Entry 4 Expenditures per Child

Created: 07/25/2017 • Last updated: 07/26/2017

Financial Information

This information is required of ALL charter schools. Provide the following measures of fiscal performance of the charter school in Appendix B (Total Expenditures and Administrative Expenditures Per Child):

1. Total Expenditures Per Child

To calculate '**Total Expenditures per Child**' take total expenditures (from the unaudited 2016-17 Schedule of Functional Expenses) and divide by the year end FTE student enrollment. (Integers Only. No dollar signs or commas).

Note: The information on the Schedule of Functional Expenses on pages 41-43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations: <http://www.p12.nysed.gov/psc/AuditGuide.html>

Line 1: Total Expenditures	5213846
Line 2: Year End FTE student enrollment	296
Line 3: Divide Line 1 by Line 2	17644

2. Administrative Expenditures per Child

To calculate **'Administrative Expenditures per Child'** To calculate "Administrative Expenditures per Child" first *add* together the following:

1. Take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the unaudited 2016 17 Schedule of Functional Expenses)
2. Any contracted administrative/management fee paid to other organizations or corporations
3. Take the total from above and divide it by the year end FTE enrollment. The relevant portion that must be included in this calculation is defined as follows:

Administrative Expenditures: Administration and management of the charter school includes the activities and personnel of the offices of the chief school officer, the finance or business offices, school operations personnel, data management and reporting, human resources, technology, etc. It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation. Do not include the FTE of personnel whose role is to directly support the instructional program.

Notes:

The information on the Schedule of Functional Expenses on pages 41-43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations:

<http://www.p12.nysed.gov/psc/AuditGuide.html>.

Employee benefit costs or expenditures should not be reported in the above calculations.

Line 1: Relevant Personnel Services Cost (Row)	352155
Line 2: Management and General Cost (Column)	228560
Line 3: Sum of Line 1 and Line 2	580715
Line 5: Divide Line 3 by the Year End FTE student enrollment	1965

Thank you.

Entry 11 Enrollment and Retention of Special Populations

Instructions for Reporting Enrollment and Retention Strategies

Describe the efforts the charter school has made in 2016 2017 toward meeting targets to attract and retain enrollment of students with disabilities, English language learners, and students who are economically disadvantaged. In addition, describe the school’s plans for meeting or making progress toward meeting its enrollment and retention targets in 2017 2018.

Recruitment/Attraction Efforts Toward Meeting Targets

	Describe Efforts Toward Meeting Recruitment Targets 2016 17)	Describe Plans Toward Meeting Recruitment Targets 2017 18)
	<p>Family Life Academy Charter School II (FLACS II) enrollment procedures follow the established guidelines of the NYS Charter Law which requires all charter schools to have a set application process which leads to a lottery if the number of applicants exceeds the number of available seats. Consistent with the requirements of the NYS Charter Law, all FLACS schools are committed to enrolling economically disadvantaged students. FLACS II expects to enroll percentages similar to those of the local school district, and to meet or exceed the targets established by the SUNY Trustees. In 2016 2017, FLACS II was approaching or meeting its enrollment targets. Of all enrolled students, 93.5.0% were economically disadvantaged, as of BEDS day 2016. The target for economically disadvantaged students enrollment set by the school’s authorizer was 95.5%. FLACS II has put into place several systems to ensure that it continues to approach and meet the enrollment and retention targets. FLACS II is located in a community with high bilingual and immigrant populations and a high poverty level. Through the lottery system, the selected students have historically ensured that the numbers of students in these groups approximate or exceed local percentages.</p>	

Economically Disadvantaged

The plan to meet enrollment targets at FLACS II involves informing the community about the school and the FLACS Network and providing opportunities for parents to receive the necessary information so that they can apply in a timely fashion. To inform the community, FLACS II:

