INDEPENDENT AUDITOR'S REPORT

October 30, 2024

To the Board of Trustees of
Eugenio Maria de Hostos Charter School:

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Eugenio Maria de Hostos Charter School (the School) (a New York not-for-profit corporation), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities and change in net assets, functional expenses, and cash flows for the year then ended, and the related notes to financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the School as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the School and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the School's 2023 financial statements, and we expressed an unmodified opinion on those audited financial statements in our report dated October 31, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023 is consistent, in all material respects, with the audited financial statements from which it has been derived.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 30, 2024 on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

EUGENIO MARIA DE HOSTOS CHARTER SCHOOL

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2024

1. THE SCHOOL

Eugenio Maria de Hostos Charter School (the School) is an independent public school established under the provisions of the New York State Charter School Act of 1998, enacted as Article 56 of the Education Law. The School's initial charter was sponsored by Ibero-American Action League, Inc. (Ibero). Ibero is a New York not-for-profit corporation with a mission to foster the well-being and socio-economic development of the Latino community in Rochester, New York and the surrounding area.

The School is designed to meet the cognitive and affective needs of a specific population of urban elementary students who reside in Rochester, New York. This population includes children of Latino descent and others for whom a strong academic program is most appropriate in order to prepare them to meet and exceed all New York State educational standards.

In June 2020, the School received a renewal of its charter for an additional five years through 2025. This extension also provided the School with the authority to increase student levels for its existing grades and to provide instruction through grade twelve. Effective with the School year ended June 30, 2020, the School offers instruction for grades kindergarten through twelve.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Change in Accounting Principle

In June 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Codification (ASC) 326, *Financial Instruments – Credit Losses*, which requires certain financial assets to be measured at amortized cost, net of an allowance for estimated credit losses (CECL), such that the net receivable represents the present value of expected cash collection. The new standard also requires that certain financial assets be measured at amortized cost reflecting an allowance for estimated credit losses that are expected to occur over the life of the assets. This estimate must be based on all relevant information, such as historical information, current conditions, and reasonable and supportable forecasts that could impact the collectability of the amounts. The School adopted the standard effective July 1, 2023 using the modified retrospective approach. Results for reporting periods beginning after July 1, 2023 are presented under CECL, while prior period amounts continue to be reported and disclosed in accordance with previously applicable accounting standards. Adoption of the standard did not have a significant impact on the School's financial statements.

Financial Reporting

Net assets without donor restrictions include operating resources that are available for use without any donor-imposed restrictions. Board designated net assets are net assets without donor restrictions set aside by the School's Board of Trustees (the Board) for use at the Board's discretion.

At June 30, 2024 and 2023, all of the School's net assets were without donor restrictions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition

Revenue from contracts with students is recognized in the fiscal year in which the academic programs are delivered. The School records per pupil tuition revenue on a per student basis at the students' resident district's allocated rate which is established by New York State (the State). The rate is prorated based on the student's full time equivalent during the academic year. The School recognizes tuition revenue in the period in which it satisfies its performance obligation by providing services to its students.

The School's performance obligation relative to per pupil tuition is to provide instruction for its students over the academic year. These obligations are satisfied over the academic year as these services are provided by the School and received by the student.

Payments for per pupil tuition are recognized at the amounts to which the School expects to be entitled, and this transaction price is allocated to the service. Each academic year, the performance obligation is satisfied as the benefit of the services are consumed.

Per pupil tuition is charged to the student's resident district on a bimonthly basis with six payments made during the academic year. The School expects to collect all payments due from the students' resident districts and, therefore, the School has not established an allowance for credit loss. There were no receivables owed to the School at June 30, 2022.

The School records an allowance for credit loss based on consideration of historical, current, and expected future conditions and a review of specific amounts outstanding. Accounts are written off against the allowance when uncollectibility becomes known. There was no allowance for credit losses at June 30, 2024 and 2023.

