## INDEPENDENT AUDITORS' REPORT

To the Board of Trustees  
Truxton Academy Charter School  
Truxton, New York

### Opinion

We have audited the accompanying financial statements of Truxton Academy Charter School (a New York State nonprofit organization), which comprises the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Truxton Academy Charter School as of June 30, 2024, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Truxton Academy Charter School and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about Truxton Academy Charter School's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Truxton Academy Charter School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, that raise substantial doubt about Truxton Academy Charter School's ability to continue as a going concern for a reasonable period of time.

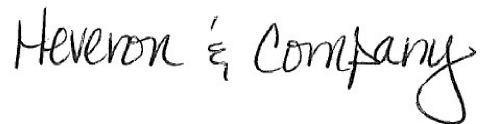

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Report on Summarized Comparative Information**

We have previously audited Truxton Academy Charter School's 2023 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 30, 2023. In our opinion, the summarized comparative information presented herein, as of and for the year ended June 30, 2023 is consistent, in all material respects, with the audited financial statements from which it has been derived.

## **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated October 21, 2024 on our consideration of Truxton Academy Charter School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Truxton Academy Charter School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Truxton Academy Charter School's internal control over financial reporting and compliance.

**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 2024**

**NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Organization

Truxton Academy Charter School (the School) is a nonprofit educational organization in Truxton, New York. The School currently serves grades K-5 with plans to grow to K-6 by 2024. The School receives the majority of its funding from state and local governments through local school districts. The School also receives federal and state grants, contributions, and other income.

The main programs of the School are as follows:

**REGULAR EDUCATION:** The School incorporates a research-based curriculum for language arts, math, science, and social studies using a project-based approach. The School seeks to grow confident, productive, intelligent, caring students, into responsible, successful adults. All courses align with the New York State Learning Standards.

**SPECIAL EDUCATION:** The School is open to all children and does not discriminate on the basis of ethnicity, national origin, gender, disability, or any other grounds that would be unlawful or deny the civil rights of any individual. In accordance with the Individuals with Disabilities Education Act, the Rehabilitation Act, Section 504, and the Americans with Disabilities Act, the School provides a free and appropriate education in the least restrictive environment to students with disabilities. The primary service delivery for students with special needs is inclusion. For students requiring supplemental services, the School ensures the required services are provided as outlined in the student's Individual Education Plan or 504 Plan.

**FOOD SERVICES:** The School believes that healthy meals are an important part of a child's day. Breakfast and lunch are served every day. All meals are intended to meet the required New York State Child Nutrition Standards, and the School subscribes to the New York State free and reduced priced meal program.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

**TRUXTON ACADEMY CHARTER SCHOOL**  
**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 2024**  
**(Continued)**

**NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Net Assets

In accordance with accounting principles generally accepted in the United States of America, the School reports information regarding its financial position and activities according to the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. It is the board's policy to accumulate unrestricted net assets that are equal to or exceed 2% of the School's operating budget for the upcoming year. The board has also designated an additional \$25,000 for building and maintenance projects. Board designated net assets totaled \$141,442 and \$111,427 for the years ending June 30, 2024 and 2023, respectively.

*Net Assets With Donor Restrictions* – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, based on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

There were net assets with donor restrictions of \$44,921 and \$92,253 for the years ending June 30, 2024 and 2023, respectively. This is related to donated rent for facilities and non-processed food purchases. See Note 6 for more information about donated rent.

Pledges Receivable

Pledges receivable represent the value of donated rent due to the School under the terms of an unconditional promise to give. Donated rent to be received after June 30, 2023 was recorded at its estimated net present value using a discount rate of 4.75%. There is no pledges receivable for the year ended June 30, 2024.

**TRUXTON ACADEMY CHARTER SCHOOL**  
**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 2024**  
**(Continued)**

**NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Grants and Accounts Receivable

Receivables are stated at the amount management expects to collect. Amounts that management believes to be uncollectible, after collection efforts have been completed, are written off. In addition, management evaluates the need for, and if appropriate, provides an allowance to reduce receivables to amounts management expects will be collected. Management determines the allowance for uncollectible accounts receivable based on historical information, adjusted for current conditions, and reasonable and supportable forecasts. Management determined that no allowances were necessary at June 30, 2024 and 2023.

Revenue and Revenue Recognition

A portion of the School's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the School has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position.

