Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• **Four hours of study per day in Reading, Math and Writing** • **Small-school setting** (1/2 the size of Albany's district middle schools) • **"No Excuses" environment** • **Extended school day** • **Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• **Four hours of study per day in Reading, Math and Writing** • **Small-school setting** (1/2 the size of Albany's district middle schools) • **"No Excuses" environment** • **Extended school day** • **Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• **Four hours of study per day in Reading, Math and Writing** • **Small-school setting** (1/2 the size of Albany's district middle schools) • **"No Excuses" environment** • **Extended school day** • **Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**

Achievement Academy Charter School

A new public middle school has been proposed for Albany. Achievement Academy Charter School will give students a strong academic foundation that will prepare students for college-preparatory high schools, and ultimately for entrance into colleges and universities. Among other things, the school will offer:

• Four hours of study per day in Reading, Math and Writing • Small-school setting (1/2 the size of Albany's district middle schools) **• "No Excuses" environment • Extended school day • Longer school year**

YES! I support this new public school option! or **YES! I am interested in this new public middle school for my child!**
