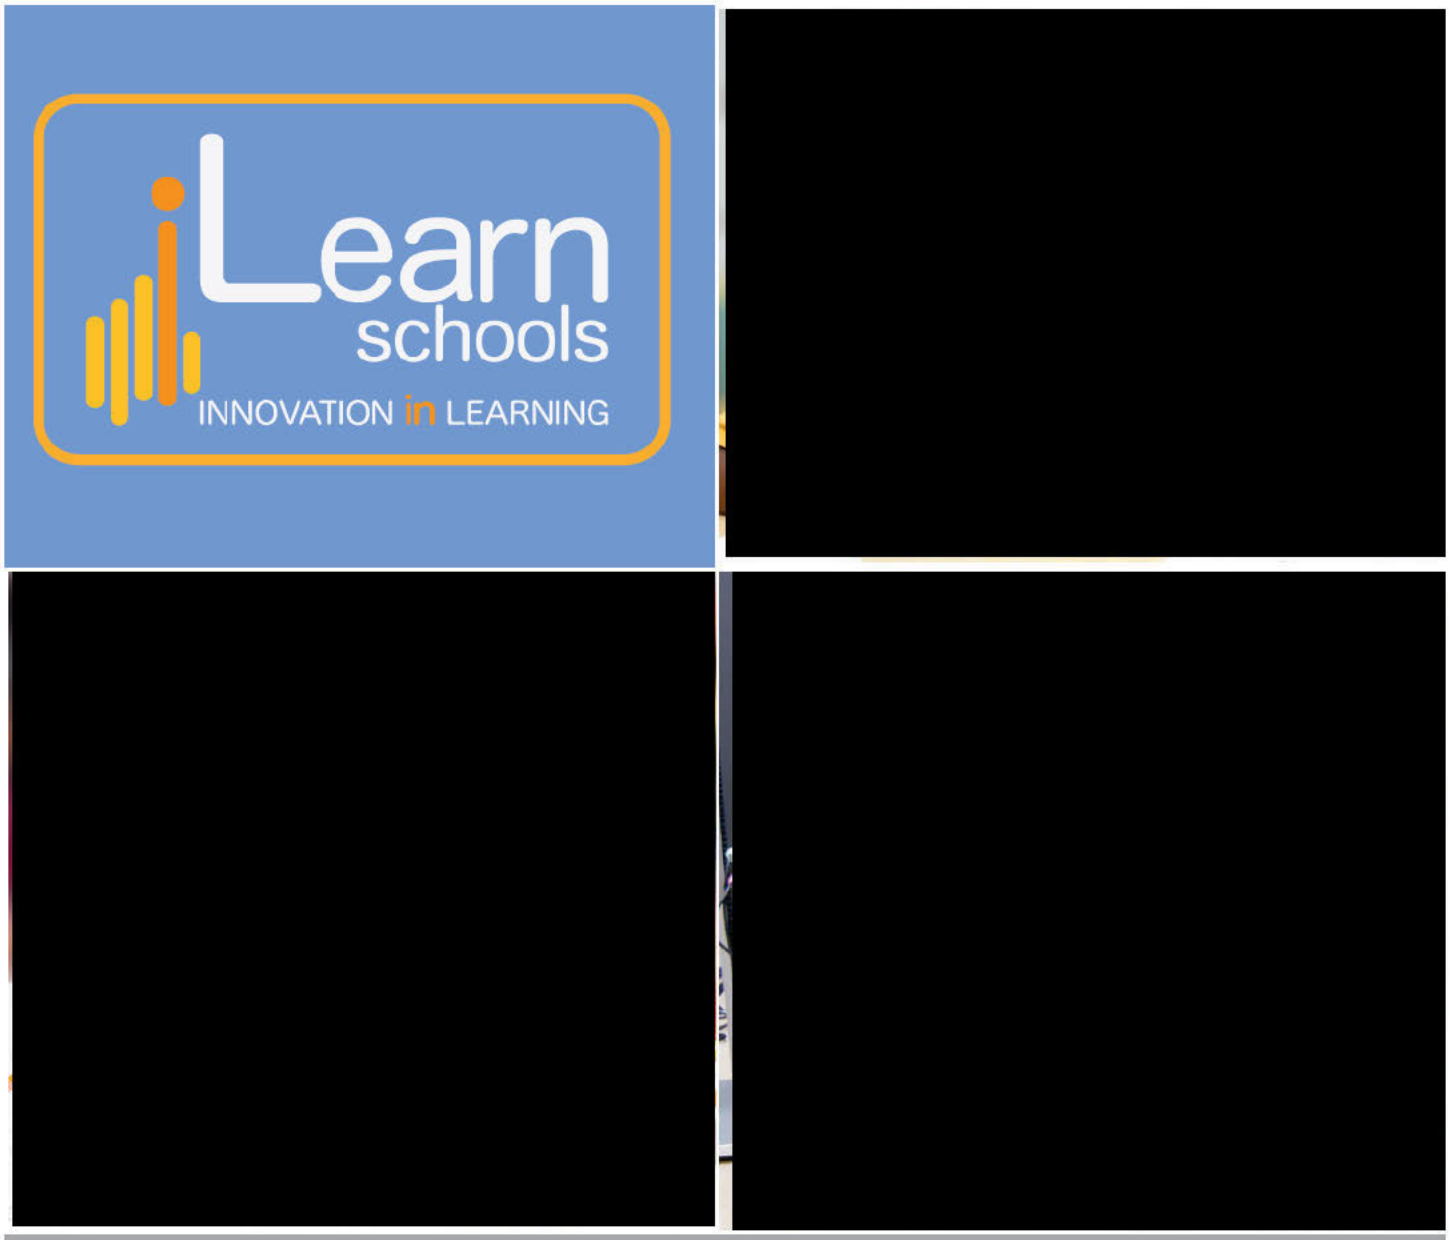
FEBRUARY, 2024



Uptown ASCS High School Student Handbook

Dear Students,

Welcome to the 2025-2026 school year at Uptown ASCS! This new school year means a new beginning, and new futures. The administrative team is excited about this coming school year, and the staff at Uptown ASCS is caring, competent, dedicated and willing to assist you. We are working very hard to provide the best possible learning climate for students.

We believe that education is a shared responsibility and that the successful operation of a school depends on the cooperation of everyone involved: students, parents, and staff. The mission of Uptown ASCS is to create a partnership among the members of this triad. Each of us is responsible for doing his or her part to make our school a place where we can all work and strive together in harmony.

Uptown ASCS is a reflection of all of us. All of our policies are intended to provide a safe and orderly environment that will be conducive to learning. Our faculty and staff look forward to sharing their expertise in academics, special programs, and extracurricular activities. We encourage you to get to know your school, its programs, activities, and schedule. Become an active participant in our school. Get involved through classes, clubs, and activities.

This handbook is an overview of our school's goals, services, and rules. It is an essential reference book describing what we expect and how we do things. Read it carefully, discuss it with your parents, and let it act as a guide for your effective involvement in all parts of the school. It has been written to provide you and your parents with the information that will make your year purposeful and rewarding in every aspect. Keep this handbook because you will use this information throughout the school year.

On behalf of the entire Uptown ASCS staff and community, best wishes for a great 2025-2026 school year!

Sincerely,

Uptown ASCS

SCHOOL MISSION

Uptown ASCS' mission is to provide the ideal environment for the intellectual and social development of its students by utilizing a combined effort of students, educators, families, and the community as a whole.

Because of the nature of its mission, Uptown ASCS does not discriminate against any member of its community on the basis of gender, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disabilities, handicap in educational programs or activities, or by any other legally protected characteristic.

Uptown ASCS
STUDENTS RIGHTS AND RESPONSIBILITIES

STUDENTS' RIGHTS

- To feel safe in the school environment;
- To take full advantage of the learning opportunities;
- To work in an environment free from disruptions, and chaos:
- To express their opinions, ideas, thoughts, and concerns:
- To have a healthy environment that is smoke, alcohol, and drug free;
- To use school resources and facilities for self-betterment under appropriate supervision;
- To expect courtesy, fairness, and respect from all members of the community;
- To be informed of all expectations and responsibilities;
- To take part in a variety of school activities; and
- To have the right to due process;

STUDENTS' RESPONSIBILITIES

- To be caring and honest;
- To do his or her best to learn and master all he or she can;
- To respect school rules, regulations, and policies;
- To be sure that personal expression does not interfere with the rights of others;
- To follow state law and school policies concerning substance abuse;
- To respect and protect the personal and property rights of others and of the school;
- To treat all members of the community with full respect, fairness, and courtesy;
- To abide by all the expectations of the school and its community;
- To follow the prescribed guidelines for participation in school activities; and
- To adhere to due process procedures.

SCHOOL CULTURE

Uptown ASCS Core Values

Purpose
To protect the social-emotional and moral health of students, Uptown ASCS has proactively established Core Values, outlined below, to promote actions that are representative of productive, honest citizens from each of its students.

Positive behaviors and demonstrations of good character will be anchored and evaluated by the Uptown ASCS core values: **Honesty, Integrity, Respect, Community, Compassion, and Excellence**.

Description Core Values

Honesty – We tell the truth and admit wrongdoing. We are trustworthy and act with integrity.

Integrity – We exhibit integrity by doing what is right. We are role models for other students by carrying ourselves with dignity.

Respect – We show high regard for our teachers, our classmates and ourselves. We treat others as I would want to be treated. We understand that all people have value as human beings and we respect differences and embrace others' perspectives.

Community – We demonstrate pride in our school. We offer assistance to our fellow classmates and teachers. We are a family.

Compassion - We are compassionate through both word and deed. We care deeply about others and respect differences of opinions. We are kind and show empathy towards our classmates and teachers.

Excellence - We strive for excellence by exemplifying positive leadership, responsibility and organization, and a consistent positive attitude

Discipline Point System (DPS)

Uptown ASCS is expected to live by the Core Values of **Honesty, Integrity, respect, Community, Compassion, and Excellence.** Students will learn to uphold these values.

Along with the established disciplinary procedure, Uptown ASCS will enforce a Discipline Point System (DPS) in which students will be given points for acceptable and/or unacceptable behavior. Each teacher and staff must use this system and the Administration has the discretion to implement certain consequences for students who have earned points above a set limit. Parents will be notified about the consequences associated with the behavior.

Rules of Discipline Point System

1. Every unwanted behavior has a numerical point.
2. Every teacher is required to mention our DPS system in his/her syllabus and use it.
3. Teachers will be allowed to only to report one merit or demerit incident per class period. The teacher shall fill out a Discipline Referral Form if the same case continues, and contact an Administrator.
4. An accruement of 30 points or more within a year period may result in attending detention.
5. Students required to attend any detention must or obey rules of conduct. Students may receive more DPS points, however for an unwilling behavior.
6. Failing to attend any detention without any confirmed excuse may result in further consequences.
7. An accruement of 50 points or more within a school year may result in a parent conference and further actions in attempt to reduce points. Ex: detentions, suspension, and other remedial actions.
8. An accruement of 75 points or more within a school year may result in a suspension and a corrective action plan.
9. An accruement of 100 points or more within a year period may result in expulsion.

Uptown ASCS Core Value Record

Students can receive positive or negative points based on demonstrating the core values. This is part of the DPS system. The following table gives examples of positive and negative behavior based on each of the core values.

Honesty	Positive · Admit to your actions · Explain how a situation really happened · Encouraging others to be honest	Negative · Lying · Spreading rumors · Stealing
Integrity	Positive · Doing the right thing when no one is watching · Student alerts teachers/administrators about unsafe situations · Student fails an assignment and actively seeks out support · Student seeks additional instructional support · Being team player · Sharing recognition	Negative · Cheating/plagiarism · Allows others to copy work · Cutting class · Being where they are not supposed to · Inappropriate use of technology
Respect	Positive · Shows kindness and courtesy · Respects differences · Embraces other's perspectives	Negative · Disrespect to staff member · Disrespect to fellow classmate · Inappropriate language/cursing
Community	Positive	Negative · Destruction of school property

	· Helps maintain cleanliness and aesthetics of the school · Demonstrating pride in your school · Student offers assistance to classmate · Student volunteers to assist staff and/or school events	· Destruction of individual property · Failure to follow instructions during emergency drill · Dress code violation
Compassion	Positive · Displays random acts of kindness · Shows empathy towards others · Expresses gratitude	Negative · Refuses to apologize · Hurts someone's feelings · Student makes decision without taken other's input in consideration
Excellence	Positive · Exemplifying positive leadership · Exemplifying responsibility and organization · Consistent positive attitude	Negative · Failure to work effectively in a group setting · Unexcused tardy to class · Unprepared to class

GRADING POLICIES

ACADEMIC POLICIES

GRADUATION REQUIREMENTS

1. Credit requirements

DISCIPLINE	YEARS	TOTAL CREDITS
English Language Arts	4	20
Physical Education & Health	4	20
Math (Includes Algebra I & Geometry)	3	15
Science	3	15
Social Studies	3	15
World Languages	2	10
Visual & Performing Arts	1	5
21st Century Life & Careers	1	5
Financial, Business, Economic, or Entrepreneurial Literacy	1/2	2.5
		(MINIMUM) TOTAL CREDITS: 120
• Students must carry at least 30 credits during their 12th grade year		

GRADING SCALE

All classes at Uptown ASCS will follow this standard scale for assigning letter grades for each nine-week reporting period. Teachers will establish the grading policies and procedures for their classes individually, and their grades will correspond to this scale.

A+	A	A-	B+	B	B-	C+	C	C-	F
97-100	93-96	90-92	87-89	83-86	80-82	77-79	73-76	70-72	69-0

GRADE POINT AVERAGE

A student's Grade Point Average (GPA) is calculated by multiplying the number of credits per course by the grade achieved in the course. The totals for each course are added and then divided by the number of credits taken to compute a student's grade point average. A weighted GPA is computed to provide information for scholarships and to determine valedictorian and salutatorian.

There are two levels of courses utilized for the purpose of calculating weighted GPA. Weighted courses are Advanced Placement (AP) and Honors (H) courses. Unweighted courses are courses not designated AP or H. Advanced Placement courses are weighted 1.33. Honors courses are weighed 1.25.

GRADING CHART

Grade	Standard	AP	H
A+	4.00	5.33	5.00
A	4.00	5.33	5.00
A–	3.67	4.89	4.58
B+	3.33	4.43	4.16
B	3.00	3.99	3.75
B–	2.67	3.55	3.33
C+	2.33	3.10	2.91
C	2.00	2.66	2.50
C–	1.67	2.22	2.08
F	0.00	0.00	0.00

SCHOLASTIC ACHIEVEMENTS

In recognition of distinguished academic achievement and high standards of academic integrity, Uptown ASCS awards Graduation Honors to high school students based on the cumulative GPA at the time of graduation:

Summa Cum Laude (With the Greatest Honors)	4.00 or higher
Magna Cum Laude (With Great Honors)	3.80 or higher, but less than 4.00
Cum Laude (With Honors)	3.60 or higher, but less than 3.80

Honors and Advanced Placement Enrollment Criteria

Students need to first earn a final grade of A- or better in required prerequisite course(s). In addition to the final grade, initial course level placement will be based on standardized test results, teacher recommendation and demonstrated competency within the discipline. Recommendations will be based on established classroom participation, proven record of academic achievement, and a demonstrated willingness.

The AP Exam is a required component of an AP course. Students who do not register for and take the test will not receive AP credits. Please be aware that once a student enrolls in an AP class, he/she cannot drop that course.

HOMEWORK POLICY

Homework shall be assigned to reinforce and strengthen students' interests and abilities. It shall be designed as a focused learning experience to meet a learning goal. Therefore, it is crucial homework be completed in a timely manner in order to be of instructional benefit. Homework is a valuable part of the instructional program, with extension and expansion of student learning facilitated by the assignment of meaningful and manageable student work. Generally, homework is to be done independently, or with minimal supervision. Parents are encouraged, however, to show interest in their child's homework and to provide an appropriate setting, free of distraction, to promote quality work. Teachers regard homework as an important indicator of student performance and will provide feedback and reinforcement to the student in a timely manner. The following procedures outline our school homework policy:

- Homework is to be handed in on the due date assigned by the teacher. Homework is considered late if it is handed in any time after the class period for which it is due (for example, if a student hands in work for 1st period during lunchtime, it is still considered late).

- Late homework will result in -10% of the grade for each day it is late, up to four days (for example, a 100 point assignment will be worth 90 points the first day it is late, 80 points on the second, 70 points on the third, and 60 on the fourth).

- If the homework is not turned in on the fourth day, the grade automatically becomes a zero. Make-up homework will not be offered beyond this time.

- If a student works on homework in a different class period (such as completing math homework in English class), that homework assignment will automatically receive a grade of zero. Homework is to be completed at home, not during other classes.

- Partially completed homework will only be given partial credit when it is due for the amount of work that has been done. If a student hands in the homework fully completed at a later date within the next four days, the full -10% points are still taken off the final grade for each day late. (For example, if a student hands in a half-completed 100-point assignment on the due date, the student receives a 50. If the student then completes the remainder of the work by the following day, the maximum amount of points possible the student can earn is a 90.)

- For homework assignments that are reviewed and gone over the following day in class, the late policy does not apply. For these homework assignments, either full or partial credit is given or a zero is given if the homework is not completed at all. Because answers are being reviewed and discussed in class, the student is not allowed to "make up" this work at a later date since answers have already been made available. (For example, if a teacher assigns 10 math problems to be done for homework and the answers to the problems are reviewed the next day in class, a student who did not complete the homework cannot then hand it in later for credit.)

- Students who miss homework assignments are responsible for staying after school for tutoring between 3:00pm and 4:00pm with the designated teacher to make up late homework (up to the end of the 4th "late day"). Parental permission must be given beforehand before a student is allowed to stay. If a student is unable to stay after school, the student must find a suitable time to complete the late work in order to remain accountable.

If you happen to find a late homework paper later in the marking period beyond the four late policy days, your teacher will NOT accept it. Due dates are important deadlines that must be met in order to maintain academic integrity. Remember to write down all due dates and keep your work organized. As a high school student, you are responsible for all of your own actions, behavior, academics, and decisions.

Assignments posted on Student Database and Schoology: Homework assignments are posted to the school database daily. It is the student's responsibility to check the database for assignments on a daily basis. Parents are encouraged to review the database regularly to monitor assignments posted

RESOURCES AND EXTRA-CURRICULAR ACTIVITIES

COUNSELING SERVICES

Student Counseling: Uptown ASCS will have a school psychologist who is available to see students regarding problems that they may be experiencing at school or home. The school administrators are also available to meet with students to discuss any challenges and/or concerns a student may be experiencing. Students may be referred for counseling or may visit the school psychologist and/or school administrators during lunchtime or with a valid pass.

College Counseling: The College Office is a resource area used by high school students for college related purposes. The resources of this area are available to support and enhance students' learning and understanding and to encourage students to become college oriented and independent, life-long learners. Students may use this area with the explicit permission of the college guidance counselor and/or school administration.

FIELD TRIPS

Field Trips offer exciting ways to learn as an extension of the curriculum. Uptown ASCS' students will have the opportunity to go on field trips at various times throughout the school year. For all field trips, you will be expected to follow these rules:

- You must bring a Field Trip Permission Slip signed by your parents or guardian to school by the specified date.
- No phone calls or emails will be accepted as permission!
- You must wear your school uniform unless otherwise specified.
- You must abide by Uptown ASCS codes of student conduct while on the field trip.
- You may not qualify for field trips due to standards or requirements set by either the field trip leader or by an Administrator.
- Students will be responsible to make up the work for any classes they miss.
- No money will be refunded if a student does not participate in the planned trip without a confirmed excuse.
- Field trip leader or Uptown ASCS is not responsible for the students who are left at the school after the designated pick up time.
- Students must be in good standing as referenced in Uptown ASCS Disciplinary Point System.

AFTER SCHOOL ACTIVITIES

An invaluable way for students to enrich their education is by taking part in clubs and after-school activities or working with a teacher. These opportunities will allow you to explore things you already enjoy more deeply and to try other areas that sound interesting. If you stay for an after-school activity, you will be expected to follow these rules:

- You must be with a teacher or other staff member at all times.
- You must arrange for your own transportation; your pick-up or ride should arrive promptly at the end of the activity.
- You must abide by Uptown ASCS code of student conduct while participating in the activity.
- You may not stay after school to wait for another student.

A full list and description of after school clubs and activities will be posted after school starts and students will have an opportunity to explore each one that looks interesting.

LOCKERS

Each student will be assigned a locker for his/her individual use at iLearn Schools. This locker is for storing books, coats, and personal items necessary for school. iLearn Schools will not be liable for personal items left in the lockers. To keep your school items safe, we strongly advise you to keep your locker and its combination private. **Do not trade lockers with another student. Do not let another student share your locker**. It is your responsibility to see that your locker is kept locked and in order at all times. You should report any damage, vandalism or functionality issues with your locker to the front office or Assistant Directors. If you do not report vandalism, damage or non-working condition of your locker, you will be held responsible for it. Please remember that your locker is school property and remains at all times under the control of the school; however, you have full responsibility for the security of your locker and what is in it. Lockers are expected to be kept neat at all times. School officials will make periodic locker inspections. No item considered dangerous by the Administration may be kept in the lockers and will be removed if found there. This includes glass or any other object that may be perceived as potentially dangerous. State law permits inspection of student lockers, at the discretion of local school officials. Students attending iLearn Schools should not expect privacy of the contents of their lockers, desks, or other school property.

You will not need to purchase a combination lock for your locker. Student may not put their personal lock on their lockers.
A locker is an essential part of a student's life at iLearn Schools. **Use of lockers is strongly encouraged since no backpacks will be allowed in any of the classrooms.**

LOST AND FOUND

If you find books, clothing or personal items on the school grounds, please bring these items to the main office or Assistant Disciplinarian. If you lose something, check the Lost and Found. These items will be kept in the Lost and Found Box for up to seven (7) days after they are found. The corridors are inspected each evening and unsecured student property is placed in the Lost and Found Box. Students should ensure that all their books, uniform and other property are clearly labeled with their names to ensure a prompt return of such items if they become misplaced.
iLearn Schools' is not financially responsible for any lost items by students

SCHOOL CALENDAR

Calendar will be accessible to all parents, guardians, and students on the school's website. If you would like a copy of the calendar, please feel free to stop by the main office.

UNIFORM AND PERSONAL APPEARANCE

Uptown ASCS has a uniform to help create a safe and orderly environment, instill discipline, and eliminate competition and distractions caused by varied dress styles. You will be expected to arrive in dress code every day. Please cooperate, display modesty and neatness, and take pride in these clean, neat and attractive uniforms. We rely on your common sense and your parents' and/or guardians' support in helping maintain this dress code. Most of the uniform items can be purchased from the companies suggested by the school.

- **If you arrive at school out of uniform, your parents will be called.**
- **. You will be given a school uniform temporarily to wear to class, which you must return to the School, laundered.**
- **The staff reserves the right to determine and restrict unbecoming styles. If a student is dressed or groomed inappropriately, parents may be called to bring a change of clothes. Violations of the dress guidelines will result in incremental disciplinary action.**

OFFICIAL UNIFORM (WITH APPROPRIATE SCHOOL COLORS):

Uniform Top for All Students (With School Logo)
- Polo School Shirt with Short or Long Sleeves
- Fleece Jacket
- Sweatshirt
- Check your school website for more details

Uniform Pants
- Properly fitting khaki pants or 'skorts'
- No jeans except when given explicit permission

PE Uniform (With School Logo)
- School Sweat Pants or Shorts (No higher than knee cap level)
- School Gym T-Shirts

Footwear
- Shoes: Brown or Blacked lace-up shoes or loafers (closed toe, closed heel)
- No sandals, flip flops or mules
- Sneakers (white or black): Only PE days and when given explicit permission
- All shoes & sneakers should have backs or secure straps on shoe for safety
- Boots: Are only permitted during harsh weather condition such as snow or rain.

STUDENTS WILL NOT PARTICIPATE IN GYM ACTIVITIES IF NOT PREPARED WITH PE UNIFORM!

For the 2024-2025 school year, please refer to our school website regarding the purchase of uniforms: www.bronxcharter.org.

ADDITIONAL DRESS CODE REQUIREMENTS AND LIMITATIONS

In addition to making sure you are wearing the school uniform, Uptown ASCS require that you follow these additional guidelines in terms of uniform appearance and personal appearance. Students shall be dressed and groomed in a manner that is clean and neat and that will not be a health or safety hazard to themselves or others. Uptown ASCS prohibits any clothing or grooming that, in the administration's judgment, may reasonably be expected to cause disruption of, or interference with, normal school operations. The uniform policy is intended to promote a more effective learning climate; foster school unity and pride; improve student performance; foster self-esteem; eliminate label competition; simplify dressing and minimize costs to parents; teach children appropriate dress and decorum in their "work" place; and help to improve student conduct and discipline.

The dress code listed below will encourage young people to maintain good standards of dress as well as allow for comfort, safety, and personal preference in their dress. Coats are not to be worn inside classroom and hallways and they must be stored in lockers.

Uniform Top:

- Shirt must be in good condition. Free from holes and tears.
- Students are encouraged to tuck in regular uniform shirt at all times.
- Shirt collars and sleeves must remain down.

Uniform Bottoms:

- Must fit properly
- May not be baggy or tight
- May not sag
- May not have a low waist
- Not permitted
- No pants, shirts, shorts, or skirts that is anatomically revealing or tight
- No jackets, sweatshirts, or sweaters will be worn around the waist
- No shorts shorter than knee cap level
- No cargo style shorts or pants
- No pedal pushers

For safety: All shoes must be trapped and/or tied. All shoes must have closed toe and heel.

General Guidelines

- UPTOWN ASCS prohibits pictures, emblems, or writings on clothing that are lewd, offensive, vulgar, or obscene; advertise or depict tobacco products, alcoholic beverages, drugs, or any other prohibited substance.
- Hair must be neatly groomed at all times. It should be worn in a manner that is not a distraction to the student or others around him or her (this includes Mohawks, dyeing, highlighting or other extreme haircuts).
- **PE uniforms are permitted only on PE days**.
- **Coats, jackets, and items not meeting dress code must be stored in lockers/classrooms.**
- No jewelry shall be displayed or visible, except earrings. No facial piercings permitted.
- **No hoop earrings** of any kind. Post earrings ONLY. No Make-up. No tattoos; body piercings; fake or long nails (for safety reasons); body writings; sunglasses; pajamas; wallets with long chains; hats; caps; bandannas; and other headgear allowed.

Dress Code on Dress Up or Dress Down Days: All general dress code rules apply. Garments must be free of holes, tears, inappropriate language, logos, messages or advertising. No sleeveless shirts, hoodies, skintight, bicycle legging, ripped jeans, short dresses or skirts. No low cut, midriff, backless blouses. Parents will be called to pick up a child if students violate the dress code.

Field Trip Dress Code

All students must wear school uniforms during field trips unless instructed otherwise. Any student who does not adhere to the dress code will be disallowed from attending the trip.

STUDENT ID CARDS

All students will be issued a student ID card which must be worn on a lanyard and around the student's neck at all times. If you lose your ID card, go to the main office to request to purchase a new one. Students shall return their Student ID cards in the event that they withdraw from the school.

EXAMINATION PROCEDURES

At Uptown ASCS , formal examinations fulfill an important function in the assessment of each student's academic performance. As external examinations (PARCC, NJASK) are used on a state-wide basis as measures of student performance, students at Uptown ASCS are exposed to formal examinations not only for the purposes of assessment but also for experience in examination conduct, procedure and technique.

Consequently, the school has in place a "Code of Conduct" pertaining to examinations.

- Students are to remain silent during all examinations.
- Under no circumstances are students permitted to distract other students during examinations.
- Students must leave school bags at the front of class or in their lockers during examinations.
- Students are not permitted to take any paper, including worksheets, into the exam room.
- Students are not permitted to remove any paper, including the question paper, from the exam room.
- Students must bring requested equipment and supplies for each exam.
- Students are not to be late for examinations and will NOT be permitted to leave early.
- Latecomers will not be granted extra time to complete the exam.
- Students who are absent from any examination are required to present themselves to their teacher immediately upon their return to school.

All exams must be made up within 3 days of absence; however, the student must present a reasonable excuse to be eligible for a make-up exam or project.

Any student that disrupts the class during testing will be issued serious consequences.

ANY STUDENT FOUND TO BE CHEATING DURING EXAMINATIONS AND/OR DETERMINED TO HAVE CHEATED WILL RECEIVE A ZERO AND THEIR PARENTS WILL BE NOTIFIED. DISCIPLINARY ACTION MAY BE TAKEN BY EITHER THE TEACHER OR BY A SCHOOL ADMINISTRATOR. SEE THE CHEAT/PLAGIARIZE POLICY.

ILLNESS, INJURY, AND MEDICATION POLICIES

Uptown ASCS will have a school nurse or first-aid-trained-person available to discuss or assist with medical problems or concerns. Unless you are ill, you must make an appointment in advance with the nurse.

Illness or Injury During the School Day

- Please follow these three rules if you become ill or are injured during the school day.
- Report to the nurse's office. If the nurse is not available, you should report to the Main Office.
- If you do not inform the office and simply miss class, it is an unexcused absence as well as a cut class.
- Do not leave the school building without permission. Always report to the main office.

Medication Policy

Medication should not be brought to school unless it is essential to the health of the student. If a student must take medicine at school, these procedures must be followed:

- The medication to be administered by designated school personnel must be:
    - sent directly from the pharmacy or physician's office;

- brought to the school by the student's parent/guardian.

The school must receive a Medication Administration Directions Form signed by the student's physician and parent/guardian.

On the medication container, the following information must be clearly printed:

- Student's Name
- Name of the medication
- Dosage
- Time the medication must be taken.
- Bring in only the amount of medication that is needed for a school day.
- In the case of prolonged need, send in the amount for a clearly specified period such as one week or one month.
- Extra medication will not be sent home with a student.
- All medication will be kept in a secure location in the nurse's office.

Students are not allowed to carry any medication with them to school. Aspirin, Tylenol, and other patent drugs are not available from Uptown ASCS .

LUNCH PERIODS

All students will remain at school during the lunch period. You may buy your lunch at school, or you may bring a packed lunch. If you have a special situation, you will need to meet with the Lead Person. During the lunch period, you will be expected to display good manners and courtesy. **You must eat your lunch only in the lunch area.** You will be expected to clear your place and dispose of all trash and recyclables appropriately. Teachers on duty during the lunch period will hold you responsible for your behavior. Students who do not maintain a certain level of respect for others and for their environment will be held accountable for their actions.

Cafeteria Conduct

- Dispose of plates and utensils in appropriate bins.
- Keep tables, seats, and floors clean.
- Talk in a normal voice (classroom voice). Do not shout.
- Keep cafeteria lines orderly: no pushing, running, horse playing or cutting of lines.
- No loitering in the cafeteria and hallways during lunch. Be seated unless otherwise instructed.
- Keep hands, feet, personal belongings and food to yourself.
- No backpacks or books are allowed in the lunch area.
- Students who mutilate or deface school property will be fined an amount necessary to cover the cost of restoring the damaged property, as well as receive appropriate disciplinary action.
- Appropriate language is to be used at all times.
- Ordering food from outside without an approval from the administration is not allowed.

PUBLIC AREAS: HALLWAYS, STAIRWAYS, CAFETERIA, AND LAVATORIES

Hallways, stairways, cafeteria, and lavatories are areas used by all members of Uptown ASCS . There are rules of conduct that all students must follow because we all use these areas.

- No loitering in the halls, lunchroom or lavatories.
- No eating in halls or lavatories.
- No running in the halls, lunchroom or lavatories.
- Do not use any profane or vulgar language while in these areas.
- Do not yell, scream, hit lockers or otherwise make excessive noise while in these areas.

- No vandalizing (including the use of graffiti), post fliers or write on walls, bulletin boards, doors, desks, books, or any other school property.
- You must do your part to keep these areas clean and safe.
- Do not leave belongings on the floor outside of or on top of your cubby.
- Make sure you clean up after yourself and appropriately dispose of all trash.
- Report any leaks, spills, or other problems in the lavatory to a teacher or the office immediately.
- Do not horseplay, push, trip or wrestle.

Students are not permitted in the halls during class periods and lunch hours unless they are accompanied by a teacher or have a hall pass from an authorized staff member.

RESTRICTED AREAS

After arrival at school, students may not leave the building for ANY reason without written permission of the administrator or being accompanied by a teacher.

- Students may not use a classroom without the permission of a teacher.
- Students may not use or remove any item from a teacher's desk.
- The laboratories are out of bounds unless a teacher is present.
- The playground of the school is off limits except when permission is given.
- Construction areas are out of bounds.
- The aforementioned rules apply to students at all times.
- Teachers on duty have the authority and discretion to correct any pupil and submit disciplinary referrals to the office.

SCHOOL ACTIVITIES

Uptown ASCS will offer a range of activities that will enrich student learning during the school day and after school. Specific rules will apply to these activities to ensure the safety of our students.

Field Trips

Field Trips offer exciting ways to learn. Uptown ASCS students will have the opportunity to go on field trips at various times throughout the school year. For all field trips, you will be expected to follow these rules:

- Student must bring a permission slip signed by parents/guardian to school by the specified date.
- No phone calls will be accepted as permission.
- Student must wear your school uniform unless otherwise specified.
- Students must abide by Uptown ASCS codes of student conduct while on the field trip.
- No money will be refunded if a student does not participate in the planned trip without a confirmed excuse.
- **School administration reserves the right to exclude any student from attending field trips/or school activities who may have excessive incidents regarding behavior.**
- **Students with a failing grade or those that are missing critical assignments may be refrained from attending as well.**

After-School Activities

Students have the opportunity to enhance and deepen their knowledge of certain activities or subjects by attending after-school activities.

Parents will receive an application form in order to register your child for a club. This will give you and your child the opportunity to explore the clubs that are available. Once the registration deadline has passed, you

must wait until the following registration period in order to register your child. All payments are due at the time of registration. If payment is not received, students will not be allowed to register for clubs.

Students attending after-school clubs will be expected to follow these regulations:

- Students must be with a teacher or other staff member at all times.
- Students must arrange for their own transportation to and from school.
- Students must abide by the Uptown ASCS code of student conduct while participating in the activity.

School Competitions

Students can win trophies or medals in competitions or contests in which he/she represents the school. Uptown ASCS reserves the right of ownership for any medal or trophy won in the school's name. Uptown ASCS also reserves the right to display it.

Transportation Plan

Uptown ASCS will ensure that transportation is not a barrier to equal access for all students. Uptown ASCS students will receive transportation services for which they are eligible under Education Law § 2853(4)(b) and § 3635. If a student is not eligible for such transportation, the student's parent or guardian will be responsible for providing transportation.

The NYC DOE is responsible for providing the same transportation services as other NYC public school students, and Uptown ASCS will coordinate with the DOE Office of Pupil Transportation (OPT) to access yellow busses and/or MetroCards. Given the current transportation routes, we believe OPT will be able to provide yellow buses to our students who meet eligibility criteria (students in grades K-2 who live outside a ½ mile radius and students in grades 2-5 who live outside a 1-mile radius).

Uptown ASCS' secretary will coordinate all transportation that includes submission of required eligibility forms and identification of bus routes and stops. The same personnel will contact eligible students` families to inform them of their child's bus number, bus stop, and estimated pick-up and drop-off time.

General education transportation eligibility is based on a student's grade level and the walking distance between home and school. Based on a distance calculation, students eligible for full fare transportation may receive either stop to school transportation or a Student MetroCard.

Stop-to-School Yellow Bus Service

A student is eligible for stop-to-school yellow bus service if:

- The student is in grades 9-12
- The student lives in the same district as the school, (or the same borough for non-public, charter, or citywide gifted and talented schools)
- There is already yellow bus service at the school
- A current stop exists that can serve the student or a new stop can be created.

Student MetroCards

A Student MetroCard is issued upon request if:

- yellow bus service is not available or,
- if a new stop cannot be added for the student.

For more detailed information regarding transportation, please visit: [redacted]

STUDENT ID CARDS

Student ID cards will be issued to each student and will be worn at all times. This card allows students to attend school-sponsored functions and the student may be asked to show and use the ID card in order to get breakfast and lunch. If you lose your ID card, go to the main office before or after school to purchase a new one.

TEXTBOOK AND SUPPLIES

Uptown ASCS will hold each student's parent/guardian responsible for the condition of the textbook and Chromebook issued at the beginning of the year. Each student should take care to see that these books are not lost, stolen, damaged, or defaced. Students will have to pay to replace any books that are damaged or not returned. Students must return all textbooks and workbooks at the end of the year. Should a student withdraw from the school or be expelled, all textbooks must be returned to Uptown ASCS immediately.

Many of the classes will use expendable supplies – from materials to workbooks. Students will be required to pay for these materials. If there is a special circumstance, families should meet with the administration.

FINAL REPORT CARDS, TRANSCRIPTS AND/OR WITHDRAW FORM WILL NOT BE ISSUED UNTIL ALL TEXTBOOKS ARE RETURNED IN GOOD CONDITION.

VISITORS

Visitors must sign in with security when they arrive and must present a valid ID. Visitor is then to report to the main office. No visitor is allowed to walk in the school without a visitor pass. Parents must also check in at the front office.

ATTENDANCE

Regular school attendance is essential for the students to make the most of their education. School employees must investigate and report violations of the state compulsory attendance law. Students absent without permission from school or from any class will be considered truant and subject to disciplinary action. To receive credit in a class, a student must attend at least 91 percent of the days the class is offered. Therefore, the student is allowed only 18 days of recorded absences. This includes both excused and unexcused absences. The class credit will remain invalid unless the administration finds that the absences are the result of extenuating circumstances, such as:

- An extracurricular activity that has been approved by the School's Board of Trustees.
- A documented health care appointment or medical treatment requiring absence. We encourage parents to schedule medical, dental, legal, and other necessary appointments outside school hours whenever possible. If this is not possible, you must bring a note to the office the day of the absence specifying clearly the time you are to be dismissed. In addition, parents must sign students out of school and you

must return to school when finished if classes are still in session. 4 instructional hours is required to be considered a full day of instruction.

- A temporary absence resulting from any cause acceptable to the teacher or lead person including personal or family illness; family emergency or death in the immediate family. Maximum of up to 3 days(Domestic) and up to 5 days(international) excuse absence will be permitted in the case of death in the immediate family. Morning notification calls must be made to the school each day the child is expected to be absent. Students should bring in an explanatory note when they return. A doctor's note may also be requested for extended illness absences.
- An absence required by state or local officials including welfare, probation or health authorities. The school requires morning notification calls from parents.
- Students will be excused for the purpose of observing a religious holiday consistent with their belief. Documentation from the student's place of worship is required.
- **A student absent for any reason should promptly make up specific assignments missed. A student who does not make up assigned work within the time allotted by the teacher will receive a grade of zero for the assignment.**
- A doctor's note for a short-term illness (max two consecutive days) is not required and will be excused, however, parents/guardians are responsible for notifying the school no later than 8:30 am on the day when a child will be absent and for informing the school of the reason for the absence. If this is not possible, in case of an absence, the student—upon returning to school—must bring a note, signed by the parent that describes the reason for the absence; a note signed by the student will not be accepted. Notes must include; the student's name; the date(s) of absence; the specific reason for the absence, lateness, or early dismissal; the signature of the parent; and a daytime phone number where a parent can be reached to verify the note

Uptown ASCS has the right to take extreme absence cases to court.