Cash and Designated Cash

Cash and designated cash include bank demand deposit and money market accounts. The amount in the bank accounts, at times, may exceed federally insured limits. The School has not experienced any losses in these accounts and believes it is not exposed to any significant credit risk with respect to cash and designated cash.

In accordance with New York State Department of Education (NYSED) regulations, the School is required to maintain funds to pay for expenses associated with the potential termination of the School or non-renewal of the School's charter. The School had designated cash totaling \$75,000 at June 30, 2024 and 2023 to satisfy this requirement.

Grants and Contracts Receivable

Grant revenue is recognized as the related costs are incurred. Grants subject to conditions are not recorded as revenue until those conditions have been met. Amounts received in advance of incurring the related costs are reported as deferred revenue. The School had deferred revenue of \$1,433,489 and \$603,868 of grants receivable at June 30, 2022.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments

Investments are recorded at fair value, based on quoted market prices.

Investment securities are exposed to various risks, such as interest rate, market, economic conditions, world affairs, and credit risks. Due to the level of risk associated with certain investment securities, it is possible that changes in their values could occur in the near term and such changes could materially affect the net assets of the School.

Investment income consists of interest and dividends, net realized and unrealized gains or losses, and investment management fees. Interest income is recognized on an accrual basis and dividends are recorded on the ex-dividend date.

Fair Value Measurement

GAAP establishes a framework for measuring fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- Level 1 - Valuations are based on quoted prices in active markets for identical assets or liabilities that the School has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 - Valuations are based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.
- Level 3 - Valuations are based on inputs that are unobservable and significant to the overall fair value measurement.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The methods described above may produce a fair value calculation that may not be indicative of net realized value or reflective of future fair values. Furthermore, while the School believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Land, Buildings, and Equipment

Land, buildings, and equipment are stated at cost or fair value at the date of donation. It is the School's policy to capitalize all additions greater than \$5,000 with a useful life in excess of one year. Depreciation is provided using the straight-line method over the estimated useful lives of the related assets, which range from 3 to 39½ years. Leasehold improvements are amortized over the shorter of the assets' estimated useful lives or the remaining lease term.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Land, Buildings, and Equipment (Continued)

The School assesses its long-lived assets for impairment when events or circumstances indicate their carrying amounts may not be recoverable. This is accomplished by comparing the expected undiscounted future cash flows of the long-lived assets with the respective carrying amount as of the date of assessment. If the expected undiscounted future cash flows exceed the respective carrying amount as of the date of assessment, the long-lived assets are considered not to be impaired. If the expected undiscounted future cash flows are less than the carrying value, an impairment loss is recognized and measured as the difference between the carrying value and the fair value of the long-lived assets. No impairment of long-lived assets was recognized during the years ended June 30, 2024 and 2023.

Leases

The School determines if an arrangement is a lease at inception. Right-of-use (ROU) assets represent the School's right to use an underlying asset for the lease term and lease liabilities represent an obligation to make lease payments arising from the lease. Lease ROU assets and liabilities are recognized at lease commencement date based on the present value of lease payments over the lease term. The lease may include renewal and termination options, which are included in the lease term when the School is reasonably certain to exercise these options.

For all underlying classes of assets, the School has elected to not recognize ROU assets and lease liabilities for short-term leases that have a lease term of 12 months or less at lease commencement and do not include an option to purchase the underlying asset that the School is reasonably certain to exercise. The School recognizes fixed short-term lease cost on a straight-line basis over the lease term and variable lease cost in the period in which the obligation is incurred.

The School elected for all classes of underlying assets to not separate the lease and non-lease components of a contract and to account for as a single lease component and to use the risk-free rate as the discount rate if the implicit rate in the lease contract is not readily determinable.

Variable lease costs paid to or on behalf of the lessor, consisting primarily of utilities, custodial services, and property maintenance are excluded from the measurement of the ROU asset and lease liability and are expensed in the period incurred.

