### **Background**

The New York Charter Schools Act of 1998 (as amended) permits the Board of Trustees to renew the charters of not-for-profit education corporations it has authorized. Pursuant to Resolution No. 2012-038 dated June 12, 2012, the

Board of Trustees delegated authority to renew charters to the Charter Schools Committee. Pursuant to the *Policies for the Renewal of Not-for-Profit Charter School Education Corporations and Charter Schools Authorized by the State University Board of Trustees* (the "SUNY Renewal Policies") (last amended September 4, 2013 and available at: <http://www.newyorkcharters.org/category/operational-resources/renewal/>, the State University of New York Charter Schools Institute (the "Institute") conducts a renewal site visit; reviews the information in the renewal application as well as other relevant information, such as assessment data and site visit reports; interviews education corporation trustees and staff; and produces a draft renewal report containing its findings and preliminary recommendation. The draft renewal report also contains an evaluation of the performance of an education corporation's school over the charter term based on the criteria provided in the renewal benchmarks described in the SUNY Renewal Policies. The education corporation receives a copy of the draft renewal report and is given an opportunity to comment on it before it is finalized. The Institute makes final renewal reports available in its Albany office and at: <http://www.suny.edu/about/leadership/board-of-trustees/meetings/meetingNotices.cfm>. Copies of applications for renewal are on file in the Albany office of the Institute.

As set forth in the Institute's Renewal Report for Amber Charter School (the "School"), which was distributed to the Board of Trustees, the Institute, pursuant to the SUNY Renewal Policies, conducted a renewal review of the School, which is operated by Amber Charter School (the "Education Corporation"). As a result of this review, the Institute recommends that the Education Corporation's application to extend its authority to operate the School for five more years be granted without conditions. If this resolution is approved, the Education Corporation's authority to operate the School will be renewed through July 31, 2020.

For the school listed above, the Institute properly notified the school district in which the school is located regarding the receipt of an application for charter renewal. As of February 27, 2015, no comments were received.