- Visits and makes presentations to Head Start and Pre K programs during parent meetings
- Attends kindergarten school fairs held at various Head Start and Pre K programs
- Holds open houses for prospective applicants, at least 4 in a school year
- Announces and advertises in local venues, such as, but not limited to, local neighborhood newsprints such as The Penny Pincher, Bronx Times and local television channels as Bronx 12 and NY1
- Distributes community event invitation fliers with enrollment information
- Maintains accurate information on the school website, including a link to the application
- Uses of the New York City Common Online Charter School Application, which allows parents to complete the application online and has widened the pool of applicants the school has received, and is translated into multiple languages.
- Provides to enrolled families to attract siblings during the application process time
- Presents all core presentations and materials in both English and Spanish
- Works with LPAC, its community sponsor, in outreach in local religious and community centers, including those with predominantly immigrant and bilingual populations

Due to our success of previous year, we will continue with plans and efforts toward approaching or meeting its recruitment targets.

Consistent with the requirements of the NYS Charter Law, all FLACS schools are committed to enrolling ELLs. FLACS II expects to enroll percentages similar to those of the local school district, and to meet or exceed the targets established by the SUNY Trustees. In 2016 2017, FLACS II was approaching or

meeting its enrollment targets. Of all enrolled students 20.3% were ELLs or former ELLs as of BEDS day 2016. The target for ELLs enrollment set by the school's authorizer was 21.7%

centers, including those with predominantly immigrant and bilingual populations
In the presentations, FLACS II highlights its educational program, including its English as a Second Language program.

Family Life Academy Charter School II (FLACS II) enrollment procedures follow the established guidelines of the NYS Charter Law which requires all charter schools to have a set application process which leads to a lottery if the number of applicants exceeds the number of available seats. Consistent with the requirements of the NYS Charter Law, all FLACS schools are committed to enrolling students in special education. FLACS II expects to enroll percentages similar to those of the local school district, and to meet or exceed the targets established by the SUNY Trustees.

In 2016 2017, FLACS II was approaching or meeting its enrollment targets. Of all enrolled students, 11.0% were in special education as of BEDS day 2016. The target for students in special education enrollment set by the school's authorizer was 21.9%.

FLACS II has put into place several systems to ensure that it continues to approach and meet the enrollment and retention targets. Through use of the lottery, the percentages of students who require IEPs, or who may be identified for services, approximate those admitted in the district. Most students do not enter kindergarten with an IEP and are only identified after being enrolled in school for a length of time. FLACS IIs committed to completing a rigorous child study and intervention response process for any student who is demonstrating needs in their social development, behavior, or academics before children are referred to special education. This is in accordance with keeping students in the least restrictive environment appropriate to meeting their needs. Only after the school has determined that the interventions are not succeeding is a referral to special education made; once this process is started it can often take the external Committee for Special Education several months to complete the process of giving a student an IEP. Because of this process two

Students with Disabilities

things occur. One, some students respond well to the internal interventions and are not ever referred to special education. Two, students are typically not identified as being in special education until they have been in the school and demonstrating some difficulty for at least one to two years; as such the percentage of special needs students increases by grade level, with third grade and up having a higher percentage of special education students than do kindergarten through second grade.

The plan to meet enrollment targets at FLACS II involves informing the community about the school and the FLACS Network and providing opportunities for parents to receive the necessary information so that they can apply in a timely fashion. To inform the community, FLACS II:

- Visits and makes presentations to Head Start and Pre K programs during parent meetings

Retention Efforts Toward Meeting Targets

	Describe Efforts Toward Meeting Retention Targets 2016 17)	Describe Plans Toward Meeting Retention Targets 2017 18)
Economically Disadvantaged	<p>Historically, the majority of students, including those who are economically disadvantaged, have chosen to stay at FLACS II once enrolled; most students that leave have moved or have other change of life events. In 2016 2017, FLACS II met its retention targets. Between BEDS day 2015 and BEDS day 2016, FLACS II retained 89.1% of its economically disadvantaged students. The target for retention set by the school's authorizer was 92.6%.</p> <p>The first step in ensuring that FLACS II meets its retention targets in the future is to continue to provide rigorous academic curricula, demonstrate student academic success and provide a nurturing and inviting environment for families that will encourage parents to keep their children enrolled at FLACS II.