In evaluating contracts to determine if they qualify as a lease, the School considers factors such as if the School obtained substantially all of the rights to the underlying asset through exclusivity, if it can direct the use of the asset by making decisions about how and for what purpose the asset will be used, and if the lessor has substantive substitution rights. This evaluation may require significant judgment.

Debt Issuance Costs

Debt issuance costs represent costs incurred to obtain long-term debt. These costs are amortized as interest expense on a straight-line basis over the term of the related debt.

Expense Allocations

The financial statements report certain categories of expenses that are attributable to one or more program or supporting functions. Personnel services costs and fringe benefits and payroll taxes are directly charged whenever possible and practicable and otherwise are allocated based on time and effort. Depreciation, insurance, repairs and maintenance, and utilities are allocated based on square footage occupied. Expenses not mentioned above are directly charged to the appropriate function on a transactional basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Program Services

Regular education expenses include the costs of all other educational activities. Special education expenses represent the cost of educating students with individualized education programs or those receiving special education services in the classroom.

Donated Services

Volunteers have donated significant amounts of time in support of the School's activities. However, the value of these services is not reflected in the financial statements as they do not meet the criteria for recognition as set forth under GAAP.

Income Taxes

The School is exempt from income taxes as a corporation qualified under Section 501(c)(3) of the Internal Revenue Code. The School has also been classified by the Internal Revenue Service as an entity that is not a private foundation.

Comparative Information

The financial statements include certain prior year summarized comparative information in total, but not by functional expense classification. Such information does not include sufficient detail to constitute a presentation in accordance with GAAP. Accordingly, such information should be read in conjunction with the School's financial statements as of and for the year ended June 30, 2023, from which the summarized information was derived.

Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. LIQUIDITY

The School had financial assets available to meet cash needs for general expenditures one year from the statement of financial position date as follows at June 30:

	<u>2024</u>	<u>2023</u>
Cash	\$ 3,128,269	\$ 3,800,588
Accounts receivables	340,025	319,077
Grants and contract receivables	783,806	1,080,064
Investments	<u>6,201,524</u>	<u>5,868,135</u>
	10,453,624	11,067,864
Less: Board designated net assets	<u>(1,500,000)</u>	<u>(1,500,000)</u>
	<u>\$ 8,953,624</u>	<u>\$ 9,567,864</u>

The School is substantially supported by student enrollment revenue and federal and state grants that are without contractual or donor restrictions. As part of the School's liquidity management, it structures its financial assets to be available as its general expenditures, liabilities, and other obligations come due. Amounts not available for expenditure include amounts set aside for long-term purposes as designated by the Board of Trustees.

3. LIQUIDITY (Continued)

The School maintains cash and investments that are readily available for general expenditures. Additionally, the School's ability to meet its cash needs is further dependent, in part, on timely collection of its accounts receivable and grants and contracts receivable. The School's accounts receivable and grants and contracts receivable are due primarily from government funders, such as New York State and various New York central school districts. The School employs procedures specifically designed to collect from these payers as quickly as possible. In the event of unanticipated liquidity needs, the School maintains a line of credit in the amount of \$200,000 that it could utilize.

4. NET ASSETS

The School's Board has designated certain net assets without donor restrictions for the following purposes at June 30:

	<u>2024</u>	<u>2023</u>
Campus development	\$ 1,000,000	\$ 1,000,000
Renewal transformation	<u>500,000</u>	<u>500,000</u>
	<u>\$ 1,500,000</u>	<u>\$ 1,500,000</u>

5. CONCENTRATIONS

The School's primary source of funding is obtained from the NYSED and is reported as public school district revenue in the accompanying statements of activities and change in net assets. This funding is received on a per pupil basis and was approximately 76% and 66% of the School's total revenue, gains, and other support for the years ended June 30, 2024 and 2023, respectively.