Unexcused Absences

An unexcused absence becomes part of a student's school record. You will be marked for an unexcused absence if you:

- fail to bring a valid doctor's note within three school days following an absence;
- are absent from class without permission - including walking out of class;
- are absent from school without parental permission;
- get a pass to go to a certain place but do not report there, and/or;
- are absent for reasons considered unacceptable to the Administration.
- A doctor's note must be provided if the student is out for 3 or more consecutive days
- Excused absences for religious holidays are based on approved list of state holidays for schools

Truancy

Truancy means that a student is inexcusably absent from their assigned location without the knowledge of a parent.

- No credit will be recorded for work you missed as a result of truancy;
- A record of the truancy will be entered into your record file;
- A conference with your parents will be held.

Students who accumulate five consecutive unexcused absences or nine total days within a semester will be considered truant by state law.

Tardiness

In Uptown ASCS , there are two types of tardiness: Tardy to school and tardy to class. Learning the responsibility of getting to school and class on time is an integral part of Uptown ASCS s standard of excellence.

If students come after *8:05* a.m. they will need to get a tardy slip from the front office. Oversleeping, car or traffic problems and other related explanations are all unexcused. Tardiness is excusable by a school official under the following circumstances: 1. Court appointment. 2. Illness of the student 3. Student has a doctor or dentist appointment. A note or phone call from a parent or a professional note from a doctor or dentist will be required to verify the above.
The consequences for repeated tardiness to school within a year are as follows:

The number of tardiness to school	Consequences
5 tardy	A letter sent to the parent.
10th tardy	Parent meeting with administration
15th tardy	A letter sent to parent. 1 Day ISS* and/or afterschool detention
20th tardy	Parent Conference. 2 Days ISS* and/or afterschool detention

*ISS- In – School Suspension *OSS-Out of School Suspension

CLASS TARDINESS

In our school, instructional time is viewed as a precious resource. **Tardiness is excusable only if a student has a written note from the nurse, a teacher, or an administrator.**

The consequences for repeated tardiness to class within a year are as follows:

The number of tardiness to school	Consequences
5 tardy	A letter sent to the parent.
10th tardy	Afterschool detention.
15th tardy	A letter sent to parent. 1 Day ISS* and/or afterschool detention
20th tardy	Parent Conference. 2 Days ISS* and/or afterschool detention

*ISS- In – School Suspension *OSS-Out of School Suspension

Dismissal Policy:

Please remember that all rules and policies are in place to keep the students of Uptown ASCS safe and to dismiss them in the best way possible. Forward any questions to the Assistant Director of Operations or School Director.

Regular dismissal time is **2:50pm**. Dismissal time for the "Early Dismissal" days is **1:00 P.M.** Please do not arrive at school before dismissal times unless you have made arrangements to pick up the student early. Parents are expected to pick up their children no later than 3:00 P.M.

- All students must be picked up by their parents/legal guardians unless they have a walker pass.
- For the parents who cannot pick up their children by 3:00 pm, Uptown ASCS provides an After School Program. For the students not being picked up on time, there will be a $5 charge per student/day for every 10 minutes.
- After school students must be picked up by 3:40 pm. For the students not being picked up on time, there will be a $5 charge per student/day for every 10 minutes.
- Uptown ASCS may call the authorities for the students who are still on the campus 45 minutes after dismissal time.
- Students walking home will be assigned a walker pass, if requested by parents /legal guardians. Uptown ASCS is not responsible for a child who walks home once he or she is off the property of school. If walkers need to wait on campus for any reason, they should ask permission from staff members.

Dismissal Information Form: Parents must fill out a form provided by the After School Coordinator about dismissal information of their children. Uptown ASCS is not responsible for students who leave the campus without a written permission from an administrator. Students are not allowed to loiter in front of neighboring businesses. Disciplinary action will be taken for those who leave and come back to campus without having a written permission from an administrator.

Early Dismissal of Students from School

In all instances of early dismissal, the following precautions will be taken to ensure student's safety.

- School administrators may release students before the end of a school day only upon presentation of a written request from their parent or guardian.
- You may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent or guardian to act on his or her behalf.
- Student may be released "on his or her own" only with verified parental permission.
- No staff member shall permit or cause you to leave school prior to the hours of dismissal except with the approval of the Lead Person and with the knowledge and approval of your parents or guardian.
- You may not be released from school to any government agency without proper warrant or written parental permission except in the event of an emergency as determined by the Lead Person.

Unexpected Closing of School

Weather related or emergency closings of school will be posted on the school website. Local media will be notified.

WITHDRAWAL FROM SCHOOL

When a student must withdraw from Uptown ASCS during the school term, he/she will report to the office on the morning of the day he/she leaves. There, the student will receive a withdrawal form that will be taken to each of these teachers for "clearance" showing that the following responsibilities have been fulfilled:

1. Has returned all textbooks and checked out materials
2. Has checked in all assigned equipment;
3. No make-up work due;

4. Fees are paid;
5. Release of student records signed by parent.

The withdrawal form will then be returned to the office for official release. Students going to another school will take with them a copy of the completed withdrawal form that gives grades earned to date in current period.

A PARENT/GUARDIAN SIGNATURE MUST BE ON ALL WITHDRAWAL FORMS.

COMMUNICATION

The administration and staff will use all means (mail, e-mail, phone, etc.) to communicate with the parents. In the event of a change of address, telephone number, or e-mail address, please notify the school office immediately. The School may not be held responsible for lack of communication unless parent contact information is updated regularly. Communication is the key word for success in education.

GOING TO and FROM SCHOOL

On the way to and from school, students should respect the rights, privacy, and property of the community, neighbors, stores etc. and refrain from loitering, trespassing, littering, or creating noise. If needed, the School may take disciplinary action for reports of complaints from the community.

PROTECTIVE ORDERS/RESTRAINING ORDERS

It is the responsibility of the parent/guardian to notify the School in writing of any special court orders or directives in regard to student safety or sign-out procedures. The School will not be responsible for violations, if copies of court orders are not on file.

EMERGENCY PROCEDURES

Fire, lock-down, evacuation, and tornado drill instructions will be discussed in each class. Students must follow and understand these instructions.

CODE OF CONDUCT

iLearn School's goal is to help every student fulfill his or her intellectual, social, physical, and emotional potential. Everything in and about the school has been designed to create an orderly and distraction-free environment in which all students can learn effectively and pleasantly. To foster this kind of learning environment, the Uptown ASCS administrators, teachers, staff members and security officers shall not allow the following types of behavior during school, on school property, or at or during any school-sponsored activity. The school administration will use their discretion to apply the appropriate consequences.

EXPECTATIONS

Core Values
Core values are the heart of Uptown ASCS community and represent the school's Code of Conduct. It is expected all students abide by the core values outlined in the School Culture section of this Handbook.

STUDENT CLASSROOM CONDUCT

To foster a positive learning environment, the Uptown ASCS administrators and teachers shall not allow the following types of behavior during school, on school property, or during any school-sponsored activity.

Classroom rules in every classroom:

- Be in your assigned seat, ready to work before the tardy bell rings.
- Bring pencils, pens, paper, books, and all assigned materials to class.
- Keep your hands, feet, and objects to yourself.
- Do not engage in behavior that creates classroom distractions.
- Follow directions the first time they are given.
- No gum, food, or drinks are allowed in the building except in designated food service areas.
- Raise your hand before speaking.
- No students may leave class without permission.

Substitute teachers, mentors, and tutors have the same authority and rights as the regular classroom teachers. Homeroom periods are also regarded as class periods in terms of validity and effectiveness of classroom rules.

One or a combination of following consequences for violating daily classroom rules may be implemented:

- DPS points issued
- Written Warning
- Teacher's discretion
- Parent contacted
- Referred to Administration for Detention or Suspension

Discipline - Positive Reinforcement

The teacher will reinforce positive behavior through any of these ways.

1. Oral praise from the teacher
2. Pass to assemblies
3. Note to parents
4. Phone call to parents
5. Parties
6. Trips, picnics
7. Personal notes to student
8. Notes accompanying report cards
9. Notes on papers, tests, etc.
10. Field trips

Discipline: School-Wide Rules

Students breaking the following rules will be subject to disciplinary action by school officials.

- Do not bring radios, Smart Watches, MP3 players, CD players, virtual pets, games, or any type of electronic equipment. Cellular phones, personal electronic devices or games, or toys of any kind must not be brought to any classroom, gymnasium, and cafeteria during school hours.
- Students are to always be in assigned supervised areas only.
- Running, pushing, hitting, tripping or shouting are prohibited.
- No swearing whether written or verbal.
- No name calling or bullying.
- Students shall not miss class/classes unless excused by an Administrator, or teacher.
- The use of tobacco, matches, or lighters on or near school grounds is prohibited.

- No displays of affection.
- No touching other students.
- Being insolent, disrespectful and/or argumentative is prohibited.
- All students must follow the student conduct code cited in board policies.
- Eating in hallways and classrooms is prohibited.

Discipline: Severe Cases-Immediate Office Referral
Immediate office referral can be warranted when the student does any of the following:

- Commits or threatens to commit physical harm to another student or adult
- Possesses or uses tobacco and/or drugs on or near the school campus
- Possesses a weapon or any object deemed as a weapon
- Removes, damages or destroys property belonging to a student, the school or to a teacher
- Swears, makes rude gestures, cruel teasing or put-downs
- Disrespectful behavior causing a disruption to learning

Serious misbehavior or actions occurring outside of a particular classroom are handled at the discretion of the administration. Lack of participation from a student and/or parent(s) in the process does not preclude action taken by the iLearn School's administration.

Uptown ASCS prides itself on preparing students to become successful individuals in any area they wish to pursue. To continue iLearn School's tradition of excellence it is expected that all students will act honorably and approach their academic career with integrity. Academic integrity is the pursuit of scholarly activity in an honest, truthful, and responsible manner. Violating the policy below, to any extent is wrong and a disservice to one's own educational progress, as well as that of others. Violations include, but are not limited to, plagiarism, cheating and unapproved collaboration. The classroom teacher and Assistant Director of Academics is the arbiter as to whether or not a violation has occurred. All members of the Uptown ASCS community should be familiar with the following violations and consequences.

ACADEMIC INTEGRITY POLICY

Academic Integrity Policy Violations

- **A. Plagiarism:** Plagiarism occurs when individuals attempt to present as their own what has come from another source. Plagiarism takes place whether such use is accidental or deliberate. It is no defense to claim that one has "forgotten" to document ideas or material taken from another source. Examples of plagiarism include, but are not limited to:
    - Using the ideas of another person, in total or part of, whether or not such ideas are paraphrased, from whatever source including oral, print, broadcast, or computer- mediated communication;
    - Knowingly failing to use proper citation for information obtained from print sources or the internet, according to citation criteria specified by the instructor or in cases where instructor guidance is not given, by standard manuals of style (e.g. The Chicago Manual of Style, MLA, APA);
    - Rewriting borrowed material by simply dropping a word here and there, substituting a few words for others, or moving around words or sentence;
    - Knowingly presenting borrowed material, whether a phrase, sentence, or whole paragraphs

without placing quotation marks around the borrowed material in the approved style;
    - Presenting an assignment as one's own that has been partially or wholly prepared by another person or business.

- **B. Cheating:** Cheating occurs when individuals use course materials, information or devices (e.g., programmable calculator, cell phone, iPad) when such is unauthorized or prohibited. Examples of cheating include, but are not limited to:
    - Communicating information about assessment or assignments verbally or through writing, social media or any forms of technology (ex. texting, Facebook)
    - Having or using unauthorized materials, information or an unauthorized device at an examination, test or quiz;
    - Copying from another student an assignment, paper, lab report, project, homework assignment, assessment or other assignment;
    - Permitting another student to copy from an assignment, paper, lab report, project, homework assignment, assessment or other assignment;
    - Obtaining and/or using an unauthorized examination, test, or quiz prior to its administration;
    - Having another person act as proxy to take an examination, test or quiz or to complete an assignment, paper, computer program, or project.

- **C. Unapproved Collaboration:** Certain coursework and assignments such as team projects, papers, and laboratory work may involve collaboration. Unless expressly permitted or prescribed by the faculty member, students shall not engage in collaboration on graded assignments. It is the student's responsibility to ask for clarification from a faculty member to what extent, if at all, collaboration with others is allowed.

- **D. Other Violations of Academic Integrity:** Additional violations of academic integrity include, but are not limited to:
    - Incidents of falsification. Falsification occurs when individuals make false statements that mislead others. Examples of falsification include, but are not limited to: the creation of a false or misleading citation, or the manipulation of data for an academic assignment;
    - Submission of a paper or project to more than one course during the time in which a student is attending Uptown ASCS , without the explicit permission from all the instructors involved;
    - Submission of work previously done in another school, whether modified or not, without permission of the instructor.

Academic Integrity Policy Consequences
1st Offense:

- Parent will be contacted and the teacher will conference with the student.
- Student will receive a zero on assignment.
- Student will be given negative discipline points via DPS.

2nd Offense:

- Parent will be contacted and the teacher and disciplinarian will conference with the student.
- Student will receive a zero on assignment.
- Student will be given negative discipline points via DPS.
- Student will receive afterschool detention.

3rd Offense:

- Parent will be contacted and the teacher along with the disciplinarian will conference with the student and parent/guardian.
- Student will receive a zero on assignment.
- Student will be given negative discipline points via DPS.
- Student will receive full day in-school suspension.
- Student will be removed or barred from all afterschool activities including clubs and athletics for a certain period of time.

All violations will be cumulative over the school year and are kept in the student's discipline record. Subsequent infractions will be subject to further consequences.

UNACCEPTABLE TYPES OF STUDENT BEHAVIOR AND CONSEQUENCES

As a student at Uptown ASCS , you shall not…

I. Inappropriate Physical Contact:

Inappropriate physical contact such as hitting, punching, pushing, pulling, shoving, pinching, spitting, licking and biting is not permitted to take place on or off school grounds. Inappropriate physical contact is a physical contact in anger, regardless of whether fists or weapons are used. Any use of inappropriate physical contact will involve disciplining all students involved. Students who involve themselves in the act of inappropriate physical contact may be sent home for the remainder of the day and he/she will be noted as absent.

- 1st Offense: Parents/guardian contacted. Consequences up to the school administration discretion. May lead up to three (3) days of suspension.
- 2nd Offense: Parents/guardian contacted. Long-term suspension and possible expulsion.

II. Fight and Arrange Fights:

School is not a place to arrange fights, whether those fights take place on or off school grounds. Fighting is an instance of physical contact in anger, regardless of whether fists or weapons are used. In all but the rarest of occasions in which one student simply assaults an innocent bystander, any fight will involve disciplining all students involved in the fight. Students who involve themselves in fighting will be sent home for the remainder of the day and he/she will be noted as absent.

- 1st Offense: Parents/guardian contacted. Up to three (3) days of suspension.
- 2nd Offense: Parents/guardian contacted. Long - term suspension and possible expulsion.

III. Bring Cellular Telephones or Other Electronic Devices:

Radios, Tape or CD Players, Electronic Games, and/or similar devices are not allowed at school. They disrupt classes and distract others from learning. Students may bring a camera to school with a one-day advance approval notice from the Administrator. Cell phones can only be used outside of school grounds. Students are not allowed to chat or play games with their cell phones or any other electronic devices.

- 1st Offense: Parents/guardian contacted. Confiscation of the devices with retrieval only by parents/guardian along with a $10 fee. Uptown ASCS is not responsible for the confiscated items which are not retrieved one week after confiscation.

- 2nd Offense: Parents/guardian contacted. Up to Two (2) days of suspension. Device will be confiscated and device will be given to parent on or after last day of school along with a $10 fee. Uptown ASCS is not responsible for the confiscated items which are not retrieved one week after confiscation.
- 3rd Offense: Parents/guardian contacted. Up to Three (3) days of suspension. Possible expulsion.

IV. Cheating and/or Plagiarism:

Cheating on tests, plagiarism, and/or any other types of deception to get credit without effort is unacceptable conduct.

- See Academic Integrity Policy

V. Abuse and/or Misuse of Computers and Laboratory Equipment:

Computer hardware and software, and lab equipment are for the benefit of all students. No student may purposefully tamper with the hardware, software, or tools and equipment so that it is inaccessible to other students. Computers and lab equipment are in the school for educational purposes only. Abuse and or misuse of computers also include loading private software, accessing inappropriate sites using school equipment. All science lab equipment and materials are to remain in the lab unless otherwise instructed.

- 1st Offense: Parent/guardian contacted. Up to two (2) days of suspension
- 2nd Offense: Parent/guardian contacted. Up to three (3) days of suspension
- 3rd Offense: Parent/guardian contacted. Recommendation for expulsion.

If possible, under supervision student will repair, undo, reset, delete, replace or whatever needs to be done to undo the tampering. ***Student may have to pay for computer or lab technicians to undo tampering.***

VI. Disrupt Learning:

Disrupting learning includes any behavior that prevents other students from learning. It may include but is not limited to use of inappropriate written and verbal language, eating or drinking during class, chewing gum, insubordination, making noise, and/or selling or trading personal possessions to other students in class.

- 1st Offense: Parent/guardian contacted. Teacher discretion. Possibility of detention, necessary Class Dojo points, and/or up to one (1) day of suspension.
- 2nd Offense: Parent/guardian contacted. Administrative discretion including detention, necessary Class Dojo points, and/or up to two (2) days of suspension.
- 3rd Offense: Parent/guardian contacted. Up to three (3) days of suspension + parent conference

VII. Uniform Violations:

Students shall come to school in uniform and in line with specific uniform and appearance limitations described in this handbook. Students will not be allowed to attend class until they are in proper attire, which will be provided by the School temporarily but must be returned to the School, laundered

- 1st Offense: Parent/guardian contacted. Student will be sent to the office to fix the violation and a warning is given for the day.
- 2nd Offense: Parent/guardian contacted by ADO or Assistant ADO. Student will be sent to the office to fix the violation and DPS points will be issued.
- 3rd Offense: Parent/guardian contacted by ADO or Assistant ADO. Student will be sent to the office to fix the violation and 1 detention will be issued.
- 4th Offense: Parent/guardian contacted by ADO or Assistant ADO. Student will be sent to the office to fix the violation and 2 detentions will be issued.

VIII. Use Drugs and/or Alcohol and Sale or Intention to Sell Drugs and/or Alcohol:

Use of drugs or alcohol means to knowingly possess, consume, use, handle, give, store, conceal, offer to sell, sell, transmit, acquire, buy, represent, make, apply, or be under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, tranquilizer, non-prescription or prescription drug (except when under the direction of a physician/parent and within school procedure), alcoholic beverage, intoxicant, solvent, gas, or any mood-altering chemical, drug of abuse or any counterfeit-controlled substance of any kind including butane lighters. This prohibition also applies to any type of drug related paraphernalia. If caught, the student will be expelled and law enforcement officials may be contacted.

The sale, distribution, possession, or use of drugs, alcohol, fake drugs, steroids, inhalants, and look alike drugs is prohibited anywhere on school grounds, at any school activity, and on any school transportation. Many drug abuse offenses are also felonies.

- Parent/guardian contacted. Contact authorities + long term suspension with pending expulsion proceedings.

IXI. False Fire Alarm:

Issuing a false fire alarm is a violation of State law. Any student who issues a false fire alarm is subject to the legal authorities. The penalties for this, especially if any injuries result, are immense; ranging from fine of $1,000 to $10,000 and jail terms. Making false 911 calls is also violation of the State Law. Any student who issues a false call is subject to prosecution by legal authorities. There will be a $100 dollar fine for each false call.

- Parent/guardian contacted. Three (3) days of suspension. Recommendation for expulsion. Restitution for any damage. Possible prosecution by legal authorities.

X. Forgery:

Any attempt by a student to sign a teacher's, administrators, parent's/guardian's, or student's name to any school document is considered forgery:

- 1st Offense: Parent/guardian contacted. Two (2) days of suspension
- 2nd Offense: Parent/guardian contacted. Three (3) days of suspension
- 3rd Offense: Parent/guardian contacted. Recommendation for expulsion

XI. Gamble, Play Cards and Trading Cards:

Gambling includes but is not limited to card playing, dice shooting and sports pools and involves the transfer of money or personal belongings or assistance from one person to another. The possession of Trading Cards (Example: Pokemon cards) are not permitted in or around school grounds.

- 1st Offense: Parent/guardian contacted. Up to two (2) days of suspension and confiscation of the card(s), dice etc. with retrieval only by parents/guardians.
- 2nd Offense: Parent/guardian contacted. Up to three (3) days of suspension. Card(s) will be confiscated and they will be given to parent only on or after last day of school.
- 3rd Offense: Parent/guardian contacted. Three (3) days of suspension. Recommendation for expulsion

XII. Bring Inappropriate Materials:

Pornographic, criminal, or hate related.

- 1st Offense: Parent/guardian contacted. Three (3) days of suspension.
- 2nd Offense: Parent/guardian contacted. Recommendation for expulsion

XIII. Harassment, Intimidation or Bullying (HIB) of another Student and/or a Teacher, Administrator, or Staff Member

Harassment means making unwelcome advances or any form of improper physical contact, gesture or sexual remark and any speech, written communication or action that creates a hostile, intimidating or offensive learning environment. Harassment is a violation of Federal Law and is contrary to the Board of Education's commitment to provide a physically and psychologically safe environment in which to learn. If harassment occurs as a "joke" the student will experience consequence of his/her behavior.

- Parent/guardian contacted. Potential Anti-Bullying Case pending on administrative discretion with a recommendation for suspension and other disciplinary actions. Possible expulsion. Possible prosecution.

XIV. Disrespect to Staff or Using Inappropriate Language and Behavior:

Includes responding to staff in a rude and/or impertinent manner (i.e., rolling eyes, sucking teeth, not answering when asked a question, or talking back):

- 1st Offense: Parent/guardian contacted. DPS Points and/or Up to two (2) days of suspension.
- 2nd Offense: Parent/guardian contacted. Up to two (2) days of suspension.
- 3rd Offense: Parent/guardian contacted. Three (3) days of suspension. Possible expulsion.

XV. Smoke or Use of Other Tobacco Products and/or Bring Such Products to School:

This includes cigarettes, vape pens, electronic cigarettes, cigars, herbs, and smokeless tobacco. Possession of tobacco products in purses or lockers is prohibited under this policy:

- 1st Offense: Parent/guardian contacted. Possible expulsion.
- 2nd Offense: Parent/guardian contacted. Possible expulsion

XVI. Steal and/or Vandalize Private Property:

This means to cause or attempt to cause damage to private property or steal or attempt to steal private property either on school grounds or during a school activity, function, or event on school grounds. Students and their parents or guardians will be held responsible for any theft/vandalism that their student commits on school property. Please Note: The school may file a police report in cases of theft and vandalism. Either offense can carry heavy legal penalties.

- 1st Offense: Parent/guardian contacted. Up to two (2) days of suspension.
- 2nd Offense: Parent/guardian contacted. Up to three (3) days of suspension. Restitution if required. Possible expulsion. Police report filed.

XVII. Display Threatening Behavior:

Threatening behavior can include verbal threats, both face to face, over electronic media (phone and/or computers), handwritten notes, and/or non-verbal threats, including "hard" stares, gestures, and so on, that cause or attempt to cause any student, teacher, administrator, or staff member to feel frightened or intimidated.

- 1st Offense: Parent/guardian contacted. Possible HIB Investigation and/or one (1) day of suspension
- 2nd Offense: Parent/guardian contacted. Possible HIB Investigation and/or three (3) days of suspension
- 3rd Offense: Parent/guardian contacted. Possible HIB Investigation and/or Possible expulsion.

XVIII. Truant:

Truancy means being inexcusably absent from school or class without the knowledge of a parent. Habitual truancy by law means a student has accumulated five (5) consecutive days or nine (9) total days of absence in one semester. There are school and legal penalties that accompany truancy; in all cases a truant officer may be contacted and consulted.

- Offense: Parent/guardian contacted. Administrative discretion on full range of disciplinary measures including expulsion from the school.

XIX. Bring Any Kind of Weapon to School:

A weapon includes, but is not limited to, conventional objects like guns, pellet guns, knives, smoke bombs, stink bombs, fireworks, or club type implements as well as mace, tear gas, or other chemicals. It may also include any toy that is presented as a real weapon. It also includes objects converted from their original use to an object used to threaten or injure another. The Administration reserves the right to all final decisions regarding the definition of what is a weapon. School personnel may search lockers, book bags, gym bags, coats, and/or any other containers if they suspect the presence of a weapon.

- Consequence: Parent/guardian contacted. Three (3) days of suspension with a recommendation for Expulsion. Possible prosecution.

XX. Possession or Use of Fireworks:

Using or possessing any amusement device, smoke bomb, etc.

- 1st Offense: Parent/guardian contacted. Administrative discretion. Two (2) days of suspension.
- 2nd Offense: Parent/guardian contacted. Administrative discretion. Up to three (3) days of suspension. Possible expulsion.

XXI. Gang and Secret Society Symbols:

Disruption and/or intimidation caused by the wearing of any type of clothing/jewelry or by writing of any signs identified as or associated with gangs. Students cannot promise to or be members of a gang, secret society, illegal club, sorority or fraternity.

- 1st Offense: Parent/guardian contacted. Administrative discretion. Up to two (2) days of suspension.
- 2nd Offense: Parent/guardian contacted. Administrative discretion. Up to three (3) days of suspension.
- 3rd Offense: Parent/guardian contacted. Administrative discretion. Up to three (3) days of suspension. Possible expulsion.

XXII. Possession of Stolen Property:

Having in one's possession property obtained without permission of the owner.

- 1st Offense: Parent/guardian contacted. Administrative discretion. Up to three (3) days of suspension.
- 2nd Offense: Parent/guardian contacted. Up to three (3) days of suspension. Administrative discretion. Possible expulsion.

XXIII. Arson:

Intentionally starting any fire or combustion on school property.

- 1st Offense: Parent/guardian contacted. Administrative discretion. Psychiatric evaluation + possible expulsion.

XXIV. Public Display of Affection:
Inappropriate behaviors of affection, which are not for public places such as kissing, hugging, physical contact, etc.

- 1st Offense: Parent/guardian contacted. Conference with student. Up to two (2) days of in school suspension
- 2nd Offense: Parent/guardian contacted. Administrative discretion. Up to three (3) days of suspension. Possible expulsion

XXV. Provoking/Intimidating Behavior Encouraging or Urging Other Students to Violate School Rules:

- 1st Offense: Parent/guardian contacted. Administrative discretion. Afterschool detention.
- 2nd Offense: Parent/guardian contacted. Administrative discretion. Up to three (3) days of suspension.
- 3rd Offense: Parent/guardian contacted. Administrative discretion. Possible expulsion.

XXVI. Leaving Campus Without Permission:

Leaving campus without prior consent and authorization from school administration.

- 1st Offense: Parent/Guardian contacted. Up to Three (3) day out of school suspension.
- 2nd Offense: Parent/Guardian contacted. Possible expulsion.

XXVII. Bus Misconduct:
Failure to comply with rules of bus safety or disturbing others. Failure to pick up a student on time from the bus stop may result in the loss or suspension of bus privileges.

- 1st Offense: Parent/Guardian contacted. Up to two (2) days of out of school suspension.
- 2nd Offense: Parent/Guardian contacted. Up to three (3) days of out of school suspension. Possible expulsion.

STUDENT PROBATION

Students on Student Probation:

- May not participate in any Dress Down Days.
- May not participate in any After School Activities (Sports, Clubs, Dances, etc.) except approved tutoring.
- May not participate in any Field Trips except approved by an Administrator.
- May not remain in the school building after Dismissal unless approved by an Administrator.
- Any disciplinary incident that the student is involved in may also result in a one (1) day in-school suspension.

<u>TYPES OF CONSEQUENCES</u>

A. Detention

Detention may be held on each day during school for up to one (1) hour. Students who serve detention must make arrangements to be picked up from school. Parents may request in person a delay of the detention; no phone calls or notes will be accepted for this.

Detention (After School)

1. Students will bring materials to work on. (Homework, books to read from the Library, only school acceptable materials permitted.) Classroom materials may be sent by teacher.
2. Students will follow all rules concerning classroom behavior. Failure to comply will mean suspension from school.
3. Students will not be permitted to go to their lockers. All materials must be brought to the room when reporting.
4. Any student assigned to the detention room must sit the time. Students refusing to sit their time will be suspended from school.
5. Detention time will be assigned within 24 hours of the Administrator meeting with the student. This allows the parent time to make transportation arrangements.
6. Note: Students placed on after school detention will not be permitted to participate in any extra-curricular activities that day.

Saturday Detention

Parents will be notified about the details of the Saturday Detention. This notification lists the cause for and date of the detention. Failure to attend must require prior approval from the administration.

1. Saturday Detentions will be held up to four (4) hours in the morning and no food will be provided.
2. Parents are expected to provide transportation from detention.
3. Uptown ASCS is not responsible for the students who are left after the designated start time.
4. Should a student arrive late for a Saturday Detention without a note for an "emergency excusal," he/she will be assigned 1 day in-school-suspension plus attend the next scheduled Saturday Detention. A second late arrival to an assigned Saturday Detention will result in out-of-school suspension beginning on the following Monday, plus attendance at the next Saturday Detention.
5. Students will be asked to bring appropriate materials with which to work.
6. There are no electronics, food, beverage, candy, comic books, etc. allowed in the Saturday Detention.
7. Students will be expected to work the entire time while there. Any student not working will be removed from the detention and referred to the Administrator. Parent will be notified regarding the infraction immediately.
8. No student is permitted to sleep during Saturday Detention.
9. Any student acting disruptively will be removed from the Saturday Detention and be referred to the Administrator for further disciplinary action.
10. If an emergency arises and the student cannot attend, the parent must contact the Administrator at the designated school. If the reasons are acceptable, the detention will be rescheduled.
11. If a student does not participate in scheduled Saturday Detention without any confirmed excuse, the student will receive 1 day out of school suspension plus attendance at the next scheduled Saturday Detention.
12. If a student does not turn in Parent Notification form on the due date without any confirmed excuse, he/she may receive an additional consequence.
13. Failure to follow Saturday Detention rules may result in 1 day out of school suspension plus attendance at the next scheduled Saturday Detention.

B. Suspensions
Suspension(s) may be in-school or out-of- school. There are two types of suspensions: Short Term (10 days or fewer) and Long Term (More than 10 days):

SHORT-TERM SUSPENSION

A short-term suspension refers to an in-school removal or out-of-school removal of a Student for disciplinary reasons for a period of ten (10) or fewer days. A Student who has committed a minor infraction may be subject to a short-term suspension, unless the Lead Person determines that an exception should be made based on the individual circumstances of the incident and the Student's disciplinary record. The Lead Person reserves the right to adjust the punishment for each infraction per his or her judgment.

Procedures and Due Process for Short Term Suspension

The Lead Person may impose a short-term suspension, and shall follow due process procedures consistent with federal case law pursuant to Goss v Lopez (419 US 565) Before imposing a short- term suspension, or other, less serious discipline, the Lead Person shall provide notice to inform the Student of the charges against him or her, and if the Student denies the charges, an explanation of the evidence against the Student. A chance to present the Student's version of events shall also be provided.

Before imposing a short-term suspension, the Lead Person shall immediately notify the parents or guardian that the Student may be suspended from school. Written notice of the decision to impose suspension shall be provided by email (if known) personal delivery or express mail delivery within 24 hours at the last known address(es) of the parents or guardian. Where possible, notification shall also be provided by telephone. Such notice shall provide a description of the incident(s) for which suspension is proposed and shall inform the parents or guardian of their right to request an immediate informal conference with the Lead Person. Such notice and informal conference shall be in the dominant language or mode of communication used by the parents or guardian. The parents or guardian of the Student and the Student shall have the opportunity to present the Student's version of the incident and to ask questions of the complaining witnesses. Such notice and opportunity for an informal conference shall take place prior to the suspension of the Student unless the Student's presence in the school poses a continuing danger to persons or property or an ongoing threat of disruption to the academic process, in which case the notice and opportunity for an informal conference shall take place as soon as possible after the suspension as is reasonably practicable.

The Lead Person's decision to impose a short-term suspension may be appealed by the parent(s) or guardian in accordance with the School's Complaint Policy, contained in the Student Handbook, accessible on the School's website and available in hard copy from the School's Office upon request.

B LONG TERM SUSPENSION/EXPULSION

A long-term suspension refers to the removal of a Student from school for disciplinary reasons for a period of more than ten (10) days. Expulsion refers to the permanent removal of a Student from school for disciplinary reasons. A Student who is determined to have committed any major infraction may be subject to a long-term

suspension or expulsion, unless the Lead Person determines that an exception should be made based on the circumstance of the incident and the Student's disciplinary record. Such a Student may also be subject to any of the disciplinary measures outlined elsewhere in this document including a referral to the appropriate law enforcement authorities.

A Student who commits any of the acts previously described as causes for short term-suspension may, instead or in addition, be subject to a long-term suspension in the School's reasonable discretion if the Student has committed the act several times in the academic year or if the School shall otherwise reasonably determine that subjecting a Student to a long-term suspension is reasonable and warranted.

Procedures and Due Process for Long Term Suspension

Upon determining that a Student's action warrants a possible long-term suspension, the School shall verbally inform the Student that he or she is being suspended and is being considered for a long-term suspension (or expulsion) and state the reasons for such actions. The School also shall immediately notify the Student's parent(s) or guardian(s) in writing. Written notice shall be provided by personal delivery, express mail delivery, or equivalent means reasonably calculated to assure receipt of such notice within 24 hours of suspension at the last known address. Where possible, notification also shall be provided by telephone if the School has been provided with a contact telephone number for the parent(s) or guardian(s). Such notice shall provide a description of the incident or incidents that resulted in the suspension and shall indicate that a formal hearing will be held on the matter that may result in a long-term suspension (or expulsion). The notification provided shall be in the dominant language used by the parent(s) or guardian(s). At the formal hearing, the Student shall have the right to be represented by counsel, question witnesses, and present evidence.

If the Lead Person initiates the suspension proceeding, he or she shall personally hear and determine the proceeding or may, in his or her discretion, designate a hearing officer to conduct the hearing. The hearing officer's recommendation shall be reported to the Lead Person who may adopt it and impose the consequences. The Lead Person may impose a long-term suspension. Such a suspension may be imposed only after the Student has been found guilty at a formal suspension hearing In extreme circumstances, the Lead Person may expel the Student from school. The Lead Person's decision to impose a long-term suspension or expulsion may be challenged by the parent or guardian by submitting a written appeal to the Board of Trustees within five (5) days of receipt of the Lead Person's decision (appeal can be submitted by email to {board@bronxcharter.org} in hard copy with the Lead Person or Director of Operations), and the Board shall designate two (2) or more Trustees (the "Designated Trustees") to review the appeal which may include, in the Designated Trustees discretion, an in-person meeting (the "Meeting") whereby the parents/guardians of the affected Student and the Lead Person shall each have up to fifteen (15) minutes to present information for the Designated Trustees' consideration. The Designated Trustees shall render their decision within five (5) days of the Meeting. NOTE: In any instance where the Lead Person is directly involved in the instance(s) at issue for a suspension or expulsion, the Lead Person shall appoint a designee to handle any investigation, hearing and determination.

Provision of Services During Removal

Those Students removed for a period of 10 days or fewer will receive all classroom assignments and a schedule to complete such assignments during the time of his or her suspension. Provisions will be made to permit a suspended Student to make up assignments or tests missed as a result of such suspension. The School also shall provide additional alternative instruction with the reasonable promptness and by appropriate means to assist the Student, so that the Student is given full opportunity to complete assignments and master curriculum, including additional instructions, phone assistance, computer instruction and/or home visits and one-on-one tutoring.

DISCIPLINARY POLICY FOR STUDENTS WITH DISABILITIES

In addition to the discipline procedures applicable to all Students, the School shall implement the following disciplinary policy procedures with respect to Students with disabilities. A Student not specifically identified as having a disability but whose school district of residence or charter school, prior to the behavior which is the subject of the disciplinary action, has a basis of knowledge—in accordance with 34 CFR 300.527(b)—that a disability exists will be disciplined in accordance with these provisions. The School shall comply with sections 300.519- 300.529 of the Code of Federal Regulations (CFR) and the following procedures, except that in the event that the following procedures are inconsistent with federal law and regulations, such federal law and regulations shall govern.

If a student violates the School's discipline code and is being considered for a suspension or removal, the School must ensure the following due process protections are provided to the Student and to the Student's parent(s) in addition to those set forth in the regular education discipline code. For suspensions of ten (10) school days or less, the Student's parent(s) or guardian must be provided with a written notice, and a follow up telephone call if possible, within 24 hours of the incident leading up to the suspension which describes the basis for the suspension and explains that the parent or guardian has the right to request an informal conference with the Lead Person and appropriate staff to discuss the incident and question any complaining witness against the Student. For suspensions in excess of ten (10) consecutive school days, the Student's parent(s) or guardian must be provided with a written notice which indicates that the School proposes to suspend the Student from School in excess of ten (10) consecutive school days, describes the basis for the proposed suspension, explains that the Student has an opportunity for a fair hearing conducted by the Lead Person or his or her designee at which the Student will have a right to question any witnesses accusing him/her of committing the misconduct charge and to present witnesses on his/her behalf. Where possible, notification must also be provided by telephone. In addition, the School must provide alternative education to the Student during the suspension as set forth below, including any special services required by the Individualized Education Program (IEP) prepared by the Student's Committee on Special Education (CSE) of their district of residence. Final determination on a suspension or removal of a Student, following due process, shall be made by the Lead Person.

The School shall maintain written records of all suspensions and expulsions of Students with a disability including the name of the Student, a description of the behavior engaged in, the disciplinary action taken, and a record of the number of days the Student has been suspended or removed for disciplinary reasons.

Students for whom the IEP includes a Behavior Intervention Plan (BIP) will be disciplined in accordance with the BIP. If the BIP appears not to be effective or if there is a concern for the health and safety of the Student or others if the BIP is followed with respect to the infraction, the matter will be immediately referred to the CSE of the Student's district of residence for consideration of a change in the guidelines.

If a student identified as having a disability is suspended during the course of the school year for a total of eight days, such Student will immediately be referred to the CSE of the Student's district of residence for reconsideration of the Student's educational placement. Such a Student shall not be suspended for a total of more than ten (10) days during the school year without the specific involvement of the CSE of the Student's district of residence prior to the eleventh day of suspension, because such suspensions may be considered to be a change in placement. In considering the placement of students referred because of disciplinary problems, the CSE of the Student's district of residence is expected to follow its ordinary policies with respect to parental notification and involvement.

The School shall work with the district to ensure that the CSE of the Student's district of residence meets within seven (7) days of notification of any of the following: (1) The commission of an infraction by a student with a disability who has previously been suspended for the maximum allowable number of days; (2) The commission of any infraction that the School suspects is the result of the Student's disability; (3) The commission of any infraction by a disabled student, regardless of whether the Student has previously been suspended during the school year if, had such infraction been committed by a non-disabled student, the Lead Person would seek to impose a suspension in excess of ten (10) days.

