request renewal of the authority to operate the Schools through July 31, 2025 in order to align the expiration dates of the Education Corporation's charters; and

Whereas the Charter Schools Committee, acting on behalf of the Board of Trustees, as required by Subdivision 2851(4)(e), has considered, prior to approval of the applications for renewal, the means by which the Schools will meet or exceed the enrollment and retention targets of students with disabilities, English language learners, and students who are eligible applicants for the federal Free and Reduced Price Lunch program as set forth in the applications, which targets were prescribed by the Institute on behalf of the Board of Trustees; now, therefore, be it

Background

The New York Charter Schools Act of 1998 (as amended) permits the Board of Trustees to renew the charters of education corporations it has

authorized and to renew such corporations' authority to operate charters. Pursuant to Resolution No. 2012-038, dated June 12, 2012, the Board of Trustees delegated authority to renew charters to the Charter Schools Committee.

Pursuant to the *Policies for the Renewal of Not-for-Profit Charter School Education Corporations and Charter Schools Authorized by the Board of Trustees of the State University of New York* (the "SUNY Renewal Policies") (last amended September 4, 2013 and available at: <https://www.newyorkcharters.org/wp-content/uploads/SUNY-Renewal-Policies.pdf>), the SUNY Charter Schools Institute (the "Institute") generally conducts a renewal site visit; reviews the information in the renewal application as well as other relevant information such as assessment data and site visit reports; interviews education corporation trustees and staff; and produces a draft renewal report containing its findings and preliminary recommendation. The draft renewal report also contains an evaluation of the performance of an education corporation's charter over the charter term based on the criteria provided in the renewal benchmarks described in the SUNY Renewal Policies. The education corporation receives a copy of the draft renewal report and is given an opportunity to comment on it before it is finalized. The Institute makes final renewal reports available in its Albany office and at: <http://www.suny.edu/about/leadership/board-of-trustees/meetings/meetingNotices.cfm>. Copies of applications for charter renewal are on file in the Albany office of the Institute.

As set forth in the Institute's Renewal Report for Achievement First Aspire Charter School, Achievement First Brownsville Charter School, and Achievement First Crown Heights Charter School (collectively, the "Schools"), which was distributed to the Board of Trustees, the Institute, pursuant to the SUNY Renewal Policies, conducted a renewal review of the Schools, which are operated by Achievement First Brooklyn Charter Schools (the "Education Corporation"). As a result of this review, the Institute recommends the Education Corporation's applications to extend its authority to operate the Schools be granted through July 31, 2025 without conditions aligning the charters' terms.

For the charters listed above, the Institute properly notified the school district in which the charters are located regarding the receipt of applications to renew the above education corporation's authority to operate the charters. As of December 7, 2022, no comments were received.