6. CASH AND DESIGNATED CASH

Cash and designated cash, as reported in the statements of cash flows, consisted of the following at June 30:

	<u>2024</u>	<u>2023</u>
Cash	\$ 3,128,269	\$ 3,800,588
Designated cash	<u>75,000</u>	<u>75,000</u>
	<u>\$ 3,203,269</u>	<u>\$ 3,875,588</u>

7. INVESTMENTS

The School's investments in fixed income mutual funds were measured at fair value on a recurring basis using Level 1 inputs and total investments consisted of the following at June 30:

	<u>2024</u>	<u>2023</u>
Cash	\$ 6,568	\$ 6,539
Fixed income mutual funds	<u>6,194,956</u>	<u>5,861,596</u>
	<u>\$ 6,201,524</u>	<u>\$ 5,868,135</u>

8. LAND, BUILDINGS, AND EQUIPMENT

Land, buildings, and equipment consisted of the following at June 30:

	<u>2024</u>	<u>2023</u>
Land	\$ 237,000	\$ 237,000
Buildings and improvements	6,354,127	5,415,817
Leasehold improvements	2,178,160	2,178,160
Equipment	<u>623,839</u>	<u>623,839</u>
	9,393,126	8,454,816
Less: Accumulated depreciation and amortization	<u>(4,959,473)</u>	<u>(4,237,896)</u>
	4,433,653	4,216,920
Plus: Construction in process	<u>2,244,395</u>	<u>483,332</u>
	<u>\$ 6,678,048</u>	<u>\$ 4,770,252</u>

Depreciation expense was \$721,577 and \$710,959 for the years ended June 30, 2024 and 2023, respectively.

9. LEASES

The School leases its building and postage meters under the terms of operating lease agreements, which expire at various dates through 2028. The school building agreement contains three options to exercise additional five-year extensions. These extension options are not recognized as part of the ROU asset and lease liability. The School also leases a copier and information technology equipment under the terms of finance lease agreements which expire at various dates through 2026.

The components of total lease cost for the year ended June 30:

	<u>2024</u>	<u>2023</u>
Finance lease cost:		
Amortization of ROU assets	\$ 24,381	\$ 29,142
Interest on lease liabilities	2,244	1,927
Operating lease cost	219,298	214,514
Variable lease cost	<u>129,447</u>	<u>112,805</u>
	<u>\$ 375,370</u>	<u>\$ 358,388</u>

9. LEASES (Continued)

Supplemental cash flow information related to leases was as follows for the year ended June 30:

	<u>2024</u>	<u>2023</u>
Cash paid for amounts included in the measurement of lease liabilities:		
Financing cash flows from finance leases	\$ <u>23,750</u>	\$ <u>28,512</u>
Operating cash flows from operating leases	\$ <u>225,059</u>	\$ <u>208,318</u>
Operating cash flows from finance leases	\$ <u>2,209</u>	\$ <u>1,797</u>
ROU assets obtained in exchange for lease obligations:		
Finance leases	\$ <u>26,127</u>	\$ <u>82,617</u>
Operating leases	\$ <u>-</u>	\$ <u>440,851</u>

Other information related to leases was as follows as of June 30:

	<u>2024</u>	<u>2023</u>
Weighted-average remaining lease term:		
Finance leases	2.42 years	3.51 years
Operating leases	4.17 years	1.42 years
Weighted-average discount rate:		
Finance leases	3.44%	2.88%
Operating leases	3.84%	2.95%

The School's maturities of lease liabilities are as follows for the years ending June 30:

	<u>Operating Leases</u>	<u>Finance Leases</u>
2025	\$ 5,218	\$ 25,494
2026	5,218	25,494
2027	5,218	8,754
2028	5,218	-
2029	<u>871</u>	<u>-</u>
	21,743	59,742
Less: Present value discount	<u>(1,616)</u>	<u>(2,234)</u>
Total present value of lease liabilities	20,127	57,508
Less: Current portion	<u>(4,541)</u>	<u>(23,973)</u>
	<u>\$ 15,586</u>	<u>\$ 33,535</u>

10. LINE OF CREDIT

The School has a line of credit agreement with a bank that provides for borrowings up to \$200,000 that is renewable on an annual basis. Amounts borrowed bear interest at the prime rate plus 1.50% (10.00% and 9.75% at June 30, 2024 and 2023, respectively) and are collateralized by a general lien on substantially all of the School's assets. There were no amounts outstanding at June 30, 2024 and 2023.

