This Notice is to inform you that the State University of New York Board of Trustees (the "SUNY Trustees"), in its capacity as a charter authorizer, has received an application to revise the charters of the charter schools listed below. Further, the SUNY Trustees, or their designees, the SUNY Charter Schools Committee or SUNY Charter Schools Institute (the "Institute"), anticipate consideration of these requests as soon March 17, 2021. A description of the proposed actions are as follows:

- **Community Partnership Charter School Education Corporation**, a charter school education corporation with the authority to operate more than one school has requested the following revision:

The school seeks to add a high school program beginning in the 2021-22 school year initially serving 90 students in grade 9.