Funding sources may, at their discretion, amend the grant and contract amounts. In addition, reimbursement for expenses or return of funds, or both, may be requested as a result of noncompliance by the School with the terms of the grants and contracts. The School records such amendments, reimbursements, and returns of funds as an adjustment to revenue in the year of the amendment.

The School recognizes revenue derived from tuition and food service. Tuition income is recognized during the school year based on enrollment. Food service revenue is recognized when earned at the time of service.

Contributions

The School recognizes contributions when cash, securities or other assets, an unconditional promise to give or a notification of a beneficial interest is received. Contributions that are expected to be received in future years are recorded at their present value. Conditional promises to give, that is, those with a measurable performance or other barrier and a right of return are not recognized until the conditions on which they depend have been met.

Advertising

Advertising costs are expensed as incurred.

**TRUXTON ACADEMY CHARTER SCHOOL**  
**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 2024**  
**(Continued)**

**NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING  
POLICIES (Continued)**

Income Taxes

The Internal Revenue Service has determined that the School is qualified as a charity exempt under Section 501(c)(3) of the Internal Revenue Code. As a result, no provision for federal or state income taxes has been made.

Functional Expenses

The costs of providing the various program services have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among program, and management and general services. An immaterial amount of fundraising costs for the years ended June 30, 2024 and 2023 are included in management and general expenses.

The financial statements report certain categories of expenses that are attributed to both program, and management and general functions. Therefore, allocation on a reasonable basis that is consistently applied is required. The expenses that are allocated include repairs and maintenance, utilities, equipment and furnishings, and insurance which are allocated on a square footage basis, as well as salaries and wages, benefits, payroll taxes, other purchased services, student services, supplies, and technology, which are allocated on the basis of estimates of time and effort for each category.

Property and Equipment

Property and equipment are stated at cost. The School capitalizes property and equipment with a cost of over \$5,000 and an estimated life of three or more years. Depreciation and amortization is computed using the straight-line method based on the estimated useful lives of the assets, as follows:

	<u>Years</u>
Leasehold Improvements	15
Equipment and Computers	5
Computer Software	3
Vehicles	5
Building	15

Depreciation and amortization expense amounted to \$46,961 and \$47,028 for the years ending June 30, 2024 and 2023, respectively.

**TRUXTON ACADEMY CHARTER SCHOOL**  
**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 2024**  
**(Continued)**

**NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Use of Estimates in the Preparation of Financial Statements

Accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the amounts of assets and liabilities, revenues and expenses, and the disclosure of contingent assets and liabilities. Actual results could vary from those estimates.

Comparative Financial Information

The supplemental financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the School's financial statements for the year ending June 30, 2023 from which the summarized information was derived.

Recent Accounting Pronouncements

In February 2016, FASB issued ASU 2016-02, *Leases (Topic 842)*. ASU 2016-02 requires the recognition of lease assets and lease liabilities by lessees for those leases currently classified as operating leases and makes certain changes to the accounting for lease expenses. The main difference between the guidance in ASU 2016-02 and current GAAP is the recognition of lease assets and lease liabilities by lessees for those leases classified as operating leases under current GAAP. During the year ended June 30, 2023, the School adopted ASU 2016-02 for its leasing arrangements, along with the practical expedient, which allows modifications of contracts to be applied at the time of adoption. This required recognition had no current impact to the School's statements of financial position.

On July 1, 2023, the School adopted ASU 2016-13 *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments (ASC 326)*. This standard replaced the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. CECL requires an estimate of credit losses for the remaining estimated life of the financial asset using historical experience, current conditions, and reasonable and supportable forecasts and generally applies to financial assets measured at amortized cost, including loan receivables. Financial assets measured at amortized cost will be presented at the net amount expected to be collected by using an allowance for credit losses. The School adopted ASC 326 and all related subsequent amendments thereto effective July 1, 2023 using the modified retrospective transition approach for all financial assets. Accordingly, financial information for periods prior to the date of initial application has not been adjusted. This required recognition had no current impact to the School's financial statements.

**TRUXTON ACADEMY CHARTER SCHOOL**  
**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 2024**  
**(Continued)**

**NOTE 2 - LIQUIDITY AND AVAILABILITY**

The School regularly monitors the availability of resources required to meet its operating needs and other contractual commitments. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the School considers all expenditures related to its ongoing activities, as well as the conduct of services undertaken to support those activities to be general expenditures.

