Independent Auditors' Report

To the Board of Trustees of
New World Preparatory Charter School and Subsidiary

Report on the consolidated financial statements

We have audited the accompanying consolidated financial statements of New World Preparatory Charter School and Subsidiary, which comprise the consolidated statements of financial position as of June 30, 2020 and 2019, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's responsibility for the consolidated financial statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of New World Preparatory Charter School and Subsidiary as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other reporting required by government auditing standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 30, 2020 on our consideration of New World Preparatory Charter School and Subsidiary's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering New World Preparatory Charter School and Subsidiary's internal control over financial reporting and compliance.

Report on supplementary information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplementary financial information included in the consolidating statement of financial position is presented for the purpose of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

NEW WORLD PREPARATORY CHARTER SCHOOL AND SUBSIDIARY

Notes to the Consolidated Financial Statements

June 30, 2020 and 2019

Note 1 Organization

New World Preparatory Charter School (the “School”), a 501(c)(3) tax-exempt organization, is a public charter school located in Staten Island, New York. The School was granted a five-year charter in February 2010 and commenced sixth grade classes in September 2010. Seventh and eighth grades were added in 2011 and 2012. The School is currently operating under its second charter renewal which is effective January 9, 2018 for an additional five years and was granted the expansion from Kindergarten to Fifth Grade, effectively making it a Kindergarten to Eight Grade school. In September 2018, fifth grade was added and in September 2019, kindergarten and first grade were added. The School provides an exceptional education for students by employing research-proven strategies to raise middle school academic achievement including academic rigor and relevance, personalization, focused professional development, and meaningful engagement of families and the larger community.

Friends of New World Prep, Inc. (the “Friends of NWP”), is a non-profit organization, founded in September 2018 under Section 402 of the Not-for-Profit Corporate Law of the State of New York. Friends of is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The board of trustees of the School has control over the board of trustees of Friends of NWP and as a result the two entities are being consolidated.

From hereon in, the School and Friends of NWP are referred to as the “Organization”.

Note 2 Summary of significant accounting policies

Principles of consolidation. The financial statements are consolidated to include the accounts of the School and the Friends of NWP. All significant intercompany transactions and balances have been eliminated in the consolidation.

Basis of presentation and use of estimates. The consolidated financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NEW WORLD PREPARATORY CHARTER SCHOOL AND SUBSIDIARY

Notes to the Consolidated Financial Statements

June 30, 2020 and 2019

Note 2 Summary of significant accounting policies – (continued)

Financial statements presentation. The consolidated financial statements of the Organization follows the accounting standard for not-for-profit organization, which require the Organization to report information regarding its consolidated statements of financial position and consolidated statements of activities according to the following net asset classifications:

Net Assets without donor restrictions. Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization.

Net Assets with donor restrictions. Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net asset without donor restrictions in the consolidated statements of activities.

Reclassifications. Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financials. These reclassifications have no effect on the changes in net asset.

Cash and cash equivalents. The Organization considers all short-term, highly liquid investments, such as money market funds, to be cash equivalents.

Revenue recognition. The School recognizes revenue from the state and local governments based on the School's charter status and the number of students enrolled. Such revenue is recorded when services are performed, in accordance with the charter agreement. The New York State Department of Education mandates the rate per pupil. Such revenue is recognized ratably over the related school year in which it is earned.

Grants and contracts revenue are recognized when qualifying expenditures are incurred and/or services are provided to the students during the applicable school year. Funds received in advance or any unspent funds for which qualifying expenditures have not been incurred are recorded as refundable advances. Any unspent amounts might be returned to the granting agency or the granting agency can approve that those amounts be applied to a future grant period.

Grants receivable. Grants receivable are recorded at net realizable value and do not bear interest. The allowance for doubtful accounts is the School's best estimate of the amount of probable credit losses in existing receivables. Management determines the allowance based on historical write-off experience and reviews its allowance for doubtful accounts periodically. Past due balances are reviewed individually for collectability. Grants receivable are \$297,363 and \$171,600 at June 30, 2020 and 2019, respectively. There is no allowance recorded at June 30, 2020 and 2019 as all amounts are deemed collectible.

Notes to the Consolidated Financial Statements

June 30, 2020 and 2019

Note 2 Summary of significant accounting policies – (continued)

Property and equipment. Property and equipment are recorded at cost. Donated assets are capitalized at the estimated fair value at date of receipt. Maintenance and repairs are charged to expense as incurred; significant improvements are capitalized. The Organization capitalizes additions and significant improvements in excess of \$1,000. Items with an acquisition cost of less than \$1,000 or a useful life of less than one year are expensed in the year purchased. Depreciation is computed using the straight-line method over estimated useful lives of the respective asset. The estimated depreciable lives of the different classes of property are as follows:

Asset	Useful Life
Building	39 years
Furniture and fixtures	7 years
Leasehold improvements	5 years
Computer and office equipment	3 years

Construction-in-progress at June 30, 2020 and June 30, 2019 consists of costs incurred for architecture, engineering, and professional fees related to the construction of the School's new facility. Construction-in-progress is stated at cost. No provision for depreciation is made on construction-in-progress until such time as the relevant assets are completed and put into use.

Reserve contingency. Under the provisions of its charter, the School established an escrow amount to pay for legal and audit expenses that would be associated with dissolution, should such event occur.