Also, the School will ensure that when the suspension or removal of a student with a disability will constitute a disciplinary change of placement, the CSE will be immediately notified so that the CSE can meet its required obligations to:

1. Convene a CSE meeting within ten (10) school days to make a manifestation determination

2. Convene a CSE meeting within ten (10) business days to develop a plan to conduct a functional behavioral assessment or review an existing functional behavioral assessment or behavioral intervention plan.

3. Provide the Student's parent with a copy of their procedural due process rights.

4. Work closely with the CSE of the Students' district of residence in determining education services or the interim alternative educational setting consistent with the FAPE requirements.

Provision of Services During Removal

Those students removed for a period fewer than ten (10) days will receive all classroom assignments and a schedule to complete such assignments during the time of his or her suspension. Provisions will be made to permit a suspended student to make up assignments or tests missed as a result of such suspension. The School also shall provide additional alternative instruction with reasonable promptness and by appropriate means to assist the Student, so that the Student is given full opportunity to complete assignments and master curriculum, including additional instructions, phone assistance, computer instruction and/or home visits and one-on-one tutoring.

During any subsequent removal that, combined with previous removals equals ten (10) or more school days during the school year, but does not constitute a change in placement, services must be provided to the extent determined necessary to enable the Student to appropriately progress in the general curriculum and in achieving the goals of his or her IEP. In these cases, school personnel, in consultation with the Student's special education teacher, shall make the service determination.

During any removal for weapon, drug or infliction of serious bodily injury-related offenses pursuant to 34 CFR §300.530(g)(1), (2) and (3), respectively, services will be provided to the extent necessary to enable the

Student to appropriately progress in the general curriculum and in achieving the goals of his or her IEP. These service determinations will be made by the CSE of the Student's district of residence. The School will place Students in interim alternative educational settings as appropriate and mandated by the IDEA.

During any subsequent removal that does constitute a change in placement, but where the behavior is not a manifestation of the disability, the services must be provided to the extent necessary to enable the Student to appropriately progress in the general curriculum and in achieving the goals of his or her IEP. The CSE of the Student's district of residence will make the service determination.

CSE Meetings

Meetings of the CSE of the Student's district of residence to either develop a behavioral assessment plan or, if the child has one, to review such plan are required when: (1) the child is first removed from his or her current placement for more than ten school days in a school year; and (2) when commencing a removal which constitutes a change in placement. The Student's special education teacher (or coordinator) and the general classroom teacher will attend all meetings regarding the Student initiated by the CSE from the Student's home district.

Subsequently, if other removals occur which do not constitute a change in placement, the School will work with the CSE of the Student's district of residence to review the child's assessment plan and its implementation to determine if modifications are necessary. If one or more members of the CSE of the Student's district of residence believe that modifications are needed, then the CSE is expected to meet to modify the plan and/or its implementation.

Due Process

If discipline which would constitute a change in placement is contemplated for any Student, the following steps shall be taken: (1) not later than the date on which the decision to take such action is made, the parents of the Student with a disability shall be notified of that decision and provided the procedural safeguards notice described in 34 CFR §300.504; and (2) immediately, if possible, but in no case later than ten school days after the date on which such decision is made, the CSE of the Student's district of residence and other qualified personnel shall meet and review the relationship between the child's disability and the behavior subject to the disciplinary action.

If, upon review, it is determined that the child's behavior was not a manifestation of his or her disability, then the child may be disciplined in the same manner as a child without a disability, except as provided in 34 CFR §300.121(d), which relates to the provision of services to Students with disabilities during periods of removal.

Parents may request a hearing to challenge the manifestation determination. Except as provided below, the child will remain in his or her current educational placement pending the determination of the hearing.

If a parent requests a hearing or an appeal to challenge the interim alternative educational setting or the manifestation determination resulting from a disciplinary action relating to weapons or drugs, the child shall remain in any interim alternative educational setting pending the decision of the hearing officer or until the expiration of the time period provided for in the disciplinary action, whichever occurs first, unless the parent and the School agree otherwise.

In School Suspension

1. Report to the In-School Suspension Room at 8:00 A.M. If you come after 8:05 you will be counted as absent. In school suspension will be run from 8am to 3pm.
2. Students must sign the sign in paper when they report to the detention room. They must sign the paper when the suspension is over. Without Administrator permission, a student cannot go out of detention room. Students are to keep clean the detention room.
3. Students will not be permitted to go their lockers/cubbies. All materials must be brought to the room when reporting.
4. Students will not be permitted to go to lunch. They will have their lunch in the detention room.
5. Suspension will be assigned within 24 hours of the Administrator meeting with the student.
6. No disruptive behavior will be allowed.
7. Unexcused absences will be referred to the Administrator.
8. No food, drinks, gum or illegal substances allowed.
9. No visits by parents, relatives or other students.
10. Sleeping is prohibited.
11. Students are responsible for lost, stolen or damaged items.
12. Student Handbook rules apply.
13. If a student does not attend scheduled In School Suspension without any confirmed excuse, then the student will have 1 day out of school suspension and attend rescheduled In School Suspension. If it occurs again, it may require expulsion from the school.
14. Failure to comply with the rules will be reported to the Administrator for further action. This further action may be up to three (3) days of out of school suspension.

Out of School Suspension

1. A student who is suspended from the School is not allowed on school property.
2. A student who is suspended from the School is not allowed to attend after school activities.
3. A student who is suspended is responsible for all make-up work missed.
4. Parents or guardians of the student will be notified in advance of dates of suspension.
5. If the incidence is severe, then Lead Person or Administrator may keep the student in detention room, until parents are notified and pick up the student.
6. Some suspensions may be extended, if further evidence is revealed. In such a case, parents or guardians will be notified either by phone or by mail.
7. If a student does not turn in Parent Notification form on the due date without any confirmed excuse, he/she will have 1 day out of school suspension.
8. Failure to follow School Suspension Rules may result in extra disciplinary action.

Zero Tolerance for Weapons

There will be zero tolerance for any student who brings any kind of weapon to school. The School follows the federal Gun Free Schools Act If a student brings a firearm (as defined by applicable federal law) to school, the student may be permanently expelled, and will in any event be suspended from attendance upon instruction for not less than one year. The minimum one-year suspension may be reduced only for cause shown on a case-by-case basis, set forth in writing by the Lead Person.

C. Expulsion

Grounds for expulsion will include, but not be limited to:

1. Assault, assault and battery or threat thereof to any school personnel, other student or visitor while on school property, including buses, or at any school sponsored activity
2. False alarm, including fire, bomb threats, etc.
3. Use or possession of alcoholic beverages or illegal narcotics or drugs
4. Disruption of school by use of violence, force, coercion, threat, or disorderly conduct (This shall include the use of same to incite others toward acts of disruption.)
5. Arson or attempted arson to any school building or property
6. Repeated offenses of flagrant violations where suspension is normally considered appropriate
7. Possession or use of weapons or any object which might be considered a dangerous weapon or instrument of violence.

I. Important Notice of Additional Policies

DASA- Dignity for All Students Act

Uptown ASCS creates a safe and supportive environment for all community members; we abide by the New York State Dignity for All Students Act ("DASA"). Intimidation, taunting, harassment, and bullying (including cyber bullying) on school property, a school bus and/or at a school function on the basis of actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, and sex are expressly prohibited.

To read the full Dignity for All Students Act, please visit http://www.p12.nysed.gov/dignityact/. Harassment of a fellow student, as prohibited by DASA, is a violation of our Code of Conduct and will be punishable in accordance with the Code of Conduct. To seek help if you are subject to harassment or bullying by another student or by any employee of Uptown ASCS contact our Dignity Act Coordinator ("DAC") in person, by letter, or by email. The DAC for Uptown ASCS is TBD and is reachable by emailing TBD.

Title IX Policy

Uptown ASCS does not discriminate in admission to, access to, treatment in, or employment in its services, programs and activities, on the basis of race, color, or national origin, in accordance with Title VI of the Civil Rights Act of 1964 (Title VI); on the basis of sex, in accordance with Title IX of the Education Amendments of 1972; on the basis of disability, in accordance with Section 504 of the Rehabilitation Act of 1973 (Section 504) and Title II of the Americans with Disabilities Act of 1990 (ADA); or on the basis of age, in accordance with the Age Discrimination in Employment Act of 1974 (ADEA), or on the basis of any other legally protected category In addition, no person shall be discriminated against in admission to the School on the basis of race, color, creed, gender, ethnicity, sexual orientation, mental or physical disability, age, ancestry, athletic performance, special need, proficiency in the English language or a foreign language, or prior academic achievement, or on the basis of any other legally protected category. No person shall be discriminated against in obtaining the advantages, privileges or access to the courses of study offered by the School on the basis of race, gender,

color, religion, national origin, or sexual orientation, or on the basis of any other legally protected category. Finally, pregnant students are allowed to remain in regular education classes and participate in extracurricular activities with non-pregnant students throughout their pregnancy, and after giving birth are permitted to return to the same academic and extracurricular program as before the leave (Title IX).

Harassment

The School is committed to maintaining a school environment free of harassment based on race, color, religion, national origin, age, gender, sexual orientation, or disability, or on the basis of any other legally protected category. Harassment by administrators, certified and support personnel, students, vendors and other individuals at school or at school-sponsored events is unlawful and is strictly prohibited. The School requires all employees and students to conduct themselves in an appropriate manner with respect to their fellow employees, students and all members of the school community.

Sexual Harassment

Students have a right to learn in an environment that is free from all forms of sexual harassment. The US Equal Employment Opportunity Commission ("EEOC") defines sexual harassment as unwelcome sexual advances, requests for sexual favors, and other verbal or physical harassment of a sexual nature. Sexual harassment may include a range of subtle and not so subtle behaviors and may involve individuals of the same or different gender. Depending on the circumstances, these behaviors may include:

- verbal or physical sexual advances;
- pressure for sexual activity;
- conditioning an educational aid, benefit, or service on a student's participation in unwelcome sexual conduct;
- sexual jokes or pictures;
- comments regarding physical characteristics;
- suggesting or demanding sexual involvement;
- inappropriate touching, pinching, patting, or brushing against; and
- dating violence, domestic violence or stalking

Complaint Procedure and Investigation

Reporting an Incident of Sexual Harassment or Retaliation

It is the express policy of the School to encourage those who have experienced sexual harassment to report any such claims. Any student who believes that s/he has been subjected to sexual harassment by any employee, agent, or student of the School should report the incident to his or her Lead Person. Students who believe that they have witnessed unlawful sexual harassment should report the incident and the names of the persons involved to his or her Lead Person. Confidentiality will be maintained, and no retaliation will be allowed to occur as a result of good faith reporting of sexual harassment.

Early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment. Therefore, while no fixed reporting period has been established, the School strongly urges the prompt reporting of complaints or concerns so that rapid and constructive action can be taken.

The availability of this complaint procedure does not preclude students who believe they are being subjected to discriminating or harassing conduct from promptly advising the offender that his or her behavior is unwelcome and requesting that it be discontinued.

Evidentiary Standard

The respondent is presumed not responsible for the alleged conduct. The School uses the clear and convincing evidence standard in investigations of complaints alleging sexual harassment and any related violations. This means that the investigation determines whether the allegations are highly and substantially more likely to be true than untrue.

Supportive Measures

The School offers a wide range of supportive measures for students and employees. Supportive measures are free individualized services offered as appropriate to the reporting and responding parties involved in an alleged incident of sexual harassment. Supportive measures include counseling, extensions of deadlines, modification of work/class schedules, and mutual restrictions on contact.

A student may request to receive supportive measures even if they do not choose to participate in the school's complaint resolution process. Requests for supportive measures in connection with an incident of sexual harassment should be made to the Lead Person. The School will grant such supportive measures, provided they are reasonable and available. The Lead Person may also initiate supportive measures to immediately respond to the situation.

Time Frame for Investigation and Resolution

While the time frame to resolve a reported incident may vary from case to case, depending on the specific facts and circumstances, it is expected that in most cases complaints will be resolved within 30 days If the process takes longer than 30 days, both the complainant and respondent will be notified in writing.

Initial Assessment of Sexual Harassment Allegations

Once a complaint or notice of any allegation of sexual harassment is received, the Lead Person will make an initial assessment of the reported information and respond to any immediate health or safety concerns raised by the report. Complainant and respondent will receive written notice within 10 days of a reported allegation. Each party will have 10 days to respond in writing.

Investigation

The School will thoroughly, promptly, and impartially investigate any reported allegations of sexual harassment or retaliation. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have relevant knowledge. No information protected by a legal privilege can be used during an investigation unless an individual voluntarily waives it. The School will maintain confidentiality throughout the investigatory process to the extent practicable and as permitted by law.

Upon investigation, a complaint must be dismissed under Title IX if:

1. the alleged conduct does not meet the requirements for sexual harassment;
2. the complaint alleges conduct that did not occur in the school's education program or activity; or
3. the alleged conduct did not occur in the United States

A complaint may be dismissed under Title IX if:

1. Respondent is no longer enrolled or employed by the School; or
2. Specific circumstances prevent the school from gathering evidence sufficient to reach a determination about the allegation(s)

Notice of Outcome

The complainant and respondent will receive simultaneous written notice of the outcome of the investigation

Responsive Action

Misconduct constituting sexual harassment or retaliation will be dealt with promptly and appropriately. Dishonesty during an investigation or making a false complaint, in bad faith, also constitutes actionable misconduct. Responsive actions for misconduct may include, for example, referral to counseling, monitoring of the offender and/or disciplinary action such as warning or reprimand, suspension, or removal from the school community.

Appeal

Both the respondent and complainant may request a prompt review of the outcome of the investigation. A party may seek an appeal under the following circumstances:

1. After a mandatory or discretionary dismissal;
2. A procedural irregularity affected the outcome of the matter;
3. New evidence has been discovered that was not reasonably available at the time of the determination; or
4. A conflict of interest on the part of the Lead Person, an investigator who compiled the evidence, or a decision-maker, and the conflict of interest affected the outcome of the case

A request to appeal the outcome of an investigation may be made in writing to the Lead Person, providing the basis for that request and any evidence to support the request. Upon receipt, the Title IX Coordinator will inform the other party of the request and provide the other party with 7 days to respond, including the submission of evidence if desired. After considering the parties' written statements, the decision-maker on appeal will issue a written decision and send it to the parties simultaneously.

The Title IX Coordinator for Uptown ASCS is [redacted]nd is reachable by emailing [redacted]

Section 504 of the Rehabilitation Act

Section 504 of the Rehabilitation Act (commonly referred to as "504") is a federal law that protects students and all Uptown ASCS employees from discrimination based on disability. A disability may be a physical or mental impairment (such as an allergy or asthma or a learning disability) that substantially limits one or more major life activities. Section 504 assures that students with disabilities have educational opportunities and benefits equal to those provided to students without disabilities. If you believe that your child is experiencing discrimination or loss of educational opportunities due to a disability, please contact our 504 Coordinator in person, by letter or email. The 504 Coordinator will arrange a 504 meeting to develop a health plan or another kind of 504 Plan. She will also explain your right to impartial review of a Section 504 Plan and procedures for filing a complaint, if your concerns are not resolved.

Mandated Reporter Policies

Child Abuse or Maltreatment at Home or in an After-school Child-care Facility

All teachers and school administrators who work with your child are required by state law to report all instances of suspected child abuse neglect or maltreatment (Social Services Law, Article 6, Title 6, Sections 413-417, & 419-420). Reports must be made whenever there is "reasonable cause" (Social Services Law, Article 6, Title 6, Section 413), which could "be as simple as distrusting an explanation for injury" (Summary Guide for Mandated Reporters in New York State, 2011). This means that a staff member of Uptown ASCS must submit reports of suspected abuse or maltreatment when presented with *any* suspicion regardless of previous relationship with or knowledge of a student's family or home life.

As outlined by law, reports are submitted directly to the New York Statewide Central Register for Child Abuse & Maltreatment (800) 636-1522, and include photographs of any visible signs of abuse or maltreatment observed on the student (Social Services Law, Article 6, Title 6, Sections 413-417, & 419- 420). Upon receiving the report, a Child Protective Specialist determines whether the suspicion warrants an investigation. If the report is accepted for investigation, then a written report (LDSS-2221A) must be completed by the reporting staff member from the school.

Uptown ASCS is required to cooperate fully with any investigation or casework activity carried out by Child Protective Services regardless if the report originated from the school. Such activities include, but are not limited to: granting access to academic, behavior, IEP, and attendance records; allowing child protective workers to observe a student in class, interview student, interview employees, and/or hold a student at school until a protective worker arrives. In addition, Child Protective Service workers may take children into custody if they deem it necessary.

Child Abuse or Maltreatment in the School Setting

All teachers and administrators who work with your child and any staff member of Uptown ASCS are expected to report to the School Administration any observation or complaints of abuse in the school setting, including corporal punishment, excessive restraint or verbal abuse. This policy applies on school property, on school trips, at any school functions, and off school premises if such abuse affects the school community. Verbal abuse includes language that belittles or embarrasses or subject students to ridicule.

The School Administration will promptly investigate such report, and if there is a reasonable basis to conclude that such abuse may have occurred, the School Administration will notify parents/guardians and will make appropriate reports to law enforcement and/or the New York City Department of Education.

The Family Educational Rights & Privacy Act (FERPA)

The Family Educational Rights and Privacy Act ("FERPA") affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the school receives a request for access. Parents or eligible students should submit to the school principal or another appropriate school official a written request that identifies the records they wish to inspect. The

school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the school to amend a record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.
4. The right to file a complaint with the US Department of Education concerning alleged failures by the School to comply with the requirements of FERPA The name and address of the Office that administers FERPA are:

   Family Policy Compliance Office
   US Department of Education 400 Maryland Avenue, SW Washington, DC 20202

   FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §9931 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §9932 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student –

   - To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §9931(a)(1)(i)(B)(*1*) -(a)(1)(i)(B)(*2*) are met (§9931(a)(1)).

   - To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure

is for purposes related to the student's enrollment or transfer, subject to the requirements of §9934 (§9931(a)(2)).

- To authorized representatives of the U S Comptroller General, the U S Attorney General, the US Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State (SEA). Disclosures under this provision may be made, subject to the requirements of §9935, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf (§§9931(a)(3) and 9935).

- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid (§9931(a)(4)).

- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to §9938 (§9931(a)(5)).
    - To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction (§9931(a)(6))
    - To accrediting organizations to carry out their accrediting functions (§9931(a)(7))
    - To parents of an eligible student if the student is a dependent for IRS tax purposes (§9931(a)(8))
    - To comply with a judicial order or lawfully issued subpoena (§9931(a)(9))
    - To appropriate officials in connection with a health or safety emergency, subject to §9936 (§9931(a)(10)
    - Information the school has designated as "directory information" under §9937 (§9931(a)(11))

<u>New York Education Law Section 2(D): Parents' Bill of Rights for Data Privacy and Security</u>

Students at the School also receive data privacy protections pursuant to New York Education Law Section 2(D), captured in the school's *Parents' Bill of Rights for Data Privacy and Security.* The plan can be found in detail at the School's website, and ensures the following protections for your child:

1. Your child's personally identifiable information cannot be sold or released for any commercial purposes
2. If your child is under the age of 18, you have the right to inspect and review the complete contents of your child's education records
3. Safeguards are in place to protect your child's personally identifiable data when it is stored and transferred
4. These safeguards must meet industry standards and best practices, such as data encryption, firewalls, and password protection
5. You have the right to make complaints about possible breaches of student data and to have such

complaints addressed

Any complaints regarding breaches of student data must be directed to the School Network Data Privacy Officer, identified within the posted *Parents' Bill of Rights for Data Privacy and Security*

NOTICE CONCERNING DIRECTORY INFORMATION

The School may disclose, without consent, "directory" information, including a student's name, honors and awards, and dates of attendance. This information will be released only to members of the School Community and, in the case of special events, honors or awards, to community organizations or publications. If you do not want the school to Release Directory Information about your child, please advise the Assistant Director of Operations by September 1st of the school year. Your request must be renewed each year.

FREEDOM OF INFORMATION LAW

The School complies with New York State's "Freedom of Information Law" ("FOIL"). When the School receives a request for information under the Freedom of Information Law, it responds to it in the following manner:

- Within five business days of receipt of a written request, the School shall make the information available to the person requesting it, deny the request in writing, or provide a written acknowledgment of receipt of the request that supplies an approximate date, which shall be reasonable under the circumstances, for when the request will be granted or denied.
- If the School determines to grant access to the requested information, and if circumstances prevent disclosure to the person making the request within twenty business days of the acknowledgment of receipt of the request, the school shall state, in writing, both the reason for the delay and a date certain, within a reasonable period of time, depending on the circumstances, when the request will be granted in whole or in part. Failure of the School to conform to the provisions of paragraph one above or this paragraph two, shall constitute a denial of the request for information.
- If an individual is denied access to a record, he or she may, within 30 days (or such period as defined by law, as may be modified over the course of the charter), appeal such denial to the Lead Person.
- Upon timely receipt of such an appeal, the School shall, within 10 business days of the receipt of the appeal (or such period defined by law, as may be modified over the course of the charter), fully explain the reasons for further denial or provide access to the record sought. The School also must forward a copy of the appeal, as well as its ultimate determination, to the New York State Committee on Open Government.

Exceptions to disclosure: the School may deny access to a requested record for a variety of reasons, including that: a) such access would constitute an unwarranted invasion of personal privacy; b) such access would violate either state or federal law; c) such records are compiled for law enforcement purposes; and/or d) such records are interagency or intra agency materials which are not statistical or factual tabulations of data, instructions to staff that affect the public or a final policy. Except for records specified in Public Officers Law §87(3), the school shall not be required to prepare any record that it does not maintain or have in its possession.

Complaint/Grievance Policy

BASCS Board of Trustees takes complaints or grievances seriously from any member of the public, parent, guardian, or person in parental relation, or employee. It is also mindful, however, that many disputes are best resolved at the lowest possible level. Accordingly, the Board provides the following process relative to public or parent, guardian, or person in parental relation complaints and/or School employee grievances. To the extent a complaint or grievance is submitted without prior compliance with the procedures set forth below, the recipient of the complaint or grievance shall provide a copy of this Policy to the complainant and direct that person to submit his or her complaint or grievance consistent with this Policy.

All complaints and grievances shall be submitted to the appropriate person, as identified in this Policy, only in writing. The Board expects that a person will comply with the procedures stated below, in the below-stated sequence, prior to filing a written complaint with the Board.

Section 2855(4) of the New York Education Law provides that any individual or group may bring a formal complaint directly with the BASCS Board of Trustees at any time as a first step without going to school staff or leadership, alleging a violation of the provisions of Article 56 of the New York Education Law, BASCS Charter, or any other provision of law relating to the management or operation of BASCS. Complaints must be submitted in writing to the Secretary of the Board. If the complaint directly involves the Secretary, the complaint may be submitted to any Board member. In accordance with Section 2855(4) of the New York Education Law, the Board may also delegate the power to review complaints to the Executive Director or an ad hoc committee of the Board, created to investigate the complaint and report to the Board. If the complaint does not allege a violation of the provisions of Article 56 of the New York Education Law, the BASCS, or any other provision of law relating to the management or operation of BASCS, the Board will refer the matter to the respective person in accordance with the policy.

A. Level I

In keeping with the above-stated guidance, complaints or grievances should first be discussed with the teacher of a parent, guardian, or person in parental relation's child or the immediate supervisor of a School employee.

1. Parental Complaints: If a student's classroom teacher has the authority to resolve a complaint or problem, the parent, guardian, or person in parental relation shall first raise and discuss the complaint with the classroom teacher, either by:

- a telephone conference or an e-mail;
- or a conference between the teacher and the parent, guardian, or person in parental relation, which the parent, guardian, or person in parental relation shall request with the teacher.

2. Staff Complaint: A School employee shall describe and specify the basis for a complaint with his or her immediate supervisor in writing. Thereafter, the immediate supervisor and employee shall meet to discuss the complaint and work in good faith toward a satisfactory resolution.

B. Level II

If a person has complied with the process for Level I and is dissatisfied with the results of that process, he or she may pursue the complaint using the Level II process.

1. Parental Complaints: If a parent, guardian, or person in parental relation has first spoken with his or her child's classroom teacher and attempted in good faith to resolve the problem, but remains dissatisfied, the parent, guardian, or person in parental relation may contact:

- The Assistant Director of Academics or his or her designee concerning any academic or teacher-related complaint; or the Assistant Director of Operations concerning any discipline-related complaint.
- The Assistant Director of Operations will keep a record of each Level II complaint, including the nature of the complaint, the complaining party, and a description of the steps taken to resolve the complaint.

2. Staff Complaints: A School employee who has complied with the procedures for Level I complaints and is dissatisfied with the results of that process may forward his or her complaint in writing first to one of the campus level school administrators respective to their complaints. Thereafter, the school administration (Executive Director/School Director/ADO/ADA) or designee will discuss the complaint and work in good faith toward a satisfactory resolution.

C. Level III

A person who has complied with the Level II process and remains dissatisfied may proceed with the following procedures under Level III:

1. Parental Complaints: If the parent, guardian, or person in parental relation is dissatisfied with the response of the Assistant Director of Academics or Assistant Director of Operations to his or her complaint, the parent, guardian, or person in parental relation may state his or her complaint in writing to the School Director. The written complaint to the School Director shall comply with the following:

- Be signed by the parent, guardian, or person in parental relation filing the complaint;
- Specifically state the nature of the complaint, including any School rule, guideline, law, or regulation that the parent, guardian, or person in parental relation claims to have been violated, and all relevant facts and circumstances surrounding the complaint;
- Contain sufficient information and/or evidence to support the complaint; and

- Specify how the parent, guardian, or person in parental relation would like the complaint resolved.

2. Staff Complaints: An employee who has completed the procedures stated in Level II and who remains dissatisfied with the results of that process may forward his or her complaint in writing to Chief Operations Officer and Chief Talent Officer at Uptown ASCS Central Office and HR department. The Chief Operations Officer shall consider the complaint and, within seven (7) days of its receipt, either respond to the employee in writing or meet with the employee regarding the complaint. If one of the Chiefs at Central Office meets with the employee in lieu of providing a written response, one of the Chiefs shall respond to the employee's complaint in writing within seven (7) days after that meeting.

D. Level IV

A person who has completed the complaint procedures of Levels I through III, but remains dissatisfied with the responses provided during those procedures may submit his or her complaint in writing to the BASCS Board of Trustees. Any such written complaint shall contain the elements stated in Level III. The Board will not accept any complaint if the complainant has not provided Uptown ASCS Central Office with at least seven (7) school days in which to respond to the complaint.

The Board of Trustees will discuss any properly-submitted complaint at its next scheduled meeting, in Executive Session when appropriate, and shall provide the School Administration with guidance regarding any further response concerning the complaint.

The Board will advise the complainant of its decision within thirty (30) days of its receipt of a properly submitted complaint.

Complaints to the School Administration may be delivered by mail or email to the following address:

School Administration

TBD

Complaints to the iLearn Schools' Central Office should be addressed to:

IMPORTANT NOTE

It is the school's responsibility to publish the student handbook on the school website. During open house, a copy of the student handbook can be provided to each parent. Copies will also be available in the front office. It is important that each student attending Uptown ASCS and their parents have read, understood, and agreed with the content of the student handbook.

Uptown ASCS reserves the rights to delete, add, and amend any changes to this handbook. Any changes to this handbook will be posted on the school website.

STUDENT CONDUCT CONTRACT

Student Name:_____ Grade/Section:_____

All of you have elected to apply to Uptown ASCS , we anticipate that all students will not only accept their rights as members of our school community, but also their responsibilities to other members of our community. We ask each of you to carefully read over and sign the student contract on this page and, as the school year unfolds, do your best to behave in ways that will enhance your own and others' ability to learn and develop.

Student Contract
(MUST BE RETURNED TO HOMEROOM TEACHER)

As a student of Uptown ASCS , I will do my best to do the following:

- I will show consideration for the rights and feelings of others, being careful not to hurt them physically or make them feel bad.
- I will speak to others respectfully, not using profanity or uncomplimentary names.
- I will show respect for all people working or helping in the school.
- I will show careful regard for both my property and the property of others.
- I will always ask permission before I borrow other people's things, and I will return them promptly and in good condition when I am finished.
- I will attend school regularly.
- I will be in class on time with all necessary materials.
- I will make good use of class time and complete and turn in assignments on time.
- I understand that I must make up assignments I missed because of an absence.
- I will remain on campus during school time, including the lunch period. I will not leave the school ground without the permission of the Lead Person.
- I will do my best in my schoolwork, and I will let others do their best.
- I will ask for help if I do not understand.
- I will not bring any contraband items to school.
- I will help keep the school building and grounds clean and tidy.
- I will walk in the halls.
- I will not eat or drink in classrooms, and in the hallways
- I will follow the dress code and arrive at school in my uniform.
- I will not participate in any behavior banned by the school.
- I agree to follow the Student Code of Conduct.
- I affirm that I have read the Uptown ASCS Student Handbook and will follow all of its requirements.

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL

PROPOSED CHARTER SCHOOL APPLICATION FOR SUBMISSION TO THE STATE UNIVERSITY OF NEW YORK BOARD OF TRUSTEES

REQUEST 10:

R-10C - SPECIAL EDUCATION POLICY

www.uptowncharter.org

FEBRUARY, 2024

R-10C - Special Education Policy

The discipline policy for students with disabilities will aim to maintain a safe and conducive learning environment while respecting the rights and specific needs of students with disabilities.

1. General Principles

- Equity and Non-Discrimination: Discipline procedures for students with disabilities shall be equitable and non-discriminatory, aligning with the same standards applied to non-disabled students.
- Case-by-Case Approach: Decisions will be made on a case-by-case basis, considering the student's disability, history, and the specifics of the incident.

2. Suspension Procedures

- Short-Term Suspensions (Up to 5 Days): School principals may suspend students with disabilities for up to five school days, in line with suspensions for non-disabled students.
- Extended Suspensions (Up to 10 Days): Superintendents may impose suspensions up to 10 school days, considering prior suspensions for the same behavior. Repeated suspensions for different incidents may also apply.
- Special Circumstances (Up to 45 Days): For serious offenses involving bodily harm, weapons, or illegal substances, students may be placed in an Interim Alternative Educational Setting (IAES) for up to 45 days.

3. Interim Alternative Educational Setting (IAES)

- Placement Criteria: IAES placement is considered for severe violations and is determined by the Committee on Special Education (CSE).
- Educational Continuity: Students in IAES must continue to receive educational services aligned with their Individualized Education Program (IEP).

4. Manifestation Determination

- Conduct Review: A review must be conducted to determine if the student’s behavior is a manifestation of their disability.
- Impact on Discipline: A finding that behavior is a manifestation of the student’s disability may influence disciplinary actions.

5. Services During Suspension

- Educational Services: Students with disabilities must receive alternative instruction and services during suspensions, ensuring continuity in education and progress towards IEP goals.
- Behavioral Assessment and Intervention: If suspensions exceed 10 school days, functional behavioral assessments and intervention services may be required to address and prevent recurring behaviors.

6. Special Cases

- Expedited Due Process Hearings: In situations where a student's behavior poses a risk, expedited hearings may be conducted to determine appropriate placements.

This policy ensures that disciplinary actions for students with disabilities are fair, appropriate, and compliant with legal requirements. It emphasizes the need for individualized consideration, continued educational services, and involvement of relevant stakeholders in the disciplinary process. Regular reviews and updates will be conducted to align with evolving educational standards and legal requirements.

In addressing the discipline of students with a Behavioral Intervention Plan (BIP) as part of their Individualized Education Program (IEP), it is essential for teachers to be thoroughly trained and knowledgeable about these plans. Discipline must align with the BIP's strategies, focusing on understanding and addressing challenging behaviors positively and constructively. Teachers should have ready access to BIP information, maintaining confidentiality while implementing proactive interventions and consistent responses in the classroom.

Collaboration with special education staff and regular communication with parents is crucial for the effective application and adjustment of the BIP. Additionally, a manifestation determination review is necessary before any disciplinary action that alters the student's placement, ensuring that the discipline is appropriate and tailored to the student's unique needs. This approach ensures a supportive educational environment while maintaining necessary behavioral standards.

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL

PROPOSED CHARTER SCHOOL APPLICATION FOR SUBMISSION TO THE STATE UNIVERSITY OF NEW YORK BOARD OF TRUSTEES

REQUEST 10:

R-10D - DRESS CODE POLICY

www.uptowncharter.org

FEBRUARY, 2024

R-10D - Dress Code Policy

Uptown ASCS, in its pursuit to establish a conducive learning environment, will implement a comprehensive dress code policy. The rationale behind this policy is to foster a sense of unity and equity among students, reduce distractions in the educational setting, and promote a focus on academic and personal development.

The dress code includes:

1. Uniform Top for All Students (With School Logo): To promote school identity and spirit, all students will wear a uniform top with the school logo. This includes a polo school shirt (available in short and long sleeves), a fleece jacket, and a sweatshirt. The school's website will provide additional details regarding color schemes and design.

2. Uniform Pants: Students are required to wear properly fitting khaki pants or 'skorts'. Jeans are only permitted on specified days with explicit permission from the school administration.

3. PE Uniform (With School Logo): For physical education classes, students must wear school sweatpants or shorts (not higher than knee-cap level) and a school gym t-shirt.

4. Footwear: The policy specifies brown or black lace-up shoes or loafers (closed toe, closed heel) for regular school days. Sneakers (white or black) are allowed on PE days and occasionally with permission. All shoes and sneakers should have backs or secure straps for safety. Boots are permitted during harsh weather conditions such as snow or rain.

Subsidizing Uniform Costs:

Understanding the financial diversity within the student body, Uptown ASCS will implement strategies to assist families unable to afford uniforms. These strategies are in line with iLearn Schools' commitment to equitable access to education. They include:

1. Uniform Subsidy Program: A dedicated fund will be established to provide financial assistance to families in need. This program will offer partial or full subsidies for uniforms based on an assessment of family income and financial need.

2. Uniform Exchange Program: To support sustainable practices and help families reduce costs, Uptown ASCS will facilitate a uniform exchange program. Families can donate outgrown but gently used uniforms, which will be made available to other students at no cost.

3. Partnerships with Suppliers: The school will negotiate with uniform suppliers to secure discounts for bulk purchases or offer special discount codes for families associated with Uptown ASCS.

4. Fundraising Events: Uptown ASCS will organize fundraising events specifically aimed at supporting the uniform subsidy program. These events will foster community engagement and awareness about the importance of supporting all students.

5. Payment Plans: For families who can afford to pay but need more flexibility, the school will offer installment-based payment plans for uniform purchases.

In implementing this dress code policy, Uptown ASCS is committed to ensuring that no student is excluded or disadvantaged due to financial constraints. The school believes that a well-thought-out dress code policy, coupled with supportive measures for affordability, will contribute positively to the overall learning environment and student experience.

Uptown Arts and Science Charter School will begin with one school director and one assistant director of Academics in its first year of operation. For the first two years, the Uptown ASCS also intends to employ one school secretary. Due to the anticipated rise in student population each year, beginning in its third year, the proposed charter will then add one receptionist, one assistant director of operations and an assistant to the assistant director of operations. Furthermore, in its first year, the school will seek to hire eight content area teachers - an ENL teacher and two special education teachers.

For the following three years, that number will increase to thirty teachers (including, ENL and Special Education) in total. The amount of hired teachers will increase in the second, third, and fourth years due to the addition of one grade level per year. Uptown ASCS has a base target of one special education teacher per core content area; however, this number may increase should the student demographics warrant an adjustment to meet the needs of the enrolled population. Moreover, the school will enlist the services of a substitute teaching service provider in the event that additional substitute teachers are needed. In year one of the school's operation, the Uptown ASCS will employ a case manager.

Uptown ASCS will begin with one ENL teacher, and will add additional teachers in accordance with the rise in student population. A Math Lab and ELA Lab teacher will be hired in year one to provide additional support for ninth grade students. A Physical Education, Computer Science, Visual and Performing Arts teacher will be hired year one. Starting in the second year, and increasing as the grade levels are added, World Languages, Dance, Theater and/or Music teachers will be hired to expand the elective offerings on campus. Moreover, a School Counselor and College and Career Guidance Counselor will be added in year three.

The Bronx ASCS will employ one nurse, through the Department of Education, throughout the duration of the charter's existence. A part-time IT Manager will be hired year one, this position will become a full-time position in the second year of operation. During the first two years, Uptown ASCS will have one custodian, with a second custodian to be added in the second year due to the increase in enrollment and classroom space. A school Uptown ASCS intends to have one security officer for the first year and a second security officer then added in the second academic year.

B. Qualifications and Responsibilities:

As per the NYSED, "Professional certificates in all classroom teaching titles and all School Leader titles, as well as the Level III Teaching Assistant certificate must be maintained through continuing professional development. Public school districts and BOCES are responsible for planning and providing appropriate professional development for holders of Professional and Teaching Assistant III certificates, as for all teachers, as part of the district's professional development plan." [1]

Additionally, all employees must submit to the required criminal history background check, including fingerprinting, provide proof of U.S. citizenship or legal residency, and meet eligibility requirements to obtain employment in the State of New York.

a. Instructional

English Teacher:

Position Title: English Teacher (High School)
Summary: The role of the English Teacher (High School) is to develop students' skills in listening, speaking, reading and writing, foster communication skills, develop an understanding and appreciation of literature of all types, motivate students to read a wide variety of publications to derive information, comprehend and critically assess the reading materials, and to promote the development of skills in the field of English reading, grammar and syntax.

[1] http://www.nysed.gov/teachers

Qualifications:

- Bachelor's degree from an accredited college or university is required.

Performance Responsibilities:

The English Teacher shall:

- Develop and administer English education curriculum consistent with school district goals and objectives.
- Promote a classroom environment that is safe and conducive to individualized and small group instruction, and student learning.
- Develop lesson plans and instructional materials and translate lesson plans into learning experiences to develop pertinent sequential assignments, challenge students, and best utilize the available time for instruction.
- Teach knowledge and skills in English grammar and syntax, sentence and paragraph structure, composition, vocabulary and proper word usage, word denotations and connotations, creative writing, independent thinking, communication and speaking.
- Develop standards for critical analysis through group discussions on a variety of reading materials, including the mass media, and a wide range of literature.
- Work with students and others to prepare materials for inclusion in literary publications, contests, etc.
- Conduct ongoing assessment of student learning and progress, and modify instructional methods to fit individual student's needs, including students with special needs.
- Maintain familiarity with district and New York State standardized tests for the purpose of adapting curriculum to maximize student achievement on such tests.
- Continue to acquire professional knowledge and learn of current developments in the educational field by attending seminars, workshops or professional meetings, or by conducting research.
- Organize and maintain a system for accurate and complete record-keeping, grading, and reporting for all student activities, achievement and attendance as required by district procedures and applicable laws.
- Encourage parental involvement in students' education and ensure effective communication with students and parents.
- Ensure that student conduct conforms to the school's standards and school district policies, and establish and maintain standards of student behavior needed to achieve a functional learning atmosphere in the classroom.
- Coordinates with other professional staff members, especially within grade level, and participates in faculty meetings and committees.
- Select and requisition appropriate books, instructional aids and other supplies and equipment and maintain inventory records.
- Performs other related tasks as assigned by the School Director and other central office administrators as designated by the Superintendent.

