DEMOCRACY PREP CS (SUNY TRUSTEES)Section Heading

Financial Information

This information is required of ALL charter schools. Provide the following measures of fiscal performance of the charter school in Appendix B (Total Expenditures and Administrative Expenditures Per Child):

1. Total Expenditures Per Child

To calculate **'Total Expenditures per Child'** take total expenditures (from the unaudited 2017-18 Schedule of Functional Expenses) and divide by the year end FTE student enrollment. (Integers Only. No dollar signs or commas).

Note: The information on the Schedule of Functional Expenses on pages 41–43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations: http://www.p12.nysed.gov/psc/AuditGuide.html

Line 1: Total Expenditures	12295075
Line 2: Year End FTE student enrollment	668
Line 3: Divide Line 1 by Line 2	18406

2. Administrative Expenditures per Child

To calculate **'Administrative Expenditures per Child'** To calculate "Administrative Expenditures per Child" first *add* together the following:

1. Take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the unaudited 2017-18 Schedule of Functional Expenses)

2. Any contracted administrative/management fee paid to other organizations or corporations

3. Take the total from above and divide it by the year-end FTE enrollment. The relevant portion that must be included in this calculation is defined as follows:

Administrative Expenditures: Administration and management of the charter school includes the activities and personnel of the offices of the chief school officer, the finance or business offices, school operations personnel, data management and reporting, human resources, technology, etc. It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation. Do not include the FTE of personnel whose role is to directly support the instructional program.

Notes:
The information on the Schedule of Functional Expenses on pages 41–43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations: http://www.p12.nysed.gov/psc/AuditGuide.html.
Employee benefit costs or expenditures should not be reported in the above calculations.

Line 1: Relevant Personnel Services Cost (Row)	7799220
Line 2: Management and General Cost (Column)	3010038
Line 3: Sum of Line 1 and Line 2	10809258
Line 5: Divide Line 3 by the Year End FTE student enrollment	16181

Thank you.

Entry 10 Enrollment and Retention of Special Populations

Last updated: 07/25/2018

Instructions for Reporting Enrollment and Retention Strategies

Describe the efforts the charter school has made in 2017-18 toward meeting targets to attract and retain enrollment of students with disabilities, English language learners, and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2018-19.

DEMOCRACY PREP CS (SUNY TRUSTEES)Section Heading

Recruitment/Attraction Efforts Toward Meeting Targets

	Describe Recruitment Efforts in 2017-18	Describe Recruitment Plans in 2018-19)
Economically Disadvantaged	Democracy Prep Charter School is open to any child who is eligible under the laws of the State of New York for admission to a public school, and the school ensures compliance with all applicable anti-discrimination laws governing public schools, including Title VI of the Civil Rights Act and § 2854(2) of the New York Education Law, governing admission to a charter school. DPCS uses various outreach efforts to attract and retain students who are at risk of academic failure and will continue to adopt and implement new measures designed to sustain its comparatively large proportion of such students in 2016- 17 and beyond. Specifically, we contact guidance counselors in elementary, middle and high schools in Community School District 5 in order to identify high-needs students who could naturally feed into Democracy Prep Charter School. Because a reliance on data pervades all aspects of Democracy Prep's no excuses culture, we also depend on analytical tools to inform recruitment decisions. With support from network resources, our school is informed on neighborhood demographic trends, application to acceptance conversion rates, and previous year's retention rates. This equips canvassers with more targeted	Moving forward, Democracy Prep Charter School will continue to advertise open registration in January each year. Interested families will meet with staff and review the expectations of the school. Canvassing staff will visit, with permission, local elementary schools, after-school programs, and youth centers, organize numerous open houses, attend school enrollment fairs, canvass neighborhoods door-to-door to further reach interested families, mail applications to every eligible family in Harlem, and post flyers and notices in local newspapers, supermarkets and community centers.