Refundable advances. Funds received in advance for which qualifying expenditures have not been incurred are reflected as refundable advances from state and local government grants in the accompanying consolidated statements of financial position.

Donated goods and services. The Organization receives donated services from unpaid volunteers. No amounts have been recognized in the accompanying consolidated statements of activities, since the services do not meet the specialized skill criteria for recognition under U.S. GAAP.

The School received donated transportation and food service services from the local district. The School was unable to determine a value for these services.

Notes to the Consolidated Financial Statements

June 30, 2020 and 2019

Note 2 Summary of significant accounting policies – (continued)

Functional Expenses. The costs of providing program and other activities have been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs have been allocated among program services, administrative and fundraising. Such allocations are determined by management on an equitable basis.

The expenses that are allocated include the following:

Salaries	Time and effort
Payroll taxes and fringe benefits	Time and effort
Financial and administrative	Time and effort
Insurance	Square Footage
Repairs and maintenance	Time and effort
Building, equipment leasing and furnishings	Square Footage

Income taxes. The School is tax-exempt under Section 501(c)(3) of the Internal Revenue Code (IRC) and has been classified as a publicly supported organization as described in IRC sections 509(A)(1) and 170(B)(1)(A)(II).

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken and recognize a tax liability (or asset) if the School has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken and has concluded that, as of June 30, 2020, there are no uncertain positions taken or expected to be taken that would require recognition or disclosure in the accompanying consolidated financial statements.

The School is no longer subject to income tax examination by federal, state or local tax authorities for years before June 30, 2017.

New accounting pronouncements. On August 18, 2016, FASB issued ASU 2016-14, Non-for-Profit Entities (Topic 958) – *Presentation of Financial Statements of Non-for-Profit Entities*. The update addressed the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The School has implemented ASU 2016-14 and has adjusted the presentation of these consolidated financial statements accordingly.

In November 2016, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) 2016-18, *Statement of Cash Flows* (Topic 230): *Restricted Cash*, which requires restricted cash to be included within cash and cash equivalents when explaining the total change in cash for the period within the statement of cash flows. The standard requires retrospective application and represents a change in accounting principal. The adoption of this ASU has no effect on the consolidated statement of cash flows.

Note 2 Summary of significant accounting policies – (continued)

In June 2018, FASB issued ASU 2018-08, *Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made*. This standard assists entities in evaluating whether transactions should be accounted for as contributions or exchange transactions and determining whether a contribution is conditional or unconditional. The Organization has implemented the provisions of ASU 2018-08 applicable to contributions received in the accompanying consolidated financial statements under a modified prospective basis. Accordingly, there is no effect on net assets in connection with the implementation of ASU 2018-08.

Note 9 Contingency

The School participates in a number of federal and state programs. These programs require that the School comply with certain laws, regulations, contracts, and agreements applicable to the programs in which it participates. All funds expended in connection with government grants and contracts are subject to audit by government agencies. While the ultimate liability, if any, from such audits of government grants and contracts by government agencies is presently not determinable, it should not, in the opinion of the management, have a material effect on the financial position or results of operations. Accordingly, no provision for any such liability that may result has been made in the accompanying consolidated financial statements.

Note 10 SBA Loan-paycheck protection program

On May 5, 2020, the School obtained a loan of \$1,225,823 (the “PPP loan”) from a commercial bank pursuant to the Paycheck Protection Program (“PPP”) administered by the Small Business Administration (the “SBA”) pursuant to the Coronavirus Aid Relief and Economic Security Act (“CARES Act”). The PPP Loan and accrued interest will be forgivable after twenty-four weeks as long as the School uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. The PPP loan matures on May 5, 2022 and bears an interest rate of 1% per annum, with interest accruing on the unpaid principal balance. No payments of principal or interest are due during the six-month period beginning on the date of the PPP loan (the “Deferral Period”). The PPP loan balance as of June 30, 2020 was \$1,225,823

Note 11 Potential Impact of the Pandemic

In December 2019, an outbreak of a novel strain of coronavirus (“COVID-19”) originated in Wuhan, China and has since spread to other countries, including the U.S. On March 11, 2020 the World Health Organization characterized COVID-19 as a pandemic. As a result of the pandemic, the School will begin the 2020-2021 school year with a completely remote learning. The ultimate effect of COVID-19 on the School and its future operating cannot presently be determined.

Note 12 Subsequent Events

Management has evaluated subsequent events for disclosure and/or recognition in the consolidated financial statements through October 30, 2020, the date that the consolidated financial statements were available to be issued. There were no events requiring adjustments or disclosure to the consolidated financial statements.

Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Trustees of
New World Preparatory Charter School and Subsidiary

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of New World Preparatory Charter School and Subsidiary, which comprise the consolidated statement of financial position as of June 30, 2020 and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated October 30, 2020.

Internal control over financial reporting

In planning and performing our audit of the consolidated financial statements, we considered New World Preparatory Charter School and Subsidiary's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of New World Preparatory Charter School and Subsidiary's internal control. Accordingly, we do not express an opinion on the effectiveness of New World Preparatory Charter School and Subsidiary's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and other matters

As part of obtaining reasonable assurance about whether New World Preparatory Charter School and Subsidiary's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