11. LONG-TERM DEBT

Composition

Long-term debt consisted of the following at June 30:

	<u>2024</u>	<u>2023</u>
Note payable to a bank requiring monthly payments of \$9,395, including interest at 4.32%, with a final balloon payment in September 2031, collateralized by the related building.	\$ 1,362,833	\$ 1,414,475
Note payable to a bank requiring monthly payments of \$4,858, including interest at 4.71%, through 2029, collateralized by the related building.	<u>635,158</u>	<u>662,333</u>
	1,997,991	2,076,808
Less: Current portion	(82,690)	(78,963)
Less: Unamortized debt issuance costs	<u>(17,344)</u>	<u>(27,463)</u>
	<u>\$ 1,897,957</u>	<u>\$ 1,970,382</u>

Principal Repayments

Principal repayments under the terms of these agreements are as follows for the years ending June 30:

2025	\$ 82,690
2026	86,504
2027	90,493
2028	94,593
2029	100,152
Thereafter	<u>1,543,559</u>
	<u>\$ 1,997,991</u>

Interest

Interest expense incurred and paid under the terms of these agreements was \$94,462 and \$97,378 during the years ended June 30, 2024 and 2023, respectively, and are included in other expenses in the statements of activities and change in net assets. Amortization of debt issuance costs were \$10,119 for both years ended June 30, 2024 and 2023 respectively, and are also included in depreciation and amortization expense in the statements of activities and change in net assets.

Debt Issuance Costs

Estimated future amortization expense of the debt issuance costs are as follows for the years ending June 30:

2025	\$ 8,453
2026	7,620
2027	<u>1,271</u>
	<u>\$ 17,344</u>

12. RETIREMENT PLANS

Retirement Savings Plan

The School sponsors a tax-sheltered annuity 403(b) retirement plan (the Plan) for all salaried, full-time employees who are not participants in the New York State Teachers' Retirement System (TRS). These employees are eligible to participate upon hiring and are immediately vested in the School's contributions. The School makes contributions of 4.5% of the employees' annual salaries. The School recognized expense for contributions to the Plan of \$77,391 and \$104,597 during the years ended June 30, 2024 and 2023, respectively.

New York State Teachers' Retirement System (TRS)

The School participates in the TRS, a cost sharing multiple employer, defined benefit pension plan. TRS offers a wide range of plans and benefits which are related to years of service and final average salary, vesting of retirement benefits, death, and disability. TRS is administered by the New York State Teachers' Retirement Board and provides retirement, disability, withdrawal, and death benefits to plan members and beneficiaries as authorized by the Education Law and the Retirement and Social Security Law of the State of New York. TRS issues a publicly available financial report that contains financial statements and required supplementary information for the System.

TRS requires employee contributions of 3% of their annual salary for the first 10 years of service for those employees who joined the plan between July 1976 and December 2009. Participants hired between January 1, 2010 and March 31, 2012 are required to contribute 3.5% of their annual salary, and participants hired after April 1, 2012 are required to contribute between 3% and 6% of the annual salary, depending on their reportable salary. Participants hired after January 1, 2010 are required to contribute throughout the active membership in TRS. No employee contribution is required for those hired prior to July 1976. Pursuant to Article 11 of the Education Law, an actuarially determined contribution rate is established annually by the New York State Teachers' Retirement Board. The rate for the years ended June 30, 2024 and 2023 was 9.76% and 10.29% of the annual covered payroll, respectively. The School's required contributions were \$690,261 and \$678,567 for the years ended June 30, 2024 and 2023, respectively.