The following financial assets could readily be made available within one year of the statement of financial position date to meet general expenditures at June 30:

	2024	2023
Cash and cash equivalents	\$ 380,515	\$ 429,188
Accounts receivable	385,825	292,425
Grants receivable	-	272,326
Pledges receivable	-	36,862
Less: board-designated net assets	(141,442)	(111,427)
Less: donor restricted net assets	(44,921)	(92,253)
	\$ 579,977	\$ 827,121

The School also receives basic charter school tuition and grants throughout the year to provide additional funds for general expenditures.

Although the board-designated funds are intended for specific uses, the board has the ability to make funds available for general expenditures if necessary.

**NOTE 3 - CASH, CASH EQUIVALENTS, AND RESTRICTED CASH**

For the purposes of the statements of cash flows, cash and cash equivalents include all cash on hand and in banks, which at times, may exceed federally insured limits. The School considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Certain of these accounts are not federally insured. The School has not experienced any losses in these accounts and does not believe it is exposed to any significant credit risk with respect to cash and cash equivalents.

The School maintains cash in an escrow account in accordance with the terms of their charter agreement. The escrow is restricted to fund legal and other costs related to the dissolution of the School.

**TRUXTON ACADEMY CHARTER SCHOOL**  
**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 2024**  
**(Continued)**

**NOTE 3 - CASH, CASH EQUIVALENTS, AND RESTRICTED CASH**

Cash, cash equivalents, and restricted cash consisted of the following at June 30:

	2024	2023
Checking	\$ 359,973	\$ 408,646
Savings	20,542	20,542
Total Cash and Cash Equivalents	380,515	429,188
Restricted Cash - Escrow Accounts	75,000	75,000
Total Cash, Cash Equivalents, and Restricted Cash	\$ 455,515	\$ 504,188

**NOTE 4 - LEASES**

The School determines if an arrangement is or contains a lease at inception. Leases are included in right-of-use (ROU) assets and lease liabilities in the statements of financial position. ROU assets and lease liabilities reflect the present value of the future minimum lease payments over the lease term, and ROU assets also include prepaid or accrued rent. Operating lease expense is recognized on a straight-line basis over the lease term. The School does not report ROU assets and lease liabilities for its immaterial or short-term leases (leases with a term of 12 months or less). Instead, the lease payments of those leases are reported as lease expense on a straight-line basis over the lease term. The School evaluated current contracts to determine which met the criteria of a lease. The School did not have any long-term leases to record.

The School entered into a short-term operating lease for its facilities. The building is used for education and also to house administration for the School. The lease expired June 2024. The annual rent was \$500 per month. In lieu of a higher rent payment, the School was responsible for the cost of utilities, repairs and maintenance. The School had an option to purchase the property after June 2024, conditioned upon renewal of the School's charter. The School had the option to renew this lease for four additional three to five-year terms at a cost of \$6,000 per year, however they opted to instead sign a new lease after-year end. Therefore, the payments associated with these extensions were not recorded as of June 30, 2024.

The new lease was signed subsequent to year-end and terminates June 30, 2027. It also requires the School to pay utilities and maintenance. There is an annual rent of \$100 for the upcoming year ended June 30, 2025 and it increases for the two years after. The lease is renewable and there is an option to purchase the property after three years.

**TRUXTON ACADEMY CHARTER SCHOOL**  
**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 2024**  
**(Continued)**

**NOTE 4 - LEASES (Continued)**

There is a portion of the lease that is donated. The value of the donated rent over the expected future costs was recorded as a contribution and pledges receivable. There was no pledge receivable related to donated rent at June 30, 2024. Total pledge receivable related to donated rent at June 30, 2023 was \$36,862. The School recognized the related donated rent expense over the life of the lease. Total rental expense for the years ending June 30, 2024 and 2023 totaled \$42,862 and \$43,602, respectively. This includes donated rent of \$13,741 and \$24,715 for the years ending June 30, 2024 and 2023.

The following summarizes the line items in the statements of activities which include the components of lease expense for the year ended June 30:

	2024	2023
Operating lease expense included in program services expenses	\$ 42,305	\$ 43,035
Operating lease expense included in management and general expenses	557	567
Total operating lease costs	\$ 42,862	\$ 43,602

**NOTE 5 - PENSION EXPENSE**

The School has a Simple IRA retirement plan. Employees expected to earn compensation greater than \$5,000 are eligible to participate upon date of hire. Eligible employees can make contributions to the plan. The School will make a dollar for dollar match of elective deferrals up to 3%. Employer contributions for the years ending June 30, 2024 and 2023 were \$8,717 and \$12,930, respectively.

