Form 990, Part I, Line 1 - Organization Mission or Significant Activities

Paterson Arts & Science Charter School focuses on high academic achievement, allowing opportunities for all students, from the academically challenged, to the students with academic talents who want to compete in academic Olympiads. The curriculum has its basis in the New Jersey Core Curriculum Content Standards, transcending the requirements and infusing technology into the curriculum. Every child is encouraged to meet his or her potential, with adaptations or additions made to programs to accommodate individual needs.

At PASCS, we believe that family involvement is an integral component of our school culture. Our goal is to continue fostering close and positive relationships and constant communication between school, family and community. Our Parent-Teacher Organization (PTO) maintains a strong presence at the school, and they are a vital component of enriching the experience of students. They make the purchase of sports equipment, musical instruments, yearbooks and classroom materials a reality for our school district. Additionally, the PTO fundraises to defray the cost of field trips for the students.

As in prior years, during the 2017-2018 Academic Year, PASCS reached out to both the parents and the community with myriad programs and activities to enhance the experience of the students and school community as a whole. Parents are not only invited to attend, but asked to contribute to planning and implementation programs and offerings. PASCS cultivates and maintains steady school/family interaction through an array of activities such as Hispanic Heritage Celebration, Grandparent's Night, Parent/Teacher Conferences, and Science Olympiad, to name just a few.