Note: *The above description is illustrative of tasks and responsibilities. It is not meant to be all inclusive of every task or responsibility.*

Mathematics Teacher:

Position Title: Math Teacher (High School)
Summary: Under the general supervision of the School Director and Mathematics Program Director, and the assigned Mathematics Instructional Coach to facilitate student success and growth in academic and interpersonal skills through implementing district approved curriculum; documenting teaching and student progress/activities/outcomes; addressing specific educational needs of individual students and by creating a flexible, safe and optimal learning environment; and providing feedback to students, parents and administration regarding student progress, expectations, and goals

Qualifications:

- Bachelor's degree from an accredited college or university is required.
- Secondary Education Specialization:Mathematics (7-12)

Performance Responsibilities:

- The mathematics teacher shall:
- Develop and administer school curriculum consistent with school district goals and objectives.
- Design and deliver mathematics instruction in compliance with the iLearn Schools Mission and Vision for Teaching and Learning of Mathematics.
- Equip students not only with mathematics content, but also with the Standards for Mathematical Practice (SMP)[1] to help them succeed in doing and using mathematics across the K-12 curriculum and in their college and career work.
- Promote a classroom environment that is safe and conducive to individualized and small group instruction, and student learning.
- Develop lesson plans and instructional materials and translate lesson plans into learning experiences so as to best utilize the available time for instruction.
- Conduct ongoing assessments of student learning, and modify instructional methods to fit individual student's needs, including students with special needs; conduct individual and small group instruction as needed.
- Instruct students in the principles of responsible citizenship and other subject matters specified in applicable laws, as well as administrative regulations and procedures of iLearn Schools, Inc.
- Continue to acquire professional knowledge and learn of current developments in the educational field by attending seminars, workshops, or professional meetings, or by conducting research.

- Organize and maintain a system for accurate and complete record-keeping, grading, and reporting for all student activities, achievements, and attendance as required by district procedures and applicable laws.
- Encourage parental involvement in students' education and ensure effective communication with students and parents.
- Ensure that student conduct conforms with the school's standards and school district policies, and establish and maintain standards of pupil behavior needed to achieve a functional learning atmosphere in the classroom.
- Coordinate with other school professional staff members, especially within grade level and specific subjects, to evaluate and assess curriculum, and participate in faculty meetings and committees.
- Select and requisition appropriate books, instructional aids, and other supplies and equipment, and maintain inventory records.
- Supervise students in activities that take place out of the classroom during the school day, including activities involving school transportation.
- Administer standardized tests in accordance with district testing programs.

Science Teacher:

Position Title: Science Teacher (High School)

Summary: Under the general supervision of the School Director and Science Program, to develop students' skills and competence in one or more fields of science, including Chemistry/Biology/Physics/Earth Science, general science and electives courses related to STEM education; which develops students Engineering and Science practices, and problem-solving, as well as an understanding of the application of science in the solution of practical problems.

Qualifications:

- Bachelor's degree from an accredited college or university is required.
- Secondary Education Specialization in the specific science field:
    - Biology (7-12)
    - Chemistry (7-12)
    - Earth Science (7-12)
    - Physics (7-12)

The Science teacher shall:

- Teach knowledge and skills in one or more fields of science in accordance with the district curriculum.
- Promote critical and creative thinking and analysis in all related subject areas.
- Promote a classroom environment that is safe and conducive to individualized and small group instruction, and student learning.
- Understand NGSS and develop lesson plans and instructional materials for the subject area, and translate lesson plans into learning experiences to develop pertinent

sequential assignments, challenge students, and best utilize the available time for instruction.

- Design learning activities to demonstrate the application of science to everyday existence, including scientific research projects, demonstrations, experiments, and laboratory activities.
- Instruct students in the proper use and care of scientific equipment, chemicals, and plant and animal life.
- Conduct ongoing assessments of student learning and progress, and modify instructional methods to fit individual student's needs, including students with special needs; conduct individual and small group instruction as needed.
- Maintain familiarity with district and standardized tests for the purpose of adapting the curriculum to maximize student achievement on such tests.
- Continue to acquire professional knowledge and learn of current developments in the educational field by attending seminars, workshops or professional meetings, or by conducting research.
- Organize and maintain a system for accurate and complete record-keeping, grading, and reporting for all student activities, achievements, and attendance as required by district procedures and applicable laws.
- Encourage parental involvement in students' education and ensure effective communication with students and parents.
- Ensure that student conduct conforms to the school's standards and school district policies, and establish and maintain standards of student behavior needed to achieve a functional learning atmosphere in the classroom.
- Coordinate with other professional staff members, especially within the grade level, and participate in faculty meetings and committees.
- Select and requisition appropriate books, instructional aids, and other supplies and equipment, maintain inventory records, and ensure equipment is in good working order.

Social Studies Teacher:

Position Title: Social Studies Teacher (High School)
Summary: Under the general supervision of the School Director and Social Studies Program , facilitate student success and growth in academic and interpersonal skills through implementing district approved curriculum; documenting teaching and student progress/activities/outcomes; addressing specific educational needs of individual students and by creating a flexible, safe and optimal learning environment; and providing feedback to students, parents and administration regarding student progress, expectations, goals, etc.

Qualifications:

- Bachelor's degree from an accredited college or university is required.
- Secondary Education Specialization in Social Studies (7-12)

The Social Studies Teacher Shall:

- Develop and administer curriculum consistent with school district goals and objectives.
- Promote a classroom environment that is safe and conducive to individualized and small group instruction, and student learning.
- Develop lesson plans and instructional materials and translate lesson plans into learning experiences so as to best utilize the available time for instruction.
- Conduct ongoing assessments of student learning, and modify instructional methods to fit individual student's needs, including students with special needs; conduct individual and small group instruction as needed.
- Conduct instruction with the principles of responsible citizenship and other subject matters specified in applicable laws, as well as administrative regulations and procedures.
- Continue to acquire professional knowledge and learn of current developments in the educational field by attending seminars, workshops, or professional meetings, or by conducting research.
- Organize and maintain a system for accurate and complete record-keeping, grading, and reporting for all student activities, achievements, and attendance as required by district procedures and applicable laws.
- Encourage parental involvement in students' education and ensure effective communication with students and parents.
- Ensure that student conduct conforms with school standards and school district policies, and establish and maintain standards of pupil behavior needed to achieve a functional learning atmosphere in the classroom.
- Coordinate with other staff members, especially within grade level and specific subjects, to evaluate and assess curriculum, and participate in faculty meetings and committees.
- Select and requisition appropriate books, instructional aids, and other supplies and equipment, and maintain inventory records.
- Supervise students in activities that take place out of the classroom during the school day, including activities involving school transportation.
- Administer standardized tests in accordance with district testing programs.

ICT Teacher:
Position Title: Special Education Teacher (ICT - NY)

Summary: The role of the ICT teacher is to maximize the learning experience of students with special needs, in academics, interpersonal skills and activities of daily living by implementing district approved curriculum. ICT teachers will document student progress, activities and outcomes, address student's specific needs, and provide a safe and optimal learning environment. This is a co-teaching position, in which the special education teacher and the general education teacher plan collaboratively and implement the lesson collaboratively supporting all students.

Qualifications:

- Bachelor's degree from an accredited college or university is required.
- Secondary Education Specialization: Mathematics (7-12) for math or English (7-12) for English and Students with Disabilities (SWD) Certification
- Demonstrate the ability to communicate effectively orally and in writing, using proper grammar and vocabulary.
- Understand the requirement to maintain confidentiality concerning charter school-related matters.

Performance Responsibilities:

The ICT Teacher shall:

- Pursue the vision and execute the mission of iLearn Schools Inc.
- Support and promote board and administrative initiatives and decisions.
- Possess an understanding of the charter school renewal process and assist with the process as needed.
- Display the highest ethical and professional behavior in working with students, parents, school personnel and outside agencies associated with the charter school.
- Maintain professional competence and continuous improvement through professional growth.
- Adhere to federal statutes and regulations, New York school law, New York Department of Education rules and regulations, iLearn Schools Inc. policies, procedures and contractual obligations.
- Take immediate action and notify appropriate personnel concerning any evidence of substance abuse, child abuse, child neglect, severe medical or social conditions, potential suicide or individuals appearing to be under the influence of alcohol, controlled substances, or anabolic steroids.
- Follow school affirmative action procedures.
- Maintain a thorough knowledge and understanding of the charter school rules and regulations.
- Protect confidentiality of records and information about staff or students and use discretion when sharing such information within legal confines.
- Maintain proper phone etiquette and practice discretion when communicating with parents or the community.
- Issue electronic/paper communications that are written with appropriate language, phrases and punctuation. Use of slang or text language is not acceptable.
- Assist in the collection of data for local, county, state or federal reports.
- Possess and understanding of the school emergency response plan.
- Attend school sponsored events as requested/contracted.
- Conduct assessments, testing and diagnostic examinations of students for the purpose of identifying learning issues, and recommending courses of action or corrective procedures to overcome issues and maximize learning.
- Assist in developing Individual Educational Plans ("IEP") for students.
- Assist students and teaching staff in implementing student's IEP and behavior

management plans.
- Coordinate with outside agencies, organizations and institutions, including state and federal authorities as needed.
- Coordinate with administrators and other teaching staff members to ascertain individual student's abilities and needs, including students with special needs, and to familiarize stakeholders with social work services.
- Serve as a ready resource to students and parents to provide counseling that will lead each student to increased personal growth, self-understanding, and behavioral management; serve as liaison between home and school.
- Continue to acquire professional knowledge and learn of current developments in the educational field by attending seminars, workshops or professional meetings, or by conducting research, and by maintaining professional relationships with members of institutions of higher learning and the business community.
- Organize and maintain a system for accurate and complete record-keeping and providing student information to prospective colleges and employers, as required by district procedures and applicable laws.
- Encourage parental involvement in students' education and ensure effective communication with students and parents.
- Select and requisition appropriate books, aids and other supplies and equipment and maintain inventory records.
- Budget class time effectively.
- Devise written and oral assignments and assessments that require analytical and critical thinking as well as the reproduction of facts.
- Supervise pupils in out-of-classroom activities as assigned.
- Perform any other duties within the scope of his/her employment and certification that may be assigned.

ENL Teacher:

Summary: The role of the ENL Teacher is to facilitate a successful implementation of the ESL curriculum by planning a variety of activities and exercises to help students develop their English language skills. The goal is to provide targeted support and instruction that develops the reading, writing, speaking, and listening skills of all English Language Learners (ELLs). The ENL Teacher is to be the advocate for ELLs, supporting the student's academic progress, and helping families gain understanding of school expectations.

Qualifications:

- Bachelor’s degree from an accredited college or university is required.
- Valid NYS or equivalent ELL, TESOL, or ESL Teaching certificate.
- Demonstrate the ability to communicate effectively orally and in writing, using proper grammar and vocabulary.
- Understand the requirement to maintain confidentiality concerning charter school-related matters.

Performance Responsibilities:

The ENL Teacher shall:

- Pursue the vision and execute the mission of iLearn Schools Inc.
- Support and promote board and administrative initiatives and decisions.
- Possess an understanding of the charter school renewal process and assist with the process as needed.
- Display the highest ethical and professional behavior in working with students, parents, school personnel and outside agencies associated with the charter school.
- Maintain professional competence and continuous improvement through professional growth.
- Adhere to federal statutes and regulations, New York school law, New York Department of Education rules and regulation, iLearn Schools Inc. policies, procedures and contractual obligations.
- Take immediate action and notify appropriate personnel concerning any evidence of substance abuse, child abuse, child neglect, severe medical or social conditions, potential suicide or individuals appearing to be under the influence of alcohol, controlled substances, or anabolic steroids.
- Follow school affirmative action procedures.
- Maintain a thorough knowledge and understanding of the charter school rules and regulations.
- Protect confidentiality of records and information about staff or students and use discretion when sharing such information within legal confines.
- Maintain proper phone etiquette and practice discretion when communicating with parents or the community.
- Issue electronic/paper communications that are written with appropriate language, phrases and punctuation. Use of slang or text language is not acceptable.
- Assist in the collection of data for local, county, state or federal reports.
- Possess and understanding of the school emergency response plan.
- Attend school sponsored events as requested/contracted.
- Work to achieve state core curriculum content standards charter school goals and objectives by promoting active learning in the classroom using board-adopted curriculum and other appropriate learning activities for English as a Second Language (ESL) students / English Language Learners (ELL).
- Develop lesson plans and instructional materials and provide opportunities for individualized and small group instruction in order to adapt the curriculum to the needs of each pupil.
- Sets specific objectives in lesson preparation and weekly lesson plans and carries through presentation to effectively achieve these objectives.
- Participate in the assessment of the English proficiency of pupils whose native language is other than English; helps to identify pupils eligible for bilingual education and/or English as a Second Language programs or other services designed to improve English language proficiency.
- Assessing students ELL status on ATS, administering home language surveys, and conducting NYSITELL and NYSESLAT assessments when needed.

- Assess pupil academic progress, English proficiency and personal growth toward stated objectives of instruction. Assess annually to determine pupils ready to exit the ESL program.
- Maintain records of pupils' educational progress and summarizes these marks for reporting purposes.
- Identify academic and support services needs of ELLs and cooperate with other professional staff members in assessing and resolving learning problems.
- Establish and maintain standards of pupil behavior needed to achieve a classroom climate conducive to learning for English Language Learners (ELL).
- Budget class time effectively.
- Devise written and oral assignments and assessments that require analytical and critical thinking as well as the reproduction of facts.
- Supervise pupils in out-of-classroom activities as assigned.
- Perform any other duties within the scope of his/her employment and certification that may be assigned.

b. School Administration

Executive Director Job Description (New York–iLearn Schools):

Summary: The Executive Director is responsible for setting the highest standards of excellence in leadership, educational programs and management of Bronx Arts and Science Charter School according to the strategic direction set by the Bronx ASCS Board of Trustees.

Key Leadership and Management Qualities:
- Provides visionary, collaborative, and innovative educational leadership
- Has successful teaching and administration experience, with a pattern of increasing responsibility in education and administration
- Demonstrates leadership experience and success in challenging and engaging staff members
- Demonstrates strong decision making, problem solving, and conflict resolution skills; able to make difficult decisions without being divisive
- Demonstrates strong financial intelligence and long-term vision for fiscal stewardship; allocates resources according to school and board goals

Primary Duties and Responsibilities:

The Executive Director is expected to successfully perform the following:

Personnel and Programs:
- Within the school community, inspire a culture of academic excellence that is centered on the School’s mission and vision

- Provides leadership to the school administration, faculty and staff, defines and clarifies educational objectives, and stimulates high levels of job performance.
- Ensures research-based educational programs in conjunction with the School Vision/Mission, state law, charter school laws and regulations and NY frameworks
- Oversees the management of school administrative functions for the purpose of maintaining safe and efficient school operations within district and state guidelines.
- Establishes positive staff morale, stimulates staff professional growth, and recognizes outstanding accomplishments.

Leadership:

- Participate with the Bronx ASCS Board of Trustees and iLearn Schools Executive Team in developing a vision and strategic plan to guide the school
- Identify, assess, and inform the Bronx ASCS Board of Trustees of internal and external issues that affect the school
- Act as a professional advisor to the Bronx ASCS Board of Trustees on all aspects of the school's activities
- Foster effective teamwork between the Board and the Executive Director and between the Executive Director and staff
- Represent the school at community activities to enhance the school's community profile

Operational Planning and Management:

- Develop an operational plan which incorporates goals and objectives that work toward the strategic direction of the school
- Ensure that the operation of the school meets the expectations of its stakeholders
- Oversee the efficient and effective operation of the school administration

Human Resources Planning and Management:

- Determine staffing requirements for organizational management and program delivery
- Establish a positive, healthy, and safe work environment in accordance with all appropriate legislation and regulations
- Recruit, interview and select staff with the right technical and personal skills to help further the school's mission
- Ensure that all staff receives an orientation to the school and that appropriate training is provided
- Implement a performance management process for all staff which includes monitoring the performance of staff on an on-going basis and conducting an annual performance review
- Coach and mentor staff as appropriate to improve performance
- Discipline staff when necessary using appropriate techniques; release staff when necessary using appropriate and legally defensible procedures

Community relations/advocacy:

- Communicate with stakeholders to keep them informed of the work of the school and to identify changes in the community served by the organization

- Establish strong working relationships and collaborative arrangements with community groups, funders, politicians, and other organizations to help achieve the goals of the organization

Organizational Leadership:

- Build relationships with all stakeholders including students, staff, faculty, parents, board members, the school district, and the community
- Provide leadership to all staff and students to establish a positive school culture that leads to academic success

Risk management:

- Identify and evaluate the risks to the organization's members (teachers, staff, management and volunteers), property, finances, goodwill, and image and implement measures to control risks. This job has supervisory responsibilities.

Education Minimum: Master's Degree in a related field and/or equivalent combination of education, training, and experience sufficient to perform the essential functions of the position.

**Professional Educator's License preferred.*

Experience Minimum: 3–5 years administrative experience or an equivalent combination of education, training, and experience sufficient to perform the essential functions of the position.

Reasoning Ability Functional Reasoning: Requires the ability to apply principles of influence systems, such as motivation, incentive, teaching pedagogy, and leadership. Ability to exercise independent judgment to apply facts and principles for developing approaches and techniques to problem resolution.

Situational Reasoning: Requires the ability to exercise the judgment, decisiveness, and creativity required in situations involving the direction, control, and planning of instructional programs.

Computer Skills: A complete knowledge of Microsoft Products as used in overall management in an educational environment is required.

Human Interaction: Requires the ability to function in a supervisory/managerial capacity for a group of workers. Includes the ability to make decisions on procedural and technical levels.

Work Environment: The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

School Director:

Reports to: Executive Director and Chief Executive Officer

Summary: The School Director, in conjunction with the Assistant Director of Academic and Assistant Director of Operations, is responsible for all aspects of running a school. The school director is considered the primary instructional leader and must provide exemplary leadership to all members of the school community to meet the iLearn's mission of preparing each student to succeed in college and career.

ESSENTIAL DUTIES & RESPONSIBILITIES:

INSTRUCTIONAL & SCHOOL LEADERSHIP

- Work to dramatically improve student achievement for all students, including English language learners and students with disabilities, by leading the school's educational program
- Communicate and successfully implement iLearn's academic model, including its vision, curriculum, assessment, instructional expectations
- Effectively manage teaching staff, including campus-based professional development, staff observations, curriculum development, staff communication, and scheduling and program decisions
- Set ambitious school goals for student achievement and performance; hold staff members accountable for achieving results
- Work with staff on all curricular, instructional, assessment, and professional development issues and activities to ensure data drives classroom instruction
- Select and share effective curricular and instructional practices from and with other schools

ORGANIZATIONAL LEADERSHIP:

- Build relationships with all stakeholders including students, staff, faculty, parents, board members, the school district, and the community
- Provide leadership to all staff and students to establish a positive school culture that leads to academic success
- Ensure effective test preparation to ensure student success
- Collaborate with school staff to maximize the ability of the school to support students' academic and socio-emotional development
- Collaborate with Director of Operations to oversee students' behavioral program, including disciplinary decisions, enforcement of the Student and Family Handbook, scheduling and class decisions, educational program, and assessment and accountability
- Ensure that iLearn's traditions that support the school's focus on opportunities for enrichment are being created and maintained, grade by grade, year to year
- Work with appropriate staff to ensure the effectiveness of the after school enrichment programs

- Work with the Director of Operations to address all operational issues including facilities, testing, discipline, etc.

FAMILY/COMMUNITY ENGAGEMENT:

- Serve as point person for all students and families and respond to family concerns promptly and effectively
- Communicate regularly with families regarding student performance and academic achievement
- Work with staff to correspond regularly with families regarding school policies, trips, events, and milestones
- Work with staff to plan, coordinate, and support family meetings and special events with the community

Qualifications

- Master's Degree in a related field
- A School Building Leader (SBL) certificate or School Administrator and Supervisor (SAS) certificate in progress (at minimum)

Required knowledge, skills & abilities:

- Strong instructional leadership.
- Strong organizational skills; extremely careful attention to detail and follow-through.
- Strong analytical and problem-solving skills.
- Strong communication and negotiating skills.

- Follow school affirmative action procedures.
- Maintain a thorough knowledge and understanding of the charter school rules and regulations.
- Communicate the charter school rules and regulations to students, parents and the community.
- Protect confidentiality of records and information about staff or students and use discretion when sharing such information within legal confines.
- Foster and maintain communication and dialogue with the staff.

- Participate in appropriate in-service and workshop programs and attend any required meetings.
- May be required to formulate, reproduce and distribute notices and school bulletins to staff, students and parents.
- Professionally greet and communicate with staff, students, parents and school visitors.
- Maintain proper phone etiquette and practice discretion when communicating with parents or the community.
- Issue electronic/paper communications that are written with appropriate language, phrases and punctuation. Use of slang or text language is not acceptable.
- Develop an awareness of the administrative and faculty school based calendars.
- Assist in the collection of data for local, county, state or federal reports.
- Possess and understanding of the school emergency response plan.
- Manage various school functions and events as assigned.
- Attend school sponsored events as requested/contracted.
- Demonstrate a supportive role in the school fundraising projects.
- School culture and climate
    - Promote school core values and implement reward system
    - If needed, assist ADO with investigations
- Daily uniform checks must be performed
- Make sure students are heading to class on time
- School discipline
    - Assist ADO`s with overseeing the use of discipline points by teachers
- Cafeteria
    - Enforce cafeteria rules at all times.
    - Keep rules and consequences consistent
    - Report to morning, lunch, and aftercare cafeteria duty
- Security
    - Possess an understanding of the school emergency response plan
    - Conduct walking tours of the school in coordination with school security
    - Assist with the training preparation and the execution of state mandated fire and safety drills
- Aftercare
    - Coordinate aftercare clubs and maintain attendance records for clubs
    - Work with main office to make sure payments are submitted on time
- Perform any other duties within the scope of his/her employment and certification that may be assigned

C. Staff Recruitment and Retention:

We prioritize hiring highly qualified candidates across all roles. Our thorough recruitment includes interviews, demo lessons, skill assessments, and background checks, alongside promoting continuous professional development to ensure educational excellence.

The Talent Team at iLearn Schools actively recruits through multiple channels, including local colleges, job boards, referral programs with incentives, educator events, job fairs, and partnerships with community organizations. We are committed to tapping into the local talent pool in the Bronx, focusing on investing in and nurturing local individuals through our robust professional development and novice teacher mentoring programs. Part of our strategy includes offering attractive benefits like tuition reimbursement, underlining our commitment to supporting local talent. We've initiated hiring our own graduates as interns, substitute teachers, and classroom teachers, aiming to foster a cycle of growth and contribution within our community.

Our ability to conduct high-level professional development and facilitate the exchange of instructional practices across our schools is instrumental in enhancing the overall caliber of our faculties. We are dedicated to fostering a culture of excellence, continuous growth, and community involvement, ensuring that our team is not just qualified but also passionately committed to our mission. We emphasize continuous development, prominently featuring initiatives like the Novice Teacher Mentoring Program and the iLearn Schools New Teacher Summer Institute, to uphold exemplary teaching standards and classroom excellence.

For non-teaching roles, our focus is on recruiting individuals with the necessary experience and skills pertinent to the specific functional area. However, alignment with our mission and a deep understanding of their role in serving our schools are paramount.

iLearn Schools' retention strategy for high-quality teachers is multifaceted, combining financial incentives, opportunities for professional growth, and initiatives to ensure a supportive and responsive work environment. These measures collectively contribute to a positive and motivating atmosphere that values and promotes the retention of skilled and dedicated teaching staff.Retention bonuses of $2,500.00 per employee are also now given to staff . Additionally, an $8,000.00 increase was made to the base starting salary, making the new starting amount $70,500.00. Staff members also receive $4,000.00 longevity increases after completing their 5th, 12th, and 20th years of service at iLearn. The Executive Team continues to work diligently on improving the compensation package and communicating directly with staff about these changes in a timely manner. Teachers have the opportunity to participate in iLead Teacher Leader Academy in order to support their professional development as teacher leaders. Stipend positions are also offered, teachers can take leadership roles such as, Professional Development Coordinator, Activities Coordinator, School Play Director and Pathways to College Coordinator. The school based Efficacy Committee serves as a safe space for teachers and staff to voice their concerns and work towards solutions with their school administration. Surveys and focus groups are also conducted to maintain the pulse on culture and climate within the school and focus on ways to improve staff retention.

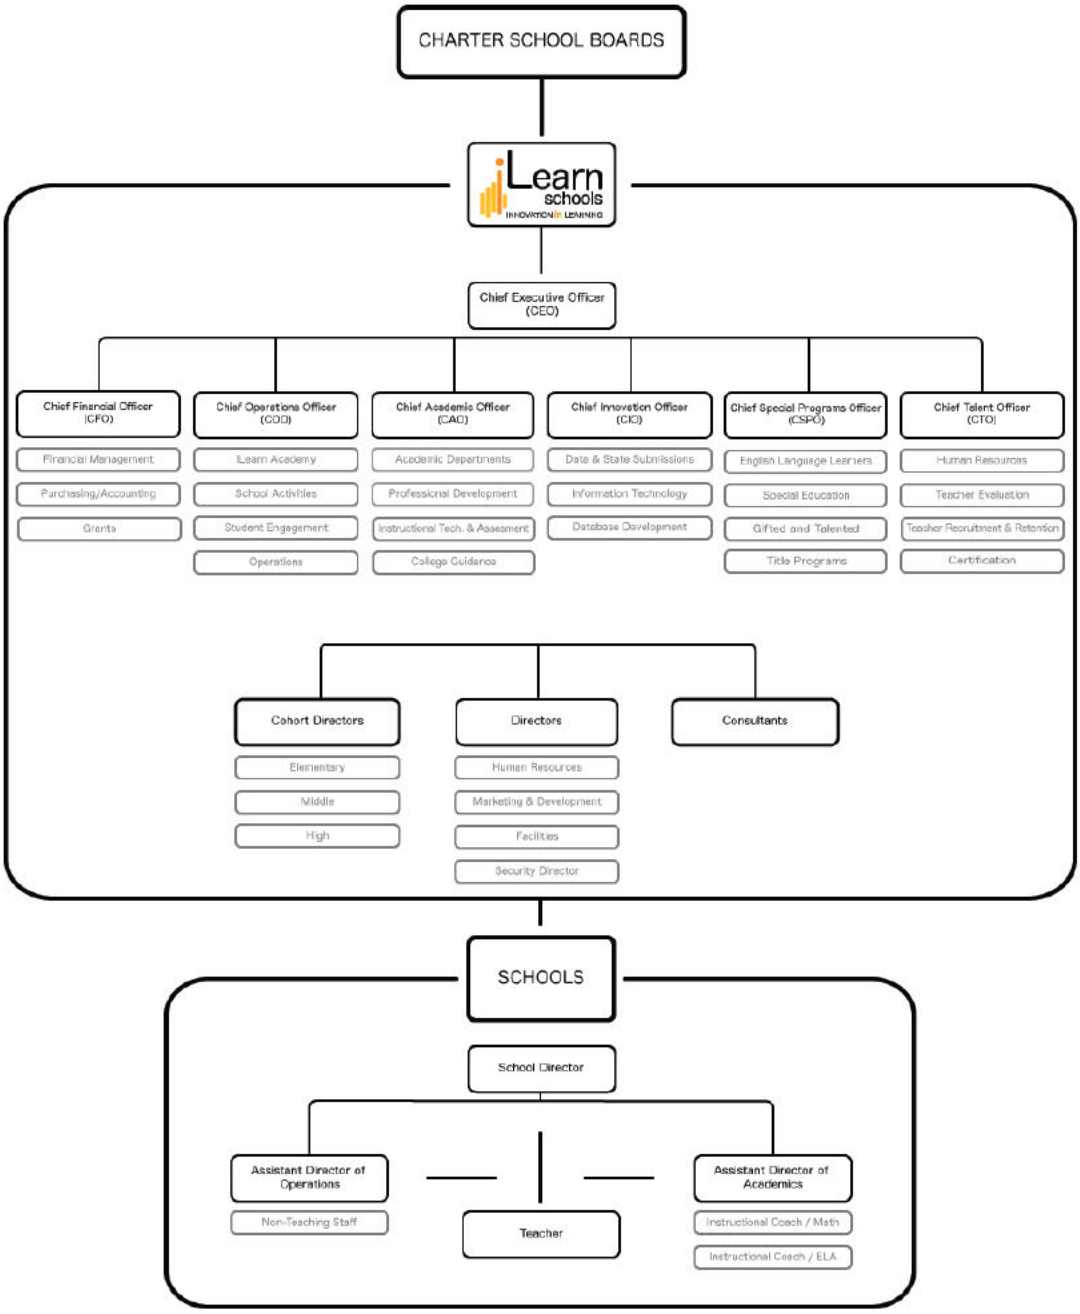
R-11AB - School Management and Leadership

A. Organizational Chart



Based on the organizational chart, the outline of the reporting structures and the relationship between iLearn Schools and the individual schools it services are as follows:

a. Organizational Structure:

- **School Board of Trustees**:
    - The Board of Trustees is the governing body that oversees the individual districts within the network.
    - The Board is responsible for strategic decision-making, financial oversight, and ensuring the organization's mission is carried out across all campuses.
    - The school leaders, while operationally autonomous, are accountable to the Board of Trustees and must ensure their schools comply with the policies and strategic direction set by the Board.
- **School Leaders**:
    - Each school within the iLearn Schools network has its own school leader team: School Director, Assistant Director of Academics (ADA), and Assistant Director of Operations (ADO). These school leaders are responsible for their respective schools' day-to-day operations, instruction, and students' academic and behavioral performance.
    - The school leaders report directly to the iLearn Schools Central Office, ensuring alignment with the broader educational model and standards set by the charter management organization (CMO).
- **Staff**:
    - Staff at individual schools include teachers, instructional coaches, and support staff.
    - They report to the school leader and are subject to evaluation systems that include observations and feedback to ensure quality education delivery.
    - Non-teaching staff, such as those in operations or student services, also report to the school leader or the appropriate department head in the central office.

b. Relationship Between iLearn Schools and Serviced Schools:

- **iLearn Schools**:
    - iLearn Schools acts as the charter management organization for a network of charter schools, including Bergen Arts & Science Charter School, Paterson Arts & Science Charter School, Bronx Arts & Science Charter School, Hudson Arts & Science Charter School, and Passaic Arts & Science Charter School.
    - It provides overarching support, resources, and guidance to ensure that each school adheres to the high standards of education set forth by the CMO.

    - iLearn Schools offers a range of centralized services, including academics and instruction, professional development, innovations and technology, special programs, and talent management.
- **Individual Schools**:
    - Each school within the iLearn Schools network operates with a degree of autonomy, implementing the iLearn educational model to meet the needs of its unique student population.
    - While network schools follow the broad guidelines and educational philosophy of iLearn Schools, they also have the flexibility to adapt specific programs and initiatives to better serve their own communities.
    - School leaders manage daily operations, curriculum implementation, and staff development, reporting back to iLearn's Central Office on overall performance and operational metrics.
- **Centralized Support and Decentralized Execution**:
    - iLearn Schools Central Office develops the overarching policies, educational models, and support systems. Individual schools execute these models, tailoring them to meet the needs of their students.
    - A continuous feedback loop exists between the schools and Central Office, ensuring the schools benefit from centralized resources while also providing on-the-ground insights to inform CMO strategies.
- **Professional Development and Resource Allocation**:
    - The Central Office of iLearn Schools coordinates professional development opportunities and allocates resources to the schools it services. This includes access to instructional coaches, technology tools, and educational materials that are consistent across the network.
    - The schools, in turn, implement these resources and training programs to improve instructional quality and student outcomes, while regularly assessing effectiveness and reporting back to iLearn Schools' Central Office.
- **Special Programs and Student Services**:
    - iLearn Schools designs special programs, such as Response to Intervention (RTI) and English Language Learner (ELL) support, that are implemented across all schools in the network.
    - Individual schools are responsible for the delivery of these programs, ensuring they are meeting the needs of their students and complying with the best practices established by the CMO.
- **Innovations and Technology Integration**:
    - iLearn Schools Central Office leads in the adoption and integration of innovative technologies and teaching methodologies, which are then rolled out to each school.
    - Schools are responsible for the day-to-day utilization of these technologies, such as Schoology for learning management, and must ensure that staff is adequately trained and that these tools are being used to enhance student learning.
- **Accountability and Performance Measurement**:

- Both iLearn Schools and the individual schools it services are held accountable to performance metrics. This includes state testing results, graduation rates, college admissions, and other key performance indicators.
- iLearn Schools Central Office monitors these metrics and works with school leaders to develop improvement plans and strategies to address any areas of concern.

In summary, iLearn Schools functions as the central support system that provides the framework, resources, and oversight for individual charter schools. These schools, while guided by the CMO's vision and educational model, operate with a level of autonomy that allows them to serve their unique communities effectively. There is a strong emphasis on accountability, with clear reporting structures between school leaders, staff, and the Board of Trustees to ensure that all schools within the network deliver on their commitment to providing high-quality STEAM-based education.

B. School Leadership and Management Structure

a. Management Practices and Procedures

iLearn Schools, as a charter management organization (CMO), operates with a strategic, centralized approach designed to support and oversee a network of individual charter schools, including Bergen, Paterson, Bronx, Hudson, and Passaic Arts & Science Charter Schools. This centralized structure allows iLearn Schools to set educational priorities, make key organizational decisions, and ensure uniformity in delivering high-quality STEAM-based education across its network.

Priorities are set by iLearn Schools Central Office, which consists of six main departments: Academics, Innovations, Special Programs & SEL, Talent & HR, Operations, and Finance. Each department is responsible for developing and disseminating best practices and resources in their respective domains. For instance, the Academics department shapes curriculum design and professional development programs, while the Innovations department focuses on technological integration and data analysis.

Key organizational decisions are made through a collaborative process involving input from school leaders, staff, and at times, broader stakeholder engagement through surveys and meetings. This participative approach ensures that decisions are informed by on-the-ground realities and align with the strategic objectives set forth by the Board of Trustees. Central to decision-making is the goal of preparing students for college and careers, with a focus on bridging any learning gaps, particularly in response to challenges such as those posed by the COVID-19 pandemic.

b. Reporting Lines and Accountability

The structure of iLearn Schools emphasizes clear lines of reporting and accountability. School leaders report directly to Central Office, ensuring their schools align with CMO standards. They are responsible for the operational and academic performance of their schools, implementing the iLearn educational model while tailoring specific initiatives to their student populations.

The Board of Trustees governs and holds the CMO accountable for the performance of the network. This includes monitoring strategic implementation, financial stewardship, and adherence to the mission. Conversely, iLearn Schools Central Office holds individual schools accountable through performance metrics, such as state test results, graduation rates, and college admissions rates.

Accountability is further ensured by the CMO's evaluation procedures. School leaders are evaluated based on both qualitative and quantitative data, including student achievement, the successful implementation of programs, and the school's adherence to iLearn's model. They are also assessed on their leadership and management effectiveness, including their ability to foster a positive school culture and climate.

c. Rationale for Structure

The rationale for iLearn Schools' centralized structure is grounded in the belief that a unified approach to education can drive high standards and equitable student outcomes. This structure allows for the effective dissemination of resources, consistent educational quality, and cohesive strategic planning. It enables the CMO to respond promptly to emerging educational challenges and opportunities, such as integrating new technologies or addressing learning loss due to disruptions like the pandemic.

Centralization also facilitates a more efficient use of resources, allowing the CMO to provide specialized support in areas such as grant writing, data analysis, and professional development that individual schools might struggle to manage independently.

d. Roles of iLearn Schools

The roles of iLearn Schools include setting educational priorities, providing resources and support to schools, overseeing the implementation of the educational model, and ensuring compliance with regulatory requirements. The CMO also plays a vital role in facilitating professional development, supporting schools with instructional and operational technologies, and implementing special programs for students with diverse needs.

Furthermore, iLearn Schools is responsible for establishing and maintaining high standards for academic excellence, which are reflected in its rigorous evaluation procedures for both teaching and non-teaching staff.

e. Evaluation Procedures

The Danielson framework is employed for teacher evaluations, focusing on domains such as planning and preparation, classroom environment, instruction, and professional responsibilities. The evaluation process is designed to be reflective and developmental. School leaders engage in pre- and post-observation conferences to discuss lesson plans and reflect on teachers' instructional practices. This is complemented by peer observations and mentoring programs, fostering a culture of continuous improvement.

Staff in management positions are evaluated using a comprehensive set of procedures that include both formative and summative assessments. For school leaders, iLearn uses the "Stronge Admin Evaluation Framework". The evaluation includes a multi-faceted approach involving site visits, focus group discussions (parents, students, and staff), reviews of student assessment scores, and progress toward strategic goals. The Chief Academic Officer and other Central Office administrators conduct academic walkthroughs to provide targeted support and resources.

Management staff are also evaluated based on their ability to drive instructional improvement, manage school operations effectively, and foster a positive school culture. Goals and performance indicators are set in alignment with the CMO's strategic plan, and evaluations are conducted periodically to assess progress and identify areas for professional growth. Central Office administrators, including those in the Talent & HR department, are evaluated based on their ability to attract, develop, and retain high-quality staff, as well as on their contributions to the CMO's strategic initiatives.

In conclusion, the management structure of iLearn Schools is designed to uphold a high standard of education across all schools within the network. The rationale for the centralized model is to ensure consistency, quality, and strategic alignment with the organization's goals. The CMO's role is multifaceted, encompassing priority setting, resource allocation, and the implementation of a comprehensive educational model. Evaluation procedures are robust, reflective, and designed to support the professional growth of management staff, ensuring that the CMO's vision for educational excellence is realized in practice.

f. iLEAD Program and Recruitment Plans for School Leader

The iLEAD Teacher Academy is an initiative by iLearn Schools to develop a pipeline of future school leaders. This program is crucial for ensuring a consistent supply of qualified and well-trained individuals ready to step into school leadership roles within the iLearn Schools

network. The recruitment plan for a school leader is a strategic process that integrates the values and expectations of iLearn Schools while ensuring an equitable and broad search.

g. iLEAD Program Overview

iLEAD Teacher Academy is a leadership development program aimed at identifying and nurturing internal talent within the iLearn Schools network. The program is designed to equip potential leaders with the necessary skills and knowledge to excel in administrative roles. It is led by the Chief Talent & HR Officer and a School Consultant, focusing on fostering leadership skills and expanding participants' understanding of the intricate dynamics involved in school administration. The program also matches expenses for current school administrators to complete coursework necessary for obtaining administrative certifications, thus investing in the continued professional growth of its staff.

h. Recruitment Plans for School Leader

The process of recruiting a school leader involves several key steps:

- Proactive outreach is conducted to encourage applications from within the organization, capitalizing on the iLEAD program's mentorship and training.
- Potential leaders are identified through the iLEAD program, which taps into the existing talent pool of teachers and staff who exhibit leadership qualities.
- The application process is structured to be comprehensive and accessible, with clear instructions and support for applicants.
- Candidates from the iLEAD program are provided with guidance on showcasing their development and readiness for leadership positions.
- The Talent & HR team screens applications to ensure candidates meet the stringent criteria set by iLearn Schools for school leaders.
- Behavioral and situational interviews are conducted to assess candidates' problem-solving abilities, leadership styles, and alignment with iLearn Schools' values.
- Candidates may be required to complete leadership assessments, participate in simulations, or present on strategic initiatives to demonstrate their capabilities.