**NOTE 6 - SPECIAL EDUCATION AND OTHER SUPPORT**

Some of the special education services required by students of the School are provided by the Homer Central School District and other surrounding districts. The Homer Central School District and other surrounding districts also provided transportation services. The School was unable to determine a value for these services, thus, these financial statements do not reflect revenue or expenses associated with those services.

The School also receives State Aid in the form of textbooks and library materials through the school districts. The School did not receive aid during the year ended June 30, 2024. The total aid received for the year ended June 30, 2023 was \$932. The value of this aid is provided by the school districts and is based on original cost.

**TRUXTON ACADEMY CHARTER SCHOOL**  
**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 2024**  
**(Continued)**

**NOTE 7 - DONATED SERVICES**

The School receives donated services that, although substantial, do not meet the criteria for recording as revenue and expense under accounting principles generally accepted in the United States of America. In the years ending June 30, 2024 and 2023, 7 and 9 board members provided approximately 1,660 and 1,870 hours of service, respectively. In addition, 28 and 25 active volunteers provided approximately 1,490 and 1,480 hours of service for the School during the years ended June 30, 2024 and 2023, respectively.

Contributed nonfinancial assets may include donated professional services, donated equipment, and other in-kind contributions which are recorded at the respective fair values of the goods or services received. Contributed goods and services are recorded at fair value at the date of donation. The School does not sell donated gifts-in-kind.

See Note 4 for information related to donated rent for facilities and Note 6 for in-kind information related to special education and other support.

**NOTE 8 - NET ASSETS WITH DONOR RESTRICTIONS**

Net assets with donor restrictions are restricted for the following purposes or periods:

	<u>2024</u>	<u>2023</u>
Subject to expenditure for specified purpose:		
Non-processed food items	\$ 44,921	\$ 48,961
Training	<u>-</u>	<u>6,430</u>
	<u>44,921</u>	<u>55,391</u>
Subject to the passage of time:		
Rent Receivable	<u>-</u>	<u>36,862</u>
Total Net Assets with Donor Restrictions	<u>\$ 44,921</u>	<u>\$ 92,253</u>

**TRUXTON ACADEMY CHARTER SCHOOL**  
**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 2024**  
**(Continued)**

**NOTE 9 - BOARD-DESIGNATED NET ASSETS**

The Board-Designated Net Assets consist of the following at June 30:

	2024	2023
Operations	\$ 116,442	\$ 86,427
Building and Maintenance Projects	25,000	25,000
Total	\$ 141,442	\$ 111,427

The changes in net assets of the board designated fund consist of the following at June 30:

	2024	2023
Increase in Designation	\$ 30,015	\$ 31,767
Increase/(decrease) in net assets of board designated funds	\$ 30,015	\$ 31,767

**NOTE 10 - PRIOR PERIOD ADJUSTMENTS**

A prior period adjustment affecting the year ended June 30, 2023 was made. The June 30, 2024 comparative financial statements have been restated to reflect this adjustment. The adjustment was necessary to record pledges receivables and donated rent in the proper period. The net adjustment was a decrease of \$12,887 in Net Assets Without Donor Restrictions.

**NOTE 11 - SUBSEQUENT EVENTS**

Subsequent events have been evaluated through October 21, 2024, which is the date the statements were available for issuance.

**SUPPLEMENTARY INFORMATION**

**For The Year Ending June 30, 2024**

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

Independent Auditors' Report

To the Board of Trustees  
Truxton Academy Charter School  
Truxton, New York

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Truxton Academy Charter School which comprise the statement of financial position as of June 30, 2024, and the related statements of activities and functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 21, 2024.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Truxton Academy Charter School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Truxton Academy Charter School's internal control. Accordingly, we do not express an opinion on the effectiveness of Truxton Academy Charter School's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

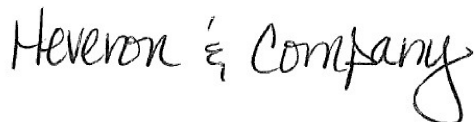

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Truxton Academy Charter School's financial statements are free of material misstatements, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
