School Year: 2019-2020

1. Please identify the steps taken to ensure the school remained financially healthy during COVID-19:

2. Identify the budget line items that the school was forced to exceed budgeted amounts and identify how much extra was actually spent: (e.g. technology hardware, software, online subscriptions, etc.)

3. Identify the budget line items the school was able to cut costs and save based on COVID-19. How much was the savings? (e.g. utilities, supplies, etc.)

4. Identify any budget specific related issues the school needed to address due to the COVID-19 shutdown (e.g. staffing reassignments, layoffs, etc):