The Talent & HR team plays a pivotal role in the selection process:

- Collaborate with iLearn Schools Central Office to define the strategic direction for leadership recruitment, ensuring alignment with iLearn Schools' long-term objectives.
- Provide support to candidates from the iLEAD program throughout the application and interview process.
- Advocate for fair consideration of internal candidates who have shown promise and growth within the iLEAD program.

- Facilitate the evaluation process, collecting and synthesizing feedback from various interview panels and stakeholders.
- Ensure the selection process is unbiased and based on the merit and potential of the candidates.
- Oversee the onboarding process for the selected school leader, providing resources and support as they transition into their new role.
- Continue to monitor the development of the new leader, ensuring they have access to ongoing professional development opportunities.
- Ensure that the recruitment process adheres to legal standards and best practices in HR.
- Maintain records and documentation to support the transparency and fairness of the process.

In conclusion, the recruitment plans for a school leader within the iLearn Schools network are robust and comprehensive, with the iLEAD program serving as a cornerstone for preparing and advancing internal candidates. The Talent & HR team's involvement is integral throughout every stage of the selection process, from outreach to final onboarding, ensuring that each step upholds the standards of equity, meritocracy, and strategic alignment with the organization's mission and values. This approach not only facilitates the identification of candidates who are well-prepared for the challenges of school leadership, but also reflects iLearn Schools' dedication to fostering a culture of internal growth and diversity.

iLearn Schools Inc.

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL

PROPOSED CHARTER SCHOOL APPLICATION FOR SUBMISSION TO THE STATE UNIVERSITY OF NEW YORK BOARD OF TRUSTEES

REQUEST 12:

R-12D - PERSONNEL POLICIES

www.uptowncharter.org

FEBRUARY, 2024

R-12D - Personnel Policies

1. Code of Ethics

An effective educational program requires the services of men and women of integrity, high ideals, and human understanding. To maintain and promote these essentials, The Uptown ASCS expects all professional staff members to maintain high standards in their working relationships, in the performance of their professional duties, and to:

A. recognize basic dignities of all individuals with whom they interact in the performance of duties;

B. represent accurately their qualifications;

C. exercise due care to protect the mental and physical safety of students, colleagues, and subordinates;

D. understand and apply the knowledge and skills appropriate to assigned responsibilities;

E. keep in confidence legally confidential information as they may secure;

F. ensure that their actions or those of another on their behalf are not made with the specific intent of advancing private economic interests;

G. refrain from using position or public property, or permitting another person to use an employee's position or public property for partisan political or religious purposes. (This will in no way limit constitutionally or legally protected rights as a citizen.);

H. Refuse to accept anything of value offered by another for the purpose of influencing judgment.

2. Reporting Child Abuse or Neglect

All employees are required to report any suspected child abuse or neglect to a law enforcement agency, New York State Office of Children and Family Services, and/or appropriate state agency (e.g. state agency operating, licensing, certifying, or registering a facility) within 48 hours of the event that led to the suspicion.

Employees who suspect that a student has been or may be abused or neglected should report their concerns to the school principal, although they are not required to provide such notification prior to making a report to the appropriate agencies. In addition, employees must cooperate with child abuse and neglect investigators. Reporting the concern to the principal does not relieve the employee of the requirement to report to the appropriate state agency. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the investigator is prohibited.

3. Staff Dress and Grooming

The Board of trustees of The Bronx Arts and Science Charter School believes that all staff members set an example in dress and grooming for their students to follow. A professional staff member who understands this notion and adheres to it enlarges the importance of his/her task, presents an image of dignity, and encourages respect for authority. These factors act in a positive manner toward the maintenance of discipline. The Board retains the authority to specify the following dress and grooming guidelines for staff that will prevent such matters from having an adverse impact on the educational process.

Faculty and staff members are expected to dress in a professional manner. The Dress Code applies to all employees, at all locations. Employees will keep themselves neatly groomed and dressed. "Neatly groomed and dressed" shall be defined as dress and grooming that conforms to this Professional Attire policy. Grooming and dress that will disturb, interfere with, or detract from the educational process will not be allowed.

School based personnel shall follow this Policy on ALL days students are in attendance. School Directors may also determine the appropriate faculty dress to be worn on workdays students are not in attendance, on campus-designated "dress down days," field-based activity days, and/or "Casual Fridays." All other personnel shall follow this policy on all workdays unless directed differently by their supervisor. The School Director and/or an employee's supervisor will be solely responsible for initially interpreting and enforcing the faculty/staff dress requirements.

DRESS AND GROOMING:

- Dresses and skirts which are no shorter than the top of the kneecap. The slit of a dress or skirt must come no higher than the knee. Dresses and skirts which are ankle length and tight enough to hinder walking are not acceptable attire.
- Slacks and dress Capri pants may be worn. Dress Capri pants must be below the knee. Fitted leggings and spandex-type leggings are not permitted as outerwear; they may be worn under a dress, skirt, or tunic top provided that the dress, skirt or tunic top meets the dress code length requirements.
- T-shirts are not permitted. Low-cut blouses which expose cleavage, see-through clothing, off the shoulder, halter style, spaghetti-strap tank tops, or clothing which reveals the midriff are not allowed.
- Men must wear a collared shirt or dress shirt and tie. T-shirts or tank tops are not permitted. Slacks and casual dress pants are acceptable.
- Pants cannot be of sweatpants or yoga pant material. Shorts may not be worn, except as below for physical education teachers. No wind pants/shorts, joggers, or warm-ups.
- Physical Education teachers should wear the athletic attire necessary to meet the requirements of their job responsibilities when actively teaching physical education classes and health classes. Physical education teachers may wear shorts.
- No jeans of any color are acceptable.
- Clothing must cover undergarments completely.

- Shoes without a back strap are unacceptable. Sandals, slippers, flip-flops, or thong sandals are not permitted. "Peep-toe" dress style shoes are permitted. Athletic shoes/sneakers are not allowed for non-physical education teachers.
- Hair should be clean, combed, and neatly trimmed or arranged. Unkempt hair is not permitted. Sideburns, mustaches, and beards should be neatly trimmed. Non-traditional hair colors such as blue, pink, purple, and green, are not permitted. Make-up must be professional.
- Employees may wear tasteful jewelry in moderation based on specific job functions as well as operational and safety factors. Where job duties present any type of safety risk, jewelry may be prohibited or limited. Earrings are the ONLY visible piercing allowed. Jewelry used in conjunction with body piercing (such as nose rings, eyebrow, or tongue studs) is prohibited.
- Hats and bandanas are not to be worn inside.
- Tattoos that are racist, vulgar, show scenes of violence, drug-related, contain sexual imagery, gang related, or contain obscene phrases may not be visible.

4. Drug-Free Workplace

The board believes that quality education is not possible in an environment affected by drugs. It will seek, therefore, to establish and maintain an educational setting that is not tainted by the use or evidence of use or possession of any controlled substance.

The board shall not permit the manufacture, possession, use, distribution, or dispensing of any controlled substance, including alcohol or steroids, by any member of the professional staff at any time while on school property or while involved in any school-related activity or event. Any staff member who violates this policy shall be subject to disciplinary action in accordance with the Board policy.

The following rules represent board policy concerning alcohol and drug use. They will be enforced uniformly with respect to all staff. The purposes of this policy are:

- To establish and maintain a safe, healthy, working environment for staff and students;
- To ensure the reputation of Uptown ASCS and its staff within the community at large;
- To minimize the potential for accidental injuries to persons or property;
- To minimize the effects of alcohol and drugs on absenteeism and tardiness, and to improve productivity;
- To refer staff to rehabilitation assistance in appropriate circumstances.

The School prohibits the unlawful distribution, possession, or use of illicit drugs and alcohol on school premises or as part of any of the School's activities.

Uptown ASCS is committed to maintaining a drug-free environment and will not tolerate the use of illegal drugs in the workplace.

Compliance with these requirements and prohibitions is mandatory and is a condition of employment. Board policy establishes standards of conduct for School employees. (This notice complies with notice requirements imposed by the federal Drug-Free Schools and Communities Act Amendments of 1989, 20 U.S.C. 3224a and 34 CFR 86.201.)

Liability-Report of Drug Offense:
Teachers, school administrators, or school employees are not liable in civil damages for reporting to a school administrator or governmental authority a student whom the teacher suspects of using, passing, or selling on school property, marijuana or a controlled substance, a dangerous drug, an abusable glue or aerosol paint, a volatile chemical, or an alcoholic beverage.

Searches and Alcohol and Drug Testing:
Non-investigatory searches in the workplace, including accessing an employee's desk, file, cabinets, and classroom or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the school reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The school may search the employee, the employee's personal items, work areas, lockers, and private vehicles parked on school premises or worksites or used in school business.

Employees required to have a commercial driver's license:
The purpose of alcohol and drug testing is to ensure safety and prevent accidents and injuries resulting from the misuse of alcohol and drugs by drivers of commercial motor vehicles. Any employee who is required to have a commercial driver's license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people, counting the driver; drivers of large vehicles; or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements when their duties include driving.

Alcohol and drug tests may be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted when an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs return to duty.

All employees required to have a CDL who are subject to alcohol and drug testing will receive a copy of the school's policy, the testing requirements, and detailed information on alcohol and

drug abuse and the availability of assistance programs. Employees with questions or concerns relating to alcohol and drug policies and related educational material should contact the school administration.

Policy against Sexual Harassment and Harassment

Sexual Harassment:

Bronx Arts and Science Charter School recognizes that an employee's right to freedom from employment discrimination includes the opportunity to work in an environment untainted by sexual harassment or other harassment. Sexually offensive speech and conduct are wholly inappropriate to the harmonious employment relationships necessary to the operation of the school and intolerable in a workplace to which the children of the school are exposed.

Sexual harassment includes all unwelcome sexual advances, requests for sexual favors, and verbal or physical contacts of a sexual nature that would not have happened but for the employee's gender. Whenever submission to such conduct is made a condition of employment or a basis for an employment decision, or when such conduct is severe and pervasive, and has the purpose or effect of unreasonably altering or interfering with work performance or creating an intimidating, hostile, or offensive working environment, the employee shall have cause for complaint.

Unlawful discrimination and harassment can take many forms, and the precise definition is constantly changing. Harassment, other than sexual harassment, is verbal or physical conduct that denigrates or shows hostility or aversion to an employee because of race, creed, color, national origin, ancestry, alienage or citizenship status, physical or mental disability, predisposing genetic characteristics, or military status, or other legally-protected status in accordance with applicable, federal, state, and local laws, when such conduct has the purpose or effect of unreasonably interfering with an employee’s work performance, creating an intimidating, hostile, or offensive work environment, or otherwise adversely affecting an individual’s employment opportunities.

Harassment may include, but is not limited to, verbal abuse, ridicule, including slurs, epithets, and stereotyping, offensive jokes, inappropriate comments or gestures, threatening, intimidating or hostile acts, displaying or distributing offensive materials, writings, graffiti, or pictures, and other inappropriate verbal or physical conduct that has the effect of treating a person differently because of his or her membership in a protected category.

The harassment of any employee of Uptown ASCS is strictly forbidden. Any employee or agent of this organization who is found to have harassed an employee of this organization will be subject to discipline, which may include termination of employment. Any employee who has

been exposed to harassment by any employee or agent of this Board should report the harassment to an appropriate supervisor or the Affirmative Action Officer. An employee should complain of any failure of the school to take corrective action by recourse to the procedure by which a discrimination complaint is processed. The employee may appeal the Board's action or inaction to the United States Equal Employment Opportunity Commission or the New York Division of Civil Rights. Complaints regarding sexual harassment shall be submitted following the procedures outlined in Regulation No. 1530, Equal Employment Opportunity.

The Affirmative Action Officer shall instruct all employees and agents of this organization to recognize and
correct speech and behavior patterns that may be sexually offensive with or without the intent to offend.

Uptown ASCS prohibits retaliation against any employee who in good faith complains of harassment or discrimination or provides information in connection with any such complaint. Retaliation can include any
disparaging comments, uncivil or inappropriate behavior, or any other negative treatment of an employee
by employees or supervisors that result from the individual making a complaint or cooperating in an investigation. Any supervisor, agent, or employee who, after appropriate investigation, has been found by
Uptown ASCS to have coerced, retaliated against, intimidated, or harassed an employee for making a complaint or for serving as a witness will be subject to appropriate discipline, up to and including termination.

Harassment:

Harassment of a co-worker or student motivated by race, color, religion, national origin, disability, or age is a form of discrimination and is prohibited by law. A substantial charge of harassment against a student or employee shall result in disciplinary action. The term harassment includes repeated unwelcome and offensive slurs, jokes, or other oral, written, graphic, or physical conduct relating to an individual's race, color, religion, national origin, disability, or age that creates an intimidating, hostile, or offensive educational or work environment.

Employees who believe they have been harassed are encouraged to promptly report such incidents to the school principal or supervisor. If the school principal or supervisor is the subject of a complaint, the employee shall report the complaint directly to the lead person. An employee who suspects or knows that a student is being harassed by a school employee or by another student shall inform his or her principal or immediate supervisor.

Any allegation of harassment of students or employees shall be investigated and addressed. An employee may appeal the decision of the principal or supervisor regarding the investigation

into the allegations in accordance with the employee complaint and grievance policy and procedures (See *Complaints and Grievance*s section). To the greatest extent possible, complaints shall be treated as confidential. Limited disclosure may be necessary to complete a thorough investigation. The school will not retaliate against an employee who in good faith reports perceived harassment.

Solicitation and Distribution

There will be no soliciting of employees by other employees or any person anywhere onUptown ASCS property unless prior approval is obtained in writing from the Lead Person. This includes selling and delivery of merchandise (e.g., Girl Scout cookies, Tupperware, or tickets to fundraising events) and/or the distribution of literature, petitions, etc.

Intellectual Property Rights

Any materials created by staff members for use by Uptown ASCS, or produced using the staff or resources of the school, are works-for-hire and all intellectual property rights are vested in the school.

Equal Employment Opportunity

The Board of Uptown ASCS and its agents, employees or administrators shall not discriminate in the payment of wages on the basis of race, color, religion, sex, age, national origin or ancestry by paying wages to any employee at a rate less than the rate at which wages are paid to any other employee for equal work on jobs which require equal skill, effort and responsibility and which are performed under similar conditions, unless payment is made pursuant to the following:

A. a seniority system;
B. a merit system;
C. a system which measures earnings by the quantity or quality of production;
D. a wage rate differential determined by any factor other than race, color, religious, sex, age, national origin or ancestry.

The Board of Uptown ASCS therefore, reaffirm that it is the established policy of Uptown ASCS to:

A. Recruit, hire, train and promote persons to all jobs without regard to race, color, religion, gender, age, national origin, handicap, and/or veteran status.
B. Base all employment decisions so as to further the principle of equal opportunity.

C. Ensure that all employment decisions, such as: compensation, benefits, layoffs, Uptown ASCS sponsored training, and social and/or recreational programs will be administered without regard to race, color, religion, gender, age, national origin, handicap, and/or veteran status.

Hiring and Rehiring Standards

Uptown ASCS believes that the quality of the professional staff determines the quality of education offered in the school. It is therefore the responsibility of the school Principal/Director to locate, recruit and rehire the best qualified teachers to meet the school's educational needs.

Staff evaluation and selection shall be based on: strong academic preparation, professional competence, intellectual rigor, emotional maturity, enthusiastic professional attitude, knowledge of instructional practices, availability to contribute to the furtherance of the school's educational goals.

Attention shall be paid, among other factors, to the candidate's academic records, and his/her previous relevant experience.

Staff must demonstrate that they are aware that children have many different family circumstances and that they are willing and able to provide the educational support that a diverse student population needs in school.

The Uptown ASCS teaching staff members must fulfill their individual responsibilities and work in concert with the other members of the teaching team.

The School Director and the Assistant Director of Academics will be responsible for evaluation of the teachers and also advertising available jobs and soliciting applications from new qualified candidates.

The School Director and the Assistant Director of Academics will evaluate the teachers and screen all applicants for vacancies and make recommendations to the hiring committee for hiring/rehiring. By a majority of votes, the Board shall approve employment for hiring/rehiring with the salary.

Uptown ASCS is committed to hire/rehire the individuals who are best qualified for the job without regard to race, sex, religion, age, nationality or handicap unrelated to the job.

Performance Evaluation

Evaluation of an employee’s job performance should be a continual process that focuses on improvement. Performance evaluation is based on an employee’s assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the school. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, have a

performance conference with their supervisor, and get the opportunity to respond to the evaluation.

Personnel Files:

The Uptown ASCS personnel office maintains an official permanent record file for each employee.

Contents: Only that information which pertains to the professional role of the employee and is submitted by duly authorized school administrative personnel and the Board may be entered in the official record file. This file should contain the following items and other employment documents and records:

♦Application;

♦Employment contract;

♦Retirement registration;

♦Applications for health insurance;

♦Resume;

♦Reference letters;

♦ Signed Consent Form for Fingerprinting Records Checks;

♦Records Check;

♦Certificates (copies);

♦ I-9 Immigration Form (completed after employment);

♦W-4 forms;

♦Copy of Disclaimer/Receipt of School Handbook;

♦ Official Transcript;

♦ Copy of Highest Degree Diploma;

♦ Insurance Enrollment Forms;

♦ Payroll forms;

♦ Physical exam forms;

♦ Direct Deposit Form with voided check.

Employee Inspection Rights

Upon request, the employee will be allowed to inspect his or her own file. Under state law employee has the right to copy his/her file, except for pre-employment recommendations and records and such other information as may be privileged under law and not subject to employee inspection.

Employees who wish to review their own personnel **file** shall: request access in writing; review the record in the presence of the administrator designated to maintain said records or designee; make no alterations or additions to the record nor remove any material therein.

Employees who wish copies of material in their personnel file shall: request copies in writing.

Employment References

The Uptown ASCS provides references regarding former employment only if the Uptown ASCS receives written authorization and release from the former employee. Otherwise, the Uptown ASCS will only verify dates of employment, the position held, and rate of pay. Requests for references should be directed to the Principal.

Pay and Compensation:

Ten Month Employees who elect to receive one-twentieth (20 paychecks) of the total annual salary at semi-monthly pay periods, will receive 20 paychecks starting in September and ending in June. When a pay day falls on or during a school holiday, vacation, or weekend, employees shall receive their paychecks on the last previous working day. Employees shall receive their final checks of the school year on the last working day in June. Employees released prior to the end of the contract year shall receive their final checks for the balance of money due on the following pay day from the date of release. Pay for the employees who are not employed for a full year shall be pro-rated based on the number of days actually worked during the year.

Ten Month Employees who elect to receive one-twenty-fourth (24 paychecks) of the total annual salary at semi-monthly pay periods, will receive 24 paychecks starting in September and ending in August. When a pay day falls on or during a school holiday, vacation, or weekend, employees shall receive their paychecks on the last previous working day. Employees shall receive their final checks of the school year on the last business day in August. Employees released prior to the end of the contract year shall receive their final checks for the balance of money due on the following pay day from the date of release. Pay for the employees who are not employed for a full year shall be pro-rated based on the number of days actually worked during the year.

Twelve Month Employees shall receive one-twenty-fourth (24 paychecks) of the total annual salary at semi-monthly pay periods starting in July and ending in June. When a pay day falls on

or during a school holiday, vacation, or weekend, employees shall receive their paychecks on the last previous working day. Employees released prior to the end of the contract year shall receive their final checks for the balance of money due on the following pay day from the date of release. Pay for the employees who are not employed for a full year shall be pro-rated based on the number of days actually worked during the year.
12 Month employees are eligible for personal, sick, and vacation days. 12 Month employees are eligible for twenty (20) days of vacation leave after their first full year of 12-month employment. Approval of dates of vacation being requested is upon the discretion of the administration. Unused vacation days cannot be rolled over from year-to-year.

Hourly Employees: Such employees will be paid semi-monthly based on the number of working hours. Hourly employees are required to scan in and scan out for lunch. A Payment Date Schedule indicating the time period included in the paychecks will be available at the beginning of the school year. Employees released prior to the end of the contract year shall receive their final checks for the balance of money due on the following pay day from the date of release.

Holiday Leave

All employees other than hourly or per diem employees are eligible for paid holidays per Uptown ASCS calendar, which is determined to meet the requiredUptown ASCS calendar and the employee minimum working days.
Holidays change annually according to Uptown ASCS calendar, which will be established yearly by each June.

Overtime:

Employees who are non-exempt from the provisions of the FLSA shall be entitled to time and a half pay
of the regular hourly wage for each hour of working time in excess of forty (40) hours in any workweek.
The appropriate supervisor and Lead Person should approve overtime in advance. Overtime should not be worked by non-exempt employees except in emergency or extraordinary circumstances and upon prior approval by the Lead Person. Violations of this policy may result in disciplinary action up to and including termination. Supervisors shall make every attempt to modify an employee's schedule to avoid his/her working more than forty (40) hours in a given week. Employees shall maintain accurate daily records of their hours worked on forms provided by the school system. Any employee who falsifies work records will be subject to termination.

Health Insurance:

Uptown ASCS makes health insurance with a vision benefit and dental insurance available to all eligible employees and their eligible family dependents. Uptown ASCS pays the majority of the premiums for the group benefits, with the employee sharing the balance of the cost. Employee Only, Employee and Spouse, Employee and child(ren), and Employee and family plans are set at different contribution rates. These benefits are an important part of each eligible employee's compensation package. Plans offered by Uptown ASCS may change as conditions warrant.

Specific details on coverage and benefits are outlined i employee benefit packet provided to all employees during the employee orientation and open enrollment period.

Eligible employees are those who work at least thirty (30) regular hours per week. Eligible employees are able to enroll on their first day of employment. All employees are asked to either complete all enrollment applications for offered benefit programs or to complete a qualified waiver form that waives such benefits.
This is required to be completed during the open enrollment period, or within 30 days of the start of employment.

Uptown ASCS share of insurance premiums may change as conditions warrant, and Uptown ASCS will endeavor to give employees written notice of changes.

Any new employee who starts employment will be eligible for medical/dental/vision insurance effective September 1st of the current school year.

Deferred Compensation/ Retirement

The school, subject to approval by the principal and the Board of Trustees, will offer a deferred compensation (401(K)) program to all employees. Under such program, employees may opt to defer a portion of their current gross pay, having that portion of pay invested in accordance with applicable federal and state guidelines governing deferred compensation programs and with procedures established by the director. The school, subject to approval by the director and the Board of Trustees, will match the employee contributions up to a certain percentage that is determined by the Board of Trustees annually.

In accordance with federal guidelines, employees are subject to a maximum limit per year on deferred compensation. Employees shall take every reasonable precaution to ensure that the per-paycheck amount of income requested to be deferred will not cause such limits to be exceeded in any given year.

Supplemental Insurance

Uptown ASCS offers supplemental insurance through an outside vendor. It is a voluntary payroll deduction, which is paid 100% by the employee.

Disability Insurance

Uptown ASCS offers Short-Term Disability insurance to all its employees at no cost. An employee is eligible to apply for Short-Term Disability when he or she is unable to perform the duties of his or her job due to a non-work-related injury or illness (including a pregnancy-related disability).

Weather days and other Closures

The school may be closed due to inclement weather or other situations. An orderly process for notification of public media outlets and, if practical, parents shall be developed and implemented if necessary. At the discretion of the director, any classroom days lost to closure due to inclement weather or other reasons may be made up by adding an equal number of days to what was scheduled to be the end of the school year.

Sick leave

Sick Leave is given to insure the employee against loss of income when unable to report to work because of legitimate illness. The Human Resources department has the responsibility to ensure that sick leave is used only for legitimate purposes, and he/she has the authority to disallow such leave pay when the employee cannot provide appropriate proof of illness. The Human Resources representative may request a letter/note from an employee's physician substantiating an employee's use of sick time upon 3 consecutive days. Leave Replacement Teachers will also be granted sick days based on their period of employment. Sick Leave is to be used only in the event of illness of the Employee and for no other purpose. Misuse of Sick Leave is cause for termination of employment.

Failure to provide a letter/note from a physician will result in unpaid days and may result in disciplinary action up to or including termination of employment.

SICK LEAVE INTENT:

Teacher – is responsible for requesting a substitute as well as entering a leave request through the Database Leave Request System no later than 6:00am under Uptown ASCS' campus database.

Nurse – is responsible for contacting the HR Representative and the Nurse Coordinator as well as entering a leave request through the Database Leave Request System no later than 6:00am under Uptown ASCS campus database.

Custodian – is responsible for notifying his/her supervisor as well as entering a leave request through the Database Leave Request System no later than 6:00am for a day shift and no later than 12:00 pm for a night shift when he/she is sick and unable to report to work.

Other Employees – are responsible for notifying their supervisor as well as entering a leave request through the Database Leave Request System no later than 6:00am when he/she is sick and unable to report to work under Uptown ASCS database.

In the event that sick leave is taken immediately before or immediately after a weekend and/or holiday, days devoted to state or school testing, the first two weeks of school or during the last three weeks of school, a doctor's note must be provided to the Human Resources representative. If the required documentation is not provided, it will result in an unpaid day for that day and each consecutive day that he/she is absent and may result in disciplinary action up to or including termination of employment.

The request of half sick/personal days is not permitted on early dismissal and late arrival days. On these days, ONLY a full leave day is permitted.

The provisions of the Worker's Compensation Act will apply to any absence due to injury or sickness sustained or aggravated in the course of employment, provided that sick leave may be used for the first five days of such absence. Excessive use of sick days may be the basis of disciplinary action.

Sick and personal days

Every full time Employee is granted a pro-rated portion of 10 sick days per academic year. All sick requests must be submitted on the school's Database Leave Request System by no later than 6:00am in order to give your School Director and Assistant Director of Operations (ADO) time to find a substitute. For any sick requests submitted in the first 2 weeks and last 3 weeks of the school year, an employee must submit a doctor's note to HR. If a doctor's note is not submitted, a pay deduction will take place for every day that the employee is out.

Each Employee is credited ten (10)) pro-rated days of Sick Leave on July 1st for 12 Month Employees and September 1st for 10 Month Employees of each academic year. Each 10 Month Employee earns one (1) day of Sick Leave for each month of employment. Each 12 Month Employee earns 0.83 days of Sick Leave for each month of employment. If the Employee resigns before the end of their contract and has used more days of Sick Leave than earned, each additional sick day used will be deducted from the Employee's paycheck.

Employees hired after July 1st for 12 Month Employees and after September 1st for 10 Month Employees in any given academic year are credited immediately upon the first day of employment a pro-rated portion of the ten (10) days of Sick Leave. Unused Sick Leave can be rolled over from year-to-year.
If three (3) and more consecutive sick days are used by the Employee, the Employee must provide a notice from the doctor's office stating the days the Employee was out of work. Failure to provide such notice from a physician will result in unpaid days of the third (3rd) day and any subsequent day thereafter.

If the Employee requests Sick Leave on a day of testing, even if it's only one (1) day, the Employee must provide a notice from the doctor's office stating the reason for Sick Leave from work. Failure to provide such notice from a physician will result in unpaid days for all days taken during the days of testing.

If the Employee requests Sick Leave before or after a holiday break from the academic calendar, that day and each additional day will be deducted from the Employee's paycheck.

Extended Leave Benefits-FMLA

Uptown ASCS will provide family leave in accordance with the Federal Family and Medical Leave Act (FMLA). To be eligible for FMLA, you would initially have to fulfill the required employment time (equivalent to one year).

FMLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twelve-month period upon advance notice to the school for the birth of a child of the staff member and in order to care for such son or daughter; for the placement of a child with the staff member for adoption or foster care; in order to care for the spouse, child, or parent of the staff member if such spouse, child, or parent has a serious health condition; or for a serious health condition that makes the staff member unable to perform the functions of the position of such staff member.

An employee shall notify the Human Resources representative of the need to take leave on the basis of the birth of a child and/or the need to care for the newborn child as soon as the relevant pregnancy is confirmed, and no later than thirty (30) days before the date projected for the baby's birth or the child care leave shall begin. An employee shall notify the Charter School of the need to take leave on the basis of any pending adoption or arrangement of foster care as soon as the adoption/foster care arrangement is approved, and no later than thirty (30) days before the date that the child will be placed with the employee.

FMLA leave shall run concurrently with each other (as appropriate). Leave taken under the FMLA shall be pursuant to federal and state laws, regulations, and theUptown ASCS board policy.

You also have a right to have your health benefits maintained during any period of unpaid leave under the same conditions as if you continued to work so long as monthly premium payments continue to be made to the charter school, and to be reinstated to the same or an equivalent job with the same pay, benefits, and terms and conditions of employment on your return from leave, as appropriate under law. If you do not return to work following leave for a reason other than: (1) the continuation, recurrence, or onset of a serious health condition, or (2) other circumstances beyond your control, you will be required to reimburse Uptown ASCS for the share of health insurance premiums paid on your behalf during your family or medical leave.

Non-payment of the premium will result in termination of coverage.

Bereavement

In the event of a death in the immediate family of a full-time employee, absence from work with pay may be granted for a period not to exceed three (3)-scheduled workdays per occurrence. “Immediate Family" means the employee's parents/step-parents, parents-in-law, grandparents, grandchildren, children, spouse/partner, brothers/sisters, brothers/sisters-in-law. Uptown ASCS reserves the right to require documentation of the death (e.g., death certificate, obituary, and documentation from the funeral home).

Jury Duty

Uptown ASCS will indemnify all full-time employees against loss of pay incurred by a call to jury duty. No employee will be penalized in any way for an absence caused by service on a panel of grand or petit jurors. The time that any such employee is absent will not be charged against personal leave and will count toward school service.

A full-time employee who is absent from their school duties while on jury duty for any court of New York , any court of any other State, any federal district court, or in the U.S. District Court for New York will receive their usual compensation from the school for each day the employee is present for jury duty. In the event that there is any jury duty compensation, the teaching staff member will reimburse the school the amount of any jury duty compensation paid to the staff member.

An employee summoned to jury duty shall promptly report the summons to his/her immediate supervisor and HR department.

Upon return from jury duty, the employee must submit to HR a court record of the number of days served on jury duty. Failure to supply the necessary documents will result in unpaid days.

While on jury duty, an employee must report daily to his/her supervisor the schedule for the following day and must report to work when he/she is excused from jury duty for half a day or more or suffer loss of pay.

Personal Leave

INTENT:
The intent of personal leave is to provide employees with a paid leave for personal and family purposes.

ELIGIBILITY:

All full-time employees receive two (2) pro-rated days of Personal Leave per academic year. Leave Replacement Teachers will not be granted any personal days unless the employment is for one full academic year. Employees hired after July 1st for 12 Month Employees and after September 1st for 10 Month Employees in any given academic year are credited immediately upon the first day of employment a pro-rated portion of the two (2) days of Personal Leave for that school year. If the Employee resigns before the end of their contract and has used more days of Personal Leave than earned, each additional personal day used will be deducted from the Employee's paycheck.

In all cases, Personal Leave must be approved in advance (at least two weeks prior) by request through the Database Leave Request System. All instructional employees shall make every reasonable attempt to use Personal Leave only when the use of such leave would not conflict with classroom instruction time.

Personal leave may not be granted to lengthen the break. Personal Leave is also prohibited immediately before or immediately after a holiday, during days devoted to state or school testing, as well as during the first two weeks of school or during the last three weeks of the school year. Personal Leave taken immediately before or after a sick day, will need approval from the supervisor. If Personal Leave was approved prior to the sick day request, the Personal Leave approval may be revoked. If Personal Leave is requested on the aforementioned days, it will result in an unpaid day or disciplinary action up to or including termination of employment. Unused Personal Leave cannot be rolled over from year-to-year.

An Employee shall request a Personal Leave from work for purposes determined by the Employee (appointments, errands, etc.), but is not to be used as a substitute for or as a supplement to Vacation or Sick Leave.

Employee wellness leave

INTENT:
The intent of wellness leave is to provide employees with a paid leave for social and emotional well-being purposes.

ELIGIBILITY:

All full-time employees receive one (1) day of Wellness Leave per academic year. Leave Replacement Teachers will not be granted a Wellness Day unless the employment is for one full academic year.

Teacher – is responsible for requesting a substitute as well as entering a leave request through the Database Leave Request System no later than 6:00am under Uptown ASCS' database.

Nurse – is responsible for contacting the HR Representative and the Nurse Coordinator as well as entering a leave request through the Database Leave Request System no later than 6:00am under Uptown ASCS database.

Custodian – is responsible for notifying his/her supervisor as well as entering a leave request through the Database Leave Request System no later than 6:00am for a day shift and no later than 12:00 pm for a night shift when he/she is sick and unable to report to work.

Other Employees – are responsible for notifying their supervisor as well as entering a leave request through the Database Leave Request System no later than 6:00am when he/she is sick and unable to report to work under Uptown ASCS database.

Failure to do so will result in an unpaid day, and may also result in disciplinary action up to or including termination of employment.

Wellness leave may not be granted to lengthen Uptown ASCS's break. Wellness Leave is also prohibited immediately before or immediately after a holiday, during days devoted to state or school testing, as well as during the first two weeks of school or during the last three weeks of the school year.
Wellness Leave may not be taken immediately before or after a sick day, or a personal day.
Unused wellness leave cannot be rolled over from year-to-year.

The request of half wellness days is not permitted.

Leave without pay

AUTHORIZED UNPAID LEAVE OF ABSENCE:

An authorized unpaid absence is an approved absence that is not paid, and is not charged to any paid absence account.

Uptown ASCS may grant with the recommendation by the Lead Person, in its discretion, an authorized unpaid absence and will consider requests for such leaves on a case by case basis. Failure to obtain approval will result in such an absence becoming unauthorized.

An employee on a leave of absence is removed from the active payroll, and the following rules apply: The employee on leave may continue to participate in iUptown ASCS's insurance benefits plan provided arrangements are made for payment of the total monthly premiums by the employee.

Employee Performance

- Teachers and staff must obtain written approval from Administration via email before scanning out early for the day during school hours. The leave will be recorded as a full sick day if departing before 11:30 am and a half sick day if departing after 11:30 am
- Teachers and staff are to be in the hall next to their classroom doors during transitions between periods in order to actively supervise students.
- Teachers are not to leave their classes unsupervised.
- Check class period attendance and dress code each period.
- Keep accurate attendance records.
- Keep student database updated daily (grades, assignments, attendance, discipline, etc.)
- Never permit a student to leave class without an official pass.
- Keep the students engaged in learning activities. A teacher with a well-planned lesson will have few disciplinary problems. Be consistent.
- Each teacher is expected to handle his/her own disciplinary problems. If it becomes necessary to ask for assistance from one of the administrators, do so. Remember that most disciplinary cases can and should be handled in the class or in a conference after class.
- Classroom doors and windows should be locked, and lights and projectors turned off when the room is vacant.
- Do not pick up deliveries from the front office, as all orders must be properly checked in. If you find materials/equipment delivered in error, please return them to the front office.
- Communicate regularly with parents regarding student achievement. (Please note that parents of students who are doing well should be notified as well as parents of students who are doing poorly.) Communication with parents is expected to take the form of at least phone calls, emails, letters, conferences, and home visits
- Be present and on time for all meetings.
- Support and attend after-school functions.
- Assume duty schedule responsibilities.
- Share ideas and suggestions with your peers and administrators.
- Observe all due dates.
- It is the responsibility of the teacher to keep a neat, clean, and attractive room, including hallway bulletin boards.
- Participate in curriculum development.
- Provide lesson plans in a timely manner.
- Utilize technology appropriate for the grade and department as provided by Uptown ASCS.
- Complete reports and portfolios as required for the appropriate grade level, department, or position.
- Participate in professional development activities approved by Uptown ASCS , and implement skills and knowledge in performing duties.
- Check communication systems regularly, including physical mailboxes and emails, at least 3 times a day - before school, at lunch, and before leaving the building for the day.
- Abide by all Uptown ASCS' policies and regulations, including the policy on Acceptable Use of Computer Network/Computers and Resources.
- Teachers must remain with their classes/students during all assemblies, until relieved by another teacher or administrator.

- Teachers must make at least 1 phone contact with every student's parent each MP (in addition to Parent contacts at Back to School Night and MP Report Card Nights).

Workload and work schedules

Professional employees: Professional and administrative employees are exempt from overtime pay. A school calendar is adopted each year designating all school holidays and the work schedule for teachers. Notice of work schedules, including required days of service and scheduled holidays, will be distributed each school year.

Teachers and other staff are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students one day each week when no other personnel are available.

Paraprofessional and auxiliary employees: Support employees are employed at will and will be notified of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees are not exempt from overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor.

Orientation

All new employees will receive an orientation upon employment in August. Orientation will cover the philosophy, history, and the concept of service delivery at Uptown ASCS. A review of Uptown ASCS' administrative policies and procedures, and benefits along with a review of payroll policies and procedures will be provided. Orientation will also include an overview of Uptown ASCS' organizational structure, as well as safety/emergency policies and procedures, and civil rights policies and procedures. Additionally, each employee will receive professional development on expected instructional and non-instructional practices, and will be informed of their responsibilities and specific duties by building administrators.
Any newly hired staff member who is not present for the new staff orientation in August of their first year of employment, may be required to attend the following year's new staff orientation.

Background checks

All applicants of Uptown ASCS undergo a MorphoTrust/IdentoGo fingerprint background check at the employee's expense prior to formal employment. Employment is conditional depending on the results.

The fingerprint process begins immediately upon the acceptance of the employment offer by a New Hire. The following steps will need to be completed before a New Hire is allowed to start at the school:

1. The hiring committee generates the request for an offer letter via Applicant Tracking.
2. The request for an offer letter is generated with an estimated start date and is reviewed by the HR Director and Chief Talent Officer.
3. Once a request for an offer letter is approved by the HR Director and Chief Talent Officer, the hiring specialist sends out the offer letter to a New Hire via Applicant Tracking.
The offer will have an estimated start date and contingency upon receiving clearance from the New York State Education Department's Office of School Personnel Review and Accountability ("OSPRA").
The Offer will include the following questions:
• How many years of teaching/substitute teaching experience do you have?
• What is your highest level degree?
• Have you ever been fingerprinted in New York State?
• Have you ever been employed with the New York State Department of Education or a Charter School in New York?
• Do you have a TEACH account?
4. The New Hire receives the offer letter via Applicant Tracking for review and signature.
5. Once the offer is received back with acceptance , a Welcome Letter will be generated to include instructions for either response to questions listed in the offer letter.
• If the New Hire informs the Hiring Specialist and the HR Director that he/she is a former New York State Department of Education or Charter school employee, a request for fingerprint clearance is made in the TEACH system by the Hiring Specialist. If clearance is obtained, then the clearance letter is uploaded to the Frontline Central (New Hire Onboarding platform) employees profile. The start date will also be entered in the TEACH system by Hiring Specialist.
• If the New Hire informs the Hiring Specialist and the HR Director that he/she is not a former New York State Department of Education or Charter school employee, instructions below will apply. NY Criminal History Background Check instructions
- New Hire is provided with the Fingerprinting Link
- New Hire is provided with the Reference to Fingerprinting requirements link
- New Hire is requested to apply for a background check within 3 days of receipt of the Welcome Letter. The payment receipt and scheduled fingerprint appointment date are required to be emailed to HR Director and Hiring Specialist.