	walk-lists and recruitment strategies.	
English Language Learners	DPCS contacts ELL instructors, and guidance counselors in the elementary, middle and high schools in Community School District 5 in order to identify high-needs students who could naturally feed into Democracy Prep Charter School. The school directly mails applications to all students in Upper Manhattan and the Bronx and canvasses each housing development in Upper Manhattan in order to drop off enrollment applications at each door irrespective of whether a school-aged student resides in that apartment. Native Spanish speakers, and in some cases French speakers, accompany canvassing efforts to ensure that Spanish and Francophone families are not precluded from applying. Most printed material also includes a Spanish version.	DPCS will provide translation services, if necessary, for all promotional materials (e.g. billboards, public transportation advertisements, and canvassing fliers) and any person-to-person interaction requiring an English translation. The school will continue to directly mail applications to all students in Upper Manhattan and the Bronx and canvass each housing development in Upper Manhattan in order to drop off enrollment applications at each door, particularly in areas where a language other than English is primarily spoken.
Students with Disabilities	DPCS contacts special education instructors and guidance counselors in elementary, middle and high schools in Community School District 5 in order to identify high-needs students who could naturally feed into Democracy Prep Charter School. DPCS does not collect SPED or ELL data during the application phase. Instead, authentic community engagement works in tandem with data metrics to form the crux of DPCS’s enrollment efforts. Through programming such as DP Hearts Harlem and summer family ice cream socials, our school is able to establish a footprint in the community we serve and develop meaningful relationships with families by providing opportunities for them to meet principals and staff members in person to discuss DPCS's special education services.	DPCS strongly encourages a diverse community of students and families and does not discriminate against or limit the admission of any student on any unlawful basis including on the basis of disability or intellectual ability. DPCS will continue to contact special education instructors and guidance counselors in elementary, middle and high schools in Community School District 5 in order to identify high-needs students who could naturally feed into Democracy Prep Charter School. DPCS was founded with the intent of recruiting and serving an equal or higher proportion of students with disabilities than the surrounding district and will make a specific effort to recruit into the lottery applicant pool approximately 20% of students who have disabilities.

Retention Efforts Toward Meeting Targets

	Describe Retention Efforts in 2017-18	Describe Retention Plans in 2018-19)
	Learning support for DPCS scholars comes through multiple means, including: clear, engaging, high-quality lessons in the classroom with low student-to-teacher ratios; increased learning time relative to schools in the surrounding district; pull-out and push-in instruction by DPCS' Academic Collaboration	DPCS' instructional model will continue to incorporate supports for all students struggling academically. All students falling substantially below grade level in reading and math — regardless of classification —will receive increased attention through small-

Economically Disadvantaged	Team (ACT) members and related services such as counseling, speech, and occupational and physical therapy for student who require it; and mandatory after-school and Saturday program tutoring for students who require additional individual and small-group attention, as determined by assessment data regardless of Special Education or English Language Learner classification.	group instruction, individual tutoring, and other intensive academic supports designed to accelerate their academic growth. DPCS also will provide appropriate accommodations to all students progressing through the initial evaluation process prior to confirmation that the student is disabled and eligible for special education and related services.
English Language Learners	During the school year, the Academic Collaboration Team (or ACT Team), teachers, and leadership actively review the progress of ELL students to ensure scholars are supported to meet their goals. Teachers meet with scholars' families at the mid- and end-points of each trimester to monitor the progress towards their language development goals alongside the overarching promotional criteria. At the middle school level, this criteria includes reading level, math proficiency, number of classes passed, and attendance rates; at the high school, this criteria includes major courses being passed, cumulative GPA, SAT scores, and attendance rates.	Armed with an awareness of students' individualized learning plans, the ACT team, teachers, and leadership will work with scholars and families to ensure they are aware of both their individual development and progress towards promotion. The LAB-R test will be used to identify students who are entitled to our Structured English Immersion program for English Language Learners.
Students with Disabilities	During the school year, the Academic Collaboration Team (or ACT Team), teachers, and leadership actively review the progress of IEP students to ensure scholars are supported to meet their goals. Outside of IEP evaluations, teachers meet with scholars' families at the mid- and end-points of each trimester to monitor the progress towards their IEP goals alongside the overarching promotional criteria. At the middle school level, this criteria includes reading level, math proficiency, number of classes passed, and attendance rates; at the high school, this criteria includes major courses being passed, cumulative GPA, SAT scores, and attendance rates.	Armed with an awareness of students' individualized learning plans, the ACT team, teachers, and leadership will work with scholars and families to ensure they are aware of both their individual development and progress towards promotion. The upfront and transparent communication will allow for a richer academic dialogue around growth to better support the retention of our highest need students.

3. Tell your school's story

Charter schools may provide additional information in this section of the Annual Report about their respective teacher and administrator attrition rates as some teacher or administrator departures do not reflect advancement or movement within the charter school networks. Schools may provide additional detail to reflect a teacher's advancement up the ladder to a leadership position within the network or an administrator's movement to lead a new network charter school.

(No response)

4. Charter schools must ensure that all prospective employees receive clearance through the NYSED Office of School Personnel Review and Accountability (OSPRA) prior to employment. After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

Have all employees have been cleared through the NYSED TEACH system?

Yes

5. For perspective or current employees whose clearance has been denied, have you terminated their employment and removed them from the TEACH system?

	Not Applicable

Thank you