13. AFFILIATE TRANSACTIONS

The School enters into annual agreements with Ibero in which Ibero provides family service assistance services as a component of a grant agreement between the School and New York State. The School paid expenses of approximately \$129,262 and \$79,500 to Ibero for these services during the years ended June 30, 2024 and 2023, respectively. At June 30, 2024 and 2023, the School had amounts due to Ibero of \$10,092 and \$5,462, respectively, related to these services.

14. COVID-19

Elementary and Secondary School Emergency Relief Fund

The Elementary and Secondary School Emergency Relief Fund (ESSER) was established and funded by a number of federal stimulus legislations related to the COVID-19 pandemic. ESSER grants were awarded to help schools safely reopen and to sustain their safe operations as the schools addressed the COVID-19 impact on their students.

During the years ended June 30, 2024 and 2023, the School received funds totaling approximately \$1,280,000 and \$1,420,000, respectively, which has been recognized as a component of federal and state grants on the statements of activities and change in net assets.

15. SUBSEQUENT EVENTS

Debt Financing

In September 2024, the School closed on Series 2024 Bonds of approximately \$52,500,000 to finance the School's Campus Expansion Project on Joseph Avenue.

Evaluation Date

Subsequent events have been evaluated through October 30, 2024, which is the date the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

October 30, 2024

To the Board of Trustees of
Eugenio Maria de Hostos Charter School:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Eugenio Maria de Hostos Charter School (the School) (a New York not-for-profit corporation), which comprise the statement of financial position as of June 30, 2024 and the related statements of activities and change in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 30, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

(Continued)

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

October 30, 2024

To the Board of Trustees of
Eugenio Maria de Hostos Charter School:

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Eugenio Maria de Hostos Charter School's (the School) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the School's major federal programs for the year ended June 30, 2024. The School's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the School complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the School's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the School's federal programs.

(Continued)

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

(Continued)

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

(Continued)

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE UNIFORM GUIDANCE**

(Continued)

Report on Internal Control over Compliance (Continued)

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

EUGENIO MARIA DE HOSTOS CHARTER SCHOOL

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED JUNE 30, 2024

1. GENERAL

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) presents the activity of all federal award programs of Eugenio Maria de Hostos Charter School (the School) for the year ended June 30, 2024. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the School's operations, it is not intended to, and does not, present the financial position, activities and change in net assets, or cash flows of the School.

2. BASIS OF ACCOUNTING

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

3. INDIRECT COST RATE

The School has elected not to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

EUGENIO MARIA DE HOSTOS CHARTER SCHOOL

SCHEDULE OF FINDINGS AND QUESTIONED COSTS FOR THE YEAR ENDED JUNE 30, 2024

A. SUMMARY OF AUDITOR'S RESULTS

1. The Independent Auditor's Report expresses an unmodified opinion on whether the financial statements of Eugenio Maria de Hostos Charter School (the School) are presented in accordance with accounting principles generally accepted in the United States of America.
2. No material weaknesses or significant deficiencies related to the audit of the School's financial statements are reported in the Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*.
3. No instances of noncompliance material to the financial statements of the School, which would be required to be reported in accordance with *Government Auditing Standards*, were disclosed during the audit.
4. No material weaknesses or significant deficiencies related to the audit of the major federal award programs are reported in the Independent Auditor's Report on Compliance For Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance.
5. The Independent Auditor's Report on Compliance for Each Major Program expresses an unmodified opinion.
6. There were no audit findings required to be reported in accordance with Section 200.516(a) of the Uniform Guidance.
7. The programs tested as major programs were:
 - Education Stabilization Funds:
 - ALN 84.425D - Elementary and Secondary School Emergency Relief (ESSER) Fund
 - ALN 84.425U - Elementary and Secondary School Emergency Relief (ARP ESSER) Fund
 - Child Nutrition Cluster:
 - ALN 10.553 - School Breakfast Program
 - ALN 10.555 - National School Lunch Program
8. The threshold for distinguishing between Types A and B programs was \$750,000.
9. The School was determined to not be a low-risk auditee.