Requirement for the registration in Teach instructions
- New Hire is provided with the Teach Account link along with the step by step instructions.
- New Hire is requested to register in TEACH before the fingerprint appointment. This will ensure that the results will transfer to the registered TEACH account once they are complete.
iLemis Database registration link instructions

6. The Hiring Specialist or the HR Director will check TEACH account between 24 and 48 hours from the scheduled fingerprinting date to see whether there is clearance for the New Hire. If clearance is obtained, then the clearance letter is uploaded to the Frontline Central (New Hire Onboarding platform) employees profile. The start date will also be entered in the TEACH system by Hiring Specialist.

7. Occasionally, the New Hire is in the TEACH system, but his or her fingerprint records have not been sent from the Department of Education to the State. In these cases, if time permits, the New Hire completes the OSPRA 104 form so that his or her record can appear in TEACH. If time is limited, the New Hire is asked to get re-printed so that he or she can be fully cleared faster.
8. The Hiring Specialist will setup the new hire in the Frontline Central and provide the New Hire with on-boarding packet and employment contract.
9. In the event a New Hire does not receive full clearance, the offer of employment will be rescinded.

Termination/Resignation

DISCIPLINE AND TERMINATION:

- The Charter School retains its right to discipline or terminate the employment of any employee at any time for any reason, or no reason except as provided to the contrary in any individual employment contract. With the exception of substitute employees and temporary employees, these policies apply to all employees of Uptown ASCS , including certified and administrative personnel, and apply to all job-related activities of such employees.

Activities subject to discipline

This general listing provides an example of subjects for discipline, but is not meant to be inclusive of all behaviors or activities.

- Misuse, unauthorized possession, destruction or theft of Uptown ASCS owned or leased equipment or material, vendor installed equipment, student or employee property, or any other property or equipment located on Uptown ASCS ' premises.
- Continued or prolonged absences from work without authorization; leaving work during work hours without permission.
- Insubordination or refusal to carry out reasonable instructions from responsible authority, or willful neglect of appropriately assigned duties.
- Intentional misconduct in willful disregard of Uptown ASCS ' interests.
- Use of vile or abusive language, or acting in a blatantly disrespectful or inappropriate manner toward a supervisor, co-worker, parent, or student.
- Offensive conduct at work of any nature, such as racist, discriminatory, or sexist behavior.
- Violation of Uptown ASCS ' policies on drug or alcohol use.
- Violation of Uptown ASCS ' policies on discrimination or sexual harassment.
- Possessions of a dangerous weapon while onUptown ASCS ' premises.
- Allowing a student to operate an employee's motor vehicle.
- Illegal gambling or possession of gambling equipment on Uptown ASCS ' premises.
- Gambling of any kind with students.
- Creating or contributing to unsafe or unsanitary conditions by act or omission.

- Negligent or deliberate destruction or misuse of, or unauthorized possession, copying, or reading Uptown ASCS records or disclosure of information contained in such records to unauthorized persons.
- Violation of Uptown ASCS policy on confidential communications.
- Theft, fraud, or misappropriation of property.
- Chronic absenteeism, tardiness, misuse of sick time, misuse of punch in and punch our requests, or misuse of permission requests.
- Continued violation of work rules, such as ignoring dress requirements, overstaying break periods, or absence without call.
- Willful disregard of safety rules, or failure to use prescribed safety equipment to the extent of endangering oneself or others.
- Soliciting tips or gratuities (money or gifts), offering a gift to influence any matter that Uptown ASCS has an interest.
- Inadequate job performance.
- Violation of any other rule, regulation or practice of Uptown ASCS .
- Inattention to reasonable professional standards in the provision of services to students and their families.
- Serious misconduct during non-working hours that comes to the attention of Uptown ASCS where such misconduct impacts upon the employee's job or reflects unfavorably upon Uptown ASCS . If any misconduct results in a formal charge in court, Uptown ASCS reserves the right to suspend the employee without pay until the charge is resolved and to decide on what, if any, action must to be taken regarding the employee after the charge is resolved.
- Inefficiency which is not corrected despite being warned and being given an opportunity to do so.
- Threatening, intimidating, or coercing another employee or volunteer by word or deed.
- Conviction of or pleading guilty to a felony.

Voluntary resignation:
Voluntary resignation is a termination initiated by the employee.

Uptown ASCS expects that employees who resign from employment will plan their leave to be as non-disruptive to students as possible. The expectation is that resignations should coincide with the beginning and end of the school year.

When such notice is given,Uptown ASCS retains the right to hold the employee to 60 days' notice to allow for the hiring of replacements. Uptown ASCS may accept the resignation effective immediately, or as of another date prior to the end of the notice period.

Termination/resignation:
Prior to the last day of employment for an employee who has been terminated or resigned, the employee must return all files, laptops, iPads, computer files, electronic data, materials,

equipment, keys, and other items owned by Uptown ASCS. A Checklist/Exit Interview will be provided by Human Resources. The form will be completed with HR, and designated departments will initial to indicate the completion of the task. Once all sections are signed, HR will mail the final check to the address provided by the employee. The form will be placed in the employee's folder to confirm his/her inactive status.

Building Service Procedures

Any maintenance related requests should be submitted through work order request, which can be found on the Uptown ASCS website. All requested information must be completed and submitted through this work order site. Once the head of maintenance receives the work order, one of the maintenance staff will be assigned to complete the request.

Building Security

The building is regularly open from 7:00am - 6:00pm on school days, except for approved programs that require the building to stay open after 6:00pm. The school is ordinarily closed over the weekends. Any staff member wishing to enter the building on Saturdays, Sundays, or holidays must make prior arrangements with school administration. Staff must make certain that the last person leaving a room closes all the windows and locks the door.

Building Use

The use of school buildings beyond the school day or during weekends by both school and community groups is encouraged as long as such usage does not interfere with the school's program. All usage by school groups must be approved in advance by the School Director.

Keys

Each staff member is responsible for his/her keys issued at the beginning of each school year. Keys should be kept with the person to whom they have been issued at all times. They should not be left out in the open at any time.

Employees are not permitted to duplicate school keys. Staff should notify the Building & Grounds Coordinator if keys are lost or stolen.

All keys must be returned to the Assistant Director of Operations on the last day of employment/school year, unless otherwise indicated. School administrators will share protocols and procedures with all staff members.

School Property Inventory

A physical inventory of all furniture and equipment will be performed on a periodic basis. Periodically, the Assistant Director of Operations must review and update the furniture and

equipment inventory to ensure that it stays current. Care should be taken at all times concerning the physical condition of each classroom. All teachers must be alert to defacement or breakage of equipment in their room, and these incidents are to be reported to the Assistant Director of Operations.

Visitors

A person (not a student of the school involved nor an employee of Uptown ASCS) who has legitimate school business to transact, such as a conference with a staff member, and whose conduct is not disruptive or disturbing to the normal operation of the school is deemed a visitor. Staff expecting visitors for a school activity should notify administration and security of the visitor's name, as well as the date and time of expected arrival. All visitors must register with security and wear a school-issued visitor pass.

Children of staff are not to be in the building during school hours unless cleared by the administration. Children of students or siblings of students are not permitted in the building during school hours without permission from an administrator.

Internet Use

The Internet is a powerful communications tool and a valuable source of information. However, an employee's improper use of Internet services can waste time and resources, and potentially create legal liability and embarrassment for both Uptown ASCS and the employee.

Internet services include, but are not limited to, e-mail, web browsing, and newsgroups. This policy applies to any Internet service that is accessed on or from the premises of Uptown ASCS and/or accessed using computer equipment that is the property of Uptown ASCS. Ethical and non-discriminatory speech is expected on personal internet resources, such as Facebook, Instagram, Vine, or other social media outlets.

Internet services are provided by Uptown ASCS for school use. Incidental use of Internet services for personal, non-work-related purposes is acceptable. However, personal use must be infrequent and must not:

- Involve any prohibited activity;
- Interfere with the productivity of the employee or his/her co-workers;
- Consume system resources or storage capacity on an ongoing basis; or
- Involve large file transfers or otherwise deplete system resources available for business purposes.

Employees should not expect privacy with respect to any of their activities using Internet access or services provided by Uptown ASCS.

The Administration of Uptown ASCS reserves the right to review any files, messages, or communications sent, received, or stored on its computer systems/network, and may also limit the use of the Internet service in part or whole.

Employees violating this policy are subject to discipline, up to and including termination of employment. Employees using the computer system for defamatory, illegal, or fraudulent purposes may also be subject to civil liability and criminal prosecution. All computer resources, including content, are the property of Uptown ASCS, and employees will be held personally responsible for their activities.

Employees are strictly prohibited from using Internet services in connection with any of the following activities:

- Engaging in illegal, fraudulent, or malicious conduct;
- Working on behalf of organizations;
- Conducting personal business;
- Sending or receiving offensive, obscene, or defamatory material;
- Annoying or harassing other individuals;
- Sending uninvited emails of non-work-related nature;
- Monitoring or intercepting the files or electronic communications of employees or third parties;
- Obtaining unauthorized access to any computer system;
- Using another individual's account or identity without explicit authorization;
- Attempting to test, circumvent, or defeat security or auditing systems of Uptown ASCS or any organization without prior authorization; or
- Distributing chain letters, jokes, solicitations, offers to buy or sell goods, or other non-business materials of trivial or frivolous nature.

Use of Uptown ASCS Electronic Devices

Uptown ASCS may furnish staff with school-owned electronic devices, including: cell phones, computer laptops and/or notebooks/tablets. School furnished electronic devices shall be issued for educational purposes related directly to the staff member's job responsibilities. The guidelines are as indicated:

1. The positions and types of devices purchased and issued shall be determined by the Lead Person in consultation with the business administrator and IT personnel, and approved by the Board of Trustees;
2. The Lead Person may approve school furnished electronic equipment based on the following criteria:

    - The job responsibilities performed may be facilitated by the equipment issues, and there is a job-related need for the device;
    - The school budgetary funds exist for the purchase and maintenance of the devices;

- The devices are distributed in a fair manner. No employee is excluded from the issuance of a device for arbitrary and capricious reasons according to school policy 2224 Affirmative Action/Nondiscrimination.

3. Employees sign a loan of equipment agreement that includes board policy and regulations for the acceptable use of the Internet, school equipment, and the school network (6142.10 Internet Safety and Technology and 4119.26/4219.26 Electronic Communication by Staff).
4. The Lead Person or his/her designee shall be responsible for monitoring the equipment, and ensuring that it is used solely to perform tasks related to student instruction or other related educational purposes.
5. Use of the school furnished electronic device shall be for a designated period of time set forth in the equipment loan form signed by both the Lead Person and staff member issuing the device. The signed form shall be kept on file in the appropriate office.
6. Users of school furnished electronic devices shall not install any operating applications or utility software. It is also understood that the users shall not copy software from the computer laptops for installation onto another computer.
7. Any expenses that may be incurred by the staff member for personal communications on school furnished electronic devices, and in particular cell phones and iPhones, shall be the responsibility of the staff member.
8. Users who receive a school furnished electronic device under the terms and conditions of the board shall assume full responsibility for maintaining the hardware/software in good working condition. The users also shall assume full responsibility, including financial responsibility, for any damage to, or loss of, the system while it is in their possession.
9. Any exceptions to this policy will be addressed by the Lead Person on a case by case basis.

Electronic communications

Uptown ASCS recognizes electronic communications, and that the use of social media outlets creates new options for extending and enhancing the educational program of the school district. Electronic communications and the use of social media can help students and staff members communicate in regard to: questions during non-school hours regarding homework or other assignments; scheduling issues for school-related co-curricular and interscholastic athletic activities; school work to be completed during a student's extended absence; distance learning opportunities; and other professional communications that can enhance teaching and learning opportunities between staff members and students. However, Uptown ASCS recognizes that staff members can be vulnerable throughout electronic communications with students.

In accordance with the provisions of N.J.S.A. 18A:36-40, Uptown ASCS adopted Policy #4119.26/4219.26 to provide guidance and direction to staff members in order to prevent improper electronic communications between staff members and students.

The Lead Person or the School Director will annually remind staff members and orient new staff members concerning the importance of maintaining proper decorum in the online, digital world,

as well as in person. Employees must conduct themselves in ways that do not distract from or disrupt the educational process. The orientation and reminders will place special emphasis on:

1. Improper fraternization with students using social networking websites over the Internet:

    - Teachers may not list current students as “friends” on networking sites;
    - All e-contacts with students should be through the district’s computer and telephone system;
    - All contact by coaches with team members shall be sent to all team members;
    - Teachers will not give out their private cell phone or home phone numbers without the prior approval of the district;
    - Inappropriate contact via email or phone is prohibited;

2. Inappropriateness of posting items with sexual content;
3. Inappropriateness of posting items exhibiting or advocating the use of drugs and alcohol;
4. Examples of inappropriate behavior from other districts, as behavior to avoid;
5. Monitoring and penalties for improper use of district computers and technology;
6. The possibility of penalties, including dismissal from employment, for failure to exercise good judgment in online conduct.

The Lead Person or his/her designees may periodically conduct Internet searches to see if teachers have posted inappropriate materials online. When inappropriate use of computers and websites are discovered, the School Directors and chief school administrator will download the offensive material and promptly bring that misconduct to the attention of the board’s personnel committee for review.

<u>Cell Phones</u>

School staff shall not contact parents’/guardians’ or students’ cell phones unless directed to do so by the parent/guardian or student. School personnel shall limit cell phone interaction with students to contact that pertains to legitimate school business. Legitimate school business includes:

1. Answering academic inquiries regarding homework, other classwork or assignments;
2. Scheduling appointments for school related conferences and/or extra help;
3. Clarifying classroom expectations and/or assignments;
4. Notifications related to classroom, club, or sports schedules, events, trips, assignments, or deadlines.

Cell phone contact with students shall be as brief and direct as possible. When brief contact is not sufficient and/or feasible to resolve the matter, teachers shall schedule face to face conferences during regular classroom and extra-help periods to confer with the student. No contact shall exceed three (3) replies.

Staff shall not send messages containing material that may be defined by a reasonable person as profane or obscene; messages that are racist or sexist, or that promote or illicit illegal or unethical activity; or messages:

1. That violate the district's affirmative action policy;
2. That are personal in nature and not related to the business of the district;
3. That can be interpreted as provocative, flirtatious, or sexual in nature;
4. That contain confidential information to persons not authorized to receive that information.

Text Messages

No staff member, coach, or volunteer shall text message any student individually. All text messages to students shall be sent to the class, team, club, or organization.

Computer Communication

School personnel shall adhere to the following guidelines when sending or receiving messages via internal or external email:

1. All messages shall pertain to legitimate school business.
2. Personnel shall not reveal passwords to others. If a staff member believes that a password has been lost or stolen, or that the email has been accessed by someone without authorization, he/she should contact the Help Desk immediately. Email windows should not be left open on the screen when the computer is unattended.
3. Messages and email files shall be deleted in a timely manner. The network system operator may archive and then delete messages that are retained after 90 days unless other arrangements are approved by the Lead Person or the appropriate district personnel responsible for technology. The network system operator shall ensure that all email records are retained for the period of time specified by law and board policy 3570 Records (retained three (3) years for external correspondence and one (1) year for internal correspondence).
4. To ensure that federal copyright laws are not violated, staff shall not send messages that contain text without the author's permission.
5. Staff shall not send messages containing material that may be defined by a reasonable person as obscene; messages that are racist, sexist or promote illegal or unethical activity; or messages:

    - That violate the district's affirmative action policy;
    - That are personal in nature and not related to the business of the district;
    - That are broadcast to a large group of other personnel without a supervisor's permission;
    - That contain confidential information to persons not authorized to receive that information.

6. Personnel shall become familiar with the district's policies and regulations on staff and student access to networked information resources before initiating email use.

Employees learning of any misuse of the email systems shall notify the School Director immediately.

Social Media

While all employees of Uptown ASCS are permitted to participate in Social Media, we expect everyone who participates in online commentary to understand and to follow these simple but important guidelines. These guidelines cover all social media platforms including, but not limited to:

- Social Networking Sites (Facebook, Myspace, Google+, Tumblr, Foursquare, Linkedin);
- Micro-blogging sites (Twitter);
- Blogs (including company and personal blogs, as well as comments);
- Video and Photo Sharing Websites (Flickr, YouTube, Instagram, Snapchat);
- Forums and Discussion Boards (Google Groups, Yahoo! Groups);
- Online Encyclopedias (Wikipedia, Sidewiki).

Uptown ASCS recognizes the importance of the Internet in shaping public thinking about our school and our current and potential students, employees, and partners. Uptown ASCS also recognizes the importance of our employees joining in and helping shape industry conversation and direction through blogging and interaction over social media. Uptown ASCS is committed to supporting your right to interact knowledgeably and socially in the blogosphere and on the Internet through blogging and interaction over social media.

Consequently, these guidelines in this blogging and social media policy will help you to make appropriate decisions about your work-related blogging and the contents of your blogs, personal websites, postings on wikis and other interactive sites, postings on video or picture sharing sites, or in the comments that you make online on blogs, elsewhere on the public Internet, and in responding to comments from posters either publicly or via email.

<u>Communication with Students</u>

Employees of Uptown ASCS are not permitted to communicate with students through the above listed social networking sites, including, but not limited to, adding students as "friends" via Facebook, or "followers/following" via Instagram. All digital communication between staff members and students shall be conducted via school email, and school-based and school monitored digital platforms, such as Schoology.

<u>Confidential Information</u>

Uptown ASCS encourages you to write knowledgeably, accurately, and using appropriate professionalism. Despite disclaimers, your web interaction can result in members of the public forming opinions about iUptown ASCS and its students and employees.

Employees of Uptown ASCS are not permitted to disclose confidential information in regards to the school, students, policies and/or procedures. Do not disclose or use confidential or proprietary information about Uptown ASCS in any form of online media. Sharing this type of information, even unintentionally, can result in legal action against you and the school.

Legal Liability

Recognize that you are legally liable for anything that you write or present online. Employees can be disciplined by the organization for commentary, content, or images that are defamatory, pornographic, proprietary, harassing, libelous, or that can create a hostile work environment. You can also be sued by organization employees, competitors, and any individual or company that views your commentary, content, or images as defamatory, pornographic, proprietary, harassing, libelous, or creating a hostile work environment.

By following these simple guidelines, we ensure that the integrity of Uptown ASCS and its employees is maintained through all digital media/communications.

Employee Acceptable Use of Electronic Resources

Employees will not:

- Leave a computer unattended when they are logged in.
- Store electronic school related CONFIDENTIAL information on a personal device.
- Store electronic personal related CONFIDENTIAL information on a school device.

Passwords:

- Must be kept secretive since users are accountable for all work completed under their user ID (use of password for system access may be tracked and audited).
- May NEVER be shared (unless for obvious reasons, such as technical assistance).
- Are required to be changed if it is suspected that someone knows or has used it.
- Will be kept secure; NO Post-It® Notes or similar storage of passwords (Do not post passwords or store in accessible areas, such as unlocked desk drawers).

Emergency/substitute lesson plans

All teachers must prepare a substitute folder to be shared with the Assistant Director of Academics. Substitute folders must be regularly maintained by the teacher. The substitute folder must include:

- Daily schedule
- Classroom rosters
- Emergency lesson plans for at least three days
- Student groupings
- Seating charts
- Sufficient copies of all handouts
- Student medical conditions
- Citations
- Map of building
- Procedures for fire drill
- Any other material required for the plans to be followed

Having a comprehensive substitute folder will reflect planning on your part, and will ensure that instruction is not interrupted by the teacher's absence. It will also assist the substitute teacher in being able to smoothly manage class. If the absence extends through multiple days, the teacher must provide detailed lesson plans and activities for each class for everyday that he/she is absent.

The Assistant Director of Academics will provide the due date for substitute plans. Plans may be emailed to a colleague to keep instructional content current with the activities underway in the class that week, but this still does not replace the substitute folder requirement.

Email, Mailboxes, and mail

Staff should check emails at least three (3) times a day - at the beginning of the day, during lunch, and at the end of every school day, if not more often. Each staff member is assigned a mailbox by the main office at the beginning of each school year. Names are placed under each mailbox. Personal incoming mail and internal memos are placed in the mailboxes. Teachers may receive mail and faxes at the school's address and number. Mailboxes should be checked at least once per day.

A basket is also available in the main office for outgoing mail. Outgoing mail should be in the office by 10:00am to ensure posting on that day.

Student Discipline

Students are expected to follow the classroom rules, campus rules, and rules listed in the Student Code of Conduct and Student Handbook. Teachers and administrators are responsible for taking disciplinary action based on a range of discipline management procedures that have been adopted by the district. Other employees that have concerns about a particular student's conduct should contact the classroom teacher or campus School Director.

Teachers must file a written report with the Assistant Director of Operations when they have knowledge that a student has violated the Student Code of Conduct. The School Director or administrator will send a copy of this report to the student's parents within 24 hours.

Discipline should be handled by the professional staff members to the furthest extent possible. The staff member should confer with the student, School Director, and parents in regards to all unusual problems. Cooperation and understanding between the parents and the school can often eliminate problems before they develop into unpleasant situations.

Students Records

Student records are confidential and are protected from unauthorized inspection or use. Employees should take precautions to maintain the confidentiality of all student records. The following people are the only people who have general access to a student's records:

- Parents of a minor or of a student who is a dependent for tax purposes
- The student (if 18 years or older, or if attending an institute of post-secondary education)
- School officials with legitimate educational interests

The student handbook provides parents and students with detailed information on student records. Parents or students who want to review student records should be directed to the campus School Director for assistance.

Textbook responsibilities

Staff members are responsible for the control and use of textbooks by students, including control of classroom sets. Textbooks should be checked regularly for covers, damages, etc. Please notify the School Director when a student loses or damages a book. It is the student's responsibility to pay for the lost/damaged book. Do not issue another textbook without authorization from the main office.

ID Cards

Each staff member is responsible for his/her ID card issued at the beginning of each school year. ID cards should be kept with the person to whom they have been issued at all times. ID cards should be worn at all times.

Grievances

Disputes that arise throughout the course of employment and school operation shall be resolved in accordance with the following grievance procedure, which is designed to promote equitable settlement of grievances at the lowest appropriate level, and to facilitate an orderly process for the resolution of grievances.

For the purposes of this policy, "grievance" means an unresolved problem concerning the application or interpretation of any applicable or school policies, regulations or procedures; "grievant" is a school employee who alleges a grievance; "party" means the grievant or any person named in the grievance as allegedly having violated a law, bylaw, policy, or regulation; and "day" means a school or work day.

There will be no reprisal of any kind taken against any employee or employee's representative for participation in a grievance.

Any grievance should, at the first instance, be discussed in one or more private, informal conferences between the parties involved or between the grievant and his/her immediate supervisor. A grievance not resolved in one or more such private meetings may be processed in accordance with the following procedure:

Level One: Within three (3) days of the occurrence of the act or omission giving rise to the grievance, the grievant must present his/her grievance in writing to his/her immediate supervisor. The written document will be a clear, concise statement of the grievance, and will include the policy, regulation, or procedure that the grievant alleges to have been violated; the factual circumstances on which the grievance is based; the person or persons involved; the decision, if any, rendered at the private conference; and the remedy sought. Within seven (7) days, the supervisor shall present a decision to the grievant in writing. If the supervisor does not respond during the time permitted, the grievant may appeal to the next level.

Level Two: A grievant not satisfied with a decision at Level One may appeal that decision in writing to the Human Resources Coordinator within three (3) days after receipt of the decision or the expiration of the time during which the decision must be rendered. The written appeal will include a copy of the original grievance; the decision rendered, if any; and a clear, concise statement of the reasons for the appeal of the decision. The Human Resources Coordinator shall present a decision to the grievant within seven (7) days. If no decision is rendered within that time limit, the grievant may appeal to the next level.

Level Three: A grievant not satisfied with a decision at Level Two may appeal that decision in writing to the Lead Person within three (3) days after receipt of the decision or the expiration of the time during which the decision must be rendered. The written appeal to the Lead Person will include copies of the original grievance, the appeal of that grievance at Level Two, and the decision, if any, rendered at Level Two. Within ten (10) days after the delivery of the appeal, the Lead Person shall submit a decision in writing together with the reasons that support that decision to the grievant and any other party to the grievance. (Policy 4118)

The decision of the Lead Person shall be final.

R-14AD Governance

A. Board Members

The recruitment and selection of board members for Uptown Arts and Science Charter School (Uptown ASCS) are integral to the foundation and future governance of the school. This process is meticulously undertaken by iLearn Schools Bronx ASCS Board, which is the founding board and, upon approval of the application, will serve as the governing board of Uptown ASCS. Our approach in assembling this board is deeply rooted in identifying individuals who bring a wealth of relevant experience and skills crucial for effective governance and strategic oversight.

The board members of Bronx Arts and Science Charter School (Bronx ASCS), who will also constitute the founding and governing board of Uptown Arts and Science Charter School (Uptown ASCS), already represent a rich tapestry of the Bronx community and bring a diverse array of talents and expertise. These individuals have been carefully selected for their deep connections to and understanding of the Bronx community, ensuring that the board is closely aligned with the needs, aspirations, and cultural diversity of the students and families Uptown ASCS aims to serve. Their collective experience and skills are not only reflective of the community's multifaceted nature but also essential for effective governance and strategic decision-making. By leveraging their varied talents and deep community ties, the board is exceptionally positioned to guide Uptown ASCS in fulfilling its mission and educational goals, while fostering a strong, supportive, and engaged school community.

In the Proposed Board Members table below, we detail proposed board members, including their positions on the board.

TRUSTEE NAME	POSITION ON THE BOARD (OFFICER OR CONSTITUENT REPRESENTATIVE)	COMMITTEE AFFILIATIONS (IF ANY)	EXPERTISE AND/OR ROLE AT SCHOOL (PARENT, STAFF, ETC.)	VOTING	EX-OFFICIO
AdalineWalker Santiago	President	Executive, Academic Excellence	Education, Governance, Leadership	Yes	
Keith Taylor	Vice President/ Treasurer	Finance	Governance, Administration, Education	Yes	
Mustafa Coban	Secretary/ CMO Representative	Finance	Finance, Budgeting, Accounting Real Estate	Yes	
Myrna Calderon-	Trustee	Academic Excellence	Curriculum, Budgeting, Special Education	Yes	
Fitore Balidemaj	Trustee	Finance, Academic Excellent	Data analysis, finance, technology	Yes	
Lorita Watson	Tustee	Adacemic Excellence			
Victoria Romero	Trustee Parent Representative	Executive		Yes	

The Board is fully aware of the critical need to recruit additional board members continually. The applicant group will continually search for people with expertise in diverse industries to ensure its ability to govern, advise, and strengthen the school to fulfill its mission. If a vacancy occurs or additional capacity is required, an ad hoc Nominating Committee will be formed to recruit new Board members. This committee will identify and evaluate potential candidates and present them to the full Board for approval and possible appointment. After a Trustee is nominated and approved, the school and the Board will provide training on the school's charter, by-laws, and other aspects of NY State Law to ensure that the new Trustee understands the responsibilities of board membership. We will also encourage engagement in school-wide activities to further develop and integrate new members.

The proposed Board members are actively dedicated to serving the Bronx Arts and Science Charter School. Over the past five years, they have demonstrated their effectiveness by successfully contributing their skills and experience, making them well-equipped to govern and guide Uptown ASCS. Four Board members have played instrumental roles in ensuring strong educational outcomes for students, having worked as employees at public schools, universities, or education non-profits in the Bronx.

Collectively, The Uptown ASCS Board brings a wealth of experience, with a combined residence or work history in the Bronx spanning over 130 years. Three of the proposed board members currently reside in the Bronx and actively participate as members of Bronx Community Board 7, which encompasses Community School District 8. Their deep connection to the community reflects a commitment to the success and well-being of The Uptown ASCS.

Adaline Walker Santiago is an active community member who has been a resident of the Bronx for over 50 years. Adaline possesses extensive experience in board governance and administration, as she was re-elected for three terms while serving as the Chair of Bronx Community Board 7. This also includes Community School District 10 of the NYC Department of Education. Her role also entailed interaction with the leaders of all intergovernmental agencies, community-based organizations, and elected officials. Working collaboratively with board members and community leaders was crucial to succeeding in this position and vital for obtaining the community's support to enact and advocate for positive change. She has the opportunity to establish a reputable network of resources working in conjunction with many elected officials, commissioners of city agencies, the Office of the Bronx Borough President, the Office of the Governor, the Office of the NYC Mayor, and the Office of the NYC Comptroller.

Dr. Keith Taylor**,** a proposed board member, has extensive governance and administration experience. Dr. Taylor is the Chair of the Board of Directors for the Harlem Independent Living Center, an advocacy organization assisting individuals with disabilities to live independently. He also serves as the Chair of the Nomination Committee for the Upper Manhattan Empowerment Zone Board of Directors. In addition to having a background in community engagement, Dr. Taylor also has more than 25 years of public safety and security experience, having attained most recently the position of Assistant Commissioner of Intelligence for the New York City Corrections Department. In this, Keith spearheaded and implemented the newly created Evidence Collection and Crime Scene Unit, developed criteria for the Correction Intelligence Bureau, served as the senior advisor to the Commissioner on all aspects of intelligence gathering, arrest processing, and criminal investigations improvements, and developed correction officer investigator, arrest processing, and electronic surveillance training curriculum. Dr. Taylor’s strengths furthermore include strategic planning and organizational coordination for leading teams in challenging or complicated environments and resolving

Mustafa Coban, proposed board member, serves as CFO at iLearn Schools, overseeing financial operations, budgeting, accounting, purchasing, and responsibilities for both network schools and iLearn Schools, Inc; Playing a pivotal role in shaping iLearn Schools' strategic goals and objectives, contributing to the overall management of the organization. Previously, held the

position of Operations Manager at Syracuse Academy of Science Charter School in New York; Additionally, possess experience as a business consultant, providing fiscal and human resources consultancy services to public charter schools within a non-profit organization before joining iLearn.

Myrna Calderon**,** a proposed board member, has resided in the Bronx for over 30 years. Ms. Calderon gained invaluable experience while serving for 8 years as the Vice President of the Bronx Community School District 10 - the largest school district in New York City. She also has experience in budgeting, curriculum development, parental involvement, and school construction. Having served as the chair for special education, this polished and passionate educator possesses a sound understanding of teaching children with special needs. Ms. Calderon currently serves as the CEO of Fordham Hill Owners Corporation, the largest privately owned apartment cooperative in New York, and presides over a 13 million-dollar budget.

Fitore Balidemaj**,** a proposed Board member who has lived in the Bronx for five years, is the Assistant Vice President (IT Corporate) at Mizuho Securities USA Inc. headquarters in New York City. Ms. Balidemaj holds an M.S. in Information Systems and a B.S. in Information Technology from Pace University, and is certified in ITIL, Business Analysis Foundation, and Security and Information Assurance. She is a highly qualified and skilled data and business analyst. Her experience includes: systems development, knowledge of ITIL service level management processes, Systems Development Lifecycle (SDLC), Production/QA environment support, reinsurance management, treaty compliance auditing, ad hoc projects, and managing assumed/ceded risks. Complex issues while motivating both individuals and teams toward achieving peak performance. This dynamic, results-oriented, and proven leader's track record also includes serving as the Personnel Officer for the Emergency Service Unit of the largest police department in the world.

Lorita Watson**,** born and raised in the Bronx and a proposed Board member, is a current Bronx Community Board 7 Board member. Ms. Watson has held various teaching positions over the span of 10 years at the NYC Department of Education. She has extensive experience in: education/teaching, community engagement and outreach, program development, administration/management, finance and budget management, operations, event/design management, instructional technology, curriculum design, and assignment. She was awarded the ROTC Scholarship and was honorably discharged from the US Navy. Ms. Watson possesses a deep commitment to provide opportunities for the youth in the Bronx.

Victoria Romero, a proposed board member, has a wealth of experience in education and student support services.she serves as the Director of Advising and transfer Support at CUNY Stella & Charles Guttman Community College in New York, She is a member of the Black Doctoral Network, National Academic Advising Association (NACADA), and has contributed significantly to the Women of Gratitude, Resilience, Integrity, and Talent (GRIT) Mentorship Program. She is also a parent with a child attending the Bronx Arts and Science Charter School.

This dual perspective uniquely positions her to understand the needs of both educators and parents, fostering a holistic approach to school governance.

B. Education Corporation Board Roles and Responsibilities

The Board will contract with the CMO to provide whole school management services. The CMO will be responsible for designing and implementing curricula aligned to NY State Learning Standards. The CMO makes recommendations to the Board regarding staffing levels and the selection and hiring of school personnel, including the School Director, other administrators, and teachers. The CMO will provide financial management and budgeting services. iLearn Schools will conduct an evaluation of the School Director on behalf of the Board. The CMO will provide evaluation findings and recommendations to the Board, which will have ultimate authority regarding hiring, firing, and compensation decisions.

The School Director reports directly to the CMO and is responsible for overall school management. The School Director is considered the primary instructional leader and must provide exemplary leadership to all members of the school community to meet iLearn's mission of preparing each student to succeed in college and career. The School Director will manage teaching staff, including leading campus-based professional development, staff observations, communication, scheduling, and program decisions.

The School Director is expected to build relationships with all stakeholders, including students, staff, faculty, parents, board members, the school district, and the community. The School Director will serve as the point person for all students and families and respond to family concerns promptly and effectively. The Assistant Director of Academics and Assistant Director of Operations both report to the School Director. The Assistant Director of Academics assists the School Director in communicating and successfully implementing iLearn's academic model, including its vision, curriculum, assessment, and instructional expectations. He or she works directly with the school director to manage teaching staff effectively, including campus-based professional development, staff observations, curriculum development, and scheduling and program decisions. The Assistant Director of Operations Oversees the ongoing, daily operations at the school, including but not limited to facilities management, food services, reporting, and student discipline.

The Board will annually evaluate the performance of the CMO and develop a CMO evaluation tool that aligns with New York State's accountability requirements and the Charter School Performance Framework. The evaluation tool will measure the performance of the CMO by identifying the strengths and opportunities for improvement relative to the school's service agreement. The performance evaluation will consist of reviewing the school's progress toward attaining the goals in the accountability plan, academic performance, compliance with relevant laws, financial management and reporting, student recruitment, facility management, human resources, and information technology. The proposed Board has a variety of skillsets as evidenced in the Board of Trustees and Governance section of this application. The Uptown ASCS's Board of Trustees will be kept informed of the school's progress through the monthly board meetings. Uptown ASCS will develop a data-rich accountability system that allows for

diligent and regular monitoring. Each month, Board members will have actionable data delivered to them on the performance dashboard including, but not limited to the following:

- Interim assessment data
- MAP Data
- Homework completion rate
- State assessment data
- Demographics
- Average daily attendance rate
- Suspension Rate
- Transfers In
- Transfers Out
- Clubs/Sports % Involved
- Staff Attrition
- Average class size/ratio
- Wait List
- Teacher Satisfaction Survey
- Parent Satisfaction Survey
- Teacher Performance (Evaluation)
- Average Daily Enrollment
- YTD Cash Balance
- Variances to date

The Board will use this data to keep the school accountable and set the strategic direction of the school. The School Director reports to the Board of Trustees. The Board will utilize the CMO to gather evidence and compile a draft evaluation report for the Board to review and approve. Although the CMO will make recommendations, the Board has ultimate authority on hiring, firing, and compensation decisions. The school intends to utilize the iLearn School Leader Evaluation Framework which focuses on academic progress and achievement for all subgroups of students, organizational leadership, building a positive school culture, family and community involvement, and retention of quality teachers. Prior to the start of the year, the Board, CMO, and school leader will establish agreed upon goals that are explicit with clear metrics rather than on subjective criteria. The CMO will conduct a mid-year on-site review using the instrument to collect data and evidence for the Board. Sources of evidence will include student achievement results, attendance data, teacher survey data, and grievance documentation. If the Director does not meet benchmarks, an action plan will be created in conjunction with the CMO and Board Chairperson.

C. Education Corporation Board Design

As stated in our bylaws, the number of Trustees of the school shall be not fewer than five (5) and shall not exceed fifteen (15). The Board of Trustees will have the following officer positions: Chair, Vice Chair, Secretary, and Treasurer. The founding team considers these to be the core functions needed to manage the work of the Board. The Treasurer will have responsibility for fiscal matters as described in the by-laws; The Secretary will have responsibility for Board minutes and records as described in the by-laws; and the Chairperson will preside over meetings and perform such other functions as are delegated by the Board, with the Vice Chair providing additional support. Trustee positions will be determined at the first meeting of the full Board when it is formally constituted. The Board may propose, create, and approve committees for any purpose. The currently proposed committees include the Executive Committee, the Finance Committee, and the Academic Excellence Committee.

The Board Chair will chair the Executive Committee and consist of other Officers with the primary responsibilities of planning board meetings, communicating with the full board, and making certain decisions on behalf of the Board based on its by-laws. The Finance Committee will be chaired by the Treasurer and oversees the Board's responsibilities for financial oversight. Duties include revising budgets, reviewing monthly financial statements, and reviewing accounting and control policies. This committee makes the Board aware of any potential issues and is also responsible for facilitating training on financial matters for other members of the Board. The Academic Excellence Committee ensures that the school meets academic goals and monitors academic policies aligned with the school's mission and strategic plan. This committee advises the Board on all academic aspects of the school in partnership with the School Director.

The Board of Trustees will meet once a month, including one organizational meeting for the election of officers. The committee meetings will be held as necessary. Per the New York State Open Meetings Law, Article 7 of the New York Public Officers Law, every Board meeting and Board committee meeting will be open to the general public with the exception of executive session. All meeting times and locations will be advertised to the news media and given to the Trustees at least 72 hours in advance pursuant to the NY Open Meetings Law. Meeting times and locations will be published on the Uptown ASCS website and posted at the school. All meeting minutes will be posted on the school's website.

D. Stakeholder Participation

A seat on the Board will be reserved for a parent of an enrolled child at the Uptown ASCS. Uptown ASCS will also establish and maintain a School Advisory Council consisting of parents, students, community members, teachers, and administrators. The Council will participate in developing recommendations for school policies and share in efforts to engage the community's support. The Council will make recommendations and decisions about issues relating to the

school and participate in reviewing parental and community concerns (as appropriate). The School Director will communicate all council policy meeting notes and recommendations to the Board of Trustees. *The School Advisory Council* will meet a minimum of once per month and may elect to convene more frequently as needed. All meeting reports and policy recommendations will be forwarded to the Board of Trustees. School Advisory Council members are encouraged to attend board meetings.

iLearn Schools Inc.

