The proposed resolution, pursuant to New York Education Law § 2851(4) authorizes the renewal of the authority of Elmwood Village Charter Schools, a not-for-profit charter school education corporation, to operate one of its charters, Elmwood Village Charter School Days Park for a term of two years to align the charter term with the other education corporation charter.

Resolution

I recommend that the Charter Schools Committee adopt the following resolution:

Whereas the Board of Trustees has granted Elmwood Village Charter Schools (the "Education Corporation") the authority to operate more than one charter including Elmwood Village Charter School Days Park (the "School"); and

Whereas the State University of New York Charter Schools Institute (the "Institute") asked the Education Corporation to request renewal of its authority to operate the School through July 31, 2027 in order to align the expiration dates of the Education Corporation's charters; and

Whereas the Charter Schools Committee, acting on behalf of the Board of Trustees, as required by Subdivision 2851(4)(e), has considered, prior to approval of the application for renewal, the means by which the School will meet or exceed the enrollment and retention targets of students with

Resolved that: 1) the School, as described in the Education Corporation's application for renewal of authority to operate the School, meets the requirements of the New York Charter Schools Act of 1998 and applicable laws, rules, and regulations; 2) the Education Corporation can demonstrate the ability to operate the School in an educationally and fiscally sound manner; and, 3) approval of the application to renew the authority to operate the School, is likely to improve student learning and achievement and materially further the purposes set out in Education Law § 2850(2); and, be it further

Resolved that the Institute, on behalf of the Board of Trustees, be, and hereby is, directed to: 1) enter into a proposed charter revision with the Education Corporation in accordance with this resolution, which shall include such assurances and terms as the Institute shall deem necessary and appropriate; and, 2) thereafter, submit the proposed charter revision to the New York State Board of Regents for review, comment, and potential approval.

Background

The New York Charter Schools Act of 1998 (as amended) permits the Board of Trustees to renew the charters of education corporations it has authorized and to renew such corporations' authority to operate charters. Pursuant to Resolution No. 2012-038, dated June 12, 2012, the Board of Trustees delegated authority to renew charters to the Charter Schools Committee.

Pursuant to the *Policies for the Renewal of Not-for-Profit Charter School Education Corporations and Charter Schools Authorized by the Board of Trustees of the State University of New York* (the "SUNY Renewal Policies") (last amended September 4, 2013 and available at: <https://www.newyorkcharters.org/wp-content/uploads/SUNY-Renewal-Policies.pdf>), the SUNY Charter Schools

Institute (the “Institute”) generally conducts a renewal site visit; reviews the information in the renewal application as well as other relevant information such as assessment data and site visit reports; interviews education corporation trustees and staff; and produces a draft renewal report containing its findings and preliminary recommendation. The draft renewal report also contains an evaluation of the performance of an education corporation’s charter over the charter term based on the criteria provided in the renewal benchmarks described in the SUNY Renewal Policies. The education corporation receives a copy of the draft renewal report and is given an opportunity to comment on it before it is finalized. The Institute makes final renewal reports available in its Albany office and at: <http://www.suny.edu/about/leadership/board-of-trustees/meetings/meetingNotices.cfm>. Copies of applications for charter renewal are on file in the Albany office of the Institute.

As set forth in the Institute’s Renewal Report for Elmwood Village Charter School Days Park (the “School”), which was distributed to the Board of Trustees, the Institute, pursuant to the SUNY Renewal Policies, conducted a renewal review of the School, which is operated by Elmwood Village Charter Schools (the “Education Corporation”). As a result of this review, the Institute recommends that the Education Corporation’s application to extend its authority to operate the School be granted for a full term of two years without conditions aligning the charters’ terms. If this resolution is approved, the Education Corporation’s authority to operate the School will be renewed through July 31, 2027.

For the charter school listed above, the Institute properly notified the school district in which the charter school is located regarding the receipt of application for renewal of authority to operate the charter. As of February 4, 2025, no comments were received.
