Independent Auditors' Report

To the Board of Directors of
Central Queens Academy Charter School

Report on the Financial Statements

We have audited the accompanying financial statements of Central Queens Academy Charter School (the "School"), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Central Queens Academy Charter School as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the School's 2016 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 7, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2016 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 3, 2017 on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

CENTRAL QUEENS ACADEMY CHARTER SCHOOL
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017

Note 1 - Organization and Nature of Activities

Central Queens Academy Charter School (the "School"), located in Queens, New York, is a not-for-profit education corporation chartered by the Regents of the University of the State of New York. The charter was authorized by SUNY Charter Schools Institute. The School was founded by a team of educators, parents and youth advocates in partnership with APEX, a youth development organization with almost 25 years of experience working with Asian immigrant youth in New York.

The School's academic program is designed to meet the needs of a highly diverse student body. The School has grounded this program in its core values and will implement its mission using research-based methods that have worked in other schools. Its curriculum is aligned with the Common Core State Standards and the New York State Standards, and has been designed to make sure that students learn what they need to know in a rigorous and fun environment.

The School is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been reflected in the accompanying financial statements. They have not been designated as a private foundation.

Note 2 - Significant Accounting Policies

a. Basis of Presentation

The accompanying financial statements have been prepared using the accrual basis of accounting, which is the process of recognizing revenue and expenses when earned or incurred rather than received or paid.

The School's net assets are classified based upon the existence or absence of donor-imposed restrictions as follows:

- *Unrestricted* – represent those resources for which there are no restrictions by donors as to their use.
- *Temporarily restricted* – represent those resources, the uses of which have been restricted by donors to specific purposes or the passage of time. The release from restrictions results from the satisfaction of the restricted purposes specified by the donor. Temporarily restricted contributions, the requirements of which are met in the year of donation, are reported as unrestricted.

b. Cash and Cash Equivalents

The School considers all liquid investments with an initial maturity of three months or less to be cash and cash equivalents.

c. Concentration of Credit

Financial instruments, which potentially subject the School to concentration of credit risk, consist of cash and money market accounts, which have been placed with financial

institutions that management deems to be creditworthy. At year end and at various times throughout the year, material cash balances were in excess of FDIC insurance levels; however, management feels they have little risk and the School has not experienced any losses from the default of any financial institution.

d. Capitalization Policy

Computer hardware, furniture, leasehold improvements and equipment are stated at cost or at the fair value at the date of gift, if donated. The School capitalizes fixed assets in excess of pre-defined amounts that have a useful life of more than one year. Depreciation was computed using the straight-line method over the estimated useful lives of the respective assets, which generally are between 3 and 5 years.

e. Deferred Rent

Rent expense is recorded on the straight-line basis over the life of the lease. Rent expense recognized in excess of cash payments is reflected as deferred rent. As future payments exceed the annual expense recognized, deferred rent will be reduced to zero at the end of the lease term.

f. Contributions

Contributions are recorded as revenue at the earlier of the receipt of cash or when pledges are considered unconditional in nature. Contributions are available for unrestricted use, unless specifically restricted by the donor, in which case they are recorded in one of the restricted classes of net assets, depending on the nature of the restriction.

Contributions expected to be received within one year are recorded at net realizable value. Long-term pledges are recorded at fair value using a risk adjusted discount rate. Conditional contributions are recorded as liabilities and are recognized as income when the conditions have been substantially met.

g. Revenue

Program revenue is recognized based on rates established by the School's funding sources and the amount realizable on the accrual basis in the period during which services are provided.

Government grants are recognized as income when a reimbursable expense is incurred. The difference between revenue recognized and cash received is reflected as government grants receivable or refundable advances.

h. Donated Services

Donated services are recognized in circumstances where those services create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased, if not provided in-kind.

The School received in-kind professional legal services that were valued at \$248,181 and \$110,685 for the years ended June 30, 2017 and June 30, 2016, respectively.

The School pays for most other services requiring specific expertise. Board members and other individuals volunteer their time and support its mission and accomplish its

programmatic goals. These services do not meet the criteria for recognition as outlined above and have not been recorded in the financial statements.