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL

PROPOSED CHARTER SCHOOL APPLICATION FOR SUBMISSION TO THE STATE UNIVERSITY OF NEW YORK BOARD OF TRUSTEES

REQUEST 14:

R-14E - BYLAWS

www.uptowncharter.org

FEBRUARY, 2024

R-14E - Bylaws

BY-LAWS

OF

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL

ARTICLE I

NAME

The name of this Corporation is Uptown Arts and Science Charter School (the "School").

ARTICLE II

MEMBERSHIP

The School has no members. The rights which would otherwise vest in the members vest in the trustees of the School (hereinafter the "Trustees"). Actions which would otherwise require approval by a majority of all members or approval by the members require only approval of a majority of all Trustees or approval by the Board of Trustees (hereinafter the "Board").

ARTICLE III

BOARD OF TRUSTEES

Section 1. Powers. The Board shall conduct or direct the affairs of the School and exercise its powers, subject to the provisions of applicable law (including the New York Education Law, Not-for-Profit Corporation Law and Open Meetings Law), as well as the requirements of the School's charter and these By-laws. The Board may delegate the management of the activities of the School to others, so long as the affairs of the School are managed, and its powers are exercised, under the Board's ultimate jurisdiction. Without limiting the generality of the powers hereby granted to the Board, but subject to the same limitations, the Board shall have all the powers enumerated in these By-laws, and the following specific powers:

(a) To elect and remove Trustees;

(b) To select and remove Officers, agents and employees of the School; to prescribe powers and duties for them and to fix their compensation;

(c) To conduct, manage and control the affairs and activities of the School, and to make rules and regulations;

(d) To enter into contracts, leases and other agreements which are, in the Board's judgment, necessary or desirable in obtaining the purposes of promoting the interests of the School;

(e) To carry on the business of operating the School and apply any surplus that results from the business activity to any activity in which the School may engage;

(f) To act as Trustee under any trust incidental to the School's purposes, and to receive, hold, administer, exchange and expend funds and property subject to such a trust;

(g) To acquire real or personal property, by purchase, exchange, lease, gift, devise, bequest, or otherwise, and to hold, improve, lease, sublease, mortgage, transfer in trust, encumber, convey or otherwise dispose of such property;

(h) To borrow money, incur debt, and to execute and deliver promissory notes, bonds, debentures, deeds of trust, mortgages, pledges, hypothecations and other evidences of debt and securities, subject to the provisions of the Not-for-Profit Corporation Law and any limitations noted in the By-laws; and

(i) To indemnify and maintain insurance on behalf of any of its Trustees, Officers, employees or agents for liability asserted against or incurred by such person in such capacity or arising out of such person's status as such, subject to the applicable provisions of the Not-for-Profit Corporation Law and the limitations noted in these By-laws.

Section 2. Number of Trustees. The number of Trustees of the School shall be not fewer than five (5) and shall not exceed fifteen (15).

Section 3. Election of Trustees. The Board shall elect the Trustees by the vote of a majority of the Trustees then in office. Trustees-elect assume office upon approval by the New York State Education Department's Charter Schools Office.

Section 4. Eligibility. The Board may elect any person who is not an employee of the School and who is at least eighteen (18) years old and who, in its discretion, it believes will serve the interests of the School faithfully and effectively.

Section 5. Term of Office. Trustees shall hold office for a term of five (5) years. Trustees may succeed themselves in office and there shall be no limits on the number of terms a Trustee may serve.

Section 6. Interested Persons.
(a) Not more than forty percent (40%) of the persons serving on the Board may be (i) persons currently being compensated by the School for services rendered to it within the

previous twelve (12) months; or (ii) a sister, brother, ancestor, descendant, spouse, domestic partner, sister-in-law, brother-in-law, daughter-in-law, son-in-law, mother-in-law or father-in-law, cousin or cousin-in-law of any such person.

(b) Not more than forty percent (40%) of the voting persons on the Board may be directors, officers, employees, agents or otherwise affiliated with any single entity (with the exception of the School or another charter school), regardless of whether said entity is affiliated or otherwise partnered with the School. For the purposes of the foregoing sentence, "single entity" shall mean any individual entity, as well as any and all related entities to such entity such as parents, subsidiaries, affiliates and partners. The New York State Education Department, on behalf of the Board of Regents may, in its sole discretion, waive this restriction upon written request from the School.

(c) Where the School has engaged a not-for-profit educational service provider or other entity that provides comprehensive management services to the School pursuant to a contract between such entity and the School, no more than two (2) Trustees may be affiliated with such not-for-profit entity, or have immediate family members so affiliated, and one (1) such Trustee's affiliation is limited to serving as director of such entity; provided, however, that in such case the following restrictions shall apply:

(i) termination of the contract with the not-for-profit educational service provider or other entity shall constitute cause for removal of such person(s) from the Board, and upon such termination such person(s) may be removed from the Board by vote of the Board provided there is a quorum of at least a majority of the entire Board present at the meeting;

(ii) such person(s) shall not hold the offices of Chairperson or Treasurer of the Board;

(iii) when the Board has proper grounds to go into executive session pursuant to the New York Open Meetings Law ("Open Meetings Law"), and the Board is to discuss or vote upon an issue related to the not-for-profit management company or entity, the personnel of such company or entity, or such person(s), the Board may, after such person(s) has had an opportunity to fully address the Board, continue such executive session outside of the presence of such person(s); and

(iv) the number of Trustees on the Board shall not be less than seven (7) where two (2) Trustees are affiliated with the not-for-profit entity and not less than six (6) where one (1) Trustee is affiliated with the not-for-profit entity.

Section 7. Removal of Trustees. The Board may remove or suspend a Trustee with cause by vote of a majority of the entire Board on examination and due proof of the truth of a written complaint by any Trustee of misconduct, incapacity or neglect of duty, in accordance with Section 226(8) of the Education Law and other such sections of the Education Law and the Not-for-Profit Corporation Law. In accordance with the procedures set forth in the Education Law, the Board of Regents may remove any Trustee for misconduct, incapacity, neglect of duty,

or where it appears to the satisfaction of the Regents that the Board has failed or refuses to carry into effect its educational purposes.

Section 8. Resignation by Trustee. A Trustee may resign by giving written notice to the Board Chair or Secretary. The resignation is effective upon receipt of such notice, or at any later date specified in the notice. The acceptance of a resignation by the Board Chair or Secretary shall not be necessary to make it effective, but no resignation shall discharge any accrued obligation or duty of a Trustee. If any Trustee shall fail to attend three consecutive meetings without excuse accepted as satisfactory by the Board, such Trustee shall be deemed to have resigned and the vacancy shall be filled.

Section 9. Vacancies. The office of any Trustee shall become vacant on his or her death, resignation, refusal to act, removal from office, expiration of term, or any other cause specified in the School's charter. If any Trustee fails to attend three (3) consecutive meetings without excuse accepted as satisfactory by the Board, such Trustee shall be deemed to have resigned, and the vacancy shall be filled. The Board may fill any vacancy occurring in the middle of a Trustee's term by electing another individual to serve for the duration of his or her predecessor's unexpired term and may be reelected in accordance with the provisions of this section.

Section 10. Compensation of Trustees. Trustees shall serve without compensation. However, the Board may approve reimbursement of a Trustee's actual and necessary expenses while conducting School business.

Section 11. Parent Representative. The Board shall include at least one parent or guardian of a current or former student at the School once the School has enrolled students. The parent representative shall be a voting member of the Board.

Section 12. Meetings.

Section 12.1. Annual Meetings. An annual meeting of the Board shall be held at the School (and until a School facility is identified, such location as determined by the Board) each May at a date and time designated by the Board or in such other month, date and time as the Board may designate. At the annual meeting, the Board shall, if nominated re-elect Trustees and officers whose terms as expiring or otherwise elect new Trustees and officers if Trustees whose terms are expiring are not presented for re-election. Nothing herein shall prohibit the election of Trustees and officers at such other times the Board may designate if there are open seats to be filled by vacancy or otherwise.

Section 12.2. Regular Meetings. The Board shall meet to conduct business and to review the Treasurer's accounts as frequently as it deems necessary but no less than on a monthly basis as required by the New York Education Law.

Section 12.3. Special meetings of the Board of Trustees may be called (i) at any time by the Chairperson, (ii) by the senior Trustee on written request of three Trustees if the Chairperson is

absent, or (iii) by any other manner determined by the Board of Trustees. Seniority shall be according to the order in which the Trustees are named in the charter or subsequently elected.

Section 13. Notice of Meetings. Annual, regular and special meetings of the Board of Trustees shall be held on notice to the Trustees. Notice of any adjournment of a meeting of the Board of Trustees to another time or place shall be given to the Trustees who were not present at the time of the adjournment and, unless such time and place are announced at the meeting, to the Trustees who were present. Notices shall state the time and place of the meeting and shall indicate that they are being issued by or at the direction of the person calling the meeting. Notice of each meeting of the Board of Trustees shall be transmitted to each Trustee to the usual address (email acceptable) of every Trustee with as much advance notice as practicable.

Section 14. Waiver of Notice. Notice of a meeting need not be given to a Trustee who signs a waiver of notice or written consent to holding the meeting or an approval of the minutes of the meeting, whether before or after the meeting, or attends the meeting without protest prior to the meeting or at its commencement of the lack of notice. The Secretary shall incorporate all such waivers, consents and approvals into the minutes of the meeting.

Section 15. Board Participation by Other Means. To the extent permitted by Article 7 of the Public Officers Law, Trustees who do not reside in New York, or who cannot be present at the location and date of the meeting will may participate by video conference in order to be counted for the quorum and vote on relevant matters. Once a quorum is present, additional Trustees may participate in a Board meeting through conference telephone or similar communication equipment, provided that all Trustees participating in such meeting can hear one another and there is no objection from any Trustee or any person in the public audience. Trustees participating in the Board meeting other than in-person or by live video-conferencing shall not be permitted to vote. Further, members will not be permitted to vote by proxy. Appropriate notice and access will be given to the public such that they can be participate in the meeting if they so wish at any location in which video conferencing is being used. Public notice will inform the public that video conferencing will be used, identify the locations for the meeting, and state that the public has the right to attend the meeting at any of the locations. Members may participate by phone, but will not be included as part of the quorum and will not be permitted to vote on pending issues.

Section 16. Quorum. Unless a greater proportion is required by law, a majority of the entire Board of Trustees shall constitute a quorum for the transaction of business or of any specified item of business, but a majority of the Trustees present, whether or not a quorum is present, may adjourn any meeting to another time and place.

Section 17. Open Meetings. Notwithstanding any other provisions of these By-laws, the School shall comply with the New York Open Meetings Law.

Section 18. Action by the Board of Trustees. Any reference in these By-laws to action to be taken by the Board of Trustees shall mean such action at a meeting of the Board of Trustees. Except as otherwise expressly required by law or by these By-laws, the vote of a majority of the Trustees present at the time of the vote, if a quorum is present at such time, shall be the act of the Board of Trustees. In any case in which a Trustee is entitled to vote, he or she shall have no more than, nor not less than, one vote.

Section 19. Performance of Duties. Each Trustee shall perform all duties of a Trustee, including duties on any Board committee, in good faith and with that degree of diligence, care and skill, including reasonable inquiry, as an ordinary prudent person in a like position would use under similar circumstances.

Section 20. Reliance on Others. In performing the duties of a Trustee, a Trustee shall be entitled to rely on information, opinions, reports or statements, including financial statements and other financial data, presented or prepared by:

(a) one or more Officers or employees of the School whom the Trustee believes to be reliable and competent in the matters presented;

(b)

(i) legal counsel, public accountants or other persons as to matters that the Trustee believes are within that person's professional or expert competence; or

(ii) a Board committee on which the Trustee does not serve, duly designated in accordance with a provision of the School's charter or By-laws, as to matters within its designated authority, provided the Trustee believes the committee merits confidence and the Trustee acts in good faith, and with that degree of care specified in section 19 above, and after reasonable inquiry when the need is indicated by the circumstances, and without knowledge that would cause such reliance to be unwarranted.

Section 21. Investments. In investing and dealing with all assets held by the School for investment, the Board shall exercise the standard of care described above in section 19, and shall consider among other relevant considerations the long and short term needs of the School in carrying out its purposes, including its present and anticipated financial requirements. The Board may delegate its investment powers to others, provided that those powers are exercised within the ultimate direction of the Board.

Section 22. Duty to Maintain Board Confidences. Every Trustee has a duty to maintain the confidentiality of all Board actions which are not required by law to be open to the public, including discussions and votes which take place at any Executive Sessions of the Board. Any Trustee violating this confidence may be removed from the Board.

ARTICLE IV

OFFICERS

Section 1. Officers of the Corporation. The officers of the Corporation shall be the Chair, a Secretary, a Treasurer, and such other officers as the Board may from time to time establish. Officers shall be elected and shall serve a term that is co-terminus with their term as Trustee. Any two or more offices may be held by the same person, except the offices of Chairperson and Secretary or the offices corresponding thereto.

Section 1.1. Chair. The Chair shall serve as Chairman of the Board of Directors and shall carry out those duties usually incident to the office of President and shall serve as Chair of the Executive Committee. The Chair shall execute all documents on behalf of this Corporation unless the Board has generally or specifically delegated the authority to execute the document in question to another officer of the Corporation or employee of the School.

Section 1.2. Vice Chair. Vice Chair. If the Chair is absent or disabled, the Vice Chair shall perform all the Chair's duties and, when so acting, shall have all the Chair's powers and be subject to the same restrictions. The Vice Chair shall have other such powers and perform such other duties as the Board may prescribe.

Section 1.3. Secretary. The Secretary shall keep the minutes of all meetings, provide written notice of all meetings and copies of minutes of previous meetings in accordance with these By-Laws or as required by the laws of the State of New York, and shall act as the custodian of the School's records.

Section 1.4. Treasurer. The Treasurer shall be the principal financial officer of the School and shall ensure that there is an adequate and correct accounting of the property and business transactions of the School.

Section 2. Election. Upon election, each officer shall hold office until such officer's successor shall have been duly elected and shall have qualified, or until such officer's earlier death, resignation or removal.

Section 3. Removal. Any officer elected by the Board may be removed at any time, for cause or without cause, by an affirmative vote of two-thirds (2/3) of all the Trustees of the Board.

Section 4. Vacancy. In the event a vacancy occurs in any office, the Board shall elect, at a regular meeting or a special meeting of the Board, a person to succeed to such office.

ARTICLE V

COMMITTEES OF THE BOARD

Section 1. Executive and Other Committees of Trustees. The Board of Trustees, by resolution adopted by a majority of the entire Board of Trustees, may designate from among its members an Executive Committee, consisting of five or more Trustees, and other standing committees, each consisting of three or more Trustees and other non-Trustees as the Board may deem appropriate. All committees are subject to the New York Open Meetings Law.

Section 2. Guidelines. Unless otherwise provided by these By-laws or in a resolution of the Board of Trustees by creating or modifying a special committee, members of each Committee shall be elected by a majority of the Trustees. Each Committee member, to the extent provided in the resolution establishing the Committee, shall have all the authority of the Board of Trustees, except that no such committee shall have authority as to the following matters:

(i) the filling of vacancies in the Board of Trustees or in any committee;
(ii) the final approval of recommendations regarding formal complaints filed by individuals or groups against the School;
(iii) the fixing of compensation of the Trustees for serving on the Board of Trustees or on any committee;
(iv) the amendment or repeal of these By-laws or the adoption of new By-laws; and
(v) the amendment or repeal of any resolution of the Board of Trustees which, by its terms, shall not be so amendable or repealable.

Section 3. Alternate Members. The Board of Trustees may elect one or more Trustees as alternate members of any such committee, who may replace any absent member or members at any meeting of such committee.

Section 4. Special Committees. The Board of Trustees may create such special committees as it may deem desirable. Special committees shall have only the powers specifically delegated to them by the Board of Trustees and in no case shall have powers which are not authorized for standing committees.

Section 5. Executive Committee. The Executive Committee, in intervals between the meetings for the Trustees, may transact such business of the school as the Trustees may authorize, except to grant degrees or to make removals from office.

Section 6. Audit and Finance Committee. The Audit and Finance Committee shall have and may exercise the authority, without limitation, to (i) recommend the annual appointment of the School's auditors; (ii) review with the School's auditors the scope of the audit and non-audit assignments and related fees, accounting principles the School shall use in financial reporting, internal auditing procedures and the adequacy of the School's internal control procedures; (iii) otherwise to take all actions necessary and appropriate in light of, and in order to comply with, all applicable statutes, rules and regulations of regulatory agencies and bodies; (iv) review detailed monthly and quarterly financial statements as prepared by the designated Director of

Operations; and (v) perform such other matters as the Board may assign from time to time. The Treasurer may not be a member of the Audit and Finance Committee.

Section 7. Academic Committee. The Academic Committee shall oversee education program and review student achievement data for the School.

Section 8. Procedures of Committees. All committees may adopt rules governing the time of, the method of calling, or the method of holding their meetings, and the conduct of their affairs. All committees shall keep a record of their acts and proceedings in accordance with the New York Open Meetings Law and shall report thereon to the Board of Trustees.

Section 9. Quorum and Manner of Acting. A majority of the members of a committee shall constitute a quorum for the transaction of business, and the act of a majority of those present at a meeting at which a quorum is present shall be the act of the committee. The members of a committee shall act only as a committee.

ARTICLE VI

CONFLICTS OF INTEREST

Section 1. Disclosure. Trustees, officers and employees shall seek to avoid potential conflicts of interest in personal and in professional relationships, and shall timely disclose potential conflicts of interest to appropriate supervisory personnel and/or other applicable School officials in accordance with the School's policies. In addition, all Trustees, officers and staff shall fully cooperate in the management of any potential conflicts of interest. In addition, trustees, officers and senior staff shall fully comply with the School's Conflict of Interest Policy.

Section 2. Conflicts of Interest Policy. The Board shall adopt a Conflict of Interest Policy. The Conflicts of Interest Policy shall provide that no Trustee, Officer, employee or committee member shall have an interest, direct or indirect, in any contract when such Trustee, Officer, employee or committee member, individually or as a member of the Board or committee, has the power or duty to (a) negotiate, prepare, authorize or approve the contract, or authorize or approve payment under the contract; (b) audit bills or claims under the contract; or (c) appoint an officer or employee who has any of the powers or duties set forth above (subject to certain exceptions allowed under Section 802 of the General Municipal Law). The Conflict of Interest Policy shall also provide that the Treasurer shall not have an interest, direct or indirect, in a bank or trust company designated as a depository or paying agent or for investment of funds of the School. Any Trustee, Officer, employee or committee member with such an interest shall make a prompt, full and frank disclosure of his or her interest to the Board or committee. Such disclosure shall include all relevant and material facts known to such person about the contract or transaction that may reasonably be construed to be adverse to the School's interest. The Conflict of Interest Policy shall also provide that no Trustee, officer, employee or committee member shall (i) directly or indirectly solicit, accept or receive any gift having a value of fifty dollars ($50) or more, whether in the form of money, service, loan, travel, entertainment, hospitality, thing or promise, or in any other form, under circumstances in which it could

reasonably be inferred that the gift was intended to or could reasonably be expected to influence him or her in the performance of his or her official duties, or was intended as a reward for any official action on his or her part; (ii) disclose confidential information acquired in the course of his or her official duties or use such information to further her or her personal interests; (iii) receive or enter into any agreement, express or implied, for compensation for services to be rendered in relation to any matter before any municipal agency of which he or she is an officer, member or employee or of any municipal agency over which he or she has jurisdiction or to which he or she the power to appoint any member, officer or employee; or (iv) receive or enter into any agreement, express or implied, for compensation for services to be rendered in relation to any matter before the Board whereby the compensation is to be dependent or contingent upon any action by the agency. This does not prohibit the fixing of fees based upon the reasonable value of services rendered. This provision is intended to comply with Sections 800-804, 804-a, 805, 805-a, 805-b and 806 of the General Municipal Law, and shall be interpreted in accordance with those provisions. To the extent of any conflict between any provision of these By-laws and those provisions of the General Municipal Law, those provisions of the General Municipal Law shall control.

Section 3. Avoidance of Self-Dealing Transactions. The Board of Trustees and the School shall not engage in any “self-dealing transactions,” except as approved by the Board. "Self-dealing transaction" means a transaction to which the School is a party and in which one or more of the Trustees has a material financial interest. Notwithstanding this definition, the following transaction is not a self-dealing transaction, and is subject to the Board's general standard of care: A transaction which is part of a public or charitable program of the School, if the transaction (a) is approved or authorized by the Board in good faith and determined by the Board to be in the best interest of the School and without unjustified favoritism, and (b) results in a benefit to one or more Trustees or their families because they are in a class of persons intended to be benefited by the program.

ARTICLE VII

CONTRACTS, LOANS, GRANTS AND PROPERTY

Section 1. Contracts. Except as otherwise provided by law, the Board of Trustees may, prospectively or retroactively, authorize the Secretary or, prospectively, authorize any other officer(s) or agent(s) of the School, in the name and on behalf of the School, to enter into any contract. Any such authority may be general or confined to specific instances.

Section 2. Loans. The Board of Trustees may prospectively authorize the Treasurer or any other officer(s) or agent(s) of the School to effect loans and advances at any time for the School from any bank, trust company or other institution, or from any firm, corporation or individual, and for such loans and advances to make, execute and deliver promissory notes, bonds, or other certificates or evidences of indebtedness of the School, and when authorized to do so to pledge, hypothecate or transfer, to the extent permitted by law, any securities or other property of the School as security for any such loans or advances. Such authority conferred by the Board of Trustees may be general or confined to specific instances.

Section 3. Grants. The Board of Trustees, on the basis of written recommendations from individual Trustees, officers and employees of the School, may, prospectively or retroactively, authorize the Chairperson, on behalf of the School, to make grants and other contributions.

Section 4. Property Holding. The Board of Trustees may take and hold by gift, grant, devise or bequest in their own right or in trust for any purpose comprised in the objects of the school, such additional real and personal property, beyond such as shall be authorized by its charter, as the regents shall authorize within one year after the delivery of the instrument or probate of the will giving, granting, devising or bequeathing such property. Such authority given by the regents shall make any such gift, grant, devise or bequest operative and valid in law. Any grant, devise or bequest shall be equally valid whether made in the School's name or to the Trustees, and such powers given to the Trustees shall be powers of the School.

Section 5. Control of Property. The Board of Trustees may (a) buy, sell, mortgage, let and otherwise use and dispose of its property as it shall deem for the best interests of the School; and (b) lend or deposit, or receive as a gift, or on loan or deposit, literary, scientific or other articles, collections, or property pertaining to its work. Such gifts, loans or deposits may be made to or with the school. Any such transfer of property, if approved by the Board of Regents, shall during its continuance, transfer responsibility therefor to the school, which shall also be entitled to receive any money, books or other property from the state or other sources to which the school would have been entitled but for such transfer.

ARTICLE VIII

NON-LIABILITY; INDEMNIFICATION; INSURANCE

Section 1. Non-Liability of Trustees. The Trustees shall not be personally liable for the School's debts, liabilities or other obligations.

Section 2. Indemnification of Trustees and Officers. In accordance with Section 721 of the New York Not-For-Profit Corporation Law, the School shall, to the fullest extent permitted, and in the manner prescribed, by Sections 721, 722, 723 and 725 of the New York Not-For-Profit Corporation Law, as amended from time to time, indemnify any person who is or was made, or threatened to be made, a party to any action or proceeding, whether civil or criminal, whether involving any actual or alleged breach of duty, neglect or error, any accountability, or any actual or alleged misstatement, misleading statement or other act or omission and whether brought or threatened in any court or administrative or legislative body or agency. This should include an action by or in the right of the School to procure a judgment in its favor and an action by or in the right of any other corporation of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit plan or other enterprise, which any Trustee or officer of the School is serving or served in any capacity at the request of the School, by reason of the fact that he, his testator or intestate, is or was a Trustee or officer of the School, or is serving or served such other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise in any capacity, against judgments, fines, amounts paid in settlement, and expenses (including, without limitation, attorneys' fees, costs and charges) incurred as a result of such

action or proceeding, or appeal therein. The School shall reimburse or advance to any person referred to in this section the funds necessary for payment of expenses (including, without limitation, attorneys' fees, costs and charges) incurred in connection with any action or proceeding referred to in this section to the fullest extent permitted by New York Not-For-Profit Corporation Law Sections 721, 722, 723 and 725.

Section 3. Insurance. In accordance with Section 726 of the New York Not-For-Profit Corporation Law, the School shall prescribe and maintain insurance to indemnify Trustees and officers of the School, on any terms and conditions set forth in a resolution of the Board.

ARTICLE IX

BOOKS AND RECORDS

Correct and complete books and records of account and minutes of the proceedings of the Board, the Executive Committee and all Standing Committees shall be kept at the main office. Every Trustee has the right to inspect and copy all books, records and documents of every kind and to inspect the physical properties of the School, provided that such inspection is conducted at a reasonable time after reasonable notice, and provided that such right of inspection and copying is subject to the obligations imposed by any applicable federal, state or local law.

ARTICLE X

FISCAL YEAR

The fiscal year of the School shall begin on July 1 and shall end on June 30 in each year.

ARTICLE XI

CORPORATE SEAL

The Board may adopt a Corporate Seal, alter such seal at its pleasure and authorize it to be used by causing a facsimile to be affixed or impressed or reproduced in any other manner.

ARTICLE XII

REQUIREMENTS RELATED TO MANAGEMENT CONTRACT WITH CHARTER MANAGEMENT ORGANIZATION

Section 1. Approval of Management Contract by New York State Education Department. As required by the School's Initial Charter (Charter Agreement) with the State Education Department), the School shall not enter into a contract for comprehensive school management or operations services (a "Management Contract") without first submitting such Management Contract to the New York State Education Department for its review.

Section 2. Any Management Contract that the School enters into with a management organization shall contain a provision permitting the School to terminate the Management

Contract for cause with shall include any act or omission by the management organization that constitutes a default and remains uncured (both as defined in a Management Contract) where such uncured default causes a default under the School's Charter or causes the School to be in violation of the Charter Schools Act.

ARTICLE XIII

AMENDMENTS

Section 1. Amendments. These By-Laws or any one or more of the provisions thereof may, at any annual, regular or special meeting of the Board, be amended by changing, altering, suspending, supplementing or repealing the same; provided, however, that no By-Law by which more than a majority vote shall be required for any specified action by the Board shall be amended, changed, altered, suspended, supplemented or repealed by a smaller vote than that required for action thereunder.

Section 2. State Education Department Approval. No material amendment to these By-laws shall be effective without approval of the New York State Education Department on behalf of the Board of Regents.

***

CERTIFICATE OF THE SECRETARY

The undersigned does hereby certify that the undersigned is the Secretary of the School, an education corporation duly organized and existing under the laws of the State of New York; that the foregoing By-laws of said School were duly and regularly adopted as such by the Board of Trustees of said School; and that the above and foregoing By-laws are now in full force and effect.

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL

PROPOSED CHARTER SCHOOL APPLICATION FOR SUBMISSION TO THE STATE UNIVERSITY OF NEW YORK BOARD OF TRUSTEES

REQUEST 14:

R-14F - CODE OF ETHICS

www.uptowncharter.org

FEBRUARY, 2024

R-14F - Code of Ethics

CONFLICT OF INTEREST POLICY

Policy

The purpose of this Conflict of Interest Policy (the "Policy") is to protect the interests of The Uptown Arts and Science Charter School ("Uprown ASCS" or the "Corporation") when it is contemplating entering into a transaction or arrangement that may benefit the private interests of a Trustee, Officer, Key Person or employee of the Corporation. Before entering into any transaction or arrangement that may benefit the private interests of a Trustee, Officer, Key Person, or employee of the Corporation, the Board of Trustees of the Corporation (the "Board") shall determine whether the transaction or arrangement is prohibited under this Policy.

Article 1

Conflicts of Interest

Section 1. Trustees, Officers and employees of the Corporation, subject to certain limited exceptions, are generally prohibited from having a direct or indirect pecuniary or material benefit accrue from a contract with the Corporation, provided, however, this does not preclude the payment of lawful compensation and necessary expenses of such Trustee, Officer or employee in holding his or her position with BASC, as applicable. A Trustee, Officer or employee will also be considered to have a pecuniary or material benefit in a contract if the Corporation is party to a contract with (i) his or her spouse, minor children or dependents (except contracts of employment with BASC), (ii) a firm, partnership or association of which he or she is a member or employee, (iii) a corporation of which he or she is an officer, director or employee or (iv) a corporation any stock of which is owned or controlled directly or indirectly by him or her.

Section 2. Trustees, Officers and Key Persons of the Corporation are also restricted from engaging in any Related Party Transaction, which is not already expressly prohibited by Section 1 above, except as approved by the Board. In determining whether to approve a Related Party Transaction, the Board must determine if the transaction is fair, reasonable and in the best interests of the Corporation at the time of such determination.

With respect to any Related Party Transaction involving a charitable corporation and in which a Related Party has a substantial financial interest, the Board shall consider alternative transactions to the extent available, approve the transaction by not less than a majority vote of those present at the meeting, and contemporaneously document in writing the basis for the approval and the consideration of any alternative transactions.

Section 3. No Trustee, Officer or employee shall directly or indirectly, solicit any gift, or accept or receive any gift having a value of seventy-five dollars ($75.00) or more, whether in the form of money, service, loan, travel, entertainment, hospitality, thing or promise, or in any other form without prior approval of the Board of Directors.

Section 4. Employees of BASC may not serve on the Board.

Article 2

Disclosure and Voting

Any person with a potential or actual conflict of interest described in Article 1 of this Policy must promptly disclose such potential or actual conflict of interest in good faith in writing to his or her immediate supervisor, as applicable, and to each member of the Board, together with all material facts known to such Trustee, Officer, Key Person or employee with respect to the actual or potential conflict of interest. Such written disclosure shall be made part of and be set forth in the minutes of the Board. All such potential or actual conflicts of interest shall be reviewed by the Board.

Any Trustee, Officer, Key Person or employee to which the potential or actual conflict of interest relates shall not be present at or participate in the Board or committee deliberation or vote on the matter giving rise to such conflict; provided that nothing shall prohibit the Board or a committee from requesting that the person with the conflict of interest present information as background or answer questions at a committee or Board meeting prior to the commencement of deliberations or voting relating thereto.

If not prohibited by Article 1 of this Policy, any matter involving an actual or potential conflict of interest shall be approved by not less than a majority vote of the Board members present and voting at the meeting; provided, that a Trustee to which the potential or actual conflict of interest relates shall not be permitted to vote. No Trustee, Officer, Key Person or employee shall vote, act, or attempt to influence improperly the deliberations, as applicable. Any attempt to vote, act, or improperly influence deliberations may be grounds for removal from the Board or termination of employment with BASC.

Article 3

Committee Review

The Board may delegate to the Audit Committee or any Board committee comprised solely of Independent Trustees (each a “Committee”) the implementation of and compliance with this Policy. The Board may delegate to such Committee review and approval of any potential or actual conflict of interest; provided that if the potential or actual conflict of interest is of a nature that would otherwise require full Board approval, the Committee shall provide a recommendation as to whether or not to approve the potential or actual conflict of interest to the full Board, and the Board shall be responsible for making a final determination. In the event the Board delegates the review and approval of conflicts of interest to a committee, all references to the Board in this Policy shall be deemed to refer to such Committee and all references to a majority of the Board shall be deemed to refer to a majority of such Committee.

Article 4

Records of Proceedings

The minutes of all meetings of the Board and all committee meetings at which a potential or actual conflict of interest is considered shall contain the following:

(i) The names of the persons who disclosed or otherwise were determined to have a potential or actual conflict of interest, the nature of the potential or actual conflict of interest, any action taken to determine whether a conflict of interest exists, and the Board's decision as to whether a conflict of interest exists.
(ii) The names of the persons who were present for discussions and votes relating to any determinations under this Policy, including whether the Trustee, Officer, Key Person or employee left the room during any such discussions, the content of such discussions, and whether or not the transaction was approved by the Board.

The minutes shall be documented contemporaneously to the discussion and decision regarding the conflict of interest.

Article 5

Disclosures

Prior to the initial election or appointment of a Trustee to the Board, and thereafter on an annual basis, all Trustees shall disclose in writing to the Board Secretary:

(i) Any entity of which the Trustee is an officer, director, trustee, member, owner or employee;
(ii) Any entity of which a Relative of the Trustee is an officer, director, trustee, member, owner or employee and with which the Corporation has a relationship;
(iii) Any Financial Interest the Trustee may have in any corporation, organization, partnership or other entity which provides professional or other goods or services to the Corporation for a fee or other compensation; and
(iv) Any position or other material relationship such Trustee may have with any not-for-profit corporation, or any position or other material relationship held by a Relative of such Trustee, with which the Corporation has a business relationship.

Each Trustee shall also annually sign and submit to the Board Secretary a statement which affirms such person: (a) has received a copy of this Policy, (b) has read and understands the Policy, and (c) has agreed to comply with the Policy. The Secretary shall provide a copy of all completed statements to the Chair of the Board.

Article 6

Miscellaneous

Section 1. Any contract willfully entered into by or with the Corporation which is prohibited by this Conflict of Interest Policy shall be null, void and wholly unenforceable.

Section 2. In no instance shall a trustee, officer or employee of a for-profit educational management organization having a business relationship with BASC serve as a voting member of the Board for the duration of such business relationship.

Section 3. Trustees, officers, or employees of any single external organization shall hold no more than 40% of the total seats comprising the Board.

Section 4. Trustees, Officers, Key Persons and employees shall avoid at all times engaging in activities that would appear to be unduly influenced by other persons who have a special interest in matters under consideration by the Board. If this occurs, such Trustee, Officer, Key Person or employee shall disclose in writing all known facts prior to participating in a Board discussion of these matters and the Trustee, Officer, Key Person or employee's interest in the matter will be reflected in the Board minutes.

Section 5. Trustees, Officers, Key Persons and employees shall make all appropriate disclosures whenever a grievance or conflict of interest is lodged against them.

Section 6. In addition to any penalty contained in any other provision of law, any person who shall knowingly and intentionally violate this Conflict of Interest Policy may be fined, suspended or removed from office or employment in the manner provided by law.

Section 7. No Trustee, Officer or employee shall disclose confidential information acquired by him or her in the course of his or her official duties or use such information to further his or her personal interests.

Section 8. Trustees, Officers and employees may never ask a subordinate, a student or a parent of a student to work on or give to any political campaign.

Article 7

Definitions

Capitalized terms used herein shall have the meanings ascribed to such terms below:

(i) **Affiliate**. An affiliate of the Corporation is a person or entity that is directly or indirectly through one or more intermediaries, controlled by, in control of, or under common control with the Corporation.
(ii) **Financial Interest**. A person has a Financial Interest if such person would receive an economic benefit, directly or indirectly, from any transaction, agreement,

compensation agreement, including direct or indirect remuneration as well as gifts or favors that are not insubstantial or other arrangements involving the Corporation.

(iii) **Independent Trustee**. A member of the Board who:

a. Has not been an employee of the Corporation, a Key Person of the Corporation or an Affiliate of the Corporation within the last three (3) years;
b. Does not have a Relative who has been a Key Person of the Corporation or an Affiliate of the Corporation within the last three (3) years;
c. Has not received more than $10,000 in compensation directly from the Corporation or an Affiliate of the Corporation in any of the last three (3) years (not including reasonable compensation or reimbursement for services as a Trustee, as set by the Corporation);
d. Does not have a Relative who has received more than $10,000 in compensation directly from the Corporation or an Affiliate of the Corporation in any of the last three (3) years (not including reasonable compensation or reimbursement for services as a Trustee, as set by the Corporation);
e. Does not have a substantial Financial Interest in and has not been an employee of any entity that has provided payments, property or services to or received payments, property or services from, the Corporation or an Affiliate of the Corporation in excess of the sliding scale amounts set forth in NY CLS N-PCL §102(21), over the last three fiscal years (payment does not include charitable contributions);
f. Does not have a Relative who has a substantial Financial Interest or who has been an employee of any entity that has provided payments, property or services to or received payments, property or services from, the Corporation or an Affiliate of the Corporation in excess of the sliding scale amounts set forth in NY CLS N-PCL §102(21), over the last fiscal three years (payment does not include charitable contributions);
g. Is not a current owner, director, officer or employee of the Corporation's outside auditor or who has worked on the Corporation's audit at any time during the past three years;

REQUEST 14:

R-14I - BOARD MEMBER RFI FORMS

www.uptowncharter.org

FEBRUARY, 2024

R-14I - Board Member RFI Forms

Request for Information
Prospective Charter School Education Corporation Trustee
Form

Background

1. Name of charter school education corporation for which you intend to serve as a trustee.
   Uptown Arts and Science Charter School
2. Full name: Adaline Walker Santiago

   Home Address: [redacted]

   Business Name and Address: Not Applicable

   Home telephone No.: [redacted]

   Work telephone No:. [redacted]

   E-mail address: [redacted]
3. A brief educational and employment history (or you may attach a resume):
   ☑ Resume attached.

4. Please affirm that you will be at least 18 years old by the date of appointment to the education corporation's board. ☑ I affirm.

5. Please indicate whether you currently or have previously served on a board of a school district, another charter school education corporation, a non-public school or any not-for-profit corporation. ☐ Does not apply to me. ☑ Yes.

   Name(s) of School/Not-for-Profit Corporation(s):
   Bronx Arts and Science Charter School

6. Please indicate if you have ever been convicted of a misdemeanor related to honesty or trustworthiness, or a felony. If the answer to this question is yes, please provide details of the offense, the date, disposition, etc.

☑ Does not apply to me. ☐ Yes.

Details:

7. Please indicate if you have ever entered into a settlement agreement, consent decree, adjournment in contemplation of dismissal, assurance of discontinuance or other, similar agreement with the Securities Exchange Commission, Internal Revenue Service, the U.S. attorney general or the attorney general of any state, a U.S. or district attorney or any other law enforcement or regulatory body concerning the discharge of your duties as a board member of a for-profit or not-for profit entity or as an executive of such entity. If the answer to this question is yes, please provide details of the agreement.

☑ Does not apply to me. ☐ Yes.

Details:

Conflicts

8. Please indicate whether you or your spouse knows any of the other charter school education corporation trustees, or prospective or former trustees. If so, please indicate the precise nature of your relationship.

☐ I / we do not know any such trustees. ☐ Yes.

Details:
Proposed board members for the new Uptown project have already been serving together on the Board of the Bronx Arts and Science Charter School for five years.

9. Please indicate whether you or your spouse knows any person who is, or has been in the last two years, an employee of the education corporation. If so, indicate the precise nature of your relationship.

☑ I / we do not know any such employees. ☐ Yes.

Details:

10. Please indicate whether you or your spouse knows anyone who is doing, or plans to do, business with the education corporation or any of the schools it has the authority to operate (whether as an individual or as a director, officer, employee or agent of an entity). If so, indicate and describe the precise nature of your relationship and the nature of the business that such person or entity is transacting or will be transacting with the education corporation.

☑ I / we do not know any such persons. ☐ Yes.

Details:

11. Please indicate if you, your spouse or other immediate family members anticipate conducting, or are conducting, any business with the education corporation or any school it has the authority to operate. If so, please indicate the precise nature of the business that is being or will be conducted.

☑ I / we do not anticipate conducting any such business. ☐ Yes.

