Resolved that the Recommended Proposal be, and hereby is, approved; and, be it further

Resolved that the Institute be, and hereby is, directed to: 1) enter into a proposed charter with the Education Corporation in accordance with this resolution, which shall include such assurances and terms as the Institute shall deem necessary and appropriate; and, 2) thereafter to submit such proposed charter no later than November 1, 2018 as required by the Act to the New York State Board of Regents for issuance on or before January 1, 2019.

Background

Pursuant to Resolution No. 2012-038 dated June 12, 2012, the Board of Trustees delegated to the Charter Schools Committee the authority to approve or deny applications to establish new charter school education corporations, and applications by existing education corporations for authority to operate additional schools.

The New York Charter Schools Act of 1998 (as amended, the “Act”) permits new charters to be issued through requests for proposals (“RFPs”). Only the Board of Trustees and the Board of Regents may issue RFPs. Assuming all of the applications recently approved by SUNY result in issued charters, the Act’s cap of 50 charters to be located in New York City has been reached. Of the 22 previously issued charters that the Act allows to be reissued (including in New York City), 17 remain as of October 12, 2018. For locations outside of New York City, 101 charters are available.

The SUNY Charter Schools Institute (the “Institute”) released and broadly distributed a draft RFP for public comment on November 10, 2017, and posted a document detailing its evaluation and response to public comments on January 2, 2018 with the release of the RFP. The Institute received the proposal to be approved by this resolution by the due date, and then reviewed, scored (in

accordance with a rubric required to be developed pursuant to Subdivision 2852(9-a)(c)), and ranked it.

Prior to recommending the proposed charter school for approval, the Institute, acting on behalf of the Board of Trustees, conducted a rigorous review of the proposal and published its findings and recommendations in a Summary of Findings and Recommendations (copy on file in the Office of the Secretary of the University and in the Albany office of the Institute, and available at: http://www.suny.edu/Board_of_Trustees/meetingnotices.cfm), which was made available to the Board of Trustees.

For the proposal listed above, the Institute, pursuant to Education Law § 2857(1), notified the school district in which the education corporation proposes to locate the charter school as well as public and non-public schools in the same geographic area of the school regarding the receipt of the application for a new school (copy on file in the Albany Office of the Institute). As of October 12, 2018, the Board of Trustees received no district comments.