- i. Functional Allocation of Expenses
The costs of providing various programs and other activities have been summarized on a functional basis in the accompanying financial statements. Accordingly, certain costs have been allocated among the programs and supporting services benefited.
- j. Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- k. Comparative Financial Information
The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Such information should be read in conjunction with the School's financial statements for the year ended June 30, 2016, from which the summarized information was derived.
- l. Accounting for Uncertainty in Income Taxes
The School does not believe its financial statements include any material, uncertain tax positions. Tax filings for periods ending June 30, 2014 and later are subject to examination by applicable taxing authorities.
- m. Subsequent Events
Management has evaluated for potential recognition and disclosure events subsequent to the date of the statement of financial position through October 3, 2017, the date the financial statements were available to be issued. No events have occurred subsequent to the statement of financial position date, through our evaluation date that would require adjustment to or disclosure in the financial statements.
- n. New Accounting Pronouncement
On August 18, 2016, the Financial Accounting Standards Board (FASB) issued an Accounting Standards Update (ASU) No. 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. The ASU, which becomes effective for the June 30, 2019 year, with early implementation permitted, focuses on improving the current net asset classification requirements and information presented in the financial statements and notes that is useful in assessing a not-for-profit's liquidity, financial performance and cash flows.

In addition, FASB issued ASU No. 2016-02, *Leases*. The ASU, which becomes effective for the June 30, 2021 year, requires the full obligation of long term leases to be recorded as a liability with a corresponding "right to use asset" on the statement of financial position.

The School has not yet evaluated the impact these standards will have on future financial statements.

Note 3 - Restricted Cash

An escrow account has been established to meet the requirement of the New York City Department of Education (“NYCDOE”). The purpose of this account is to ensure sufficient funds are available for an orderly dissolution or transition process in the event of termination of the charter or school closure.

Note 4 - Pledges Receivable

Pledges receivable are due in the following years:

Year ending: June 30, 2018	\$248,748

Total	<u>\$326,643</u>	<u>\$3,225</u>	<u>\$329,868</u>

Note 9 - Significant Concentrations

The School is dependent upon grants from NYCDOE to carry out its operations. Approximately 86% and 89% of the School's total public support and revenue was from NYCDOE for the years ended June 30, 2017 and 2016, respectively.

Note 10 - Commitments and Contingencies

Government Grants

Government contracts are subject to audit by the grantor. Management does not believe that any audits, if they were to occur, would result in material disallowed costs, and has not established any reserves. Any disallowed costs would be recorded in the period notified.

Lease Commitments

On January 18, 2012, the School entered into an operating lease for classroom space and administrative offices that was originally set to expire on July 15, 2015. On January 21, 2015, a lease amendment was signed extending the term of the agreement through July 15, 2018. Future minimum lease payments are as follows:

Year ending:	June 30, 2018	\$393,384
	June 30, 2019	<u>16,391</u>
		<u>\$409,775</u>

On May 5, 2014, the School entered into a second operating lease for additional classroom and administrative space that expires on July 15, 2019. On April 1, 2016, a lease amendment was signed that increased the base rent due per year. The lease term began on July 1, 2014 and future minimum lease payments are as follows:

Year ending:	June 30, 2018	\$545,004
	June 30, 2019	570,000
	June 30, 2020	<u>23,750</u>
		<u>\$1,138,754</u>

Note 11 - Employee Benefits

The School has a tax deferred annuity plan under IRS section 401(k) for all employees. Under the plan, employees may opt to defer a portion of their gross pay, having that portion of pay be invested in accordance with applicable federal and state guidelines governing deferred compensation programs. The School contributed \$51,112 and \$52,931 to the plan during the years ended June 30, 2017 and 2016, respectively.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING
STANDARDS***

To the Board of Directors of
Central Queens Academy Charter School

Report on the Financial Statements

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Central Queens Academy Charter School (the "School"), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the financial statements, and have issued our report thereon dated October 3, 2017.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