Details:

12. If the education corporation or any of the schools it has the authority to operate contracts with an educational service provider (a management company, whether for-profit or not-for-profit), please indicate whether you or your spouse know any employees, officers, owners, directors or agents of that provider. If the answer is in the affirmative, please describe any such relationship.

☐ Not applicable because the education corporation does not contact with a management company or charter management organization.

☐ I / we do not know any such persons.

☑ Yes.

Details:
iLearn Schools is the CMO for the Bronx Arts and Science Charter School as well.

13. If the education corporation contracts with an educational service provider including a charter management organization, please indicate whether you, your spouse or other immediate family members have a direct or indirect ownership, employment, financial, contractual or management interest in the provider. For any interest indicated, please provide a detailed description.

☐ N/A.

☑ I / we have no such interest.

☐ Yes.

Details:

14. If the education corporation or any of the schools it has the authority to operate is partnered with an educational service provider including a charter management organization, please indicate if you, your spouse or other immediate family member anticipate conducting, or are conducting, any business with the provider. If so, please indicate the precise nature of the business that is being or will be conducted.

☐ N/A.

☑ I / we or my family do not anticipate conducting any such business.

☐ Yes.

Details:

15. Please indicate whether you, your spouse or other immediate family members are a director, officer, employee, partner or member of, or are otherwise associated with, any organization which filed an application in conjunction with the education corporation, i.e., is partnered with the education corporation. (For the identity of all such organizations, please consult with the chair of the board.) To the extent you have provided this information in response to prior items, you may so indicate.

☒ Does not apply to me, my spouse or family.

☐ Yes.

Details:

16. Please indicate any potential ethical or legal conflicts of interests that would, or are likely to, exist should you be approved for service on the education corporation board. Please note that being a parent of a school student, serving on another charter school's board or being employed by the school are conflicts that should be disclosed, but do not make you automatically ineligible to serve as a trustee.

☑ None.

☐ Yes.

Details:

17. Please indicate any individual, business, corporation, union association, firm, partnership, committee, proprietorship, franchise holding company, joint stock company, trust, non-profit organization, or other organization or group of people doing business with the education corporation, and in which such entity you and/or your immediate family members have a financial interest or other relationship.

☑ None.

☐ Yes.

Details:

18. Please indicate how you would handle a situation in which you believe one or more members of the education corporation's board are involved in self-dealing (working for their own benefit, or the benefit of their friends and family). Please note that simply confronting the involved trustee is not usually a sufficient answer.

Dealing with suspected self-dealing among members of an education corporation's board is a sensitive and complex issue that requires a careful and structured approach. Here's a recommended course of action:

Check By-laws/policies: Review the organization's bylaws, conflict of interest policies, and code of ethics.

Other

19. Please affirm that you have read the education corporation's by-laws and conflict-of-interest policies (Code of Ethics). ☑ I affirm.

20. Please provide any other information that you feel pertinent to the SUNY Charter Schools Institute's review.

I welcome and fully support the approval of Uptown Arts and Science Charter School to serve students in our community. I value the school's mission and would be happy to see this worthwhile school of choice in our community.

Certification

I, Adaline Walker Santiago, certify to the best of my knowledge and ability that the information I am providing to the State University of New York/Charter Schools Institute in regards to my application to serve as a member of the board of trustees of Uptown Arts and Science Charter Sc is true and correct in every respect.

☐ Not applicable because the education corporation does not contact with a management company or charter management organization.

☐ I / we do not know any such persons.

☑ Yes.

Details:

I, Mustafa Coban, serve as the Chief Financial Officer of iLearn Schools Inc. I oversee financial operations of the organization. I am responsible for all financial, budgeting, fiscal reporting and compliance duties for the organization

13. If the education corporation contracts with an educational service provider including a charter management organization, please indicate whether you, your spouse or other immediate family members have a direct or indirect ownership, employment, financial, contractual or management interest in the provider. For any interest indicated, please provide a detailed description.

☐ N/A.

☐ I / we have no such interest.

☑ Yes.

Details:

I,Mustafa Coban, serve as the Chief Financial Officer of iLearn Schools Inc. I oversee financial operations of the organization.I am responsible for all financial, budgeting, fiscal reporting and compliance duties for the organization.I have been with the iLearn Schools (CMO) since its inception 2015.

14. If the education corporation or any of the schools it has the authority to operate is partnered with an educational service provider including a charter management organization, please indicate if you, your spouse or other immediate family member anticipate conducting, or are conducting, any business with the provider. If so, please indicate the precise nature of the business that is being or will be conducted.

☐ N/A.

☑ I / we or my family do not anticipate conducting any such business.

☐ Yes.

Details:

15. Please indicate whether you, your spouse or other immediate family members are a director, officer, employee, partner or member of, or are otherwise associated with, any organization which filed an application in conjunction with the education corporation, i.e., is partnered with the education corporation. (For the identity of all such organizations, please consult with the chair of the board.) To the extent you have provided this information in response to prior items, you may so indicate.

☐ Does not apply to me, my spouse or family.

☒ Yes.

Details:

I have already provided the necessary information regarding this question in a previous response.

16. Please indicate any potential ethical or legal conflicts of interests that would, or are likely to, exist should you be approved for service on the education corporation board. Please note that being a parent of a school student, serving on another charter school's board or being employed by the school are conflicts that should be disclosed, but do not make you automatically ineligible to serve as a trustee.

☑ None.

☐ Yes.

Details:

17. Please indicate any individual, business, corporation, union association, firm, partnership, committee, proprietorship, franchise holding company, joint stock company, trust, non-profit organization, or other organization or group of people doing business with the education corporation, and in which such entity you and/or your immediate family members have a financial interest or other relationship.

☐ None.

☑ Yes.

Details:

I have already provided the necessary information regarding this question in a previous response.

18. Please indicate how you would handle a situation in which you believe one or more members of the education corporation's board are involved in self-dealing (working for their own benefit, or the benefit of their friends and family). Please note that simply confronting the involved trustee is not usually a sufficient answer.

    1. Consult with legal counsel before taking any actions to understand the implications of the evidence and the best course of action. 2. Report to an appropriate higher authority if circumstances require further action to be taken. 3. Review and strengthen policies to prevent future occurrences.

Other

19. Please affirm that you have read the education corporation's by-laws and conflict-of-interest policies (Code of Ethics). ☑ I affirm.

20. Please provide any other information that you feel pertinent to the SUNY Charter Schools Institute's review.

Certification

I, Mustafa Coban, certify to the best of my knowledge and ability that the information I am providing to the State University of New York/Charter Schools Institute in regards to my application to serve as a member of the board of trustees of Uptown Arts and Science Charter School is true and correct in every respect.

R-15 - District Relations

A. Relationship Strategies

a. Introduction

As the founding team of Uptown ASCS, proposed to serve grades 9-12 in Community School District 8 (CSD 8), Bronx, we are committed to establishing and nurturing strong, cooperative relationships with local public schools. This report outlines our multifaceted strategies for building these relationships, addressing both the opportunities and challenges inherent in this process, and documents our initial outreach efforts.

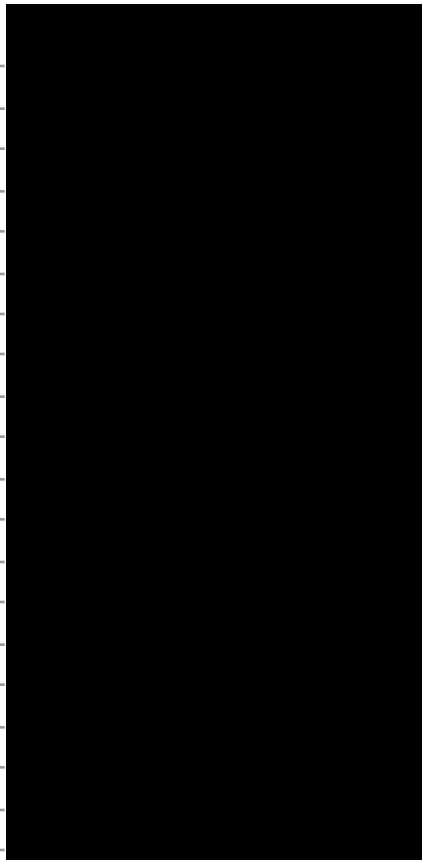
Uptown ASCS aims to deliver a high-quality STEAM-based education, emphasizing technology integration, STEAM education, and college and career readiness. Our vision is to work collaboratively with schools in CSD 8, fostering an environment where shared educational goals are the foundation of our partnerships.

b. Strategies for Establishing Relationships

- Proactive Outreach and Communication:** Despite no response to our initial email outreach to local school principals, we will continue our efforts through alternative

communication channels, including direct phone calls and letters, to establish a dialogue.

Bronx Arena High School
Bronx Bridges High School
Bronx Community High School
Bronx Compass High School
Bronx River High School
Gotham Collaborative High School
Herbert H Lehman High School
Longwood Preparatory Academy
Millenium Art Academy
Pelham Lab High School
Renaissance High School For Musical Theater And The Arts
Schuylerville Preparatory High School
Westchester Square Academy
Women's Academy Of Excellence
Antonia Pantoja Preparatory Academy - A College Board School
Archimedes Academy-Math Sci Technical
Bronx Academy For Multi-Media
Bronx Mathematics Preparatory School (The)
Bronx Studio School For Writers And Artists



- ***Face-to-Face Meetings:*** We plan to schedule meetings with principals and key district officials to discuss potential collaborative opportunities, emphasizing the mutual benefits of such partnerships.
- ***Joint Professional Development Programs:*** Proposing co-hosted workshops and seminars that cater to the shared interests and development needs of faculties from Uptown ASCS and district schools.
- ***Shared Educational Events and Activities:*** Organizing joint student-centered events such as STEAM fairs and art exhibitions, promoting a sense of community and shared learning experiences.
- ***Community Engagement Initiatives:*** Participating in and supporting community service projects, like the Throggs Neck Community Alliance, to demonstrate our commitment to the local area and its educational institutions.

c. Opportunities

- Enriched Educational Landscape: Collaborations could lead to a broader range of educational experiences for students.
- Shared Professional Development: Joint initiatives provide platforms for exchanging innovative teaching strategies and best practices.

- Resource Optimization: Sharing resources like guest speakers and facilities enhances educational opportunities for all stakeholders.

d. Challenges

- Initial Communication Hurdles: Overcoming initial reluctance or hesitation from established schools to engage with a new charter school.
- Resource Limitations: Balancing resource allocation between collaborative initiatives and individual school needs.
- Alignment of Objectives: Ensuring Uptown ASCS's goals are in harmony with those of CSD 8 schools.

e. Initial Outreach Results

Our initial outreach, though not yet successful, signifies the beginning of our persistent efforts to engage with CSD 8 schools. We acknowledge the need for perseverance and flexibility in our approach.

f. Conclusion

Uptown ASCS is dedicated to fostering a collaborative and mutually beneficial relationship with CSD 8 schools. Our focus is on building a community where educational excellence is a collective goal. We will continue to explore diverse methods to engage with these schools and remain committed to our vision of a cooperative educational environment.

Next Steps

- Diversified Outreach Efforts: Utilizing various communication methods to engage with school principals and district officials.
- Organize an Open House Event: Inviting CSD 8 school principals and staff to Uptown ASCS to foster direct engagement and showcase our educational model.
- Develop Detailed Collaboration Proposals: Crafting proposals for joint professional development and student activities to present during meetings with school principals and district officials.

School Partnerships with Low-Performing Schools

Uptown ASCS intends to partner with lower-performing schools in CSD 8, sharing best practices and innovations. This partnership will focus on elevating educational outcomes and supporting schools in need. Our approach includes mentorship programs, shared resource platforms, and

collaborative curriculum development, particularly in areas where Uptown ASCS exhibits strengths, such as STEAM education and technology integration.

Angela Torres' Involvement
Leveraging the expertise and community connections of Angela Torres, a prominent parent advocate and director of operations at the Throggs Neck Community Alliance, Uptown ASCS will engage in community-based educational initiatives. Torres' experience in educational advocacy and community service will be invaluable in building bridges with local schools and the broader community.

B. School Partnerships

Description of Low-Performing Schools in CSD 8 and Partnership Strategies

a. Overview of Low-Performing Schools in CSD 8

Community School District 8, encompassing areas like Country Club, Edgewater Park, Soundview, Hunts Point, and Throggs Neck in the Bronx, faces unique educational challenges. Several schools in this district struggle with low graduation rates, underperformance in standardized testing, and challenges in college and career readiness. These schools often grapple with limited resources, high student-to-teacher ratios, and a lack of access to advanced technological tools and innovative teaching methodologies.

b. Partnership Strategies with Uptown ASCS:

Mentorship and Teacher Training Programs:

- Uptown ASCS could establish mentorship programs where experienced educators from our school collaborate with teachers from low-performing schools to share effective teaching strategies, particularly in STEAM subjects.
- Joint professional development workshops focusing on innovative teaching methods, classroom management, and the integration of technology in education.

Curriculum Development Support:

- Uptown ASCS can assist in the development and sharing of curriculum resources, especially in areas where these schools are lacking, such as STEAM education.
- Facilitate workshops for curriculum development that incorporate interdisciplinary approaches and real-world problem-solving.

Technology Integration and Resource Sharing:

- Providing support in integrating technology into the classroom, including the use of learning management systems and data-driven instructional tools.
- Setting up a resource-sharing initiative where Uptown ASCS can lend technological resources or provide access to digital educational platforms.

Student Tutoring and Enrichment Programs:

- Implementing tutoring programs where high-performing students from Uptown ASCS assist students from low-performing schools, fostering a peer-to-peer learning environment.
- Organizing extracurricular activities and STEAM-based events where students from both Uptown ASCS and partner schools can participate, promoting engagement and exposure to new concepts.

Community and Parental Engagement:

- Utilizing Angela Torres' experience and network to foster community involvement in education, who is an active Youth and Education Committee (CB10) member in the proposed location of CSD 8. This includes parent workshops, community events, and collaborative projects like the food pantry initiative, aligning with educational goals. Leveraging the expertise and community connections of Angela Torres, a prominent parent advocate and director of operations at the Throggs Neck Community Alliance, Uptown ASCS will engage in community-based educational initiatives. Torres' experience in educational advocacy and community service will be invaluable in building bridges with local schools and the broader community.

- Encouraging a collaborative approach with parents and community members to support educational initiatives and create a supportive learning environment.

Evaluation and Feedback Systems:

- Establishing a system of regular evaluation and feedback to assess the effectiveness of partnership initiatives.
- Using data and feedback to continuously improve and tailor the support provided to each school based on their unique needs and challenges.

Grants and Funding Opportunities:

- Collaborating to identify and apply for grants and other funding opportunities that can support joint educational projects and improvements in resources and infrastructure.

c. Conclusion

The partnership between Uptown ASCS and low-performing schools in CSD 8 is envisioned as a symbiotic relationship, where shared resources, expertise, and collaborative efforts can lead to significant improvements in the educational outcomes of all involved. This alliance not only uplifts schools facing challenges but also enriches the educational experience of Uptown ASCS, fostering a community of shared learning and mutual growth.

R-16AC - Facilities

A. Facility Needs

a. Desired Location

Uptown ASCS aims to be strategically located within the Bronx Community School District 8 (CSD 8), encompassing the areas of Country Club, Edgewater Park, Soundview, and Hunts Point. This location is selected for its accessibility and the need for high-quality educational options in these vibrant communities. The proposed facility will be situated to optimize convenience for families residing in these neighborhoods, ensuring easy transportation access while being nestled in a safe, community-oriented environment.

b. Classroom Requirements

Year 1-5 Breakdown:

- General Education Classrooms: Uptown ASCS will expand by one grade level each year. Starting with 9th grade in Year 1, the school will require a minimum of 8 general education classrooms. With each subsequent year, this number will increase by 8, and reach 35 classrooms by Year 5.
- Special Education Classrooms: Consistent with iLearn Schools' commitment to inclusivity, Uptown ASCS will dedicate at least 2 classrooms in year one for special education, equipped with resources tailored for diverse learning needs, and classrooms will be added every year as needed to accommodate growing enrollment.
- ELL Classrooms: In alignment with the iLearn model, 2 classrooms in year one will be allocated for English Language Learner (ELL) services, ensuring personalized attention and language support. Additional classrooms will be added every year as needed to accommodate growing enrollment.
- Labs and Specialty Classes: Reflecting the STEAM focus, Uptown ASCS will require 2 science labs, 1 computer lab, and 1 arts studio from Year 1, expanding as needed to accommodate growing enrollment.
- Intervention/Enrichment Programs: To support the iLearn's iRise and iStellar programs, 2 additional classrooms will be set aside for targeted interventions and enrichment activities.

c. Additional Space Requirements

- Administrative Offices: A suite of administrative offices will be essential, housing the Principal's office, administrative staff, and conference rooms. Given iLearn Schools' collaborative approach, space for teacher planning and professional development will also be incorporated.
- Food Services: A cafeteria accommodating at least 30% of the student body per seating, with a functional kitchen, will be necessary to provide nutritious meals in line with iLearn's commitment to student well-being.
- Nurse's Office: A fully-equipped nurse's office will be a priority, ensuring immediate medical attention and health services for students.
- Physical Education: Considering Uptown ASCS's emphasis on holistic development, a gymnasium or a multi-purpose room for physical education and school events is crucial. An arrangement for shared use of local facilities or parks may also be explored for outdoor activities.

d. Unique Facility Features

- Design Challenge Classrooms: Inspired by iLearn's innovative approach, specially designed classrooms for project-based learning, especially in STEAM subjects, will be included.
- Technology-Enabled Learning Spaces: Classrooms and labs will be outfitted with advanced technology, reflecting iLearn's emphasis on integrating technology into education.
- Community Spaces: Spaces for parent meetings, exhibitions, and community events will foster the school's role as a community hub.
- Sustainable Design: Echoing the iGoGreen initiative, the school will incorporate eco-friendly design principles to promote sustainability.

Uptown ASCS's facility will be a beacon of innovative, inclusive, and community-focused education, embodying the iLearn Schools' ethos and catering to the specific needs of the diverse student body it will serve in the Bronx. By thoughtfully designing spaces that nurture academic excellence, creativity, and well-being, Uptown ASCS will stand as a model for future-oriented education in New York City.

B. Facility Selection

Our quest to establish Uptown ASCS within Bronx Community School District 8 (CSD 8) has involved a systematic and collaborative approach to identify and secure a suitable facility that aligns with our educational vision and community engagement goals. Our methodology has

been comprehensive, encompassing demographic studies, real estate trends, local community feedback, and educational needs assessments.

Efforts to Date:

a. **Facility Identification and Evaluation:**

- We have conducted an extensive survey of potential locations in Country Club, Edgewater Park, Soundview, and Hunts Point areas. Each site has been evaluated for accessibility, community integration potential, real estate feasibility, infrastructure, and safety.
- Currently, we are in early discussions regarding a few select properties, which show promise in terms of space, cost-effectiveness, and adaptability for educational purposes.

b. **Compliance with Regulatory Standards:**

- The shortlisted facilities will be rigorously assessed to ensure they meet the New York State Education Department (NYSED) standards, as well as the New York City Department of Buildings School Use (G) specifications and state sanitary requirements.
- We are engaging with architectural and construction experts to evaluate if these sites require renovations or upgrades to align with educational facility standards and to ensure compliance by the commencement of the first school year.

c. **Partnership and Collaboration:**

- While no external organization, other than the iLearn Schools facilities department, is directly assisting Uptown ASCS in obtaining facilities, we are in constant dialogue with local real estate agencies, NYC Dioceses, and community organizations to keep abreast of available options and community sentiments.

Uptown ASCS will not seek to be located in any public school facility. Our facility acquisition strategy is focused entirely on securing a standalone site that aligns with our specific educational model and community integration objectives within Bronx Community School District 8 (CSD 8). This approach ensures that Uptown ASCS will have a dedicated space tailored to our unique STEAM-based curriculum and community engagement goals, without the constraints or complications that might arise from sharing space in a public school facility.

The selection of Uptown ASCS's facility is being pursued with a strategic balance of accessibility, suitability, regulatory compliance, and community integration. We are committed to not only establishing a state-of-the-art educational institution but also nurturing a vibrant

learning community that embodies the spirit of Bronx's District 8. Our efforts are geared towards securing a facility that will serve as a beacon of excellence and inclusivity, providing a nurturing environment for the holistic development of our future students.

C. Facility-Related Conflicts of Interest

Uptown ASCS, as part of the iLearn Schools network, places a high priority on establishing strong foundations for its schools. In the case of facility ownership or leasing, iLearn Schools is committed to ensuring transparency, fairness, and avoidance of any potential conflicts of interest. Below is a detailed description of our approach and management strategies regarding facility arrangements.

Ownership or Lease Arrangement Description

a. Facility Acquisition Strategy:

- iLearn Schools, while supporting Uptown ASCS, may either pursue ownership or lease options for the school's facility. The decision will be based on a comprehensive analysis of cost-effectiveness, suitability for the school's needs, and alignment with long-term strategic goals.
- The selection process for acquiring a facility will involve evaluating multiple options, seeking expert advice, and considering community feedback to ensure the chosen facility serves the best interests of the students and the community.

b. Conflict of Interest Management:

- In compliance with regulatory requirements, iLearn Schools ensures that no trustee or member of the education corporation has an ownership interest in the facility. This policy is strictly adhered to prevent any potential conflicts of interest.
- All decisions regarding the facility will be made with complete transparency.

c. Fair Market Valuation:

- Should iLearn Schools decide to purchase or lease a facility for Uptown ASCS, a fair market valuation of the cost will be obtained. This valuation will be conducted by independent, certified appraisers to ensure impartiality and accuracy.

- The valuation report will be reviewed and approved by the board, considering all relevant factors including market trends, property conditions, and suitability for educational purposes.

d. Lease Arrangements and Oversight:

- In the case of a lease arrangement, iLearn Schools will negotiate terms that are favorable and sustainable for Uptown ASCS, ensuring that the lease agreements are aligned with the school's operational needs and financial capabilities.
- The lease contract will be structured to avoid any untenable escalation clauses and will include provisions for regular maintenance and necessary modifications to suit the school's requirements.

e. Ongoing Management of Facility:

- iLearn Schools' facilities department will be responsible for the ongoing management of the facility. This includes ensuring compliance with all safety and health regulations, conducting regular maintenance, and overseeing any necessary renovations or upgrades.
- The department will also ensure that the facility remains conducive to the educational environment and supportive of Uptown ASCS's STEAM-based curriculum and extracurricular activities.

The facility acquisition and management for Uptown ASCS will be undertaken with the utmost diligence and responsibility. iLearn Schools is committed to providing a facility that not only meets the operational and educational needs of Uptown ASCS but also upholds the principles of fairness and integrity, devoid of any conflicts of interest. Our approach ensures that Uptown ASCS begins its journey in an environment that is conducive to learning and growth, supported by a facility that reflects the values and aspirations of the iLearn Schools community.

FEBRUARY, 2024

R-17 - Food Services

Describe the plans for food services the school will provide. Indicate if the school will participate in the Federal school lunch and/or breakfast program. While food service plans are at the discretion of the school, please note that many school districts allow charter schools to participate in district food service contracts or programs.

The Uptown ASCS is committed to participating in the Federal School Breakfast Program and National School Lunch Program, ensuring that all meals provided are in strict compliance with the regulations set forth by the National School Lunch Program.

In our efforts to support this initiative, the school will actively collaborate with the NYC Office of Food Nutrition Services, fostering a partnership that will facilitate the receipt of nutritious breakfast and lunch meals from the local public school district.

iLearn Schools Inc.

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL

PROPOSED CHARTER SCHOOL APPLICATION FOR SUBMISSION TO THE STATE UNIVERSITY OF NEW YORK BOARD OF TRUSTEES

REQUEST 18:

R-18 - HEALTH SERVICES

www.uptowncharter.org

FEBRUARY, 2024

R-18 - Health Services

Uptown ASCS believes that school health services should provide a comprehensive approach to preventing and addressing student health problems that may interfere with learning. Healthy bodies and healthy minds will equate to increased learning. Uptown ASCS will work with the Department of Education to provide nursing services. Uptown ASCS shall comply with all health service requirements applicable to all NYC public schools as indicated by the NYC DOE Office of School Health (OSH). Uptown ASCS will incorporate and provide health programs and services, including, but not limited to: AED/CPR training for staff, health education for students tailored to the Office of School Wellness Programs, concussion training for required personnel, and mandatory vision screening for all students. All staff will have access to first aid kits and resources. Uptown ASCS will store and retain health records for enrolled students as required by New York State Law. The school will ensure that New York State requirements for immunization are met for all students.

Regarding nursing services, since the priority of the school is to be in a private facility, it will employ a school nurse for health services. Once the student population surpasses 250 in the third year, the school might seek a nurse from the NYC DOE Office of School Health. The school nurse will manage student health records, oversee medication distribution, and provide care for minor illnesses and injuries. Other staff members will also receive training in CPR and using automated external defibrillators, which will be available on-site and at school events.

The school nurse will manage student health records, oversee medication distribution, and provide care for minor illnesses and injuries. Other staff members will also receive training in CPR and using automated external defibrillators, which will be available on-site and at school events.

All student health records will be securely stored and only accessed by authorized school or DOE staff. The nurse will ensure these records are current and accurate. Records will include immunization details, medication administration authorizations, and nurse visits, along with emergency contact information.

Immunization compliance will be monitored according to New York State requirements. Required immunizations include Diphtheria, Tetanus with Pertussis, Polio, Measles, Mumps, Rubella, Hepatitis B, and Varicella. Proof of immunity can come from various sources like health provider certificates, state registry records, or previous school records.

In a private facility, the school will provide a secure nurse's office with locked storage for files and medications, and the necessary equipment for record-keeping and communication.

Regarding waivers, state law permits exemptions from immunizations on medical or religious grounds. Medication policies at Uptown ASCS will be stringent to ensure safe storage and administration. Medications will only be given during school hours as directed by parents or

guardians and prescribed by a healthcare provider. The nurse will handle certain types of medication administration, while trained staff can assist self-directed students with others.

Written orders for medication administration must include detailed instructions and are required even for over-the-counter medications. Medication orders need annual renewal or updates if there are any changes. Prescribed medications must be in original containers with proper labeling, and over-the-counter medications should also be in original packaging and stored at the school.

The school will collaborate with students, families, and prescribers for students who regularly forget to take medication. Under specific conditions, students may be allowed to self-carry medications, such as for asthma, but this requires written orders from a healthcare provider, a request from the parent/guardian, and demonstrated responsibility by the student.

UPTOWN ARTS AND SCIENCE CHARTER SCHOOL

PROPOSED CHARTER SCHOOL APPLICATION FOR SUBMISSION TO THE STATE UNIVERSITY OF NEW YORK BOARD OF TRUSTEES

REQUEST 19:

R-19 - TRANSPORTATION

www.uptowncharter.org

FEBRUARY, 2024

R-19 - Transportation

Uptown ASCS will ensure that transportation is not a barrier to equal access for all students. Uptown ASCS students will receive transportation services for which they are eligible under Education Law § 2853(4)(b) and § 3635. If a student is ineligible for such transportation, the student's parent or guardian will be responsible for providing transportation. The NYC DOE is responsible for providing the same transportation services as other NYC public school students, and Uptown ASCS will coordinate with the DOE Office of Pupil Transportation (OPT) to access busing and/or MetroCards. The applicant must inform the school two weeks prior to the application deadline of April 1st in order to be considered eligible for transportation. The school will submit a transportation request for the applicant. The school's administrative assistants will be responsible for coordinating all transportation that includes submission of required eligibility forms and identification of bus routes and stops. The same personnel will contact eligible students' families to inform them of their child's bus number, bus stop, and estimated pick-up and drop-off time. Transportation for special education students will be provided in accordance with all applicable State and Federal laws. We will provide special transportation and accommodations that are included in a student's IEP or 504 plan.

R-20 - Insurance

The Uptown ASCS will carry adequate insurance coverage for liability, property loss, and personal injury to students and any other insurance that the school deems necessary or is set forth in the Terms of Operation of the Charter Agreement. A comprehensive list of coverage types and limits are listed in the table below. The school has consulted the insurance broker of Fortitude Insurance to obtain estimates, and the premiums are reflected in the budget. Any subcontractors may be named as additional insured as needed.

Coverage	Limit
General Liability (Each Occurrence)	$1,000,000
Excess/Umbrella Liability (each occurrence)	$5,000,000 - $10,000,000
Property Coverage	$1,000,000
Auto Liability/Phys. Damage(hired and non-owned)	$1,000,000
Directors and Officers	$1,000,000
Employment Practices Legal Liability (EPLI)	$1,000,000
Student Accident Insurance	1,000,000
Worker's Compensation & Employers' Liability	$1,000,000

R-21AD - Fiscal Soundness

A. BUDGET NARRATIVE

The budget for Uptown Arts and Science Charter School is meticulously crafted to align with our vision and mission, ensuring that every financial decision supports our educational objectives. Adopting a conservative approach in estimating revenues and a liberal approach in anticipating expenses, this budget reflects a balance of realism and caution, ensuring the school's financial resilience from its inception.

a. Pre-Opening Budget

The pre-opening phase is financially underpinned by a Charter School Program (CSP) grant of $139,585. The Charter Management Organization (CMO) plays a pivotal role during this stage, managing school opening activities and recruitment efforts. It will establish essential financial and operational systems, including accounting, human resources, and curriculum development. To address potential cash liquidity challenges, the CMO will extend a $105,000 loan to the school, anticipated to be repaid by the end of the fiscal year 2026.

b. Year 1 Budget Assumptions:

Revenues:

- We estimate budget enrollment considering a 5% attrition rate over the first five years.
- The primary revenue source, "per pupil revenue," is conservatively projected to increase by 2.4% annually, starting at $18,340 per pupil.
- Special Education revenue is calculated at 8% of the student population in Year 1. Per pupil aid is estimated to be $10,340
- IDEA funding, taking cues from Bronx ASCS's first year, is estimated at $1,218 per special education student, with subsequent years following suit.
- Title Funding, with an assumption of 85% enrollment eligibility for free/reduced lunch, is projected at $588 per student for Title I, and $5,645 and $10,000 for Titles II and IV, respectively.

Expenses:

- Personnel Costs: We aim to offer competitive administrative and teacher salaries, benchmarked against NYC public schools and the United Federation of Teachers salary scales.

- Taxes & Benefits: Retirement and fringe benefits are in line with regional charter school standards. Full-time employees will receive comprehensive medical and dental benefits, and a 403B plan with a 7.7% match of total wages.

- Equipment and Furniture: In our inaugural year, we have allocated a budget of $120,000 specifically for equipping and furnishing 8 classrooms. This investment will ensure that each classroom is adequately outfitted with the necessary furniture and equipment to create an optimal learning environment. Additionally, the allocation of funds will extend beyond classrooms to include furnishing office spaces and common areas. These spaces will be designed to facilitate administrative efficiency and provide comfortable areas for student interaction and engagement.

- Technology: A key component of our modern educational approach is the integration of advanced technology into our curriculum. To this end, the school will install interactive whiteboards in each classroom. These boards will serve as dynamic tools for interactive learning, enabling teachers to present educational material in a more engaging and effective manner. Furthermore, we are committed to providing each student with a Chromebook, which will be an essential tool for their day-to-day learning activities. In addition to the student technology, each teacher will be equipped with a laptop. These laptops will be specifically for classroom instructional purposes, enabling teachers to design and deliver lessons more effectively, access online resources, and manage classroom activities with greater ease.

- Contracted Services: Our school will enter into a partnership with iLearn Schools for comprehensive charter school management services. This collaboration is a strategic decision to leverage their expertise in effectively managing charter school operations. iLearn Schools will provide a range of services including but not limited to curriculum development, staff training, compliance management, and operational support. In terms of financial arrangements, the school will compensate iLearn Schools with a management fee that amounts to 8% of the actual local and state revenues received in year one, and 11% in year 2-5.

- Building and Land Rent/Lease: We have allocated no resources for rental fees, anticipating public space availability. If necessary, rental assistance funds from NYC are expected to cover private facility rentals.

- Dissolution Escrow & Reserves/Contingency: We have budgeted $100,000 for dissolution. 25,000 per year for four years

c. Long-Term Financial Planning:

Over the next five years, Uptown Arts and Science Charter School is projected to experience steady growth, solidifying a robust financial position with an anticipated ending cash balance

exceeding five million dollars. To address any potential financial or cash flow challenges, the CMO will collaborate closely with the Board, considering options such as deferring management fees or acquiring a loan. iLearn Schools, a well-resourced charter management organization, stands ready to provide necessary financial support in various forms when required. This support may include facilitating the acquisition of bank loans or, if circumstances necessitate, delaying or even waiving management fees to ensure the school's financial stability and ongoing operational success.

This budget is a testament to our commitment to prudent financial planning. It is designed to not only sustain the school's operations but also to ensure its growth and success. With conservative revenue estimations and liberal expense projections, we are prepared to navigate the financial complexities of a new educational venture while focusing on our core mission of delivering exceptional education.

B. FINANCIAL PLANNING

The CMO will provide comprehensive financial management and accounting services for The Uptown ASCS, ensuring transparency and accountability in all financial operations. The responsibilities of the CMO encompass:

- Conducting effective budget and accounting operations, general ledger management, and financial reporting in compliance with the Management Agreement and relevant statutes and regulations.
- Serving as the purchasing agent for The Uptown ASCS, subject to Board approval. This involves procuring essential goods and services for the school's operations, while optimizing costs through strategic purchasing arrangements.
- Managing tax-related matters, including the preparation and filing of tax returns, and maintaining the school's tax-exempt status in line with federal and New York State laws.
- In adherence to the iLearn Schools' Standard Operating Procedures, the CMO brings a proven record of effective budget management and financial operations.

a. Annual Budget Process:

The annual budget process involves close collaboration between the CMO, the school's staff, and the Board. The School Director will work closely with staff to assess the educational and operational needs of the school. The budget is refined through discussions and feedback from various stakeholders, aligning it with the school's educational objectives and financial sustainability.

The administrators charged with estimating budgetary needs will be guided by these cost priorities, listed in order of descending importance:

- Staffing adequate to sustain the current instructional program;

- Supplies and equipment adequate to sustain the current instructional program;
- Maintenance of current facilities and programs
- New staff members to improve or expand the current program;
- New supplies and equipment to improve or expand the current instructional program; and;
- New instructional programs.

b. Budget Timeline:

- In January/February, the CEO, CFO, and School Director meet to discuss and review the needs (and additional needs) of the school for the upcoming school year.
- In March/April, the CMO compiles the proposed budget for the upcoming school year. The CEO, CFO, and School Director review the proposed budget with the Finance Committee of the Board.
- In May/June, the CFO makes any changes to the budget. The full Board reviews the budget for adoption at a public meeting in June prior to the new fiscal year on July 1 and in sufficient time for submission to the DOE by August 1.

c. Budget Monitoring and Revision:

Budget monitoring will occur on a monthly basis, facilitated by the CFO of the CMO, who prepares balance sheets and statements of activity in accordance with GAAP. These reports provide detailed insights into asset, liability, revenue, and expense categories and include budget vs actual comparisons and cash flow projections for Board meetings. Significant variances are explained, ensuring clarity and understanding among all trustees.

C. FISCAL AUDITS

An audit of the accounts of The Uptown Arts and Science Charter School will be conducted annually by an independent certified public accountant or a certified public accounting firm, selected by the Board of Trustees and licensed in New York State. This audit will comply with state laws pursuant to Education Law §2854(1)(c) and Generally Accepted Auditing Standards.

The Board of Trustees will establish an auditor's fee each fiscal year and select a firm experienced in school accounting. The independence of the auditor is paramount to ensure an unbiased review of our financial operations.

Within 30 days of receiving the annual audit report, the Board of Trustees will review and discuss the auditor's recommendations in their meeting, ensuring these discussions are recorded in the minutes. The Board will then direct and oversee the implementation of these recommendations, ensuring that the school adheres to the best practices in financial

management. In alignment with our commitment to transparency and accountability, this process will be conducted in accordance with the specific assurances outlined in the document “Assurances Regarding the Provision of Fiscal Audits and Dissolution.”

D. DISSOLUTION PLAN

In the event of closure or dissolution of The Uptown ASCS, the Board of Trustees shall manage the process in strict accordance with Education Law § 2851(2)(t), the SUNY Closure Plan, and elements from the Institute’s Closure Plan. As part of our commitment to responsible financial management, an escrow account of $100,000 will be established specifically to cover audit and legal expenses associated with dissolution. This fund will be managed transparently and in accordance with legal requirements.

An ad hoc Education Corporation Board Committee will be formed to oversee the wind-up/closure process. This committee will be structured based on the template provided by the SUNY Charter Schools Institute and will consist of key stakeholders to ensure a comprehensive and orderly dissolution. The committee's responsibilities will include, but not be limited to, overseeing asset liquidation, ensuring compliance with legal obligations, and coordinating communication with all affected parties.

We assure full compliance with the specific assurances regarding fiscal audits and dissolution as outlined by the Institute In terms of asset distribution, we will adhere to statutory requirements and ethical practices to ensure that remaining resources are allocated in a manner that benefits the community and respects the intent of our donors and stakeholders.

A detailed communication plan will be developed to keep students, parents, staff, and the community informed throughout the dissolution process. Additionally, contingency plans will be in place to address any unforeseen challenges that may arise during the process, ensuring a smooth transition for all involved.

SUNY Charter Schools Institute
The State University of New York

GENERAL INSTRUCTIONS FOR 2023 NEW SCHOOL PROPOSAL BUDGETS AND CASH FLOWS

TAB COLORS

1- GRAY tabs contain the Instructions and the Funding by Districts Table.

Instructions	- Provides description of tabs and input requirements.
Funding by District	- Reference table with Per Pupil Revenue for current year.

2- BLUE tabs require input of information.

1) School Information	- Enter school name, contact information and planned dates for proposed budgets.
2) Enrollment Chart	- Enter enrollment information on this tab to be automatically populated throughout workbook.
3) Staffing Plan	- Enter staffing plan information on this tab to be automatically populated throughout workbook.
4) Pre-Opening Period Budget	- Enter "description of assumptions" for the Pre-Opening Budget on this tab only; the numbers are automatically populated using input from tab 5 or tab 6.
5) Pre-OP Cash Flow 1-Year	- Enter Pre-Opening Cash Flow information on this tab only if opening in the second year following the application submission with a 1-year preopening period.
6) Year 1 Budget & Assumptions	- Enter Year-1 Budget information that includes Program and Support Services detail.
7) Year 1 Cash Flow	- Enter Year-1 Budget information that includes monthly cashflow detail.
8) 5 YR Budget & Cash Flow Adj	- Enter Budget information for Years 2-5 including Per Pupil Rate increase percentages and Revenue and Expense projections.
9) Fiscal Impact	- "Fiscal Impact" report showing effect on primary school district from which the majority of students are enrolled.

CELL COLORS & GUIDANCE COMMENTS

= Enter information into the light BLUE shaded cells.

= Cells labeled in ORANGE contain guidance regarding the input of information.

= Cells containing RED triangles in the upper right corner contain "guidance comments" on that particular line item. Please "mouse-over" the triangle to reveal each comment.
