* The two applications that follow, Institute ID Nos. 2007-001 and 2007-002, comprised the SUNY Waiting List; created by the Board of Trustees of the State University of New York in January of 2006 to recognize that these applications were deemed to meet all of the requirements of the New York Charter Schools Act, however, the Trustees did not have enough charters available at that time to award to all the recommended applicants. With the recent lift of the cap on the number of new charter schools allowed in the State, the Institute updated and re-reviewed these two applications, which are now subject to the approval (vote) of the State University Trustees.
